The Company

Air India Charters Limited (AICL) was incorporated on 9.09.1971 with the objective of undertaking Chartered operations / Flights and overcoming the situation created by discounting of fares by Arab carriers and other non-scheduled operators. However, in 1988 through an amendment, the objective of the company changed to providing quality services to the client airlines. In 2004-05, the company saw metamorphosis in its role from merely a service provider of ground handling and security to the first international low cost, no frill budget airline from India.

AICL is an un-categorised CPSE in Transport Services sector under the administrative control of M/o Civil Aviation. The company employed 277 regular employees (Executives 65 & Non-Executives 212) as on 31.3.2013. Its Registered and Corporate offices are at Mumbai, Maharashtra. AICL is a wholly owned subsidiary of Air India Ltd.

Industrial / Business Operations

AICL is engaged in providing various ground handling services. The company took a new dimension in setting up a low cost service namely ‘Air India Express’ under its management from Kerala to certain points in the Gulf which is considered to be advantageous to millions of people working abroad especially in the Gulf & Middle East and South East Asia.

Company is engaged in providing three main services i.e. Passenger Carrier, Cargo Carrier, and Handling Services.

Performance Highlights

The company has provided provisional figures. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>
<tbody>

</tr>
<tr>
<td>Mail Revenue</td>
<td>Rs. in Crore</td>
<td>N.A.</td>
<td>0.22</td>
<td>0.31</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 176.52 crore during 2012-13, which went up to ₹ 1557.45 crore in 2012-13 from ₹ 1380.93 crore in 2011-12. The losses of the company has gone down by ₹ 302.90 crore to ₹ (-) 299.60 crore in 2012-13, from ₹ (-) 602.50 crore in previous year due to decrease in the operating expenses and increase in the sales turnover.

The current ratio of company is at 0.05:1 during 2012-13 as against 0.04:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

As per the resolution passed by the Board of Directors and as per the terms of amended MoU between National Aviation Company of India Limited (NACIL) and AICL, the revenue earned by AICL will be shared in the ratio of 25% and 75% respectively, retrospectively, from 1st April, 2005. The company has made changes in respect of providing depreciation on aircrafts and airframes equipments.

**2012-13 PROVISIONAL**
The Company

National Aviation Company of India Ltd. (NACIL) (now Air India Ltd.) was incorporated on 30.3.2007 and commenced its business from 14.05.2007 with the objective of synergizing the activities of merged airlines (Air India and Indian Airlines) so as to take on the growing competition from the private airlines and large international carriers. The merger was done under section 391-394 of the Companies Act, 1956. During the year 2010-11, the name of company changed to Air India Ltd. (AI).

Air India is a Schedule-'A' CPSE in Transport Services sector under the administrative control of the M/o Civil Aviation with 100% shareholding by the Government of India. The company employed 27985 regular employees (Executives 6279 & Non-Executives 21706) as on 31.3.2013. Its registered office is at New Delhi and corporate office is at Mumbai, Maharashtra.

Industrial / Business Operations

The company provides domestic and international air transport services within India as also across the globe. The aircraft fleet of the company consists of Airbus and Boeing aircraft such as A-319, A-320, A-321, B-777 and B-787. Air India comprises six Strategic Business Units (SBUs) comprising Passenger; Cargo; Ground Handling Services; Low Cost Carrier (LCCs); MRO (Airframes and Engines / Components); and Related Business. The merged entity also has a Corporate Services Group. The company operates from 5 regional and 4 offices abroad.

The company has five wholly owned subsidiaries namely Hotel Corporation of India, Air-India Charters Ltd., Air India Air Transport Services Ltd., Air India Engineering Services Ltd., and Airlines Allied Services Ltd. The company also has one 50:50 Joint Venture namely Air India SATS Airport Services Private Ltd.

Performance Highlights

The company has provided only provisional financial information. The physical performances of the company for three years as available are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>Performance during 2011-12</th>
<th>Performance during 2010-11</th>

Total Revenue of the company registered an increase of ₹ 1416.27 crore during 2012-13, which went up to ₹ 16130.08 crore in 2012-13 from ₹ 14713.81 crore in 2011-12 due to increase in the sale turnover. The loss of the company has also gone down by ₹ 2361.19 crore to (-) 5198.55 crore in 2012-13, from ₹ (-) 7559.74 crore in previous year due to decrease in the operating expenditure & financial cost.

The current ratio of company is at 0.24:1 during 2012-13 as against 0.16:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

In view of consolidation of the global aviation environment, wherein critical / mass size is a key success factor, the Air India and Indian Airlines were merged in a single company. The merger was expected to provide an opportunity to leverage combined assets and capital. Post merger, the new entity was expected to retain Brand Name “Air India” with “Maharaja” as its mascot. Along with size, the new entity was expected to create considerable synergy, since the two airlines could feed traffic to each other. The synergy benefits were in the areas of route rationalization; fuel procurement; stores and inventory purchase both aircraft and non-aircraft; insurance benefits; handling of flights; and employee productivity. Besides, it was to result in redeployment of aircraft since Air India and Indian Airlines were flying on some common routes in the Gulf and South East Asia.

Currently the Airline Industry has generally been affected by economic slowdown coupled with high fuel cost. The company has during the year adopted / implemented a Turnaround Plan (TAP) and a Financial Restructuring Plan (FRP) to improve its operational and financial performance.

**2012-13 PROVISIONAL**
The Company

Airline Allied Services Limited (AASL) was incorporated on 13.09.1983 with the objective of creating a profit center under the subsidiary company structure for speedy and flexible decision-making and also to utilize the fleet effectively. The company was revitalized as scheduled airline in 1996 and named as Alliance Air.

AASL is a Schedule-‘C’ CPSE in Transport Services sector under the administrative control of M/o Civil Aviation. It is a 100% subsidiary of Air India Limited. The company employed 980 regular employees as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Industrial / Business Operations

AASL undertook freighter charter operations with freighter B737 aircraft on lease from Air India Ltd. under the agreements for the freighter charters exclusively between Air India Ltd. and concerned parties. It also operates other aircraft directly leased from other lessors. Air India Ltd. provides handling, marketing, sales and reservations and other support services for Alliance Air flights.

Performance Highlights

The company has provided provisional figures. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>

Airport Authority of India
Rajiv Gandhi Bhawan, Safdarjung Airport New Delhi – 110 003
www.aai.aero

The Company
Airport Authority of India (AAI) was incorporated on 01.04.1995 through the Act of Parliament, namely The Airport Authority of India Act, 1994 by merger of International Airports Authority of India and National Airports Authority with the objective to have an integrated development and modernization of the airports in India to international standards.

AAI is a Schedule-‘A’ Miniratna CPSE in Transport Services sector under the administrative control of M/o Civil Aviation with 100% shareholding by the Government of India. The company employed 18,573 regular employees (Executives 7,664, Non-executives 10,969) as on 31.3.2013. Its Registered and Corporate office is at New Delhi.

Vision / Mission
The Vision of the Company is to be a world class Organization providing leadership in Air Traffic Services and Airport Management & making a major hub in Asia Pacific Region by 2016.

The Mission of the Company is to achieve highest standards of safety and quality in Air Traffic Services and Airport Management by providing State of the art infrastructure for total customer satisfaction, contributing to economic growth and prosperity of the nation.

Industrial / Business Operations
AAI is involved in development and modernization of airports and providing Air Traffic services in the designated air space in the entire Indian air space. Currently it manages 125 airports consisting 68 operational airports (11 International Airports, 8 customs, 49 domestic), 26 civil enclaves (3 International Airports, 4 customs, 19 domestic) and 31 non operational domestic airports. In addition, AAI also provides CNS-ATM facilities at 09 other airports.

AAI have 7 JVs for airports at Delhi, Mumbai, Bengaluru, Hyderabad & Chandigarh which are handed over to Joint Venture Companies (JVCs) namely Delhi International Airport Pvt. Ltd. (DIAL), Mumbai International Airport Pvt. Ltd. (MIAL), Bangalore International Airport Pvt. Ltd. (BIAL), Hyderabad International Airport Pvt. Ltd. (HIAL), Chandigarh International Airport Pvt. Ltd. (CHIAL), National Flying Training Institute Pvt. Ltd. (NFTI) and MIHAN India Pvt. Ltd. (MIHAN) with a shareholding of 26% in DIAL, MIAL, BIAL, HIAL and CHIAL and 49% in MIHAN and NFTI.

The major sources of revenue of AAI are Route / Terminal Navigational Facilities, Landing & Parking, Cargo Handling and Passenger Services.

Performance Highlights
The company has provided provisional information. The physical performances of the company for last two years are given below:

<table>
<thead>
<tr>

Total Revenue of the company registered an increase of 1038.72 crore during 2012-13, which went up to ` 6,917.38 crore in 2012-13 from ` 5,878.66 crore in 2011-12. However, the profit of the company has gone down from ` 1,24.01 crore to ` 735 crore in 2012-13, from ` 859.01 crore in previous year due to increase in the operational expenditure & depreciation and tax provisions. The current ratio of company is at 0.3:1 during 2012-13 as against 0.31:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issue
With new Terminals being commissioned in Tier 2 and Tier 3 cities in the country, the focus of the expansion of Civil Aviation has now shifted from the metro cities to these Tier 2 and Tier 3 cities in the country. AAI has plans to construct airports in the remote corners of the country and strive to upgrade the existing ones to international standards. AAI has brought in state of the art technology viz Satellite Based Navigation in the area of CNS – ATM.

The civil aviation sector in general is passing through challenging times and airlines are reporting losses due to which the airport operators are notable to get their payments. AAI has to resort to borrowing in order to finance its capital expenditure requirement over and above the surplus generated by it.

A&N Islands Forest and Plantation Dev. Corp. Ltd.
Vanvikas Bhavan, Haddo, Port Blair, Andaman & Nicobar-744102

The Company

A&N Islands Forest and Plantation Dev. Corp. Ltd. (ANIFPDC) was incorporated on 21.01.1977 with the objective of scientific harvesting, natural re-generation and development of forest resources on the principle of sustained yield. The company was established as per the recommendations of the National Commission on Agriculture 1972.

ANIFPDC is a Schedule-‘C’ CPSE in Agro Based Industries Sector under the administrative control of M/o Environment and Forests, Department of Forest with 100% shareholding by the Government of India. The company employed 1226 regular employees (Executives 25, Non-executives 1201) as on 31.3.2013. Its Registered and Corporate offices are at Port Blair, Andaman and Nicobar.

Industrial / Business Operations

ANIFPDC is engaged in Oil Palm Plantation, harvesting of Fresh Fruit Bunches, transport the same to oil extraction unit, process FFB to produce Crude Palm Oil (CPO), marketing of CPO and other bi-products such as Kernel / Nut, Raw Rubber Sheet and other bi-products such as scrapo rubber etc. through its four operating units viz. Forestry Divisions (one each at Little Andaman and North Andaman), Oil Palm Division at Hut Bay, Little Andaman and Rubber Division at Katchal.

ANIFPDC owns a gross area of 1593 hectares of Red Oil Palm estate at Little Andaman along with a processing unit with a capacity of 4 MT FFB per hour. The production capacity of Crude Palm Oil is around 1400 MT per annum. The gross area of Rubber estate at Katchal is 614 hectares. Expansion of these projects is constrained due to the restriction imposed under the National Forest Policy, 1988 on replacement of Natural Forest with monoculture man-made plantation.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 1.69 crore during 2012-13, which went down to ₹ 8.03 crore in 2012-13 from ₹ 9.72 crore in 2011-12. However, the loss of the company has gone up by ₹ 3.75 crore to ₹ (-) 35.71 crore in 2012-13, from ₹ (-) 31.96 crore in previous year due to increase in the operating expenses & Financial cost and decrease in the sales turnover.

The current ratio of company is at 0.65:1 during 2012-13 as against 0.87:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The forestry operations at both the divisions of ANIFPDC have been completely stopped due to the ban imposed by the Supreme Court of India vide its order dated 10th October, 2001 on felling naturally grown trees from the forests of Andaman & Nicobar which has adversely affected the physical and financial performance of the corporation. However, the company has taken up new avenues like restaurant business, theme based tourism, research projects etc. There is a proposal for the taken over of the company by A&N Administration and the Government of India to settle all pending dues along with other concessions. The matter is under consideration of the Government.

The Company

Andrew Yule & Company Limited (AYCL) was incorporated on 02.06.1919 in the private sector with an objective to work as managing agency. With the abolition of managing agency system, the Company lost its traditional business and Government of India acquired the Company in 1979.

AYCL is a Schedule-“B” listed BIFR / BRPSE referred CPSE in Medium and Light Engineering sector (together with Tea producing and manufacturing business) under the administrative control of M/o. Heavy Industries and Public Enterprises D/o Heavy Industry with 93.00% shareholding by the Government. The company employed 15043 regular employees (Executives 237, Non-executives 14806) as on 31.3.2013. Its Registered Office is at Kolkata, West Bengal.

Vision / Mission

The Vision of the company is to reach a turnover of Rs.1000 crore by 2020 with expansion and diversion programme are being taken up. The Mission of the Company is to carry out the business of manufacturing and selling of tea, transformers, industrial fans and switchgear items.

Industrial / Business Operations

AYCL is one of the nationalised enterprises. It is in the business of both manufacturing and sale of Black Tea, Transformers, Regulators / Rectifiers, Circuit Breakers, Switches, Industrial Fans, Tea Machinery, Turnkey jobs etc. It has six (6) Operating Units at Kalyani, Kolkata (3 Units), Togami and South 24 Parganas in West Bengal and one unit at Chennai in Tamilnadu.

The Company is functioning in three main sectors namely Engineering, Electrical and Tea. Tea Division of the Company has 15 Tea Estates of which 10 are located in Assam, 4 in Dooras and 1 in Darjeeling. As regards Engineering business, the Company is the pioneer of industrial fan technology and has a strong market presence with over 5,000 installations in power, steel, petroleum, cement and other core sectors. The Engineering Division’s business also includes Air Pollution Control Equipment & Systems and Effluent Treatment Plant. The Electrical Division of the Company manufactures Switchgears, Transformers and Automatic Voltage Regulators.

AYCL has one wholly owned operational subsidiary namely Hooghly Printing Co. Ltd. As per the revival plan of the company, two subsidiaries namely Yule Engineering Co. Ltd. and Yule Electrical Co. Ltd. have been incorporated. However, transfer of assets & liabilities of these two subsidiaries from AYCL is still pending and transactions of Engineering & Electrical divisions continue to be reflected in the books of accounts of AYCL for the last three years.

Performance Highlights

Total Revenue of the company registered an increase of ₹19.32 crore during 2012-13, which went up to ₹321.74 crore in 2012-13 from ₹302.42 crore in 2011-12. However, the profit of the company has gone down by ₹0.50 crore to ₹11.35 crore in 2012-13, from ₹11.85 crore in previous year due to marginal increase in operating revenue and corresponding increase in operating expenses.

The current ratio of company is at 1.09:1 during 2012-13 as against 1.05:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

Andrew Yule & Company Limited (AYCL) is one of the Turnaround CPSE& has a positive net worth now after implementation of revival package. Rehabilitation Plan include interest free loan of ₹87.06 crore and formation of two subsidiary companies namely Yule Electrical and Yule Engineering by demerging Electrical and Engineering Divisions of the company.

The Company
Antrix Corporation Limited (ACL) was incorporated on 28.09.1992 as the commercial marketing arm / corporate front of Indian Space Research Organization (ISRO).
ACL is a schedule – ‘B’ Miniratna CPSE in the Trading & Marketing sector under the administrative control of the Department of Space with 100% shareholding by Government of India. The company employed 68 regular employees (Executives 17 and Non-executives 51) as on 31.3.2013. It’s registered and Corporate Office is at Bangalore, Karnataka

Vision/Mission
The Vision of Antrix is to emerge as a globally significant space company, fully utilizing the strength of ISRO and other Indian entities in the field of space.
The mission of Antrix is to enhance & generate commercial spin-offs from ISRO’s programme in the global space markets & establish a commercially viable space industry in India.

Industrial / Business Operations
The Company is engaged in providing Space Products and services to national & international customers. ANTRIX’s Business portfolio consists of:
(i) Remote Sensing Services
(ii) Spacecraft Systems & Subsystems
(iii) Transponder Leasing Services
(iv) Launch Services
(v) Mission Support Services
(vi) Ground System Services
(vii) Spacecraft Testing Facilities
(viii) Training & Consultancy Services

Performance Highlights
The average capacity utilization for all the products/ services of the company is not applicable as Company had neither manufacturing nor service facility during the year 2012-13. Antrix is marketing surplus capacity offered by the ISRO/DOS. The physical performances of the Company for last three years are given below:

The Company

Artificial Limbs Manufacturing Corporation of India (ALIMCO) was incorporated on 30.11.1972 as a non-profit organization registered under Section 25 of Companies Act, 1956 with the objective of benefiting the disabled persons to the maximum extent possible through manufacture and supply of quality Rehabilitation Aids and Appliances. The company started its manufacturing activities from October 1976.

ALIMCO is a Schedule-'C' CPSE in Consumer Goods sector under the administrative control of M/o Social Justice and Empowerment with 100% shareholding by the Government of India. The Company employed 344 regular employees (Executives 83 & Non-Executives 261) as on 31.3.2013. Its Registered and Corporate offices are at Kanpur, Uttar Pradesh.

Vision / Mission

The Mission / Vision of the Company is empowerment of differently abled persons by manufacturing and supplying quality Rehabilitation Aids and Appliances for needy persons in India and Abroad at reasonable prices.

Industrial / Business Operations

ALIMCO is engaged in the manufacturing of Artificial Limbs, Components and Rehabilitation Aids and Appliances for physically challenged persons. It also has four Auxiliary Production Centres (APC) situated at Bhubaneswar (Orissa), Jabalpur (M.P.), Banguluru (Karnataka), and Chanalon (Punjab). The Corporation markets its products within the country through its offices at Delhi, Kolkata, Mumbai, Guwahati, Bhubaneswar, Banguluru, and Jabalpur. ALIMCO has been granted licence by BIS for IS marking on 17 categories of products totalling 355 products.

Performance Highlights

The physical performance of company during last three years is mentioned below:

Total Revenue of the company registered an increase of Rs. 50.45 crore during 2012-13, which went up to Rs. 138.83 crore in 2012-13 from Rs. 88.38 crore in 2011-12. The profit of the company has also gone up by Rs. 11.81 crore to Rs. 23.51 crore in 2012-13, from Rs. 11.70 crore in previous year due to increase in the sales volume.

The current ratio of company is at 2.36:1 during 2012-13 as against 1.95:1 in the previous year (Fig. 2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The Corporation has ambitious future plans for upgradation of present facilities in this regard. Modernization Grant of Rs. 170 Crores has been sanctioned in favour of ALIMCO for 12th Five Year Plan in order to upgrade the infrastructure, plant/machineries and procurement of state-of-art, machineries and equipments to manufacture quality products with precision and meet the growing demand of aids & appliances in the country and also provide products with State-of-the-Art Technology to needy PwDs of our nation. The modernization grant is likely to be released in phases from the FY 2013-14 onwards.

Assam Ashok Hotel Corporation Ltd.

Hotel Brahmaputra Ashok, M.G Road, Guwahati, Assam – 781 001
www.theashokgroup.com

**The Company**

Assam Ashok Hotel Corporation Ltd. (AAHCL) was incorporated on 7.1.1982 with the objective to promote domestic tourism and to have a close coordination between the Center and the State.

AAHCL is an uncategorised CPSE in Tourist Services sector under the administrative control of M/o Tourism. AAHCL is a subsidiary of ITDC Ltd. which holds 51% of its equity and Govt. of Assam hold 49%. The company employed 72 regular employees (Executives 6, Non executives 66) as on 31.3.2013. Its Registered and Corporate offices are at Guwahati, Assam.

**Vision / Mission**

The Vision and Mission of the Company is to achieve the excellence as business enterprises through the utmost professional approach towards guest satisfaction by providing customer oriented service in a contemporary ambiance.

**Industrial / Business Operations**

AAHCL is engaged in providing services in the field of Hotel Business through its 52 twin bedded Room hotel (Hotel Brahmaputra Ashok) at Guwahati, Assam.

**Performance Highlights**

The physical performances of the company for last three years are given below:

<table>
<thead>

The Company

Balmer Lawrie & Co. Ltd. (BL) was established in 1867 as a Partnership Firm. The partnership was converted to Private Limited Company in 1924 under the Companies Act, 1913 and was thereafter incorporated as a Public Limited Company in the year 1936. The Company became a subsidiary of IBP Co. Limited in the year 1972 by virtue of which it became a CPSE under the administrative control of the Ministry of Petroleum & Natural Gas, Government of India. However, with effect from 15th October, 2001, in terms of a scheme of arrangement and reconstruction made under section 391-394 of the Companies Act, 1956 executed between IBP Co. Ltd. and Balmer Lawrie Investments Limited (BLIL) and their respective shareholders, IBP Co. Ltd. transferred entire 61.8% shares of BL to Balmer Lawrie Investments Limited. Thus, Balmer Lawrie Investments Limited (BLIL) is the present holding company of BL. As BLIL is a Govt. Company, BL continues to be a CPSE.

