S. No.	Information Sought	Reply
1	<p>Part time B.Tech are granted by UGC like full time B.Tech. But during recruitment, Some of the Public Sector companies are accepting part time B.Tech but some public sector are not accepting. For example ONGC, ISRO, BARC are accepting partime B.Tech where as BHEL, NTPC, EIL etc. are not accepting it. They are all asking full time regular course.</p> <p>I would like to know, is there any norm governing acceptance of Full time or part time course. Why these discrimination between part time and full time courses among the public sector companies under one Govt.</p>	<p>The Department of Public Enterprises (DPE) has not issued any guidelines in regard to acceptance or non-acceptance of full time or part time course in regard to recruitment by Public Sector Units. Policy on recruitment at below Board level posts in Central Public Sector Enterprise (CPSE) is framed by the concerned CPSE in consultation with their respective administrative Ministry / Department, if any. For further information, if any, your RTI application is being forwarded to M/o Human Resources Development, D/o Secondary & Higher Education.</p>
