1-3	<p>On behalf of a Premier Schedule-A Mini-Ratna Public Sector Undertaking, providing Warehousing Facilities and Logistic support to Agriculture sector and other Notified commodities, All India Management Association (AIMA) invited applications from Indian Nationals, who fulfill the prescribed qualification, experience, age etc. for the post of Jr.Technical Assistant (post code-04). The written examination held on 2nd march 2014. I had cleared the written examination and selected for Interview. My interview held on 30th April,2014 in New Delhi but interview result was not published yet. On 5th November,2014 AIMA published a new advertisement for filling up Jr.Technical assistant Post. As the AIMAs previous recruitment server was not working properly so I dont know what happened to previous recruitment Of Jr.Technical Assistant post. So, I want to know the status of that recruitment .If you kindly look after that matter and take some initiative so that i can know about the recruitment status i will be greatly obliged to you.</p>	<p>The information sought in your RTI is in form of query, which do not form 'Information' within the provisions of RTI Act 2005. However in regard to AIMA it is mentioned that it is a federation of Local Management Associations (LMAs) and not a Central Public Sector Enterprise (CPSE) as such D/o Public Enterprise has nothing to do in its recruitment process.</p>