The company is a Schedule – ‘B’ listed Mini-ratna, Category-1 CPSE in Medium and Light Engineering sector under the administrative control of Ministry of Petroleum & Natural Gas, with its Registered Office at Kolkata, West Bengal. The enterprise employed 1465 regular employees (Executives 508 & Non-executives 957) as on 31.3.2013.

Vision / Mission

The Vision of the Company is to be a leading diversified corporate entity having market leadership with global presence in the chosen business segments, consistently delivering value to all stakeholders, with environmental and social responsibility.

The Mission of the Company is to gain market leadership in all business segments, make them robust through innovative business process, selective restructuring and efficient / effective use of resources.

Industrial / Business Operations

The company is engaged in manufacturing of barrels and drums, greases and lubricants and performance chemicals and providing services in the areas of tours and travel, logistics services, logistics infrastructure, etc., through its 53 plants, sales offices, branch offices, technical services centers spread all over India. It also has one overseas 100% subsidiary namely Balmer Lawrie (UK) Ltd. (BLUK).

The company has 5 joint ventures companies namely Balmer Lawrie (UAE) LLC, Balmer Lawrie Van Leer Ltd. (BLVL), Transafe Services Ltd. (TSL), Avi-Oil India Private Ltd. and Balmer Lawrie Hind Terminals Ltd. with a share holding of 49%, 47.62%, 50%, 25% and 50% respectively. Further, the wholly owned subsidiary of the Company i.e., BLUK has a joint venture in Indonesia viz. PT Balmer Lawrie Indonesia where it holds 50% of the share capital of the Company.

The Company

Balmer Lawrie Investment Ltd. (BLIL) was incorporated on 20.09.2001 with the objective of facilitating the disinvestment of IBP Co. Ltd., wherein the share holding of IBP Co. in Balmer Lawrie & Co. Ltd. was de-merged in favor of BLIL with effect from 15.10.2001.

BLIL is an un-categorized listed CPSE in Financial Services sector under the administrative control of M/o Petroleum & Natural Gas with 59.68% shareholding by the Government of India. The company does not have any employee of its own except its Company Secretary whose services have been seconded from Balmer Lawrie & Co. Ltd. All services for the company in the nature of accounts, finance, taxation, legal, secretarial, administration etc. are obtained from ‘Balmer Lawrie & Co. Ltd. under a service agreement. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision / Mission of the Company is to better returns to its shareholders / investors by strictly governing its activities and emphasizing on cutting down unnecessary cost.

Industrial / Business Operations

BLIL is a Non-Banking finance company and engaged in providing a specific service i.e. to hold the equity shares of its subsidiary Balmer Lawrie and Co. Ltd. (BL). The equity shares of the company are under compulsory demat mode and the shares are listed in the stock exchanges. The company also holds 100% equity share holding of its overseas subsidiary company namely Balmer Lawrie (UK) Ltd. through its subsidiary company.

Performance Highlights

Total Revenue of the company registered an increase of ₹ 2.63 crore during 2012-13, which went up to ₹ 33.03 crore in 2012-13 from ₹ 30.40 crore in 2011-12. The profit of the company has also gone up by ₹ 2.69 crore to ₹ 31.12 crore in 2012-13, from ₹ 28.43 crore in previous year due to increase in the amount of dividend received from its subsidiary and increase in the interest earned on bank deposits.

The current ratio of company is at 2.36:1 during 2012-13 as against 2.21:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The Company was formed as a Special Purpose Vehicle (‘SPV’) under the erstwhile disinvestment policy of the Government of India.

The Company

Braithwaite Burn and Jessop (BBJ) Construction Company Limited (BBJCC) setup in 1935 was incorporated as CPSE on 13.09.1987 after it was taken over from the private sector on 13.08.1987. The current objective of the company is to maintain market leadership in the field of design, fabrication and erection of steel bridges in India and selected foreign markets.

It is a Schedule-‘B’ BRPSE referred taken over CPSE in Contract & Construction Services sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry with its Registered and Corporate offices at Kolkata, West Bengal. The company employed 101 regular employees (Executives 52, Non-executives 49) as on 31.3.2013. BBJCC is a 100% subsidiary of Bharat Bhari Udyog Nigam Ltd. (BBUNL).

Vision / Mission

The Vision of the Company is to be a leader in the field of infrastructure development and all types of steel bridges. The Mission of the Company is to enhance the turnover five times in next five years.

Industrial / Business Operations

BBJCC is engaged in providing services in the field of construction of Steel bridges, rehabilitation / restoration and replacement of early Steel Bridges, construction of PSC Girder Bridges, and fabrication of Steel Structure, civil construction including Heavy foundations and piling work.

The steel girder bridge fabrication units viz. Heavy Plant Yard and Angus Works are located at Kolkata and Hooghly districts of West Bengal. Project construction sites are located all over India.

Performance Highlights

The physical performance of company during the last three year is mentioned below:

<td>199.14</td>
<td>146.51</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 103.91 crore during 2012-13, which went up to ₹ 303.77 crore in 2012-13 from ₹ 199.86 crore in 2011-12. The profit of the company has also gone up by ₹ 37.31 crore to ₹ 42.08 crore in 2012-13, from ₹ 4.77 crore in previous year due to growth in operations.

The current ratio of company is at 1.82:1 during 2012-13 as against 1.49:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The financial restructuring was approved by GOI on 31.03.2005 as per the recommendation of BRPSE. Braithwaite Burn and Jessop (BBJ) Construction Company Limited (BBJCC) is one of the Turnaround CPSE as per the guidelines issued by the Government of India for declaring a sick CPSE as “Turnaround CPSE”. It has made a profit before tax in each of three preceding years & has a positive net worth after implementation of revival package.

BBJ is planning for development of required resources for entering into job of replacement of old bridges with new bridge within specified block period.

BEL Optronic Devices Ltd.
EL-30, J Block, Bohasri Industrial Area Pune, Maharashtra –411 026
www.bel-india.com

The Company

BEL Optronic Devices Ltd. (BELOP) was earlier a joint venture company promoted by M/s Bharat Electronics Limited (BEL) and M/s Delft Instruments International (DII) of Netherlands. BEL acquired the shares of DII on 30th July 2002 and consequently the company became Government Company w.e.f. 30th July 2002.

BELOP is an un-categorised CPSE in the medium and Light Engineering sector under the administrative control of Ministry of Defence. It is a subsidiary of BEL which holds 92.79% of its equity. The company employed 112 regular employees (Executives 30, Non-executives 82) as on 31.3.2013. It’s registered and corporate offices are at Pune (Maharashtra).

Vision / Mission

The Mission of the Company is to be a customer focused technology driven company in the field of Image Intensifiers and other chosen areas.

Industrial / Business Operations

BELOP is engaged in the production of Image Intensifier Tubes and Associated Power Supply Units with its single operating unit at Pune. Image Intensifier Tube (I.I. Tube) is a specialized product used in optical instrument for night vision capability.

Performance Highlights

The Domestic sale of Company’s product is only to Defence and Para Military forces. There are no other manufacturers of these products in India.

Total Revenue of the company registered an increase of ₹ 92.58 crore during 2012-13, which went up to ₹ 165.48 crore in 2012-13 from ₹ 72.90 crore in 2011-12. However, the profit of the company has gone down by ₹ 2.40 crore to ₹ 5.76 crore in 2012-13, from ₹ 8.16 crore in previous year.

The company has received exemption from Government of India, Ministry of Company Affairs from compliance of para 5(ii) (a) (1), 5(ii) (a) (2), 5(ii) (e), 5 (iii), 5 (viii)(a), 5 (viii)(b), 5 (viii)(c), 5 (viii)(e), of the revised Schedule VI for the financial year ended on 31st March 2012.

The current ratio of company is at 1.33:1 during 2012-13 as against 1.92:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

In order to cater to the requirements of its main customer, the Indian Army, BELOP has entered into agreements with a technology provider from France during May 2011 for transfer of technology for manufacture of Higher Specification Tubes at BELOP. BELOP is upgrading its facilities to establish the infrastructure for manufacture of Higher Specification Tubes at BELOP. The facility for In-depth Manufacture (IM) of 8,000 XD-4 Performance I.I. Tubes p.a. is expected to be ready by January 2014 and the company would be meeting the customer requirements of XD-4 Performance I.I. Tubes through in-depth manufacturing from February 2014 onwards.

The Company

BEML Limited was incorporated on 11th May 1964 with an objective of manufacturing Mining & Construction products, Defence Products and Rail & Metro Products. BEML Limited is a schedule ‘A’ Miniratna listed CPSE in Engineering, Transport Equipment & Consumer Goods sector under administrative control of Ministry of Defence with 54% shareholding by the Government of India. BEML Limited employed 11005 regular employees (Executives 2846 & non executives 8159) as on 31.03.2013. Its Registered and Corporate office is at Bangalore.

Vision / Mission

The Vision of the Company is to ‘Become a market leader, as a diversified Company supplying quality products and services to sectors such as Mining and Construction, Rail & Metro, Defence & Aerospace and to emerge as a prominent international player.’

The Mission of the Company is to:
- Improve competitiveness through collaboration, strategic alliances, joint ventures.
- Grow profitably by aggressively pursuing business & market opportunities in domestic and international markets.
- Adoption of state of art technologies and bring in new products through ToT and in-house R & D efforts.
- Continue to diversify and grow addressing new products and markets.
- Attract and retain people in a rewarding and inspiring environment by fostering creativity and innovation.
- Offer technology and cost effective total solutions.

Industrial / Business Operations

BEML Limited is engaged in the design, manufacturing, marketing and after-sales-service of a wide range of Mining and Construction equipment, Defence products and Railway and Metro products. The Company services the core sectors of the economy such as mining, steel, cement, power, irrigation, construction, road building, Defence, Railway and Metro transportation system and Aerospace.

In addition to the above, Trading Division trades non-Company products, components, aggregates and commodities for domestic and international markets. Company has two subsidiary companies, namely Vignyan Industries Ltd, & MAMC Industries Limited and one joint venture namely BEML Midwest Ltd with 45% equity share. The Company has 11 Regional Offices, 4 Zonal Offices, 18 District Offices, 5 Service Centres spread across the length and breadth of the country along with 2 overseas offices in Brazil and Indonesia.

Recognizing the importance of meeting and exceeding customer satisfaction, the Company has established its Global Service Centre at Nagpur thereby enabling the Service Delivery within shorter time for faster reach to customer. Govt. of India holds 54% equity of the Company as on 31st March 2013, and the rest held by financial institutions, mutual funds, foreign institutional investors (FIIs), corporate bodies, employees and public.

Performance Highlights

The physical performance of Company for last three years is given below:

- Total revenue of the Company registered an increase of ₹140.92 crore during 2012-13, which went up from ₹ 2771.58 crore in 2011-12 to ₹ 2912.50 crore in 2012-13. However, the profit of the Company has gone down by ₹137.12 crore to a loss of ₹ (-) 79.87 crore from ₹ 57.25 crore in previous year due to lesser volume of Business in Defence and Mining & Construction segments and considerable increase in finance charges and other provisions.

- The current ratio of company is at 1.99:1 during 2012-13 as against 2.04:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The Company has spent ₹ 173.25 crore towards expansion and diversification during the year 2012-13. The Company has achieved many important landmarks during the year namely:
- Additional orders bagged for India’s first Stainless Steel EMUs, Designed Developed and supplied to Indian Railways.
- Productionised & Supplied Intermediate cars to Delhi Metro.
- Developed, Productionised & Supplied the First Metro car to JMRC.
- Designed, Developed and rolled out 150 Ton Dumper.
- Designed, Developed and rolled out 180 Ton Excavator.

The Company

Bengal Chemicals & Pharmaceuticals Limited (BCPL) was established in 1901 and incorporated as CPSE on 27-3-1981 with the objective to save the company from closure and to support the health programmes of the Government by providing quality medicines at reasonable price, to bridge the gap between demand and supply of life saving drugs and vaccines and to set up and develop Multi Disciplinary Research and Development Centre, inventing new molecules, processes and home products.

BCPL is a Schedule-‘C’ BIFR / BRPSE referred, taken over CPSE in Chemicals & Pharmaceuticals Sector, under the administrative control of M/o Chemicals and Fertilizers, D/o Pharmaceuticals with 100% shareholding by the Government of India. The company employed 566 regular employees (Executives 112, Non-executives 454) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision / Mission of the Company is to cater to the needs of consumers for medicines, life saving drugs, chemical and home products.

Industrial / Business Operations

BCPL is involved in manufacturing and sale of Pharmaceutical formulations, chemicals, cosmetics and home products. The Company has four factories in Kolkata, Mumbai and Kanpur, nine Depots and two C&F Agents throughout India.

Its products range has been classified in three divisions, viz. (i) Chemicals, (ii) Pharmaceutical Formulations and (iii) Cosmetics & Home Products. The Company produces Ferric Alum under Chemical Division. Life Saving Injectables like Snake Venom Antiserum (AVS), Spirituous & Non-Steroid Anti Inflammatory Drugs in various dosage forms, Systemic Alkaliser, Enzymes, etc. under Pharmaceutical Formulations Division. In Cosmetics & Home Products Division, Cantharidine Hair Oil, Pheneol, Klin Toilet (Toilet Cleaner), Naphthalene Ball, Bleaching powder are produced.

N.A. Not Available

Total Revenue of the company registered a reduction of ₹ 24.86 crore during 2012-13, which went down to ₹ 43.40 crore in 2012-13 from ₹ 68.26 crore in 2011-12. The losses of the company has also gone up by 2.02 crore to ₹ (-) 17.94 crore in 2012-13, from ₹ (-) 15.92 crore in previous year due to decrease in the sales volume.

The current ratio of company is at 0.81:1 during 2012-13 as against 1.01:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

All the Pharma units are governed by Drugs & Cosmetics Act. The company had to comply with the norms of Schedule ‘M’ and December, 2007 was the deadline to stop the production. So it become mandatory to renovate / modernize. Modernized Plant are being designed in such a way that productivity is expandable to 3 to 4 times and approachable to WHO-GMP or Foreign Quality Audit to qualify for export to the respective country. The revival / restructuring plan was sanctioned by BRPSE in 2006.

Bharat Coking Coal Ltd.
Koyla Bhawan, Koyla Nagar, Dhanbad, Jaharkhand – 826 005
www.coalindia.nic.in

The Company

Bharat Coking Coal Ltd. (BCCL) was incorporated on 1.1.1972 with the objective to operate coking coal mines in Jharia, Jharkhand and Raniganj, West Bengal coalfields, taken over and nationalized by the Government of India to ensure planned development of scarce coking coal resources in the country.

BCCL is a Schedule-'B' BIFR and BRPSE referred CPSE in coal & lignite sector under the administrative control of M/o Coal. BCCL is a 100% subsidiary of Coal India Ltd. (CIL). The company employed 61698 regular employees (Executives 2603 & Non-Executives 59095) as on 31.3.2013. Its Registered and Corporate offices are at Dhanbad, Jharkhand.

Vision / Mission

The Vision of the company is to be the leading player in metallurgical coal production having an organization and culture committed towards sustainable growth through best practices from mine to market.

Mission of the Company is to produce planned quantity of coal efficiently and economically in an Eco-friendly manner with due regard to Safety, Conservation & Quality.

Industrial / Business Operations

BCCL is engaged in extraction of coking coal for supply to steel plants and non-coking coal for power houses, fertilizer, cement and other sectors, from its 66 coal mines (34 underground, 12 open cast and 20 mixed mines) in Jharia Coalfield (JCF) and Raniganj Coalfield (RCF) in the States of Jharkhand and West Bengal respectively.

The company also runs 6 coking coal washeries, 2 non-coking coal washeries, 1 captive power plant and 5 bye-product coke plants in Jharkhand.

Performance Highlights

BCCL meets almost 50 percent of the total prime coking coal requirement of the integrated steel sector. The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 1122.78 crore during 2012-13, which went up to ₹ 8937.41 crore in 2012-13 from ₹ 7814.63 crore in 201-12. Accordingly the profit of the company has also gone up by ₹ 676.44 crore to ₹ 1498.80 crore in 2012-13, from ₹ 822.36 crore in previous year due to increase in Sales.

The current ratio of company is at 1.17:1 during 2012-13 as against 0.75:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

BCCL had been incurring losses since inception and was registered as a sick company in 1995 with the Board for Industrial and Financial Reconstruction (BIFR). Company’s net-worth had become positive in view of capital restructuring in 1997 and it came out of BIFR. However, the net-worth again became negative in 1999-2000 resulting in compulsory reference to BIFR on 13.1.2001. A Revival Plan prepared by BCCL in consultation with various stakeholders was submitted to BIFR. However, in December, 2004, the Board for Reconstruction of Public Sector Enterprises (BRPSE) came into existence inter alia to consider the cases of sick CPSEs. Accordingly, a modified rehabilitation scheme was submitted to BIFR / BRPSE in June, 2009 involving infusion of additional funds by CIL in the form of debt, waiver of existing unsecured loans, closure of unviable underground (UG) mines and infusion of new machinery into its fleet. BIFR approved the revival scheme on 28.10.2009 and Government approved the same on 25.2.2010. The company has been implementing the scheme and as a result it started earning sustainable profit since 2009-10 onwards and its net-worth becomes positive at the end of the FY 2013-14. The company projected to achieve production of 36 Million Tonne Coal by 2015-16 and plans capex of Rs.2100 crore on various projects.

- **Trade Receivables / Sales:** 16.23

**Note:** All values are reported in lakhs of rupees.
The Company

Bharat Dynamics Ltd. (BDL) was set up on 16.07.1970 with the objective becoming self reliant and competitive in Guided Missile and Underwater Guided Weapon Technology and Production.

BDL is a schedule-‘B’ Mini-Ratna-I CPSE in Medium and Light Engineering Sector under the administrative control of Ministry of Defence, Dept of Defence Production with 100% shareholding by the Government of India. The company employed 3300 regular employees (Executives 826 & Non-Executives 2474) as on 31.03.2013. Its Registered and Corporate Offices are at Hyderabad, Andhra Pradesh.

Vision / Mission

The Vision of the Company is to be the world class enterprise producing international standard quality products for the defence industry.

The Mission of the Company is to establish itself as a leading manufacturer in the aerospace and underwater weapons industry and emerge as a world class, sophisticated, state-of-art global enterprise providing solutions to the security system needs of the country.

Industrial / Business Operations

BDL is engaged in manufacturing of sophisticated State of art weapon systems for the Armed Forces through its three operating units at Hyderabad, Bhanur in Medak District and Visakhapatnam in Andhra Pradesh. The product range of the company comprises of Anti Tank Missiles, Torpedoes, Mines and Deception Device. The company is exempted from furnishing production details that are classified information.

Performance Highlights

Total Revenue of the company registered an increase of ₹ 176.21 crore during 2012-13, which went up to ₹ 1594.63 crore in 2012-13 from ₹ 1418.42 crore in 2011-12. The profit of the company has also gone up by ₹ 53.44 crore to ₹ 288.40 crore in 2012-13, from ₹ 234.96 crore in previous year due to growth in operations.

The current ratio of company is at 1.1:1 during 2012-13 as against 1.08:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

To ensure a sustained growth of BDL and to attain sales turnover of Rs. 1500 crore by the year 2012-13 constantly striving to achieve the planned production of missiles and other equipments. BDL is proactive and work in close collaboration with DRDO and to involve in the design of missiles and associated products developed by DRDO, to become self-reliant and competitive in Guided Missile Technology and Production, to maximize utilization of existing production capacities, to establish modern and cost effective production facilities for new projects, to meet production commitments and maximize customer satisfaction BDL is also putting all efforts to maximize share holder wealth and upgrade the company to schedule-A by 2014.

The Company
Bharat Electronics Limited (BEL) was established on 21.04.1954 with the technical collaboration from CSF, France for manufacturing of Trans-receivers, used by the Indian Army for radio communication. Bharat Electronics Limited is a Schedule - ‘A’, Navratna Company and a listed CPSE in Medium & Light Engineering Sector under the administrative control of Ministry of Defence with 75.86% shareholding by the Government of India. The company employed 10305 regular employees (Executives 5416 & Non-Executives 4889) as on 31.3.2013. Its Registered and Corporate office is at Bangalore.

Vision / Mission
The Vision of the Company is to be a world class enterprise in professional electronics.

The Mission of the Company is to be a customer focused globally competitive company in defence electronics and in other chosen areas of professional electronics, through quality, technology and innovation.

Industrial / Business Operations
The company is engaged in production/ manufacturing/ services of Radars, Communication Transmitters - cum - Receivers & Electro - Optic Products.
Company has Nine operational units at Bangalore (Karnataka), Ghaziabad (Uttar Pradesh), Panchkula (Haryana), Kotdwara (Uttarakhand), Pune and Navi Mumbai (Maharashtra), Hyderabad and Machilipatnam (Andhra Pradesh) and Chennai (Tamil Nadu).
The company has One subsidiary namely BEL Optronic Devices Limited with 92.79% of Shareholding. The company is a partner in two joint ventures namely GE BE Private Limited with 26% Shareholding and BEL Multitone Pvt. Ltd with 49% Shareholding.

