This may amount to a contravention of its statutory duties under the Health and Safety at Work Act for PWD, the Management of Health and Safety at Work Regulation for PWD, the PWD Employment Rights Act, and the Equality Act for Person with Disability candidate was not followed in my case in Bokaro steel plant. I need a grievance from higher authority .**This is against for Management of Health and Safety at Work Regulation. I need grievance from the SAIL bokaro (HSM-Operation) Steel Plant.** I want to continue my service in SAIL.

My induction training has been completed in BSL bokaro Steel Plant (**Jharkhand**). **I have faced health and safety problem in HSM (operation) Bokaro Plant in my case.** I belong to the place SALEM.

One thing to mention here is I am a **Person with Disability (Loco motor Disability)(50%)** candidate that is why I was much hope full that I will get my posting near to my home town if it is possible for the company. I was completely not in position to conduct **Hot Strip Mill Operation in Bokaro steel plant my duty in all respect it is technical and my Physical body condition** because the post assigned for me not List of post Identified by Person with Disability candidates.

So I have already requested to bokaro steel plant higher authorities to concern this problem but they have not paid any attention to my request and refuse this request. Please take necessary action.

I have send many grievance letter to bokaro steel plant for my posting to SAIL bokaro steel plant **they have not paid any attention to my request and refuse this request** but suddenly **without intimation to me they terminated from my service from SAIL.I have attached proof for this. Kindly Steel Authority of India shall take necessary action.**

I was joined there on 28th Feb2014 there I got my working area as HSM (**Hot Strip Mill-Operation**) but I was belongs to Computer Science branch. While they gave me a working area has **HSM(Hot Strip Mill)Operation Department** for which I was totally unfit a Computer Science Engineer and as Person with Disability candidate.

I have informed this matter to higher authority in bokaro steel plant but they not paid any attention to my problem.HSM Operation Was not suitable job for my physical body condition but no action taken from bokaro steel plant.

I was completely not in position to conduct my duty in all respect either it is technical and my Physical body condition. **I have requested to bokaro steel plant higher authorities to concern this problem but they have not paid any attention to my request.**

In Bokaro Steel plant in my case assigned post was Hot Strip Mill (Operation) is not list of public Sector posts which were identified for persons with disabilities candidate not followed in my case in Bokaro Steel Plant. Please take necessary action. **Regarding above information I was raised grievance to Office of the Chief Commissioner for Persons with Disabilities, Ministry of Social Justice and Empowerment.**

HSM Operation not at all suitable for Computer Science and Person with Disability candidate. It is **high risks** place to work for Person with Disability candidate and health and safety within (HSM operation) the working environment not followed. I was completely not in position to conduct my duty in all respect either it is technical and my Physical body condition.

In Bokaro Steel plant in my case **HSM Operation was not at all related to Computer Science branch.** I was selected in computer science branch but I got Mechanical Candidate kind of work. I was completely not in position to conduct my duty in all respect either it is technical and my Physical body condition. All my problems forced me to resign from the company.

Government Order for Identification of jobs PWD.

Persons should preferably be posted to perform such identified jobs and they be allowed to continue performing such jobs, as far as possible. If the concerned PWD officer could perform all the jobs as people without disability or could perform several types of jobs efficiently, no effort should be made to instruct them to certain types of jobs only. But bokaro steel plant HSM Operation was not identified job but plant force to me work that place. It was against the Government of India order. In HSM Operation was not **health and safety work for PWD candidate as per the guidelines provided by the Minister of Social Justice. It was against rules for PWD act.**

Government Order for Accessibility and barrier free environment at work place

PWDs as per the provisions of the PWD Act, all Government offices and public sector should take special steps to provide barrier free and accessible work stations to PWD employees were not followed in bokaro steel plant HSM Operation.

Labour Laws for Protection and Safety measure to PWD candidate was not followed in bokaro steel plant (HSM-Operation). The PWD Act has been enacted under Article 253 of the Constitution. It gives effect to the proclamation on the full participation and equality of the persons with disabilities in the Asian and Pacific Region and provides for their education, employment, creation of barrier free environment, social security and similar overlooked areas were not followed in bokaro steel plant (HSM-Operation).

