4. The above Committee shall add value to the proposals of acquisition of raw material assets abroad by CPSEs before they are considered by the Cabinet Committee on Economic Affairs by considering the following issues:

The concerned CPSE/Ministry would nominate a nodal officer with regard to their acquisition proposal, to ensure complete coordination with the cell in DPE/Committee.

7. The DPE would as early as possible but not later than two weeks from the receipt of the details of the proposal, convene a meeting of the above Committee on acquisition of raw material assets abroad to take a view, including on whether or not the proposal should be pursued on a standalone basis or whether the proposal should be taken up as an umbrella approach by a consortium of different CPSEs/private sector companies, or negotiated as a package deal. The above Committee would also decide on the infrastructure that can be developed as a part of the package and other assistance that can be offered including soft loans, educational, scientific, cultural, health and social infrastructure.