BEL is engaged in the manufacture of multiple products ranging from single products like Passive Night Vision Devices etc., to large systems like Battlefield Surveillance Radar, Coastal Surveillance System etc. Defining installed capacity for a company like BEL with diverse product mix is not practicable. Further BEL being a defence production unit engaged in the manufacture and supply of strategic electronic products for defence services, the Ministry of Company Affairs has been granting exemption from publishing quantitative details required under the provision of Part II, Schedule VI of the Companies Act 1956. The SEBI has also granted exemption, for these reasons, to the Company from publication of segment information.

Performance Highlights
Total Revenue from of the company registered an increase of Rs. 360.66 crore during 2012-13, which went up to Rs. 6,713.79 crore in 2012-13 from Rs. 6,353.13 crore in 2011-12 due to increase in sales and other income. The profit of the company has gone up by Rs. 59.93 crore to Rs. 889.83 crore in 2012-13, from Rs. 829.90 crore in previous year due to increase in Value Addition and Increase in other Income. The current ratio of company is at 1.7:1 during 2012-13 as against 1.54:1 in the previous year (Fig.2).

Strategic issues
The company has entered into a JVC proposal with Thales France in the area of select defence and other Civilian radars. The proposal has got the nod of FIPB and is awaiting Govt. approval.

Seeing a sizeable opportunity in the Homeland Security and Telecom domains, BEL is vigorously pursuing diversification into these businesses. A separate group has been formed in the Bangalore factory to address the Homeland Security market.

In Telecom, the Company is planning to address the infrastructure requirements of BSNL, MTNL and DoT by leveraging the policy incentives being provided by the Government for products designed and manufactured in India. The Company is jointly working with reputed design houses for technology products like GPON, DWDM, Routers / Switches, etc. which have a good market potential.

The Company
Bharat Heavy Electrical Ltd. (BHEL) was incorporated on 13.11.1964 with the objective to have indigenous Heavy Electrical Equipment industry in India. It is a Schedule-A / listed Maharatna CPSE in Heavy Engineering sector under the administrative control of Ministry of Heavy Industries and Public Enterprises with 67.72% shareholding by the Government of India. The Company employed 48399 regular employees (Executives 13564 & Non-Executives 34835) as on 31.03.2013. Its Registered and Corporate office are at New Delhi.

Vision / Mission
The vision of the Company is to be a global engineering enterprise providing solutions for a better tomorrow.

The Mission of the Company is providing sustainable business solutions in the fields of Energy, Industry & Infrastructure.

Industrial / Business Operations
BHEL is an integrated power plant equipment manufacturer and is engaged in the design, engineering, manufacture, construction, testing, commissioning and servicing of a wide range of products and services for the core sectors of the economy, viz. Power, Transmission, Industry, Transportation, Renewable Energy, Oil & Gas and Defence.

The company has 15 manufacturing divisions, two repair units, four regional offices, eight service centres, eight overseas offices and 15 regional centres and currently operates at more than 150 project sites across India and abroad. The company has enhanced its capability to deliver 20000 MW p.a. of power equipment to address growing demand for power generation equipment.

BHEL has 2 subsidiaries namely BHEL Electrical Machines Ltd. and Bharat Heavy Plate and Vessels Ltd. and six Joint ventures namely “BHEL GE Gas Turbine Services Ltd.” with GEPM, Mauritius, “Power Plant Performance Improvement Ltd.” with Siemens AG of Germany, “NTPC BHEL Power Projects Pvt. Ltd.” with NTPC, Raiuch Power Corporation Ltd. with Karnataka Power Corporation Ltd., Dada Dhuniwale Khandwa Power Ltd. with Madhya Pradesh Power Generating Company Ltd. and Latur Power Company Limited with Maharashtra State Power Generation Company Ltd.

Performance Highlights
BHEL’s operations are organised around three business sectors, namely Power, Industry, Transmission, Transportation, Oil & Gas, Renewable Energy and International Operations. The product range of the company comprises of 180 products. The physical performance of the company during the period 2010-11 to 2012-13 is mentioned below:

<table>

Total Revenue of the company registered an increase of ₹ 301.92 crore during 2012-13, which went up to ₹ 49546.36 crore in 2012-13 from ₹ 49244.44 crore in 2011-12. However, the profit of the company has gone down by ₹ 425.23 crore to ₹ 6614.73 crore in 2012-13, from ₹ 7039.96 crore in previous year due to increase in the operating expenses.

Strategic Issues
BHEL is the largest manufacturer of Power generation equipment in India. With installed capacity of 115500 MW BHEL make Utility sets, BHEL maintained its lion’s share of 57% in the country’s total installed capacity comprising Thermal, Hydro and Nuclear Sets as on 31st March, 2013. BHEL has achieved an all-time high 10,340 MW synchronization/commissioning of power plant equipment during the year including 10 nos. 500 MW sets and India’s indigenously manufactured subcritical set of 600 MW rating.

Strategic Plan 2012-17, adopted by the company attempts to steer the company with a vision of becoming a global engineering enterprise. It comprises expanding its offerings in the power sector by building EPC capability, focus on industry businesses, expansion of spares & services and adoption of a collaborative approach. ‘6-Point Agenda’ viz. Capability Enhancement, Accelerated Project Execution, Product Cost Competitiveness & Quality, Diversification, Engineering & Technology and People Development will continue to drive us for reaping an execution premium to put us ahead of our peers.

The Company

Bharat Heavy Plate Vessels Ltd. (BHPV) was incorporated in the year 1966 under Companies Act, 1956 with the objective of supplying cost effective international quality products and related services for process & other industries through latest technology.

BHPV is a schedule ‘B’ BIFR/BRPSE referred CPSE in Heavy Engineering sector under the Administrative control of M/o Heavy Industries & Public Enterprises, D/o Heavy Industry. BHPV is a 100% subsidiary of BHEL Ltd. since its takeover on 10.05.08. The company employed 1112 regular employees (Executives 197 & Non-Executives 915) as on 31.3.2013. Its registered & corporate offices are at Visakhapatnam, Andhra Pradesh.

Vision/ Mission

The Vision / Mission of the company is to develop the Organization into a viable and profit making EPC company, with a view to becoming an important player supplying quality and cost effective products.

Industrial / Business Operations

Main activities of the company are engineering, procurement, manufacturing, supply, erection & commissioning of process plants, cryogenics and combustion systems through its single manufacturing plant at Visakhapatnam, Andhra Pradesh.

Consequent to the take over by BHEL, focused efforts are being made to upgrade the engineering skills in Bubbling Fluidised Bed Combustion (BFBC) & Heat Recovery Steam Generating (HRSG) Boilers as a part of diversification of its existing business. Cryogenic vessels business has gain picked up after some gap. Manufacturing facilities are being ramped up to meet the increasing load.

Performance Highlights

The average capacity utilization during the year 2012-13 stood at 49.77%. The physical performance of Company for the last three years is given below:

Strategic issues

Most of the blocks of BRPL are in advance stage of exploration and several of them are at the appraisal stage. With a total of seventeen discoveries in Brazil, Mozambique, Indonesia, Australia and in India, BRPL has now matured into a company poised to guarantee returns to its parent company.

The Company

Bharat Petroleum Corporation Ltd. (BPCL) came into existence on 24.1.1976 subsequent to the Government of India acquiring Burmah-Shell Oil Storage & Distribution Company of India and Burmah-Shell Refineries Limited (a company incorporated on 3.11.1952) vide Burmah-Shell (Acquisition of Undertaking in India) Act 1976. BPCL is a Schedule ‘A’ listed Navratna CPSE in Petroleum (Refinery & Marketing sector) under the administrative control of Mo Petroleum and Natural Gas with 54.93% shareholding by the Govt. of India. The Company employed 13,213 regular employees (Executives 5169 & Non-Executives 8044) as on 31.3.2013. The company has its Registered and Corporate offices at Mumbai.

Vision / Mission

The Vision of the Company is to be a leading energy company with global presence through sustained aggressive growth and high profitability, the first choice of customers, always, exploit profitability growth opportunity outside energy, the most environment friendly company, a great organisation to work for, a learning organization and a model corporate entity with social responsibility.

The Mission of the Company is to participate prominently in nation-building by meeting its growing energy needs, efficiently deploying all available resources, Strengthen and expand areas of core competencies throughout the country, Create awareness among people on the imperatives of energy conservation, Availing ourselves of new opportunities for expansion / diversification, Promote ecology, environmental upgradation and national heritage.

Industrial / Business Operations

BPCL is an integrated oil company in the downstream sector engaged in refining of crude oil and marketing of petroleum products. It has also diversified into production and marketing of petrochemical feedstocks. BPCL’s two refineries at Mumbai and Kochi have flexible configuration that enables to select crude oil judiciously on economic considerations, providing a competitive edge in the liberalized scenario.

BPCL has formed a wholly owned subsidiary Bharat Petro Resources Ltd (BPRL) in October 2006. BPRL has acquired participating interest in 25 oil & gas blocks in India and abroad. The company has formed 15 joint venture companies covering refining, city gas distribution, renewable energy, pipelines, gas, into-plane servicing etc to cater to the requirements of its customers. BPCL markets its products through a robust distribution network of storage depots, terminals, LPG bottling plants, Lube blending plants, cross-country pipelines, aviation stations etc. BPCL currently has 11,637 retail outlets across the country.

Performance Highlights

The physical performance of BPCL during the last three years is mentioned below:

<table>

Total Revenue of the company registered an increase of ₹ 28,121.23 crore during 2012-13, which went up to ₹ 24,179.58 crore in 2012-13 from ₹ 21,367.75 crore in 2011-12. The profit of the company has also gone up by ₹ 1,311.63 crore to ₹ 2,642.90 crore in 2012-13, from ₹ 1,311.27 crore in previous year due to increase in the sales volume. The current ratio of company is at 0.90:1 during 2012-13 as against 0.85:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

Bharat Oman Refineries Ltd, a BPCL joint venture company with Oman Oil Company Ltd, has set up 6 MMTPA grassroots refinery at Bina, Madhya Pradesh. Besides, crude oil import facilities consisting of Single Point Mooring system and crude oil storage terminal have been set up at Vadinar, Gujarat. A 935 KM cross-country crude oil pipeline of 24” diameter from Vadinar to Bina has been built for moving crude oil to the refinery. The total cost of the project is estimated at Rs. 12,208 crore. The refinery units, tankage and pipelines have been commissioned. All process units have been independently tested. The refinery will help BPCL in meeting the product requirements in Northern and Central regions of the country.

### Financial Ratios

- [Details]
The Company

Bharat Pumps and Compressor Ltd. (BPCL) was incorporated on 01-01-1970 as an import substitution unit for manufacture of sophisticated process pumps and compressors for core sector industries which were hitherto being imported by them.

It is a schedule-‘B’ BIFR referred Miniratna CPSE in the Medium & Light Engineering sector under the administrative control of M/o Heavy Industries & Public Enterprises, D/o Heavy Industry. The company employed 889 regular employees (Executives 194, Supervisors 22 and Non-Executives 673) as on 31.03.2013. Its registered & corporate offices are at Naini, Allahabad, Uttar Pradesh.

Vision / Mission

The Vision of the Company is to become an Indian MNC in the field of Fluid Handling, Gas Compression, Gas Storage Equipment, Services and Project Management.

The Mission of the Company are to provide quality products and services to core sector industries with special thrust on Oil and Natural Gas, Petro-chemicals, Refineries, Nuclear and Thermal Power Plants, Fertilizers and Public Transport Services complying to Health and Safety norms.

Industrial / Business Operations

The company is engaged in manufacturing and supply of heavy duty Centrifugal Pumps, Reciprocating Pumps, Reciprocating Compressors and High Pressure Seamless Industrial/ CNG Gas Cylinders and Cascades to cater the need of Oil Exploration and Exploitation, Refineries, Petro-chemicals, Chemicals and Fertilizers, Power (including Nuclear Power) Sectors and other process downstream industries from its single operating unit at Allahabad, U.P.

Performance Highlights

The average capacity utilization for Pumps and Compressors division was 47% and capacity utilization of Gas cylinder Division was 36%. The physical Performances of the company for last three years are given below.

Total Revenue of the company registered a reduction of ₹ 27.22 crore during 2012-13, which went down to ₹ 125.77 crore in 2012-13 from 152.99 crore in 2011-12. The losses of the company has also gone up by ₹ 27 crore to ₹ (-) 27.91 crore in 2012-13, from ₹ (-) 0.91 crore in previous year due to decrease in the operational revenue and other income as a result increase in the loss.

The current ratio of company is at 1.77:1 during 2012-13 as against 2.47:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

Bharat Pumps and Compressor Ltd. (BPCL) was one of the Turnaround CPSE as per the guidelines issued by the Government of India for declaring a sick CPSE as “Turnaround CPSE”. It had made a profit before tax in each of three preceding years & has a positive net worth after implementation of revival package. BPCL was a sick company till 2004-05 having suffered losses since inception. A restructuring / revival / rehabilitation Plan for BPCL was approved by the Government (of India) in December 2006, which comprised measures such as management support and infusion of equity by BHEL, financial support by ONGC and technology support by EIL and waiver of Plan and Non-Plan loan including interest due and budgetary support to clear outstanding dues, etc. BPCL has taken up development, modification of components and process towards indigenization, efficiency and cost saving.

Total Revenue of the company registered decrease of `805.61 crore during 2012-13, which went down to `27127.89 crore in 2012-13 from `27933.50 crore in 2011-12 due to fall in operating revenue. However, the loss of the company has gone down by `966.28 crore to `7884.44 crore in 2012-13, from `8850.70 crore in previous year due to decrease in the expenditure and depreciation.

The current ratio of company is at 0.9:1 during 2012-13 as against 1.02:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
In The 12th Five Year Plan (2012-17) BSNL may strive to make the entire landline customer base network IP enabled. Next Generation Network equipment based on the latest architecture are planned to be deployed gradually to replace the entire TDM/Digital Telephone Exchanges (OCB, EWSD, AXE and 5 ESS TDM Types). As part of encouraging indigenous development of technology BSNL is in process of migrating C-Do TDM Technology exchanges with NGN solution being developed by C-DoT. Field trials at three locations have been done. The migration shall result in reduction of operational cost, along with ease of induction of new value added services to the landline customers. Class 4 NGN(IP TAX) network has already been inducted into BSNL network and the migration of TDM TAXs to IP TAXs(NGN Class 4) has already started. Augmentation of GSM Network through deployment of 15 Mn Lines is under progress.

As per the Govt’s decision, a Special Purpose Vehicle (SPV), namely, Bharat Broadband Network Limited (BBNL) has been formed by Govt, MoC & IT, D/o Telecommunications on 25th February 2012, to connect 2,50,000 Gram Panchayats on OFC. The wholly owned Govt. Company has been promoted by BSNL, PGCIL and RAILTEL.

Bharat Wagon & Engineering Company Limited

‘C’ Block, 5th floor, Maurya Lok Complex, Dak Bunglow Road, Patna-800001
www.bbunl.com/co_bharat.html

The Company

Bharat Wagon & Engineering Company Limited (BWEL) was incorporated on 04.12.1978 with the objective of taking over the assets and interest of the erstwhile Arthur Butter & Co. Muzaffarpur and Britannia Engg. Works, Mokama. The main objective of the company is to be a leading Engineering unit with a brand image and eminence in the field of manufacturing of Railway Wagons.

BWEL is a Schedule-‘C’ / BIFR / BRPSE referred CPSE in Heavy Engineering sector under the administrative control of the M/o Railway with 100% shareholding by the Government of India. The company employed 793 regular employees (Executives 32, Non-executives 761) as on 31.3.2013. Its Registered and Corporate Offices are at Patna, Bihar.

Vision / Mission

The Mission / Vision of the company is to become ‘state of the art’ wagon builder and engineering company in the country.

Industrial / Business Operations

BWEL is engaged in manufacturing of Railway Wagons for M/o Railways through its two operating units at Mokama and Muzaffarpur works in Bihar. One unit at Muzaffarpur which was manufacturing cylinder, fuel storage and tanks is not in operation.

Performance Highlights

The average capacity utilization was 13% during 2012-13 as against 26% during previous year. BWEL contributes about 5% of the national wagon production. The physical performance of the company for last three years is given below:

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹13.16 crore during 2012-13, which went down to ₹ 28.08 crore in 2012-13 from ₹ 41.24 crore in 2011-12 due to fall in production as a result of acute crisis of working capital. However, the loss of the company has gone down by ₹ 1.08 crore to ₹ (-) 7.59 crore in 2012-13, from ₹ (-) 8.67 crore in previous year, due to increase in other income.

The current ratio of company is at 0.60:1 during 2012-13 as against 0.71:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The administrative ministry i.e. Ministry of Railways has sanctioned ₹ 43 crores in RE 2012-13 (₹ 12 crores) and BE 2013-14 (₹ 31 crores) of MoR for working capital and payment of outstanding dues.

Bharat Wagon & Engg. Co. Ltd. was referred to BRPSE and the Board had given its recommendations in the year 2005 and Financial Restructuring was approved by the Government in 2008. The company was transferred from DHI to Ministry of Railways as a part of the restructuring. The company is also registered under BIFR. The updated Draft Revival Proposal (DRP) seeking a fund based support of ₹ 187.10 crore and non-fund based support of ₹ 21.83 crore has been submitted by the company. The matter is under consideration of BIFR.

Public Enterprises Survey 2012-2013 : Vol-II
The Company

BHEL Electrical Machinery Ltd. (BHEL-EM) was incorporated on 19-01-2011 as a subsidiary of BHEL under a joint venture agreement with Government of Kerala and BHEL-EM to take-over the Kasaragod unit of Kerala Electrical & Allied Engineering Co. Ltd. (a Government of Kerala undertaking).

BHEL-EM is an un-categorized CPSE in Heavy Engineering Sector under the administrative control of Ministry of Heavy Industry & Public Enterprises, D/o Heavy Industry with 51% shareholding by BHEL. The company employed 183 regular employees (Executives 18 & Non-Executives 165) as on 31.3.2013. Its Registered and Corporate offices are at Kasaragod, Kerala.

Vision / Mission

The vision of the company is to be a sustainable engineering enterprise in the field of electrical machines.

The mission of the company is to create and facilitate the development and supply of product and services, conforming to international standards and fulfilling stakeholder expectations.

Industrial / Business Operations

BHEL-EM is engaged in production of Brushless alternator, Train Lighting Alternators (TLA), D G Sets, DG Sets for Railway Power Car and Traction alternators.

Performance Highlights

Commercial activities of the company commenced in June 2011. The physical performance of the company for last one year and nine months is given below:

<table>

Total Revenue of the company registered a reduction of ` 8.43 crore during 2012-13, which went down to ` 24.90 crore in 2012-13 from ` 33.33 crore in 2011-12 due to change in product mix. The loss of the company has gone up by ` 0.17 crore to ` (-) 0.55 crore in 2012-13, from a loss of ` (-) 0.38 crore in previous year due to change product mix (with higher input cost is a cause to diminution in the margin along with increase in the cost of raw material).

The current ratio of company is at 1.18:1 during 2012-13 as against 1.42:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company aims to be an Rs.125 crore company by 2016-17. Establishing new manufacturing facilities with need based capital infusion, conducting feasibility study over the next three years along with diversification in safe and secure market segment and improvement of internal processes and procedures.

The company

Biecco Lawrie Limited (BLL), formally known as British India Electric Construction Company Ltd. (BIECCO), was established on 23.12.1919. In 1972, it became a Government company after Balmer Lawrie & Co. (a CPSE), acquired majority shares in the Company and the Company was renamed as BLL. In 1979, the Government of India acquired majority shares of this company and it became an independent CPSE.

BLL is a Schedule-'C' CPSE in Medium and Light Engineering sector under the administrative control of M/o Petroleum and Natural Gas with 99.57% shareholding by the Government of India (POI=32.24% and OIDB=67.33%). The company employed 446 regular employees (Executives 89 and Non-executives 257) as on 31.3.2013. Registered and Corporate offices of the company are located at Kolkata, West Bengal.

Vision / Mission

The Vision of the Company is to be a growing company, and help in sharing energy nation-wide, for improved quality of life. The Mission of the Company is to be an electrical engineering company, improving continuously the quality and technology of its products.

Industrial / Business Operations

BLL is a medium sized engineering Company having two manufacturing units located in Kolkata and it has marketing branches at Delhi, Mumbai, Chennai and Lucknow. The four main business divisions of the Company are manufacturing & marketing of medium voltage Switchgears, Turnkey Electrical Projects, Lube oil blending & filling and Repair of Electrical Rotating machinery.