Appropriate governments and local authorities shall take effective and appropriate measures to enable the protection and safety of persons with disabilities Labour Laws situations not followed in bokaro steel Plant in my case and **Govt Order rules Issued by Department of Personnel and Training rules and regulation were not followed in my case Bokaro Steel Plant.**

The G.O (Government Order) Mentioned the appropriate government shall take suitable measures to ensure the safety and protection and to offer immediate relief and rehabilitation to victims with disabilities in situations of communal violence or internal disturbance. But In my case Bokaro Steel plant HSM Operation was not suitable the safety and protection place to work for disabled candidate. I was very difficult to work that environment.

Ministry of Social Justice and Empowerment list of post identified issued to the Central Government and accepted the report, the List of posts identified for Persons with Disabilities in public sector are not followed in my case in Bokaro Steel Plant.

Identification of posts which can be reserved for persons with disabilities (**PROTECTION OF RIGHTS AND FULL PARTICIPATION ACT, 1995**) identified post for Disabled candidates are not taken within the working environment for Person with Disability candidate in bokaro steel plant (HSM-Operation) in my case.

Prevention and early detection of disabilities, education, employment, social security, research and manpower development, barrier-free access and preferences and facilities that are available to such persons and the action which needs to be taken to avoid any discrimination against persons with disabilities were not followed .

I was very hope full to get my posting in SALEM. One thing to mention here is I am a **PHYSICALLY DISABLED (50%)** candidate that is why I was much hope full that I will get my posting near to my home town if it is possible for the company because it is also mentioned in Government of India, Government Order (G.O) that P.H candidate shall be posted near to their home town if it is possible for the company and for SAIL it is possible because it has a plant in my home town.

Ministry of Social Justice and Empowerment, in pursuance of the provisions of Section 32 of the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 had constituted an Expert Committee on the 30th December, 2010 under the Chairmanship of Additional Secretary, Ministry of Social Justice and Empowerment. The Central Government accepted the report and the List of posts identified for Persons with Disabilities in public sector are not followed in my case.

Prepared a detailed list of public Sector posts which were identified for PWD not followed in my case.

I am requesting to the authority to please help me to take me out from this situation and I kindly request you to please Contact to the **Human Resource Department of SAIL (The (Personnel), Steel Authority Of India Limited**, Ispat Bhawan, Lodi Road, New Delhi - 110003) to make them assure to give me and List of job Identified by Person with Disability candidates **and posting in SALEM Steel Plant which is 5kms away from my home town.**

So that I can continue my service and take care of my family which is completely dependent upon me and my inability due to various external constraints; it has been getting Difficult for me to function appropriately in this place.

I have received letter from SAIL date (15.10.2014) "Servicers of Shri Umapathi have been terminated on account of unauthorized absence and His request for transfer cannot be accepted. But I have asked grievance but they terminated from my service.

Therefore I am requesting to Department of Public Enterprises take concern of my case, to make them assure to give me and List of job Identified by Person with Disability candidates and posting in SALEM. So that I can serve this company with heart and soul will be highly obliged by your kind act.

But I have asked grievance to bokaro steel pant but they terminated from my service from SAIL. I am available to rejoin the company. I expect you sir will understand my situation and response the needful for the same. I along with my entire family would be grateful to you forever for this gesture.

This week only, I have completed police verification for this job. A List of IDENTIFIED JOB TO BE RESERVED FOR PERSONS WITH DISABILITIES is not followed by Steel Authority of India bokaro steel plant in my case. I have attached the entire document for your reference. I have Send document to Prime Minister of India Grievance cell and Office of the Chief Commissioner for Persons with Disabilities-Ministry of Social Justice and Empowerment. Your immediate favorable action in the matter shall be highly appreciated.

I have sent many request letters to bokaro steel plant and no necessary action taken from bokaro steel plant but suddenly without intimation **without intimation to me they terminated from my service from SAIL. This is the injustice to my grievance. Now I have received Through RTI bokaro steel plant CPI (AGM), my service terminated from SAIL. This is injustice for PWD candidate and against the Supreme Court order for PWD RIGHTS. Please consider my genuine case and take necessary action.**

I am available to rejoin the company. **I look forward to continued growth within this company throughout my career.** I expect you sir will understand my situation and response the needful for the same. I trust my career can continue to SAIL under more positive circumstances, and look forward to pursuing my career with SAIL.

As per guideline of Supreme Court the public sector company provide safe environment to Work for PWD candidate. I believe that SAIL take care of its public employees and person with disability candidate. I am waiting for your reply sir.