Performance Highlights

The company has provided provisional information. The physical performance of the company for last three years is given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>

<td>31.21</td>
<td></td>
</tr>
<tr>
<td>Sale of Services</td>
<td>Rs. in Cr.</td>
<td>20.95</td>
<td>53.22</td>
<td></td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 1.40 crore during 2012-13, which went up to ₹ 47.08 crore in 2012-13 from ₹ 45.68 crore in 2011-12. However, the loss of the company has gone down by ₹ 8.18 crore to ₹ (-) 11.95 crore in 2012-13, from ₹ (-) 20.13 crore in previous year which is mainly due to increase in interest income and increase in the sales turnover.

The current ratio of company is at 1.09:1 during 2012-13 as against 1.13:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

In May-2011, Govt. of India has approved financial restructuring of the company for Strengthening, Modernizing, Reviving and Restructuring of the company as recommended by the BRPSE. Consequent to such approval and issue of shares, OIDB has become major shareholder of the company.

Company’s traditional business i.e. manufacturing and supply of medium voltage Switchgears & Spares is operating in a stiffly competitive market environment. Company’s Switchgear business requires continuous scaling up of technology and capital investments for increased range, upgraded variants as well as vertical integration, which the company is unable to make. Moreover, due to a mushroom like growth of manufacturers in medium voltage segment, supply exceeds demand and there has been a steep fall in prices and profitability.

In the recent years, the Company has been looking into additional areas of business in consonance with the national investment plans in power sector infrastructure as well as small hydropower projects. Thus it is participating in APDRP, RAPDRP and RGGVY schemes of the Government either as a contractor/supplier or as a third party inspection agency for REC. In line with recent technology trends in power sector distribution management, the company has entered Un-manned Substations projects in different states, in collaboration with Entech, a South Korea-based company.

The Company

Birds Jute & Export Limited (BJEL) was incorporated on 02.07.1904 under the name and style of the Lansdowne Jute Company Limited with the objective of taking over as a going concern, the business of the manufacturing jute goods at Dakhindari from the Arathoon Jute Mills Limited. The name of the company has been changed to M/s Birds Jute & Export Limited with effect from the 15th December, 1971 and was decided to be run as a processing factory for Bleaching, Dyeing, Cotton and Blended Fabrics. It became a 100% subsidiary of National Jute Manufactures Corp. Ltd. (NJMC) on 20.11.1986 after remaining closed for around 7 years due to financial stringency.

BJEL is an un-categorized / BIFR / BRPSE / Taken over sick CPSE in Textiles sector under the administrative control of M/o Textiles. The company employed only 2 regular executives employees as on 31.3.2012. Its Registered and Corporate offices are at Kolkata, West Bengal.

Industrial / Business Operations

BJEL was engaged in processing jute / jute blending fabrics, dyeing and printing of jute cotton and blended fabrics / curtain etc.

BIFR concluded that no public interest would be served by reviving this company and recommended for its winding up. Therefore, the establishment of the company has been closed since October, 2002.

Performance Highlights

The company has provided provisional figures. The company has no operational income. Total Revenue of the company is from other income and remains unchanged at ₹ 0.09 crore during 2012-13 and 2011-12. However, the loss of the company has gone down by ₹ 2.44 crore to a loss of ₹ (-) 8.65 crore in 2012-13, from ₹ (-) 11.09 crore in previous year due to decrease in the financial cost and Exceptional Items.

The current ratio of company is at 0.03:1 during 2012-13 as against 0.04:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2011-12 can be seen on the adjoining page.

Strategic issues

Due to continuous losses and negative net worth, the company was referred to BIFR. BIFR had appointed IDBI Bank Ltd. as operating agency for Preparation of Rehabilitation Scheme. The revival proposal was prepared through IDBI and submitted to BRPSE. BRPSE has in principle, approved the scheme and the revival plan consisting of financial restructuring of Rs.137.88 crore was also approved by BIFR on 2.8.2012. The revival package includes modernization, diversification, liquidation of dues, sale of surplus land and induction of fresh manpower as per industry norms.

### 2012-13 PROVISIONAL

Public Enterprises Survey 2012-2013 : Vol-II
The Company

Bisra Stone Lime Company Ltd. (BSLC) was a part of Bird Group of Companies (Government managed company, incorporated in 1910 under Indian Company Act 1882) under Ministry of Steel and became a Central Public Sector Enterprises (CPSE) as per the restructuring scheme approved by Government of India on 19.3.2010.

The change of status from Government managed company to CPSE came as per reorganization of share holding pattern of the company without any alteration of its capital structure, wherein major share holder of the company i.e. Eastern Investment Ltd. (EIL) had acquired shares of President of India and BSLC became a subsidiary of EIL, which in turn also become a CPSE by allocating equivalent number of shares in the name of President of India as per the same restructuring proposal. However, during the year 2010-11 the BIRD Group of Companies (BGC) have formally been made subsidiary of Rashtriya Ispat Nigam Ltd. (RINL), with acquisition of 51% stake in EIL, the holding company of BGC.

The company is a Schedule “C” listed CPSE in Other Minerals & Metals sector under the administrative control of Ministry of Steel. The company employed 1039 regular employees (Executives 38 & Non-Executives 1001) as on 31.3.2013. It’s registered Office is at Kolkata and Mines office at district Sundargarh, Orissa.

Vision / Mission

The Vision of the Company is to become a socially responsible Green Mining Company, maximizing value to all the stakeholders.

The Mission of the Company is to ensure sustainable growth of the company by having synergy with all stake holders and maximization of returns, while following best practice of corporate governance and promoting ecological balance and mineral conservation, to ensure high level of customer satisfaction and to achieve international standards of productivity by scientific mining and adequate thrust on R&D, power consumption, environment standards, preservation of flora & fauna, water resources.

Industrial / Business Operations

The Company is involved in mining & marketing of limestone and dolomite in the state of Orissa.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 3.55 crore during 2012-13, which went down to ₹ 28.14 crore in 2012-13 from ₹ 31.69 crore in 2011-12. The losses of the company has also gone up by ₹ 11.28 crore to ₹ (-) 18.14 crore in 2012-13, from ₹ (-) 6.86 crore in previous year due to fall in turnover & other income and increase in operating expenditure, high manpower cost, low productivity etc..

The current ratio of company is at 0.4:1 during 2012-13 as against 0.94:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

BSLC’s future business plan envisages the increase of the production of limestone & from 0.96 Million Tonnes Per Annum (MTPA) to 5 MTPA in phased manner after getting requisite environmental clearance from M/o Environment and Forest.

The Company

Brahmaputra Valley Fertilizer Corporation Ltd. (BVFCL) was incorporated on 5.4.2002 after segregation of Namrup units in Assam from Hindustan Fertilizer Corporation Limited (HFCL). BVFCL is the only urea manufacturing unit in eastern part of the country. It largely meets the Urea requirement of the entire North East India and some parts of North Bengal & Eastern Bihar.

BVFCL is a Schedule- ‘B’ BRPSE referred CPSE in Fertilizers Sector under the administrative control of M/o Chemicals and Fertilizers, D/o Fertilizers (DoF) with 100% shareholding by the Government of India. The company employed 989 regular employees (Executives 376 & Non-Executives 613) as on 31.3.2013. Its Registered and Corporate offices are at Namrup, Assam.

Vision / Mission

The Vision of the Company is to be reputed, valued Indian Enterprise and to be a leading fertilizer manufacturer of North-Eastern part of India.

The Mission of the Company is to produce fertilizers efficiently, economically and in environment friendly manner, to establish itself as profit earning enterprise, to work for all round improvement of the strategically important North Eastern parts of the country, and to provide balanced economic growth in the region.

Industrial / Business Operations

BVFCL is engaged in the production and marketing of Urea from its two operating units at Namrup, Dibrugarh district of Assam.

Performance Highlights

The average capacity utilization for all the products of the company was 76.61% during 2012-13 as against 54.68% during previous year. The physical performances of the company for last three years are given below:

<table>

Total Revenue of the company registered an increase of ₹ 167.95 crore during 2012-13, which went up to ₹ 597.36 crore in 2012-13 from ₹ 429.41 crore in 2011-12. The loss of the company has gone down by ₹ 96.17 crore to ₹ (-) 32.64 crore in 2012-13, from ₹ (-) 128.81 crore in previous year due to increase in the revenue from operations as a result of higher productivity and lower energy consumption. The current ratio of company is at 0.44:1 during 2012-13 as against 0.40:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

A comprehensive proposal for long term viability of the Company has been formulated. The proposal includes financial restructuring of the Company and setting up of new Brown field Ammonia-Urea Plant at Namrup under Joint Venture. The proposed plant would be of capacity to produce 8.64 Lakh MT of Urea per annum consuming 1.72 MMSCMD of gas at a specific energy of 5.0 Gcal/MT of Urea.

Planning Commission has accorded ‘In-principle’ approval for the following:

(i) Installation of a New Brownfield Ammonia-Urea complex (4th unit) at BVFCL, Namrup.

(ii) Open Bidding and Expression of Interest for equity participation from private sector companies.

The new company is proposed to be formed under Joint Venture for PPP with BVFCL, OIL and other Nominated Investor and private investor.

Public Enterprises Survey 2012-2013 : Vol-II
Braithwaite & Co. Ltd.
5, Hide Road, Kolkata-West Bengal 700 043
www.braithwaiteindia.com

The Company

Braithwaite and Co. Ltd. (BCL) was incorporated on 1.12.1976 when the assets acquired by the Government of India under “Braithwaite and Company (India) Limited (Acquisition and Transfer of Undertakings) Act, 1976” were vested with BCL after its takeover by the Government.

BCL is a Schedule-‘B’ / BIFR / BRPSE referred, sick taken over CPSE in Heavy Engineering sector under the administrative control of M/o Railways having its Registered and Corporate offices at Kolkata, West Bengal. The company employed 353 regular employees (Executives 49 and Non-Executives 304) as on 31.3.2013.

Vision / Mission

The Vision of the Company is to be a leader in the field of wagon manufacture and diversify into engineering and infrastructure business.

The Mission of the Company is to double the Wagon production by 2014-15 over 2011-11; to become a Schedule ‘A’ company by 2014-15; to establish the state of Art Steel Foundry and to enter in the technology area by leveraging internal resources for manufacturing of High Capacity Covered Wagons & Auto Carrying Wagons.

Industrial / Business Operations

BCL is mainly engaged in the production of Various Engineering products, mainly Railway rolling stocks at its three Works viz. Clive Works & Victoria Works situated in Kolkata and Angus works at Bhadreswar, West Bengal.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹28.38 crore during 2012-13, which went up to ₹286.97 crore in 2012-13 from ₹258.59 crore in 2011-12. The profit of the company has also gone up by ₹0.26 crore to ₹7.15 crore in 2012-13, from ₹6.89 crore in previous year due to increase in higher productivity / increase in value added per employees.

The current ratio of company is at 1.35:1 during 2012-13 as against 1.36:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issue

Braithwaite & Co. Ltd. is registered with BIFR since 1992 and also referred to BRPSE. It is one of the Turnaround CPSE as per the guidelines issued by the Government of India for declaring a sick CPSE as Turnaround CPSE. It has made a profit before tax in each of three preceding years & has a positive net worth now after implementation of revival package. As per the revival package the administrative control of BCL was transferred from D/o Heavy Industry to M/o Railway from 6.8.2010. Further, a plan outlay of ₹20 crore is made to replace the outdated and broken down plant & machineries of company. An amount of ₹12 crore had been released from M/o Railway during 2011-12. New project for replacement of outdated & broken down Plant & Machinery has initiated during the end of 2011-12 and would be completed in 2013-14.

Besides manufacturing of wagons, the company is also exploring for orders for cranes, structural fabrication, civil construction, power plant etc.

The Company

Bridge & Roof Co. (I) Ltd. was incorporated on 16/01/1920 and nationalized on 30/09/1972 with the objective to achieve requisite customer satisfaction through quality products and strict adherence to delivery schedule.

Bridge & Roof Co. (I) Ltd. is a Schedule – B Mini Ratna Category-I in construction sector under the administrative control of Department of Heavy Industry, Ministry of Heavy Industries & Public Enterprises with 99.65 % shareholding by the Government of India. The company employed 1475 regular employees (Executives 795 & Non-Executives 680) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata and Howrah respectively.

Vision / Mission

The Vision of the Company is to become a leader in integrated Project Management in the field of construction and allied services with a high growth trajectory and increase its market share.

The Mission of the Company is in the new millennium is to thrive in the competitive Indian construction industry and to transform itself from being a mere Construction Company to an Integrated Project Management Company.

Industrial / Business Operations

Bridge & Roof Co. (I) Ltd., a versatile Construction Company having presence all over India has two Strategic Business units viz. Project Division and Howrah Works. Howrah Workshop is engaged in Structural Fabrication, production of Bailey Type Unit Bridges, Porta-Cabins, Containers, Pot Shells etc.

Its range of activities cover Civil, Mechanical and Turnkey Construction, Tankage, Piling etc. including Depository Work in the areas of Refineries, Oil & Gas, Petrochemicals, Power including Nuclear Power, Ferrous & Non-Ferrous, Fertilizer, Railways, Roads and Highways, Infrastructure Development, Sports Complex, Environmental Projects etc. Company has two Business Units, Howrah Works at 427/1, Grand Trunk Road, Howrah - 711 101 and Project Division with project sites at various location in India.

Performance Highlights

Bridge & Roof is primarily a construction company. The construction activities comprise around 98% of total turnover and not quantifiable in physical terms. As on 31.3.2013 there were 79 running projects.

Total Revenue of the company registered an increase of ` 56.21 crore during 2012-13, which went up from ` 1265.11 crore in 2011-12 to ` 1321.32 crore in 2012-13 due to increase in volume of business. However, the profit of the company has gone down by ` 7.40 crore to ` 38.40 crore from ` 45.80 crore in previous year due to increase in input cost, stiff competition prevailing at both public and private sectors.

The current ratio of company is at 1.26:1 during 2012-13 as against 1.24:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The company has taken steps for expansion and diversification. B&R expanded its clientele and diversified into Civil & Mechanical construction at Nuclear Power Plant for of Nuclear Power Corp. of India Ltd., Cross Country Pipeline for M/s. Gujarat State Petronet Ltd. for Dahej SEZ Network, Installation of Intra-city Optical Fibre Cable (OFC) Network in connection with 4G spectrum of Reliance Industries Ltd., construction of Bridge including superstructure and substructure at Gandhinagar for Metro Link Express for Gandhinagar and Ahmedabad (MEGA), Muttom Depot for Kochi Metro Rail Ltd., Station Piping Package on Turnkey Basis for NTPC. B&R entered into a consortium and received an order from M/s. Rashtriya Ispat Nigam Ltd. for Basic Oxygen Furnace (BOF) of the LD Converter Shop at Visakhapatnam Steel Plant.

British India Corp. Ltd.
11/6, Smt. Parvati Bangla Road, P.B. No.77, Kanpur Uttar Pradesh-208 002
http://texmin.nic.in/

The company

British India Corp. Ltd. (BIC) was incorporated in the year 1920 in the private sector and was nationalized in 1981 under B.I.C. Ltd. (Acquisition of Shares) Act with the objective to take over the controlling shares from private hands.

BIC is a Schedule-‘B’/ BIFR / BRPSE referred / taken over CPSE in Textile Sector under the administrative control of M/o Textiles with 100% shareholding by the Government of India. The company employed 1802 regular employees (Executives 114 and Non-executives 1688) as on 31.3.2013. Its Registered and Corporate offices are at Kanpur, Uttar Pradesh.

Vision / Mission

The Vision of the Company is to provide quality products of Woolen Fabrics to the consumers at reasonable prices.

The Mission of the Company is to increase the production/turnover, productivity and cost effectiveness through the best use of available resources. It also seeks to leverage the brand image for increasing the market share of its products in the country and to take up product diversification and quality enhancement.

Industrial / Business Operations

BIC is involved in manufacturing of woolen / worsted fabrics through its two units at Kanpur in U.P. and Dhariwal in Punjab. It has three subsidiaries namely Elgin Mills Co. Ltd., Cownpore Textiles Ltd. and Brushware Ltd. The establishments of these subsidiaries have been closed.

Performance Highlights

The average capacity utilization for all the products/services of the company was 1.82% during 2012-13 as against 1.14% during previous year. The physical performances of the company for last three years are given below:

<table>

The Company

Broadcast Engineering Consultants India Limited (BECIL) was formed on 24th March 1995 to fulfill the need of an expert agency to advise in the field of broadcasting. Such expertise till then was, available only with AIR and Doordarshan.

It is a Schedule-'C' Miniratna CPSE in Industrial Development and Technical consultancy services sector under the administrative control of M/o Information and Broadcasting with 100% shareholding by the Government of India. The company employed 144 regular employees (Executives 46 & Non-Executives 98) as on 31.3.2013. Its corporate offices are at NOIDA, U.P; head office at New Delhi and regional office in Bangalore.

Vision/Mission

The Vision of the Company is to be a world class consultancy recognized as a “BRAND” in the specialized fields of Broadcast Engineering & Information Technology and infrastructure development for total project solution in India and Abroad.

The Mission of the Company is to play a pivotal role in growth of Radio and Television Broadcasting through Terrestrial, Cable and Satellite Transmission in India and abroad, and achieve excellence.

Industrial / Business Operations

BECIL is engaged in providing project consultancy services and turnkey solutions encompassing the entire gamut of radio and television broadcast engineering viz content production facilities, terrestrial, like satellite and cable broadcasting in India and abroad. It also provides associated services like building design and construction, human resource related activities like training, providing man power etc. It also undertakes supply of specialized communication, monitoring, security and surveillance systems to defense, police department and various para-military forces.

The Areas of Specialization includes FM Broadcasting, Establishment of TV Channels, Installation of Teleports, Design of Digital Newsroom Systems, DTH (Direct to Home) system, Conformity of Wire-line Broadcasting networks to Indian standards, Distance Education Systems through Satellite, CCTV, Surveillance and Monitoring systems, Community Radio Stations, Acoustics, Stage lighting, sound reinforcement system, Training/up-skilling in wire-line networking.

Performance Highlights

The Company

Burn Standard Co. Ltd. (BSCL) was incorporated on 01.12.1976 with the objective to take over the assets of nationalized private companies namely Burn and Co. Ltd and Indian Standard Wagon Ltd. under “The Burn Company and The Indian Standard Wagon Company (Nationalization) Act, 1976”. The current objective of the company is to maintain leadership as largest wagon builder in the country and to expand business horizon in engineering, refractory and turn key projects.

BSCL is a Schedule-‘C’, BIFR / BRPSE referred taken over CPSE in Heavy Engineering sector under the administrative control Ministry of Railways (MoR). The company employed 842 regular employees (Executives 52 and Non-executives 790) as on 31.3.2013. Its registered office is at Kolkatta, West Bengal.

Vision / Mission

The Vision of BSCL is to be a leader in the field of wagon manufacture, foundry, Structurals and Refractory/Ceramic products and would gradually establish the company as a Global player.

The Mission of the company is to cross the 600 crore turnover mark by next five years viz. 2018-19, to make the existing steel foundry capable of taking up new designs of bogies and couplers as per international standard, to firm up core sector performance and diversify into non-core sector activities as per Road Map envisaged in the Corporate Plan, to enter in the new technology area especially through collaboration with reputed global players or through suitable technology tie-up for technology up-gradation and diversification of business.

Industrial / Business Operations

BSCL is engaged in the production of Railway engineering items namely Freight Wagons for Indian Railways at two of its works at Howrah and Bumpur in West Bengal. The company has entered into an agreement with SAIL for JV project (Sail Bengal Alloy Casting Pvt. Ltd.) with share of 50:50 for production 32.5 T Axle load Bogies and Couplers.

Performance Highlights

The physical performances of the company for last three years are given below:

</tr>
<tr>
<td>Wagon</td>
<td>No.</td>
<td>1481    1149    1053</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 64.56 crore during 2012-13, which went upto ₹ 210.22 crore in 2012-13 from ₹ 145.66 crore in 2011-12. The losses of the company has also gone down by 56.44 crore to ₹ (-) 19.66 crore in 2012-13, from ₹ (-) 76.10 crore in previous year due to increase in productivity.

The current ratio of company is at 1.07:1 during 2012-13 as against 1.31:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

As per the revival plan, the restructuring of the company has been done by way of waiver of GoI loans and interest. M/o Railway is supporting a capital expenditure of ₹ 30 crore to strengthen the Plant and Machinry of the company. The central Govt. equity in the company is increased by Rs.43.01 crore during 2012-13.

The Company

Cement Corporation of India Limited (CCI) was incorporated on 18.01.1965 with the objective to explore limestone reserves and setting up of sufficient manufacturing capacity of cement in the public sector to meet the domestic requirement.

CCI is a Schedule-‘B’ / BIFR / BRPSE referred CPSE in Consumer Goods sector under the administrative control of Ministry of Heavy Industries and Public Enterprises, D/o Heavy Industry with 100% shareholding by the Government of India. The company employed 910 regular employees (Executives 139 & Non-Executives 771) as on 31.3.2013. Its Registered and Corporate Offices are at New Delhi.

Vision / Mission

The Vision of the Company is to emerge as one of the best cement companies committed to contribute to the economy and to enhance value for the stakeholders.

The Mission of the Company is to augment the wealth creation for the Company, deliver superior product and sustained market value.

Industrial / Business Operations

CCI is engaged in manufacturing of cement through its 3 operating units at Bokajan, District Karbi Anglong in Assam, Rajban, District Sirmaur in Himachal Pradesh and Tandur, District Rangareddy in Andhra Pradesh.

7 of its units at Adilabad in Andhra Pradesh, Mandhar and Akaltara in Chattisgarh, Nayagaon in Madhya Pradesh, Kurkunta in Karnataka, Charkhi Dadri in Haryana and Delhi Grinding Unit are non-operating. All 6 Units except Adilabad were closed with effect from 31.10.2008 and VSS / closure compensation was given to all the Supervisors and workman. VSS / Closure at Adilabad could not be implemented as the matter is pending before the Hon’ble High Court of Andhra Pradesh.

Performance Highlights

The physical performances of the company for last three years are given below:

<td>7.08    8.55    9.00</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a decrease of ₹ 44.56 crore during 2012-13, which went down from ₹ 372.22 crore in 2011-12 to ₹ 327.66 crore in 2012-13. The profit of the company has also gone down by ₹ 11.32 crore to ₹ 8.11 crore in 2011-12, from ₹ 19.43 crore in previous year due to fall in operating income.

The current ratio of company is at 4.71:1 during 2012-13 as against 5.28:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The plants of the Company are more than 30 years old and no substantial technological up gradation/modernization work could be done due to sickness of the Company resulting in production loss besides increase in the production cost. The up gradation/modernization work could not be undertaken due to delay in sale process of non-operating units, as the required funds for this purpose were envisaged to be available from the sale proceeds of the non-operating units. To expedite the sale process, BIFR has constituted the Assets Sale Committee. The sale of non-operating unit is proposed to be effected through E-auction. The Appointment of E-auctioneer and E-auditor has been completed and sale process is in progress.

The Company

Central Coalfields Ltd. (CCL) was incorporated on 1.11.1975 with the objective to manage the nationalized taken over coal mines of National Coal Development Corporation & Central Division of Coal Mines Authority, now Coal India Ltd. CCL is a 100% subsidiary of Coal India Ltd. (CIL)

It is a schedule-B’ BIFR registered Mini-ratna CPSE in Coal & Lignite sector under the administrative control of M/o Coal. The company employed 48126 regular employees (Executives 2824, Non-executives 45302) as on 31.3.2013. Its Registered and Corporate offices are at Ranchi, Jharkhand.

Vision / Mission

The Vision of the Company is to emerge as a global player in the primary energy sector, committed to provide energy security to the country, by attaining environmentally and socially sustainable growth, through best practices from mine to market.

The Mission of the Company is to produce and market the planned quantity of coal and coal products efficiently and economically with due regard to safety, conservation and quality.

Industrial / Business Operations

CCL is engaged in production and sale of coal (including washed Coal) through its 61 operating mines (21 are underground (UG) mines and 40 Open Cast (OC) Mines) at Bokaro, Chatra, Daltonganj, Giridih, Hazaribagh, Latehar Ramgarh and Ranchi and in Jharkhand.

The main products are raw coal, washed coal, slurry, soft coke etc. There are four Coking Coal Washeries and three washeries for washing / beneficiation of non-coking coal.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>

Total Revenue of the company registered an increase of ₹ 1364.05 crore during 2012-13, which went up to ₹ 9237.88 crore in 2012-13 from ₹ 8097.40 crore in 2011-12 due to increase in sale of coal, coke etc. The profit of the company has also gone up by ₹ 566.06 crore to ₹ 1885.61 crore in 2012-13, from ₹ 1319.55 crore in previous year due to increase in sale and favorable OBR Adjustment due to change in stripping ratio and increase in other income due to increase in interest income from short term investments and withdrawal of provision for Central Excise duty on closing stock of coal, coke due to liquidation of opening stock.

Strategic issue

Few mines of CCL have been proposed to be operated under MDO/PPP Mode. The modalities for the same are being finalized by CIL. Earlier Global Tenders have been floated for re-opening and operating four abandoned/derelict underground coal mines namely, Khas, Karanpura, Hindegir, Pipradih and Associated Karanpura by forming JV with CCL. However the NIT became non-responsive twice.

Till 31.3.2013, a total number of 62 mining projects with ultimate capacity of 116.76 MTY and 26 Non-mining projects each costing 2.00 crore and above were sanctioned. Out of these projects, 51 projects (31 mining & 20 non-mining) have already been completed. In principle approval have been obtained for different projects having ultimate capacity of 54.35 MTY.

Total Revenue of the company registered an increase of ₹ 5.28 crore during 2012-13, which went up to ₹ 82.20 crore in 2012-13 from ₹ 76.92 crore in 2011-12. However, the profit of the company has gone down by ₹ 0.24 crore to ₹ 0.25 crore in 2012-13, from ₹ 0.49 crore in previous year due to increase in the operating expenditure.

The current ratio of company is at 1.55:1 during 2012-13 as against 1.65:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

Steps were taken towards strengthening operations in emporia, improvements in merchandise cost control, setting up of new showrooms and booking of bulk/ institutional orders.

CCICI procures merchandise from handicraft and handloom clusters and from a large number of artisans, craftsmen, weavers, etc. spread throughout the country and also from National Awardees, State Awardees, women organizations, minority and from weaker sections, etc. The retails prices and quality of products of CCICI are considered a benchmark in the trade.

Central Electronics Ltd.
781 Desh Bandhu Gupta Road, Karol Bagh, New Delhi 110 005
www.celindia.co.in

The Company

Central Electronics Ltd. (CEL) was incorporated on 26.06.1974 with an objective of developing and productionising various electronic materials components and sophisticated systems for which know how on a laboratory scale had been demonstrated in the CSIR, DRDO and other National Laboratories.

CEL is a Schedule-‘B’ BRPSE referred CPSE in Medium & Light Engineering sector under the administrative control of M/o Science and Technology, D/o Scientific and Industrial Research with 100% shareholding by the Government of India. The company employed 586 regular employees (Executives 237 & Non-Executives 349) as on 31.3.2013. Its registered office is at New Delhi and Corporate office at Ghaziabad, U.P.

Vision / Mission

The Vision of the company is to be a market leader in the field of Solar Photovoltaic Energy sources, particularly for rural applications, as also in Railway Safety and Signaling Electronics and Microwave Phase Control Modules.

The Mission of the company is to achieve excellence in technology, manufacture and be market leader in solar energy systems and strategic electronics.

Industrial / Business Operations

CEL is engaged in production and marketing of Solar Photovoltaic Products, Railway Electronics, Cathodic Protection Systems, Microwave Electronics and PZT Alumina through its only one operating unit at Sahibabad, U.P.

Performance Highlights

The Company

Central Inland Water Transport Corp. Ltd. (CIWTC) was incorporated on 22.2.1967 to take over the assets of the erstwhile Rivers Steams Navigation Company Ltd. with an objective to utilize the Inland Water Transport (IWT) mode of transportation as an operator.

CIWTC is a Schedule-‘C’ BRPSE referred sick taken over CPSE in Transport Services Sector under the administrative control of M/o Shipping, Road Transport and Highways, Department of Shipping with 99.78% shareholding by the Government of India. The company employed 312 regular employees (Executives 11, Non-executives 301) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision of the Company is to see that IWT sector prosper competitively at par with the rest of the transportation modes viz. road, rail and air.

The Mission of the Company is to operate IWT services and to strive for achieving the break even in the shortest possible time by continuously reducing the operational cost and losses.

Industrial / Business Operations

CIWTC is engaged in transportation of Cargo on the route of N.W.-I, N.W.-II, Bangladesh, Sector and lighterage operation in river Hooghly through its single operating unit namely River Service Division Kolkata, West Bengal.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Product / Services</th>

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 1.85 crore during 2012-13, which went down to ₹ 18.75 crore in 2012-13 from ₹ 20.60 crore in 2011-12. The losses of the company has also gone up by ₹ 10.84 crore to ₹ (-) 23.93 crore in 2012-13, from ₹ (-) 13.09 crore in previous year due to shortfall in other income and extra burden of income tax dues for the earlier years & booking of impairment of assets. The company is earning operating profit.

Strategic issue

Revival scheme for the company was sanctioned by the Government of India in 2001 and a new revival scheme was sanctioned in 2005 on the basis of the recommendations of BRPSE. As per the revival plan, one unit for ship building and ship repairing viz. Rajabagan Dockyard (RBD) was to be handed over to Garden Reach Shipbuilders & Engineers Limited (GRSE) or to any PSE on outright purchase/long term lease/management contract basis, write-off of interest and conversion of outstanding principal into equity and reducing the same against losses, and introduction of VRS to bring down manpower level to 43. Disinvestment of the company (minus RBD) is to be taken up in favor of private parties after implantation of the above proposal.

PUBLIC ENTERPRISES SURVEY 2012-2013 : Vol-II
The Company

Central Warehousing Corporation (CWC) was incorporated in 1957 under the Agricultural Produce (Development & Warehousing) Corporations Act 1956, which was subsequently repealed and replaced by the Warehousing Corporations Act, 1962 with the objective to meet the changing needs of agriculture, trade, industry and other sectors by providing scientific warehousing, logistic services and related infrastructural facilities. The main objective of the company is to provide scientific storage facilities for agricultural inputs, produce and other notified commodities besides providing logistics infrastructure like CFS/ICD and Land Customs Stations for import-export cargo.

CWC is a Schedule-'A' Mini-ratna CPSE in Trading & Marketing sector under the administrative control of the M/o Consumer Affairs, Food & Public Distribution D/o Food & Public Distribution with 55.1% shareholding by the Government of India. The rest of the holding is with SBI, 35 other scheduled banks, 7 insurance companies, 6 other recognized associations / companies dealing in agricultural produce and 400 cooperative societies. The company employed 5222 regular employees (Executives 263 & Non-Executives 4959) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the Company is to emerge as the leading global market facilitator by providing integrated warehousing infrastructure and logistic services, as a support to India’s economy, with emphasis on stakeholder satisfaction.

The Mission of the Company is to provide reliable, cost effective, value added and integrated warehousing and logistics solutions in a socially responsible and environment friendly manner.

Industrial / Business Operations

CWC is engaged in providing services in the field of storage of agricultural produce and inputs and industrial trade through its 469 warehouses with a total storage capacity of 102.34 lakh MT as on 31.3.2013. This included 66 Custom Bonded Warehouses, 4 Air Cargo Complexes, 36 Container Freight Stations (CFSs) / Inland Clearance Depots (ICDs) and 4 temperature controlled warehouses.

CWC also runs 17 Railside Warehousing Complexes (RWCs) through its wholly owned subsidiary namely Central Railside Warehouse Company Limited.

It has also subscribed to the 50% equity of 17 State Warehousing Corporations (SWCs) with the respective State Governments holding the remaining 50%. The aggregate investment by CWC in the equity of SWCs as on 31.3.2013 stood at 61.12 crore. These SWCs, as on 31.3.2013, were operating a network of 1659 warehouses with an aggregate storage capacity of 250.93 lakhs MT.

The company has one financial joint venture namely National Multi Commodity Exchange of India Ltd. (NMCE) with a shareholding of 29.70%.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 188.05 crore during 2012-13, which went up to ₹ 1406.70 crore in 2012-13 from ₹ 1218.65 crore in 2011-12. The profit of the company has also gone up by ₹ 39.09 crore to ₹ 139.55 crore in 2012-13, from ₹ 100.46 crore in previous year due to increase in the sales turnover and other income.

The current ratio of company is at 1.83:1 during 2012-13 as against 2.23:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

As a diversified activity, CWC has been running container trains since 2007. It holds a Category-I license to operate container trains on Pan India basis.

The Company
Certification Engineers International Ltd. (CEI) was set up on 26.10.1994 with an objective to undertake activities related to certification, re-certification, safety audit and safety management systems for offshore and onshore oil and gas facilities and third party inspection, risk analysis, safety, energy, quality audits in the hydrocarbon and other quality sensitive industry.
CEI is a Schedule ‘C’ CPSE in the Industrial Development and Technical Consultancy sector under the administrative control of M/o Petroleum and Natural Gas. The company employed 76 regular employees (Executives 73 & Non-Executives 3) as on 31.3.2013. Its registered office is at New Delhi and corporate office is at Navi Mumbai, Maharashtra. It is a 100% subsidiary of Engineers India Ltd. (EIL).

Vision / Mission
The Vision of the Company is to be a global leader in the business of ensuring quality, integrity and safety of customer’s assets.
The Mission of the Company is to achieve international standards of excellence in customer services through constant value addition and innovation and to cultivate high standards of ethics, quality and integrity.

Industrial / Business Operations
CEI is engaged in providing services in the field of certification, re-certification, third party inspection (TPI), risk analysis, safety, energy and quality audits and vendor assessment in the Hydrocarbon and other quality sensitive sectors of the industry.

Performance Highlights
The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 1.10 crore during 2012-13, which went down to ₹ 28.43 crore in 2012-13 from 33.51 crore in 2011-12. The Profit of the company has also gone down by ₹ 2.39 crore to ₹ 15.34 crore in 2012-13, from ₹ 20.71 crore in previous year due to increase in the competition, higher travel and other costs and adverse revenue mix.
The current ratio of company is at 9.51:1 during 2012-13 as against 8.65:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue
The company is continuously exploring the possibility of securing Certification & TPI jobs from other sectors / contractors and enhancing its service portfolio to include areas concerning environment, plant operation & safety, specialized engineering analysis etc.
The Strength of organisation lies in highly qualified, experienced and quality conscious human resources. The team of quality Surveyors has been drawn from reputed industries of Oil and Gas, Refinery & Petrochemicals, Sub-sea & Cross Country Pipeline, Chemical & Process, Equipment Manufacturing, Power Plant and other manufacturing fields besides EIL’s Inspection Department.

Public Enterprises Survey 2012-2013 : Vol-II
The Company

Chennai Petroleum Corporation Limited (CPCL) was incorporated on 13th December, 1965 with the objective of being a world class energy company with a dominant presence in South India.

CPCL is a schedule-'B' Mini-Ratna listed CPSE in Petroleum sector under the administrative control of M/o Petroleum and Natural Gas. It is a subsidiary of Indian Oil Corporation Ltd. (IOC), which holds 51.88% equity shares. The company employed 1705 regular employees (209 Executives & Non-Executives 1496) as on 31.3.2013. Its Registered and Corporate offices are at Chennai, (Tamilnadu).

Vision / Mission

The Vision of the Company is to be the most admired Indian energy company through world class performance, creating value for stakeholders.

The Mission of the Company is to manufacture and supply petro products at competitive price, meeting the quality expectations of the customer; to pro-actively fulfill social commitments, including environment and safety; to constantly innovate new products and alternate fuels; to recognize Human Resources as the most valuable asset and foster a culture of participation for mutual growth; to ensure high standards of business ethics and corporate governance; to maximize growth, achieve national pre-eminence and maximize stakeholders wealth.

Industrial / Business Operations

CPCL is engaged in refining of crude oil and manufacturing of petroleum products through its two refineries at Manali and Pannangudi near Nagapattinam, both in Tamilnadu. The product range of the company comprises of Motor Spirit, High Speed Diesel, LPG, ATF, Naphtha, Kerosene, etc. and other allied products like propylene, sulphur, wax, etc. The combined refining capacity of CPCL is 11.5 Million Tonnes Per Annum (MMTPA).

The company has two joint ventures namely Indian Additives Ltd. and National Aromatics and Petrochemicals Corp. Ltd. with an equity participation of 50% each with M/s. Chevron Oronite of USA and Southern Petrochemical Industries Corp. Ltd. (SPIC) respectively in both the above JVs.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>

<tr>
<td>Gas Processing (CBR)</td>
<td>000 MT</td>
<td>84.1</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹2034.54 crore during 2012-13, which went up to ₹42907.04 crore in 2012-13 from ₹40872.50 crore in 2011-12 due to depreciation in the Indian Currency & price realization is less than the previous year. The profit of the company has gone down by ₹1828.66 crore to a loss of ₹(-)

1766.84 crore in 2012-13, from a profit of ₹61.82 crore in previous year due to lower cracks on account of higher volatility in crude and product prices due to economic slowdown & forex loss due to unprecedented depreciation in Indian currency.

The current ratio of company is at 0.91:1 during 2012-13 as against 1.05:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The corporation has formulated a well-defined policy framework including implementation procedure and monitoring mechanism for the risk management system. Some of the key risk areas that company encounters are Foreign Exchange Market Fluctuation, Geo-Political escalations, safety & security aspects & statutory clearances.

The Company

Cochin Shipyard Ltd (CSL) was incorporated in 1972 with the objective to take over the erstwhile Cochin Shipyard project under technical collaboration with M/s Mitsubishi, Japan. The main objective of the company is to build and repair vessels of international standards and provide value added engineering services. Cochin Shipyard commenced shipbuilding activities in 1975 and the first vessel ‘Rani Padmini’, a bulk carrier built for Shipping Corporation India, Mumbai was launched in 1980. Presently Cochin Shipyard is considered as the biggest and the most modern shipyard in India. CSL ventured into ship repair business in the year 1981.

CSL is a Schedule B, Mini Ratna CPSE in Transport Equipment sector under the administrative control of M/o Shipping, D/o Shipping, with 100% shareholding by the Govt of India. Its registered Corporate office is at Kochi, Kerala. The Company employed 1656 regular employees (Executives 251, Non-executives 1405) as on 31.03.2013. Its Registered and Corporate Offices are at Kochi, Kerala.

Vision/Mission

The Vision of the Company is to emerge as an internationally competitive shipyard to construct world class ships and water borne crafts and become market leader in ship repair including conversions and up gradation.

The Mission of the company is to build and repair vessels to international standards and provide value added engineering services and sustain corporate growth in competitive environment.

Industrial / Business Operations

CSL is engaged in ship building, ship repair and Marine Engineering Training. It has the largest shipyard in the country with its operating unit at Kochi, Kerala. CSL also runs a ‘state of the art’ Marine Engineering Training Institute which conducts Marine Engineering Training and Basic and Advanced Fire Fighting Courses.

Performance Highlights

The average capacity utilization of the company was 106% during 2012-13 as against 105% during previous year. As on 31.3.2013 there were 25 running projects in hand. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

<tr>
<td>Ship Repair</td>
<td>Rs Crore</td>
<td>286.57</td>
<td>145.36</td>
<td>141.75</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹160.79 crores during 2012-13, which went up to ₹1642.33 crores in 2012-13 from ₹1481.54 crore in 2011-12 due to construction of Aircraft carrier for the Indian Navy. The profit of the company has marginally gone up by ₹12.94 crore to ₹185.27 crore, from ₹172.33 crore in previous year due to increase in international competition led to competitive terms & conditions.

The current ratio of company is at 1.6:1 during 2012-13 as against 1.47:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

CSL which was originally building one ship every 3 years is now delivering 5 to 7 ships a year. As on 31.03.2013, CSL has 25 ships in its order book. The clientele also includes foreign owners of nations like Cyprus etc.

CSL has identified Ship repair as a prospective area of future growth in the short and medium term. Accordingly the company ventured into its first major expansion through the ISRF Project at Cochin Port Trust (CoPT) Area.

CSL is presently growing in the hi-tech offshore vessels segment in the small ship division. The aircraft carrier for the Indian Navy is also being built simultaneously. Major projects undertaken have been the oil rigs of both ONGC and other foreign owners.

Investments have been made in R&D, Design and graduating into diesel electric propulsion. Impetus is given to “Clean Design” technology ensuring world class emission norms. With facilities, technology and innovation keeping an optimum pace with each other, growth of an international medium size shipyard in India will be complete in the near future.

The Company

Container Corporation of India Limited (CONCOR) was incorporated on 10.03.1988 and began its operation in November 1989 by taking over seven ICDs from the Indian Railways and to serve as a catalyst for boosting India’s EXIM and Domestic trade and commerce by providing efficient and reliable multimodal logistic support and to ensure growing stakeholder value. The current objectives are to focus on providing high quality of service to its customers, presence in the complete logistics value chain and to maximise the productive utilisation of resources.

CONCOR is a Schedule ‘A’, listed Miniratna CPSE in transportation services sector under the administrative control of Ministry of Railways with 63.09% shareholding by the Government of India. The company employed 1187 regular employees (Executives 250, Non-executives 937) as on 31.3.2013. It’s Registered and Corporate Offices are at New Delhi.

Vision / Mission

The Vision of the company is to provide responsive, cost effective, efficient and reliable logistics solutions to its customers through synergy with community partners and ensuring profitability and growth.

The Mission of the company is to join its community partners and stake holders to make CONCOR a company of outstanding quality.

Industrial / Business Operations

The company operates as a carrier, Inland port operator and terminal services provider. The Company’s main function is to provide cost effective and reliable logistics support services to its customers. The bouquet of logistics services that are offered to trade comprises of operation of Inland Ports and Domestic Container Terminals transportation by rail, road, warehousing, storage, end-to-end logistics solutions, movement of refrigerated cargo in containers and providing other value added solutions. The Company has established itself as the leading logistics company in the country.

CONCOR has established a vast network of container terminals all over the country at prime locations which are the centers for generation of cargo and its consumption. These capacities have been created to meet the growing demand of trade. At present, CONCOR has one subsidiary, 12 joint ventures, 8 regional offices along with 62 terminals of which 13 are pure EXIM terminals, 35 Combined Terminals and 14 Pure Domestic terminals. These terminals are connected by rail/road across the length and breadth of the country.

During the last fiscal year 315 BLC wagons were added to the existing fleet of owned wagons; increasing the holding of high speed wagon to 10,413 units. With these, the total wagon holding is now 11,770 numbers as at the end of the fiscal.

Performance Highlights

CONCOR core business is characterized by three distinct activities transportation, terminal operator and CFS/ Warehouse operator. 57 business units have been ISO certified. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>

Total Revenue of the company went up to ₹ 4743.38 crore in 2012-13 from ₹ 4377.49 crore during 2011-12 showing an increase of ₹ 365.89 crore due to growth in the operating turnover. The net profit of the company however increased by ₹ 62.15 crore only to ₹ 940.03 crore during 2012-13 from ₹ 877.88 crore during previous year due to increase in operating expenses.

The current ratio of company is at 5.32:1 during 2012-13 as against 5.48:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

CONCOR is competing with not only the other Container Train Operators but also with road transporter to bring back as much traffic to its fold as possible, keeping the overall objective of improving the rail share traffic.

The Cotton Corporation of India Ltd.
Kapas Bhavan, Sector 10, Plot No.3A, CBD-Belapur, Navi Mumbai 400 614
www.cotcorp.com

The Company
Cotton Corporation of India Ltd. (CCIL) was incorporated on 31.07.1970 under the Companies Act, 1956 with an objective to act as a canalizing agency for import of cotton particularly for long and extra long staple varieties. Subsequently, the role of the Corporation underwent changes on several occasions and currently the broad objectives are to ensure remunerative and competitive prices to the cotton farmers; to supply cotton to textile industry on reasonable prices; domestic sales operations at negligible margin in order to pass on larger benefit to cotton growers; increasing supplies of contamination free cotton to meet growing demand of textile mills etc.
CCI is a Schedule ‘B’ CPSE in Trading and Marketing Services sector under the administrative control of M/o Textiles with 100% shareholding by the Government of India. The company employed 1029 regular employees (Executives 111 & Non-Executives 918) as on 31.3.2013. Its Registered and Corporate office is at Navi Mumbai, Maharashtra.

Vision/Mission
The Vision / Mission of the company is to act as the Price Support Agency of the Government of India and to undertake commercially viable operations by gradual increase in market share, both in domestic and international trade.

Industrial / Business Operations
CCI is engaged in providing services in carrying out price support operations, whenever the market prices of kapas touch the support prices announced by the Government without any quantitative limit and commercial operations at the Company’s own risk; undertaking developmental activities related to productivity and quality of cotton.
CCI buys raw cotton directly from the cotton farmers through the aegis of Agricultural Produce Market Committees (APMCs) conducted auctions in the APMC yards. CCI officials are present in such markets from the day one of the arrivals till the same continues. All such purchases by CCI are in open competition with other traders and State agencies participating in the auctions and the main objectives remain to ensure remunerative prices to the cotton farmers /on the one hand and procure standard quality raw cotton on the other hand.
At present, CCI is operating in all cotton growing States 258-300 procurement centres under the control of respective Branch Office in each State. Apart from 15 Branch Offices, there are 4 Sales Branches to cater to the needs of the textile mills for sale and supply of quality cotton as also for rendering the necessary after sales services.

Performance Highlights
The performance details of domestic cotton processing during last three years are as follows:-

<table>
<thead>
<tr>
<th>Major Service</th>
<th>Unit</th>
<th>Performance during</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>2012-13  2011-12  2010-11</td>
</tr>
<tr>
<td>Domestic Sales</td>
<td>Lakh bales</td>
<td>3.72    8.02     12.68</td>
</tr>
</tbody>
</table>

#The opening stock during 2010-11 was ₹ 7.39 lakhs bales as against 1.17 lakhs bales during 2012-13.
Total Revenue of the company registered an increase of ₹ 232.60 crore during 2012-13, which went up to ₹ 2034.42 crore in 2012-13 from ₹ 1801.82 crore in 2011-12. The profit of the company has also gone up by ₹ 212.59 crore to ₹ 32.70 crore in 2012-13, from a loss of ₹ (-) 179.89 crore in previous year due to increase in the turnover despite fall in average price realisation.

The current ratio of company is at 1.03:1 during 2012-13 as against 1.56:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
As a Nodal Agency of Government of India to undertake price support operations, Corporation keeps itself in preparedness to meet the eventualities of price support operations. As and when kapas prices touch the level of Minimum Support Price (MSP), kapas purchases are made under MSP operations without any quantitative limits. Under these MSP operations, cotton farmers are free to offer their kapas produce to CCI and Corporation continues purchases of such kapas till the prices rule at MSP level.
In the event of kapas prices ruling above MSP level, Corporation undertakes commercial operations at its own cost for supply of cotton to mills in the State sector as well as private sector. All these operations are dovetailed to benefit the cotton growers on the one hand and supply of quality cotton to the textile mills on the other hand.
The closing stock of FP bales at the yearend is ₹ 22.92 lakhs bales valuing ₹ 4002.41 crores, whereas in the previous year it was 1.17 lakhs bales valuing ₹ 172.95 crores. The increase in closing stock during the current year is because of huge purchases under MSP operations.

COTTON CORPN. OF INDIA LTD.
CREDA-HPCL Biofuels Ltd.
Sector-1, New Shanti Nagar, Shankar Nagar Main Road, Near MESONET Quarters, Raipur (C.G.) - 492007
www.chbl.com.in

The Company
CREDA-HPCL BIOFUELS LTD. (CHBL) was incorporated on 14-10-2008 as a joint venture of Hindustan Petroleum Corporation Limited (HPCL) and Chhattisgarh State Renewable Energy Development Agency (CREDA) for plantation and cultivation of Jatropha. The Government of Chhattisgarh shall lease 15000 hectares of vacant waste / barren land to CREDA. Out of the total mandate of 15000 HA CHBL has leased 6955 Ha of land and has plantation on 2737 Ha of the land. The jatropha plantation shall start giving seeds from the year 2012-13 onwards.

CHBL is an un-categorized CPSE in Agro-Based Industries Sector under the administrative control of Ministry of Petroleum & Natural Gas with 51% shareholding by HPCL. The company employed 6 regular executives employees as on 31.3.2013. Its Registered and Corporate offices are at Raipur.

Vision / Mission
The company is committed to explore, develop and practice best processes of cultivation to produce highest yields of jatropha curcas, contributing to protection of environment through renewable energy and to economic growth of the community involved.

The Mission of the Company is to cultivate 15000 Ha of waste / barren land in the state of Chhattisgarh through plantation of jatropha for production of high yielding quality produce which can produce Bio-diesel. The Company shall ensure to complete cultivation within the time schedules and budgeted costs.

Industrial / Business Operations
CHBL is exploring processing of jatropha seeds to produce Bio-diesel. As per JV agreement, the Government of Chhattisgarh shall lease 15000 Ha of vacant waste / barren land to company for a period of 30 years for carrying out plantation of jatropha.

The company endeavors to leverage technology, farm management and usage of select proven research, processes and seeds to ensure high quality yield both in quantity and oil content. It is envisaged to act as a catalyst in boosting the economic conditions of the community living around the plantation by providing seasonal or periodic employment as this can utilize their spare time in collection of seeds or as helping hands in maintenance of the crops.

Performance Highlights
The company is still in project stage. Commercial production has not commenced. During the year on experimental basis, the company has crushed jatropha seeds into semi-finished biofuel and sold the same through Chhattisgarh Biofuel Development Authority (CBDA). The physical performances of the company for last three years are given below:

</tr>
</tbody>
</table>

During the FY 2012-13 the company shows a Total Revenue of ₹ 0.47 crore and a Loss of ₹ 3.10 crore due to written of expenditure incurred on unsuitable lands returned to CREDA. Further, Pre-incorporation expenses were written off for compliance with revised incorporation expenses were written off for compliance with revised

Strategic issues
The company endeavours to leverage technology, farm management and usage of select proven research, processes and seeds to ensure high quality yield both in quantity and oil content. Satellite images have been obtained from National Remote Sensing Centre (NSRC), ISRO for identification of vacant wastelands.

Schedule VI.
In the last fiscal year 2011-12 the company shows total revenue of ₹ 0.25 crore and a profit of ₹ 5.02 crore. There was an invariable increase in the profit which is due to change in the accounting policy of the company as per the directions given by the office of Comptroller and Auditor General of India. All the expenses of the company directly attributable to plantation activity and any other expenses allocable to plantation activity are transferred to Capital Work in Progress (Plantation Activity). The aforesaid change has been carried with retrospective effect.

The current ratio of company is at 2.61:1 during 2012-13 as against 2.69:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Total Revenue of the company registered an increase of ₹0.16 crore during 2012-13, which went up to ₹2.26 crore in 2012-13 from ₹2.10 crore in 2011-12. However, the profit of the company has gone down by ₹0.08 crore to ₹0.04 crore in 2012-13, from ₹0.12 crore in previous year due to cost escalation of all materials, increase of employees’ remuneration and benefits etc.

The current ratio of company is at 3.20:1 during 2012-13 as against 3.54:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

The Company

Dredging Corporation of India Limited (DCI) was incorporated on 29-3-1976 under the Companies Act, 1956 with an objective to provide integrated dredging and related marine services for promoting the national and international maritime trade, beach nourishment, reclamation, inland dredging, environmental protection, etc. and to become a global player in the field of dredging.

DCI is a schedule –’B’ / Miniratna listed CPSE in Transportation Services Sector under the administrative control of M/o Transport & Shipping, D/o Shipping, with 78.56% shareholding by the Government. The company employed 620 regular employees (Executives 306, Non-Executives 314) as on 31.3.2013. Its Registered Office is at Delhi and Corporate office at Visakhapatnam, Andhra Pradesh.

Vision / Mission

The Vision / Mission of the Company is to provide integrated dredging and related marine services for promoting the national and international maritime trade, beach nourishment, reclamation.

Industrial / Business Operations

DCI is engaged in providing services in the field of maintenance dredging, capital dredging, beach nourishment, reclamation and environmental protection through its different Project Offices out of which one each are located in the states of Andhra Pradesh, Karnataka, Orissa, Tamilnadu and two in West Bengal. The company is catering to the dredging requirement of the Haldia / Kolkata Port for the past thirty years.

The company has among others, 11 Trailer Suction Hopper Dredgers (TSHD), 3 Cutter Suction Dredgers (CSD) and one Back Hoe Dredger apart from other ancillary crafts. DCI’s customers include Major Ports under M/o Shipping, Non-Major Ports under Government of India and State Governments, private ports, the Indian Navy and shipyards.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 140.41 crore during 2012-13, which went up to ₹ 638.02 crore in 2012-13 from ₹ 497.61 crore in 2011-12. The profit of the company has also gone up by ₹ 7.33 crore to ₹ 20.51 crore in 2012-13, from ₹ 13.18 crore in previous due to increase in operational income.

The current ratio of company is at 2.73:1 during 2012-13 as against 3.41:1 in the previous year (Fig.3). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

One new Trailer Suction Hopper Dredgers (TSHD) of 5500Cu. M. Hopper Capacity ordered in 2010 DCT Dr-XIX joined the fleet in December, 2012. The second new TSHD Cu. M. Capacity – Dredge XX was launched in February 2013 and joined the feet during July 2013. The third new TSHD is expected to join the fleet in February, 2014.

The addition of these dredgers will help the company to meet the dredging commitments at various ports in an unhindered way as well as enable the Company to take up refurbishment of the existing aged dredgers so as to enhance their life as well as their efficiency. In continuation of the steps taken for capacity augmentation, the company proposes to order 2 Nos. 9000 Cu. M. Hopper capacity TSHDs during the current 12th Plan period 2012-2017. The company is sure that with the ongoing capacity augmentation, the performance will continue to improve over the years to come. The Company is having discussions with Ports for part financing the proposed new Dredgers.

The Company

Eastern Coal fields Ltd. (ECL) was set up on 01.11.1975 with the objective of reorganizing the nationalized coal industry as per Coal Mines (Nationalisation) Act, 1973 and to convert production division viz. Eastern Division of erstwhile Coal Mines Authority into a Company.

ECL was incorporated as a 100% subsidiary of Coal India Ltd. It is a schedule-'B' / BIFR / BRPSE referred CPSE in Coal sector under the administrative control of M/o Coal. The company employed 74276 regular employees (Executives 2587 & Non-Executives 71689) as on 31.3.2013. Its Registered and Corporate offices are at Burdwan, West Bengal.

Vision / Mission

The vision of the company is to be a leading energy supplier in the Country, through best practices from mine to market. The Mission of company is to produce and market the planned quantity of coal and coal products efficiently and economically with due regard to safety, conservation and quality.

Industrial / Business Operations

ECL is engaged in managing all the non-coking coal mines spread over Raniganj Coalfield, Saharjuri (Chitra) Coalfield and Rajamahal Group of coal fields for producing coal for the power sector through its 14 areas covering 105 operating units, (86) Under Ground (UG) mines, 19 Open Cast (OC) Mines) at Burdwan, Bankura and Purulia in West Bengal and Dhanbad, Godda, Deoghar and Pakur in Jharkhand.

Performance Highlights

Total Revenue of the company registered an increase of 1179.76 crore during 2012-13, which went up to ₹ 9740.47 crore in 2012-13 from ₹ 8560.71 crore in 2011-12. The profit of the company has also gone up by ₹ 693.41 crore to ₹ 1655.54 crore in 2012-13, from ₹ 962.13 crore in previous year due to increase in the Turnover and other income.

The current ratio of company is at 1.11:1 during 2012-13 as against 0.83:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

ECL was referred to BIFR first in the year 1997 and again in 1999. Due to delay in implementation of many of the projects, company could not come out of BIFR in 2009-10. Further, due to implementation of National Coal Wage Agreement (NCWA)-VII & VIII the Draft Modified Revival Plan (DMRP) are to be revised over the years. As per the advice of BIFR, another DMRP has been prepared in Nov.2011 and submitted to BIFR. As per the revised DMRP, the net worth is slated to become positive in 2015-16, however it become positive in 2012-13.

In the XII Plan period action has been initiated to increase underground production by improving the mechanization level by inducting Mass Production Technology, development of rail infrastructure, road infrastructure, opening up of green field projects by total outsourcing etc.

The Company

Eastern Investment Ltd. (EIL) was a part of Bird Groups of companies (Government managed company) under Ministry of Steel and became a Central Public Sector Enterprises (CPSE) as per the restructuring scheme approved by Government of India on 19.3.2010.

The change of status from Government managed company to CPSE came as per reorganization of share holding pattern of the company without any alteration of its capital structure, wherein EIL had acquired shares of President of India in respect of Orissa Minerals Development Co. Ltd. (OMDC) and Bisra Stone Lime Company Ltd. (BSLC) with a view to convert these two mining companies to its subsidiaries under section 4 of the Companies Act 1956. In lieu of these share transfers, EIL made preferential allotment of its own shares in the name of the President of India. Government of India now holds 66.79% of the equity capital of the company. However, during the year 2011-12 the BIRD Group of Companies (BGC) have formally been made subsidiary of Rashtriya Ispat Nigam Ltd. (RINL), with acquisition of 51% stake in EIL, the holding company of BGC.

EIL is currently an un-categorised listed CPSE in Other Minerals & Metals sector under the administrative control of Ministry of Steel. The company employed one regular executive employee as on 31.3.2013. It’s registered Office is at Kolkata.

Industrial / Business Operations

The company’s original activities relate to investment income from fixed deposits and other related areas. With the formation of two subsidiaries companies (OMDC & BSLC) under EIL, it would now play a major role of monitoring and supervising the subsidiaries. The income of the company mainly consists of dividends from investments in shares of various companies, interests on term deposits with banks etc.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 0.20 crore during 2012-13, which went down to ₹ 2.24 crore in 2012-13 from ₹ 2.44 crore in 2011-12. The profit of the company has also gone down by ₹ 0.23 crore to ₹ 1.47 crore in 2012-13, from ₹ 1.70 crore in previous year due to decrease in the turnover.

The current ratio of company is at 4.88:1 during 2012-13 as against 5.07:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

EdCIL (India) Limited
10-b, I.P Estate, New Delhi-110002
Corporate Office: EDCIL House, 18, A, Sector 16, NOIDA, UP - 201301. www.edcilindia.co.in

The Company
EdCIL (India) Ltd. (Education Consultants India Ltd.) was incorporated in 1981 with the objective of providing educational consultancy services, nationally and internationally, in system design, resource development, research and evaluation studies and management development, to enable educational systems to achieve excellence and to promote Indian education abroad as the single window nodal service provider.

EdCIL is a Schedule-‘C’ Miniratna CPSE in Industrial Development & Tech. Consultancy Services sector under the administrative control of Ministry of Human Resources & Development, D/o Higher Education with 100% shareholding by the Government of India. The company employed 78 regular employees (Executives 31, Non-Executives 47) as on 31.3.2013. Its registered office is at New Delhi and Corporate Office is at NOIDA, UP.

Vision / Mission
The Vision / Mission of the company is to provide world-class educational consultancy services in system design, resource development, research & evaluation studies and management development, nationally and internationally, to enable educational systems to achieve excellence. EdCIL will also promote Indian education abroad as the single window nodal service provider.

Industrial / Business Operations
Ed.CIL is engaged in promotion of Indian education abroad by placement of International students in India institutions and secondment of Indian teachers / experts abroad, conducting education fairs, seminars cum counseling sessions, improving liaison with Indian Missions abroad etc.; and providing educational consultancy services including technical assistance, supply of educational aids, testing, institutional development etc.

The service range of the company comprises of three main segments viz Human Resource Development, Institutional Development and Technical Assistance.

Performance Highlights
Major contribution in revenue generation was made by placement of human resources and providing technical assistance. The performance of Company for last three years is given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>Performance during 2011-12</th>
<th>Performance during 2010-11</th>
</tr>

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 25.48 crore during 2012-13, which went down to ₹ 64.49 crore in 2012-13 from ₹ 89.97 crore in 2011-12. The profit of the company however gone up by ₹ 2.81 crore to ₹ 5.26 crore in 2012-13, from ₹ 2.45 crore in previous due to revision in Accounting Policy on revenue recognition of placement projects w.e.f. FY 2012-13. Earlier the company was recognizing the revenue receipts and expenditures in respect of placement projects on Institutional Fees, Student Cost and EdCIL Service Charges. Previous year’s figures have not been restated / reworked to give effect to the change in accounting policy. The current ratio of company is at 1.19:1 during 2012-13 as against 1.27:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
From FY 2012-13, income on Placement Projects is recognized on the EdCIL Service Charges payable by clients / students on Institutional Fee on academic year basis and EdCIL Service Charges on Student Cost on financial year basis. The management has changed the policy regarding revenue recognition for Placement division only maintaining status quo for other divisions.

- Profit/Loss From Operations: 526 (2012-13) 245 (2011-12) 249 (2010-11)
- Profit/Loss For the Period: 526 (2012-13) 245 (2011-12) 249 (2010-11)
The Company

Electronics Corporation of India Ltd. (ECIL) was incorporated on 11.04.1967 as the electronics arm of the Department of Atomic Energy with the objective to make the country self-sufficient in the field of Control & Instrumentation for Nuclear Power Plants and emerge as an important National asset in the field of Strategic sectors like Electronics, Nuclear, Defence, Space, Aviation and Security in addition to various other fields of strategic and economic significance to the country.

The company is a Schedule-`A’ CPSE in medium & light engineering sector under the administrative control of D/o Atomic Energy with 100% shareholding by the Government of India. The company employed 3769 regular employees (Executives 2413 & Non-Executives 1356) as on 31.3.2013. Its Registered and Corporate offices are at Hyderabad, Andhra Pradesh.

Vision / Mission

The Vision of the Company is to contribute to the country in achieving self-reliance in strategic electronics.

The Mission of the Company is to strengthen its status as a valued technology provider to the nation particularly in the area of strategic electronics meeting the requirements of Atomic Energy, Defence, Space,. Civil Aviation, Security and such other sectors of strategic, economic and social importance.

Industrial / Business Operations

The company is engaged in the design, development, manufacture, supply, installation and commissioning of a wide variety of electronic equipment to meet the needs of Atomic Energy, Defence, Security, information Technology and e-governance sectors. Over the years, the company has emerged as a multi-disciplinary and multi-product company capable of handling multiple technologies under a single roof offering total solutions to the clients in the chosen areas of strategic electronics.

Company has 2 operational units at Hyderabad and Tirupathi. The company has 49% shares in ECIL-Rapiscan Ltd.

Performance Highlights

The company is exempted by Department of Company Affairs from disclosure of quantitative particulars in the annual accounts as required under schedule VI of the Companies Act, 1956 due to the strategic nature of the company’s activities in accordance with section 211 (3b) of the Companies Act, 1956.

Total Revenue of the company registered an increase of ₹259.82 crore during 2012-13, which went up to ₹1720.36 crore in 2012-13 from ₹1460.54 crore in 2011-12. However, the Profit of the company has gone down by ₹10.73 crore to ₹25.88 crore in 2012-13, from ₹36.61 crore in previous year due to charging off the unamortized gratuity liability, increase in employee benefits and increase in interest burden due to non realization of major debts from various Govt. customers etc.

The current ratio of company is at 1.16:1 during 2012-13 as against 1.24:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The company proposes to orient the activities of ECIL towards fulfilling the needs of strategic sectors by strengthening its technology vane.

### IMPORTANT INDICATORS

### ELECTRONICS CORPN. OF INDIA LTD.
Engineering Projects (India) Ltd.
Core-3, Scope Complex, 7 Lodhi Road, New Delhi-110003
www.epi.gov.in

The Company
Engineering Projects (India) Limited (EPI) was incorporated on 16.04.1970 with the main objective to undertake turnkey projects and consultancy services in India and abroad. EPI is the first Indian Company to undertake large civil and industrial projects abroad.

EPI is a Schedule-‘B’ Mini Ratna, CPSE in Industrial Development and Technical Consultancy Services Sector under the administrative control of the Ministry of Heavy Industries & Public Enterprises with 100% shareholding by the Government of India. The company employed 435 regular employees (Executives 345 & Non-Executives 90) as on 31.3.2013. It has its Registered Office and Corporate Office at New Delhi and Regional/Zonal Offices at different geographical locations viz. New Delhi, Mumbai, Kolkata, Chennai, Guwahati and Hyderabad to undertake operations across India. EPI has pan-India presence with projects sites spread all over the country.

Vision / Mission
The Vision / Mission of the Company is to be the leading turnkey project execution company committed to quality and timely completion of projects continuously enhancing stakeholder value.

Industrial / Business Operations
EPI is engaged in the field of execution of large and multi-disciplinary industrial & construction projects on turkey basis and Project Management Consultancy services in the areas like Civil and Structural Work, Metallurgical Sector, Water Supply and Environmental Engineering, Defence, Housing, Townships, Hospitals & Institutional Buildings, Coal & Material Handling Systems, Industrial & Process Plants, Oil and Petrochemicals, Transmission Lines/Sub Stations, Irrigation, Dams & Canal Works, Roads & Highways, Shore Protection Works, Airports, Sports Stadia, Mining projects etc. To undertake operations across India the company has its Regional/ Zonal Offices at different geographical locations namely New Delhi, Mumbai, Kolkata, Chennai, Guwahati, Hyderabad and Bangalore. EPI has pan-India presence with project sites spread all over the country.

EPI provides integrated services from concept to commissioning of projects which include the specialized activities such as Feasibility Studies & Detailed Project Reports, Design and Engineering, Supply of Plant & Equipment, Quality Assurance, Construction & Erection, Trial run and Commissioning, Operation and Maintenance and Overall Project Management in almost all areas of engineering, consultancy and construction.

Performance Highlights
The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>Performance during 2011-12</th>
<th>Performance during 2010-11</th>

</tr>
</tbody>
</table>

Total Revenue from the company registered a reduction of `52.69 crore during 2012-13, which went down to `885.04 crore in 2012-13 from `937.73 crore in 2011-12. The profit of the company has also gone down by `3.02 crore to `21.45 crore in 2012-13, from `24.47 crore in previous year due to decrease in turnover by non-availability of work fronts/funds/delay in approval of design & drawings/estimates by clients/stoppage of work in various projects. The current ratio of company is at 1.02:1 during 2012-13 as against 1.01:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
The company is operating in a highly competitive environment and there is pressure on margin and profitability. The company has, therefore, adopted the strategy of taking up high value projects, diversification into high margin areas and explores overseas market. It has decided to concentrate on high technology areas with potential of high profits. The company is focusing on re-entering overseas market, multi-modal transportation system like metro rail and monorail projects. With this in view, EPI has signed four MoUs for executing monorail projects and taking up the infrastructure development projects in India, Sri Lanka, Bangladesh, Maldives, and African countries.

The Company

Engineers India Ltd. (EIL) was incorporated on 15.03.1965 with the objective to provide design, engineering and related project management and consultancy services for the hydrocarbon sector and the process plants industry in the country.

EIL is a listed Schedule ‘A’ / Mini Ratna CPSE in the Industrial Development and Technical Consultancy sector under the administrative control of Ministry of Petroleum & Natural Gas. In July 2010, 10% of the paid-up equity of the company was disinvested through a Public Offering (FPO) which reduced the share holding of the Government to 80.40% from 90.40%. The company employed 3379 regular employees (Executives 3036, Non-executives 343). The Registered and Corporate Office of EIL is at New Delhi.

Vision / Mission

The Vision of the Company is to be a world class globally competitive EPC and total solutions Consultancy Organisation. The Vision of the Company is to achieve “Customer Delight” through innovative, cost effective and value added consulting & EPC services and Maximize creation of wealth, value and satisfaction for stakeholders with high standards of business ethics aligned with national policies.

Industrial / Business Operations

EIL is engaged in providing engineering consultancy and EPC services for projects, both in India and abroad. The services provided by the company comprise project conceptualizing, designing, engineering, procurement, project management, construction management, pre-commissioning and commissioning assistance in the hydrocarbon, mining and metallurgy, and infrastructure sectors.

EIL has its Head Office in New Delhi, regional offices in Chennai, Kolkata and Vadodara and a branch office in Mumbai. It has inspection offices at all major equipment manufacturing locations in India and a wholly owned subsidiary, Certification Engineers International Ltd, for undertaking independent certification and third party inspection assignments.

Overseas, EIL has an engineering office in Abu Dhabi which is the hub for its activities in the Middle East, a marketing office in Shanghai, inspection offices in London & Italy and a wholly owned subsidiary, EIL Asia Pacific Sdn. Bhd, in Malaysia.

EIL has setup two joint venture companies - TEIL Projects Limited with M/s. Tata Projects Limited with a shareholding of 50% and Jabal Elliot Company with M/s. IOT Infrastructure and Energy Services Ltd and M/s. Jabal Dhahran Company Ltd with a shareholding of 33.33% in Saudi Arabia.

Performance Highlights

The segment-wise performance of the Company in the last three years is shown below:

<table>
<thead>
<tr>
<th>Major Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>

<td>Lump sum Turnkey Projects (LSTK)</td>
<td>₹ Crores</td>
<td>1271.73</td>
<td>2491.51</td>
<td>1695.34</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 1622.39 crore during 2012-13, which went down to ₹ 2768.61 crore in 2012-13 from ₹ 3931.00 crore in 2011-12 due to decrease in the sales turnover. The profit of the company has also gone down by ₹ 7.74 crore to ₹ 628.58 crore in 2012-13, from ₹ 636.32 crore in previous year. The profit is reduced less as compare to sales revenue due to fall in the operating expenses, Depreciation and tax provision.

The current ratio of company is at 2.06:1 during 2012-13 as against 1.76:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The Company envisages increasing its global expanse and diversifying into newer areas where its core engineering strength can be leveraged for long term sustainability and growth. Under the Strategic Storage Program of the Government, EIL is providing PMC services for underground crude oil storages located at Vishakhapatnam, Mangalore and Padur. Additionally, significant growth opportunities have been identified in infrastructure, water and waste management solar & nuclear power and fertilizers sectors where the company can play a niche role. For its overseas business, EIL plans to build strategic partnerships for complementing skill sets to enable undertake EPC projects. To continuously improve the quality of its services EIL pursues R&D activities for adapting new technologies & hardware, both in house and in collaboration with operating companies and academic institutions. EIL has commercialised several indigenously developed technologies.

During the year a new patent for purification of liquid Sulphur was granted. With this the company held 13 active patents and 17 pending patent applications relating to a spectrum of processes and technologies at the end of 2012-13.

The Government accorded approval in February, 2013 for disinvestment of 10% paid-up equity of EIL out of its shareholding of 80.40% through a Further Public Offering in the domestic market for which approvals from required authorities is in progress.

The Company

Ennore Port Ltd. (EPL) was developed near Chennai on the East Coast of India. The Port was declared as Major Port under the Indian Port Act, 1908, in October 1999 and incorporated as a company. Ennore Port was formally declared open in February 2001 and commercial operation commenced in June 2001 with two coal berths to handle coal needed for the Thermal Power Station of TNEB in Tamil Nadu. Modern unloading equipment and conveyors have been installed on the coal berths by TNEB. The capacity of coal handling facility is 12 MTPA.

EPL is a Schedule-'B' / Miniratna CPSE in Transport Services sector under the administrative control of M/o Shipping with 66.67% shareholding by the Government of India and the remaining by Chennai Port Trust. The company employed 100 regular employees (Executives 54 & Non-Executives 46) as on 31.3.2013. Its Registered and Corporate offices are at Chennai, Tamilnadu.

Vision / Mission

The Vision of the Company is to provide Port Services of International Standards. The Mission of the Company is to develop Ennore Port as a mega port with world class facilities to become the Eastern gateway Port of India.

Industrial / Business Operations

EPL is functioning on a Landlord Management Model. All the cargo handling facilities are being developed mainly through private sector on BOT basis. The common facilities such as creation of necessary depths in the harbor and in the channel by dredging, aids to navigation, road / rail connectivity, etc. are funded and developed by EPL.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>

# Coal, Iron Ore, POL, & other cargo etc.

Total Revenue from of the company registered a increase of ₹ 75.45 crore during 2012-13, which went up to ₹ 325.71 crore in 2012-13 from ₹ 250.26 crore in 2011-12. The profit of the company has gone up by ₹ 76.65 crore to ₹ 173.37 crore in 2012-13, from ₹ 96.72 crore in previous year, due to increase in income from handling of export of cars and Common User Coal towards BOT Operations.

The current ratio of company is at 0.81:1 during 2012-13 as against 0.47:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The other objective of the company is to increase cargo handling capacity from the present 30 MMTPA to 61.5 MMTPA by 2014-15 through development of state of art new terminals with Public Private Partnership and internal and Extra Budgetary Resources.

Export Credit Guarantee Corporation of India Ltd.
Express Towers, 10th floor, Nariman Point, Mumbai- 400021
www.ecgc.in

The Company
Export Credit Guarantee Corporation of India Ltd. (ECGC) (earlier known as “Export Risk Corporation of India Ltd.”) was set up on 31.7.1957 with the objective to support and strengthen the export promotion efforts of the country by issuing credit insurance covers to protect the exporters against non-realisation on account of commercial and political risks.

ECGC is an uncategorized CPSE in Financial Services sector under the administrative control of M/o Commerce and Industry, D/o Commerce with 100% shareholding by the Government of India. The Company employed 643 regular employees (Executives 208 & Non-Executives 435) as on 31.03.2013. It’s registered and corporate offices are at Mumbai, Maharashtra.

Vision / Mission
The Vision of the Company is to excel in providing export credit insurance and trade related services.
The Mission of the company is to support the Indian Export Industry by way of providing cost effective Insurance and trade related services to meet the growing needs of the Indian Export market through optimal utilization of available resources.

Industrial / Business Operations
The company provides Export Credit Insurance Cover to exporters and banks in India. Different types of insurance policies are available for exporters to protect them against payment risks involved in exports. Insurance covers are provided to banks in India to protect them from losses that may be incurred in extending packing credit and post-shipment loans/advances to exporters due to protracted default or insolvency of the exporter. The Corporation has 55 operational unit/branches all over India. Recently, a representative office of the corporation has been opened at London. The company is registered with Insurance Regulatory and Development Authority (IRDA) since the year 2002. Besides Head Office, it has 51 branch offices and 5 regional offices.

Performance Highlights
The physical performance of company during the last three years is mentioned below:

Total Revenue of the company registered an increase of ` 80.44 crore during 2012-13, which went up to ` 1206.60 crore in 2012-13 from ` 1126.16 crore in 2011-12 due to higher premium and investment income. The profit of the company has also gone up by ` 17.58 crore to ` 242.79 crore in 2012-13, from ` 225.21 crore in previous year due to increase in operating income. The current ratio of company is at 0.67:1 during 2012-13 as against 0.68:1 in the previous year (Fig.2).

Strategic issue
The company envisages enhancing ECGC coverage of national exports by an additional 1.25% over the 5 years by spreading marketing efforts, expanding distribution network through alternate channels and by introducing new and customized products for exporters as well as banks.

The Company

FCI Aravali Gypsum & Minerals (India) Ltd. (FAGMIL) was set up on 14.02.2003 with the objective to take over the units of Fertilizer Corporation of India (FCIL) (after de-merging from FCIL as per BIFR order) viz- Jodhpur Mining Organisation (JMO) - to establish and carry on in India or any part of the world all kinds of business relating to Gypsum and other minerals and their by-products and manufacture of various types of fertilizers, both organic and inorganic chemical compounds (including by-products, derivatives and mixtures thereof).

FAGMIL is a schedule ‘C’ Miniratna CPSE in Other Minerals & Metals sector under the administrative control of Ministry of Chemicals and Fertilizers, Department of Fertilizers with 100% shareholding by the Government of India. The company employed 74 regular employees (Executives 40 & Non-Executives 34) as on 31.3.2013. Its Registered and Corporate offices are at Jodhpur, Rajasthan.

Vision / Mission

The Vision of the Company is to become a leader in mining of strategic minerals including gypsum for reclamation of land improving the health of the soil with sulphur nutrients, infrastructure development through supply of ROM gypsum to cement industries and producing various types of fertilizers.

The Mission of the Company is to establish and carry on in India or in any part of the world all kinds of business relating to Gypsum and other Minerals and their by-products and manufacture of various types of fertilizers, all organic and inorganic chemical components including by-products, derivatives and mixtures thereof.

Industrial / Business Operations

FAGMIL is involved in the excavation of Mineral Gypsum / processing of Agriculture Grade Gypsum from its 14 Mines at Jaisalmer, Barmer, Bikaner and Shri Ganganagar in Rajasthan.

Performance Highlights

The average capacity utilization for all the products / services of the company was 99.29% during 2012-13 as against 93% during 2011-12. The domestic market share of the company for its product during the year 2012-13 was 25% as against 21% during 2011-12. The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 10.94 crore during 2012-13, which went up to ₹ 87.44 crore in 2012-13 from ₹ 76.50 crore in 2011-12. The profit of the company has also gone up by ₹ 1.42 crore to ₹ 28.49 crore in 2012-13, from ₹ 27.07 crore in previous year due to increase in the operating income.

The current ratio of company is at 3.06:1 during 2012-13 as against 2.94:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

Most of the Gypsum deposits in the country owe their existence to Jodhpur Mining Organisation. Gypsum mines of Jodhpur Mining Organisation are scattered in vast and difficult Thar Desert region. The enterprise has to its credit, the exploration (& prospecting) of 265 Gypsum deposits with a reserve of more than 100 million tonnes.

The Company

Ferro Scrap Nigam Ltd. (FSNL) was incorporated on 28.03.1979 in collaboration with M/s Harso Corporate (Inc.), USA as a wholly owned subsidiary of M/s MSTC Limited with the objective to indigenise the entire scrap recovery process in the steel sector under SAIL, RINL IISCO and to reclaim iron and steel scrap from slags in all the integrated steel plants under SAIL and RINL.

FSNL is a Schedule-‘C’ / Mini Ratna CPSE in Steel sector under the administrative control of Ministry of Steel. The company employed 1051 regular employees (Executives 140 & Non-Executives 911) as on 31.3.2013. Its Registered and Corporate offices are at Bhilai (Chhattisgarh).

Vision / Mission

The Vision of the Company is to become the admired scrap processing company with leadership in market share and profit by distinctive scrap processing and other steel mill services capabilities by inculcating a performance culture and always adhering to its values, based on its obligations as the trustees of its customers.

The Mission of the company is to generate “Wealth from Waste” by maximising recovery from waste material generated by Iron and Steel making and other manufacturing processes.

Industrial / Business Operations

FSNL is engaged in the business of processing of steel mills slag and other refuse and debris for the recovery of iron and steel scrap and other metallic scrap and to render all kind of services to manufacturer of steel and iron and other metallic products through its 9 units at Rourkela, Burnpur, Bhilai, Bokaro, Vizag, Durgapur, Dovli, Duburi and Haridwar.

FSNL has opened a new unit at Rail Wheel Factory at Bengaluru. Negotiations are going on for new business at Bhadravati, KIOCI.

Performance Highlights

The average capacity utilization for all the products / services of the company was 93.61% during 2012-13 as against 97.81% during previous year. The physical performances of the company for last three years are given below:

</table>

Total Revenue of the company registered an increase of ` 23.33 crore during 2012-13, which went up to ` 197.82 crore in 2012-13 from ` 174.49 crore in 2011-12. The profit of the company has also gone up by ` 0.59 crore to ` 1.96 crore in 2012-13, from ` 1.37 crore in previous year due to increase in the operating income.

The current ratio of company is at 2.08:1 during 2012-13 as against 2.33:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The technological development/modernization in steel making has brought down the generation of scrap in steel plants which resulted in gradual reduction in availability of scrap. To improve the growth and profitability, the company is looking for new areas of business. Efforts are being made to reduce the cost despite increase in input cost. FSNL is taking necessary steps for technology absorption and innovation particularly in development and engineering. Steel Industry is poised for growth to reach 100 million MT by the year 2019. FSNL will take advantage of this dealing with the

Fertilizer Corporation of India Ltd.
7, Institutional Area, SCOPE Complex, Core-III, Lodhi Road, New Delhi – 110003

The Company

Fertilizer Corporation of India Ltd (FCIL) was incorporated on 0.1.01.1961 by merging Sindri Fertilizer & Chemicals Ltd. (formed in 1951) with Hindustan Chemicals & Fertilizer Ltd. (HFC) (formed in 1959). The company was again reorganized in 1978 when it was split into five companies namely FCIL itself, Rashtriya Chemicals & Fertilizers Ltd. (RCF), HFC, National Fertilizer Ltd. (NFL) and Project & Development India Ltd. (PDIL).

FCIL is a schedule-‘B’ BIFR / BRPSE referred sick CPSE in Fertilizers sector under the administrative control of M/o Chemicals and Fertilizers, D/o Fertilizers with 100% shareholding by the Government of India. The company employed 22 regular employees (Executives 20 & Non-Executives 2) as on 31.3.2013. Its registered office is at New Delhi and corporate office at NOIDA Uttar Pradesh.

Industrial / Business Operations

FCIL was involved in manufacturing and marketing of Urea & Ammonium Nitrate from its four units at Sindri (Jharkhand), Gorakhpur (U.P.), Ramagundam (A.P.) and Talcher (Orissa). However, due to continuous losses, the company became sick and based on the recommendation of the BIFR for winding up, the Government decided to close down and offer Voluntary Separation Scheme (VSS) to its employees. Accordingly, all the establishments have been closed and there are no operational activities since the year 2002.

Presently, all the six plants of the Company are laying closed awaiting approval of revival package from BIFR. The activities at plants are restricted to security arrangements and settlement of dues of employees.

Performance Highlights

The company has provided provisional figures for the year 2012-13. Total Revenue of the company registered an increase of ₹ 41.54 crore during 2012-13, which went up to ₹ 50.49 crore in 2012-13 from ₹ 8.95 crore in 2011-12 due to increase in other income. However, the loss of the company has gone down by ₹ 11330.84 crore to ₹ 10778.08 crore in 2012-13, from ₹ (-) 552.76 crore in previous year due to decrease in the Financial cost, Exceptional Items & Extra-Ordinary Items.

The current ratio of company is at 14.41:1 during 2012-13 as against 12.84:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

FCIL was referred to BIFR in 1992. After a series of hearings, BIFR recommended for winding up of the company in 2001 and forwarded the case to Delhi High Court for taking further action as per Companies Act, 1956. The Hon’ble Delhi High Court took cognizance of the same and issued notice to all parties. However, pursuant to the Government initiative of hiving off the Jodhpur Mining Organisation into a separate entity and closure of all other units, High Court granted time to examine its revival and present a scheme of revival.

Further, the company submitted a detailed plan for revival to BRPSE also, which after examining, recommended the same. Based on the recommendations of the BRPSE, the Government approved ‘in principle’ the revival of the company. Government of India further constituted an Empowered Committee of Secretaries (ECOS) in October 2008 to examine various revival options. ECOS had given its final recommendations in 2011 and the same are approved by CCEA subsequently. The matter is now under consideration of BIFR.

In BIFR meeting held during July 2013, BIFR has noted that Net Worth of company has become +ve as per results of FY 2012-13 and recommended for FCI removal from the preview of BIFR.

2012-13 Provisional
Fertilizers and Chemicals Travancore Limited
Eloor, Udyogamandal, Ernakulam Kochi, Kerala - 683501
www.fact.co.in

The Company

Fertilizers and Chemicals Travancore Limited (FACT) incorporated in the year 1943 was the first large scale Fertilizer Plant in India located at Udyogamandal, Kerala and started its production in 1947. Initially in the Private Sector promoted by M/s. Seshasayee Brothers, FACT became a Public Sector company in 1960 and the Government of India became the major shareholder in 1962.

FACT is a schedule-‘A’ listed / BRPSE referred CPSE in the Fertilizer Sector under the administrative control of M/o Chemicals and Fertilizers, D/o Fertilizers with 97.38% shareholding by the Government of India. The company employed 2992 regular employees (Executives 1399 & Non-Executives 1593) as on 31.3.2013. Its Registered and Corporate offices are at Kochi, Kerala.

Vision / Mission

The Vision / Mission of the Company is to be a leader in fertilizers/petrochemicals and significant player in all its other businesses including engineering/technology services.

Industrial / Business Operations

FACT is a multi-product enterprise, engaged in production and marketing of fertilizers and caprolactum, providing engineering and consultancy services and fabrication and erection of equipments through its 3 production units at Udyogamandal, Kochi and Ambalamedu and 2 Consultancy / Engineering / Fabrication units at Udyogamandal and Kochi in Kerala.

The company has also formed a 50:50 Joint Venture namely FACT-RCF Building Products Ltd. with M/s Rashtriya Chemicals and Fertilizers Limited (RCF), a CPSE.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 578.75 crore during 2012-13, which went down to ₹ 2334 crore in 2012-13 from ₹ 2912.75 crore in 2011-12. The profit of the company has gone down by ₹ 373.76 crore to a loss of ₹ (-) 353.96 crore in 2012-13, from a profit of ₹ 19.80 crore in previous year due to increase in the operating expenses like Other Operating/direct/manufacturing Expenses, Rent, Royalty & Cess, Stores & Spares, depreciation etc. & Financial cost and decrease in the production and sales turnover.

The current ratio of company is at 0.92:1 during 2012-13 as against 1.17:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The key focus area in growth and expansion of the company is implementation of various projects utilizing the existing resources available such as land. FACT has identified certain projects for its diversification and expansion. The total investment required for these projects will be above Rs.5000 crore. FACT intends partnering with Public or private sector companies for executing these projects on the joint venture concept. In this regard FACT has signed a MoU with Container Corporation of India (CONCOR) and Central Warehousing Corporation (CWC) for setting up Container Freight Station as a joint venture on revenue sharing model. The business model and JV agreement have been approved and final clearance from Govt. of Kerala for leasing out of the land for JV purpose is awaited.

FACT has prepared a Financial Restructuring proposal for submission to the Department of Fertilizers, Government of India for sustainable growth of the company in the long run.

2012-13 PROVISIONAL

Public Enterprises Survey 2012-2013 : Vol-II

139
Food Corporation of India
16-20, Barakhamba Lane, New Delhi-110 001
www.fciweb.nic.in

The Company

Food Corporation of India (FCI) was incorporated in 1965 as No-Profit No-Loss making company under Food Corporation Act, 1964 with the objectives of providing minimum price support to farmers and supplying food-grains to the general public under the Public Distribution System. Through maintaining a buffer stock of food grains, it also ensures national food security.

FCI is a Schedule-‘A’ CPSE in Trading & Marketing sector under the administrative control of M/o Consumer Affairs, Food and Public Distribution, D/o Food and Public Distribution with 100% shareholding by the Government of India. The company employed 80167 Regular employees (Executives 16123 & Non-Executives 64044) as on 31.3.2013. Its registered office is at New Delhi.

Vision / Mission

The Vision of the Corporation is to play a significant role in India’s success in transforming the crisis management oriented food security to a stable security system.

The Mission of the Corporation is to ensure food security of nation by maintaining satisfactory level of operational and buffer stocks of food grains; distribution of food grain throughout the country for Public Distribution System and effective price support operations for safeguarding the interest of farmers.

Industrial / Business Operations

FCI is the main agency of the Central Government for execution of food policies by procurement, storage and distribution of food grains through its district offices spread all over the country to ensure steady food grain supplies to Fair Price Shops (FPS) under Public Distribution System (PDS). The FCI has State-of-the-Art Technology on food grain preservation, warehousing, transportation and management.

Performance Highlights

The physical performance of Company for last three years in terms of storage capacity is given below:

<table>
<thead>
<tr>
<th>Main Services</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>

<td>N.A.</td>
</tr>
</tbody>
</table>

The total Revenue of the company registered an increase of ₹ 25068.45 crore during 2012-13 which went up to ₹ 121459.32 crore in 2012-13 from ₹ 96390.87 crore during 2011-12. The losses of the company has shown a reduction of ₹ 60.28 crore during 2012-13, which come down to ₹ (-) 4.35 crore in 2012-13 from ₹ (-) 64.63 in 2011-12 due to fall in operating expenditure.

The current ratio of company is at 1.1:1 during 2012-13 as against 1.05:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The procurement and issue price of food grains is fixed by the Government of India and the difference between the economic cost and rates realization is reimbursed by the Government as subsidy. The Government of India also provides budgetary support to the Corporation for meeting capital expenditure such as construction of storage, godowns etc.

As a major player in food grain management within the country, FCI is now endeavoring to reduce burden on food subsidy through better financial Management, improved stock / inventory management and real time on-line system. It has launched the IISFM (Integrated Information System for Food Grains Management) in collaboration with NIC.

**FOOD CORPN. OF INDIA**

383
Fresh and Healthy Enterprises Ltd.

CONCOR Bhawan, C-3, Mathura Road, Opp. Apollo Hospital, New Delhi-110076.
www.fhel.co.in

The Company

Fresh & Healthy Enterprises Limited (FHEL) is a wholly owned subsidiary of Container Corporation of India (CONCOR). It was incorporated on 1.2.2006 with the objective to set up a world class cold chain infrastructure in India, and to provide complete cold chain logistics solutions to the various stakeholders in this area.

FHEL is an un-categorized CPSE in transportation services sector under Ministry of Railways. The company employed 30 employees (Executives 14 & Non-Executives 16) as on 31.3.2013. Its Registered Office is in New Delhi and corporate office is at Sonepat, Haryana.

Vision / Mission

The Vision / Mission of the Company is to develop into a world class organization using state-of-the–art technologies for procurement, transportation, storage, and distribution of fruits and vegetables in the country. This is to be achieved through setting up modern controlled atmosphere storage facilities and by developing strong long term linkages with farmers, agricultural institutes, logistics, operations and governmental agencies with emphasis on information technology solutions for all activities. The Company will strive to provide value for money to its customers through providing qualitative and efficient services.

Industrial / Business Operations

FHEL is involved in the procurement, transportation, storage and distribution of fruits and vegetables through integrated controlled atmosphere storage, operation & logistics through its regional and works office at Shimla (H.P.) and Sonepat (Haryana) respectively.

Performance Highlights

The Company started its operation in the year 2006-07 by procuring apples from Shimla and Kinnaur districts of Himachal Pradesh for which it commissioned 12000 MT State-of-art- CA Store, currently the largest in the country. The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 1.06 crore during 2012-13, which went down to ₹ 39.23 crore in 2012-13 from ₹ 40.29 crore in 2011-12. The loss of the company has also gone down by ₹ 2.74 crore to ₹ (-) 9.48 crore in 2012-13, from ₹ (-) 12.22 crore in previous year.

The current ratio of company is at 0.50:1 during 2012-13 as against 0.47:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The Company aims to establish standards of quality for fruits and vegetables procured and marketed by the company. The broad approach of FHEL is to source fresh produce directly from farmers, and then sell directly to retail chains. FHEL is also working with farmers to adopt modern scientific orchard management techniques to improve quality and yield.

GAIL (India) Limited
16, BhikajjiCama Place New Delhi 110066 DELHI  
www.gailonline.com

The Company
GAIL (India) Ltd. (GAIL) was incorporated on 16.08.1984 under the Companies Act, 1956 with an objective to undertake transportation of natural gas. GAIL is a schedule ‘A’ listed Navratna CPSE in petroleum sector under the administrative control of Ministry of Petroleum and natural gas with 57.35% shareholding by the Government of India. The company employed 3961 regular employees (Executives 3093 & Non-Executives 868) as on 31.3.2013. Its registered and corporate office is at New Delhi.

Vision / Mission
The Vision of the Company is— 'To be the Leading Company in Natural Gas and Beyond, with Global Focus, Committed to Customer Care, Value Creation for all Stakeholders and Environmental Responsibility'.

The Mission of the Company is— ‘To accelerate and optimize the effective and economic use of Natural Gas and its fractions to the benefit of national economy’.

Industrial / Business Operations
GAIL (India) Limited is engaged in Transmission and Marketing of Natural Gas, LPG Transmission, Production of Polymers, LPG, Liquid Hydrocarbon, Power Production, Exploration & Production (E&P), LNG Regasification Terminal operations, City Gas and Telecom. GAIL has Natural Gas pipeline network of around 10,700 Km with capacity 210 MMSCMD, around 2385 Km LPG Pipelines with capacity 3.8 MMTPA, 7 LPG plants of 1.4 MMTPA LPG/Liquid Hydrocarbons capacity, gas based petrochemical plant of 410,000 TPA polymer capacity. GAIL has stakes in 30 Oil and Gas Exploration blocks including 2 overseas blocks (Myanmar). In addition, GAIL has acquired 20% stake in shale asset in USA. GAIL has a 5 MW solar plant and 118 MW wind powerplants across India. GAIL commissioned LNG regasification terminal at Dabhol (Maharashtra). For city gas distribution, GAIL has 8 JVs and a wholly owned subsidiary GAIL Gas Limited. GAIL also holds around 13,000 Km of optic fibre network for bandwidth leasing. Company has 7 major operational_processing units including 6 Gas Processing plants at Usar, Maharashtra (1), Gandhar, Gujarat (1), Vaghodia, Gujarat (1), Vijaipur, MP (2), and Lakwa, Assam (1); and an integrated LPG & Petrochemical plant at Pata, U.P (1).

The company has 5 subsidiaries namely GAIL Global (USA) Inc, GAIL Global (USA) LNG LLC, GAIL Global (Singapore) Pte Limited, GAIL Gas Limited, Brahmaputra Cracker and Polymer Limited with Shareholding of 100% for first 4 companies and 70% for last company. The company has 12 JVs namely Indraprastha Gas Limited, Mahanagar Gas Limited, Maharashtra Natural Gas Limited, Aavantika Gas Limited, Bhagyavanar Gas Limited, Central U.P. Gas Limited, Green Gas Limited, Tripura Natural Gas Company Limited, ONGC Petro-additions Limited, Petronet LNG Limited, Ratnagiri Gas and Power Pvt. Limited, GAIL China Gas Global Energy Holdings Limited with shareholding of 22.50%, 49.75%, 22.50%, 22.50%, 22.50%, 25%, 22.50%, 29%, 15.50%, 12.50%, 32.86% and 50% respectively.

Total Revenue of the company registered an increase of ₹ 7198.06 crore during 2012-13, which went up to ₹ 48287.20 crore in 2012-13 from ₹ 41089.14 crore in 2011-12 majorly due to increase in average exchange rate, higher price realization on LHC & Petrochemical products along with lower levels of subsidy sharing. The profit of the company has also gone up by ₹ 368.36 crore to ₹ 4022.20 crore in 2012-13, from ₹ 3653.84 crore in previous year due to higher price realization on LHC & Petrochemical products along with lower levels of subsidy sharing.

The current ratio of company is at 1:0.1 during 2012-13 as against 0:93:1 in the previous year (Fig. 2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
GAIL has taken a number of steps during 2012-13 for expansion and diversification like term deal with GDF (France, 0.36 MTPA), GNF (Spain, 0.72 MTPA) and Gazprom (Russia, 2.5 MTPA); US based subsidiary, GAIL Global (USA) LNG LLC was formed for entering contractual agreement with Dominion Cove Point’s LNG terminal to book 2.3 MTPA capacity; Signed GSPA for TAPI pipeline to import 38 MMSCMD gas; Additional 2.5 MTPA regasification capacity booked in Dahej LNG terminal; Commissioned Dhabol regasification terminal as owner’s engineer; GAIL Gas Ltd has formed JV with KSIDC, Kerala and APGIC, AP for pursuing gas distribution opportunities. MoU signed with state govt. of Karnataka, Rajasthan, West Bengal, and Chhattisgarh for city gas development; 5 MW solar project commissioned in Rajasthan; MoU signed with EDF Trading North America to pursue upstream opportunities and LNG projects; MoU with Shipping Corporation of India signed to pursue LNG shipping opportunities.

The Company
GAIL Gas Ltd. (GGL) incorporated on 27.05.2008 with the objective of focused implementation of City Gas Distribution (CGD) projects in the country. The company started its commercial operation on 15-12-2009.
GGL is currently an un-categorized CPSE in the Petroleum (Refinery & Marketing) sector under the administrative control of Ministry of Petroleum & Natural Gas. GGL is a wholly owned subsidiary of GAIL (India) Ltd. The company employed 112 regular employees (Executives 73 & Non-Executives 39) as on 31.3.2013. It’s registered office is at Delhi and corporate office at NOIDA, U.P.

Vision / Mission
The Vision of the Company is to put more cities and towns on the City Gas Distribution (CGD) map in India.
The Mission of the Company is to be the leading company in India in implementing City Gas Distribution (CGD) projects either independently or through the Joint Ventures being formed with various State Govt and other strategic partners.

Industrial / Business Operations
The company is to implement City Gas Distribution (CGD) projects and to set up CNG stations along National Highway under CNG corridor project. It has been implementing CGD projects in 6 cities namely Kota, Dewas, Sonepat, Meerut, Agra & Firozabad as on 31.3.2013.
The company has already laid 237 Km steel pipeline and 505 Km MDPE pipeline in these cities and supplying natural gas to 35 industrial units, 10 commercial customers and 3490 domestic customer.
The company has incorporated two joint venture companies namely Kerala GAIL Gas Limited and Andhra Pradesh Gas Distribution Corporation Ltd.

N.A. Not Available

Total Revenue of the company registered an increase of ₹ 439.06 crore during 2012-13, which went up to ₹ 728.07 crore in 2012-13 from ₹ 289.01 crore in 2011-12. The profit of the company has gone up by ₹ 18.60 crore to ₹ 26.94 crore in 2012-13, from ₹ 8.34 crore in previous year due to increase in operating income.
The current ratio of company is at 1.14:1 during 2012-13 as against 0.97:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
Petroleum and Natural Gas Regulatory Board (PNGRB) has identified 243 cities contiguous to existing and proposed pipelines for City Gas Distribution (CGD) in phased manner under “Suo moto Scheme”. GGL would take up directly with PNGRB towards the authorization and execution of CGD projects throughout India. The board of the company has approved a 15 year business plan, which envisaged the number of cities for implementation of CGD projects in phased manner. The company aims to implement CGD projects either independently or through the Joint Ventures to be formed with the State Governments and various other strategic players.

Public Enterprises Survey 2012-2013 : Vol-II
The Company

Garden Reach Shipbuilders & Engineers Ltd. (GRSE) was incorporated on 26.02.1934 with the objective to construct warships and auxiliary vessels for the Navy and Coast Guard. The company was set up in 1884 as River Steam Navigation Co. and was subsequently converted into a limited liability company in the year 1934 under the name of Garden Reach Workshop Ltd. The company was taken over by the Government of India in on 12.04.1960 due to its strategic potential and to achieve self-sufficiency in the defence requirements. The company was renamed as Garden Reach Shipbuilders & Engineers Ltd. in the year 1977 due to its diversified product range as a result of rapid diversification, through taking over of a number of sick engineering units.

GRSE is a Schedule-'B'- Mini Ratna, taken over CPSE, in Transportation Equipment sector under the administrative control of M/o Defence, D/o Defence Production with 100% shareholding by the Government of India. The Company employed 3480 regular employees (Executives 496 & Non-Executives 2984) as on 31.03.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision of the company is to become a World Class Shipbuilding and Engineering Company in terms of Quality of Products.

The Mission of the company is to become an integral part of Defence preparedness of the country, aimed at self reliance for India’s Defence forces, to become a leading shipbuilding and ship repair yard, ensuring high quality, competitive prices and timely delivery, to develop and nurture the human resource of the Company.

Industrial / Business Operations

The Company is manufacturing a wide range of high tech ships from modern Warships to Hovercraft viz. Frigates, Corvettes, LST (L), Fleet replenishment Tankers, Survey vessels, Missile Corvettes, ASW Corvettes, Fast Attack Craft, Water Jet Fast Attack Craft, Fast Patrol Vessels, Interceptor Boats etc.

The Company also manufactures Bailey Bridges and Deck Machinery viz. Davits, Winches, Capstans, and Helicopter Traversing Systems for Ship-borne applications. The Company also assembles high –value engineering items like Diesel Engines.

Total Revenue of the company registered an increase of ₹275.48 crore during 2012-13, which went up to ₹1602.81 crore in 2012-13 from ₹1327.33 crore in 2011-12. The profit of the company has also gone up by 23.51 crore to ₹131.54 crore in 2012-13, from ₹108.03 crore in previous year due to increase in the turnover.

The current ratio of company is at 1.09:1 during 2012-13 as against 1:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

- Inadequate Draught
- Narrow approach road restricting movement of blocks
- Space constraint at Main Unit to consolidate blocks
- Acquisition policies & practices of key customers is changing through competitive mode
- Inadequate no. of quality & capable vendors
- Increased competition from big private business houses
### GARDEN REACH SHIPBUILDERS & ENGINEERS LTD.

Goa Shipyard Ltd.
Vaddem Vasco da Gama, Goa-403802
www.goashipyard.com

The Company

Goa Shipyard Ltd. (GSL) was established on 26 Nov 1957 under the Portuguese Law as ‘Estalieros Navais de Goa’, as a small barge repair facility. Later on, it was leased to Mazagon Dock Ltd. following the liberation of Goa in 1961 till 1967. It was renamed as Goa Shipyard Limited in 1967. GSL graduated over the period from a mere barge building & repair yard to designing & building high tech sophisticated warships since 1990 onwards.

GSL is a Schedule-‘B’ Miniratna CPSE in Transport Equipment sector, under the administrative control of Ministry of Defence, Department of Defence Production with 51.09% shareholding by the Government of India. 47.21% equity of GSL is held by the Mazagon Dock Ltd. The company employed 1602 regular employees (Executive 236 & Non-Executives 1366) as on 31.3.2013. Its Registered and Corporate offices are at Vasco da Gama, Goa.

Vision / Mission

The Vision of the Company is to be a contemporary organization in ship design, construction, ship repairs & general engineering solutions’

The Mission of the Company is to be a world class shipbuilding yard to meet the maritime needs of indigenous and export market by designing, building, repairing and delivering products and engineering services on time at competitive price”

Industrial / Business Operations

GSL is engaged in shipbuilding, ship repair and General Engineering Services for defence and commercial sector having shipyard (GSL main Unit) at Vasco da Gama (Goa). GSL has also set up dedicated facilities, GSL Unit II and III for GRP boats construction at Sancoale, Goa. Recently Unit – IV is acquired at same location to support SR & GES activities. All ships are built and repaired as per customer’s specifications. The product range includes Offshore Patrol Vessels, Missile Crafts, Sail Training Ships, Tugs, Boats, Fishing Vessels, Passenger Vessels, etc. GSL is one of the few shipyards internationally who have the capacity and capability to carry out basic design of ships.

Performance Highlights

The physical performance of company during the period 2010-11 to 2012-13 is mentioned below:

Total Revenue of the company registered a reduction of ₹ 158.66 crore during 2012-13, which went down from ₹ 722.88 crore in 2011-12 to ₹ 564.22 crore in 2012-13. The profit of the company has also gone down by ₹ 67.26 crore to ₹ 15.50 crore in 2012-13, from ₹ 82.76 crore in previous year due to lack of order book.

The current ratio of company is at 1.3:1 during 2012-13 as against 1.24:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

To meet the qualitative and quantitative objectives and future challenges in terms of technology and workload, GSL has embarked on the modernisation programme. The Modernisation Plan include inter alia, modern steel fabrication facility, ship lift and transfer system, dry land berths for ship construction and repairs, modern outfit shops, GRP facility and two jetties. In addition yard will have improved material storage & handling facility, revamped mechanical & electrical services and utilities. The Modernisation Plan at a total estimated outlay of approximately Rs.800 crore is planned to be executed in four phases. The work on Phase 1 & 2 has been completed. The facilities created under Phase 1 & 2 includes 6000 Tonne shiplift & transfer system, two repair berths, transfer area, hardstand, electrical substation with distribution network.

The work on Phase 3A is in progress. Under this outfit workshop, steel stockyard, ship assembly workshop, ship construction / transfer berths, new jetty on west side, workshop cranes, mechanical & electrical services and utilities are being taken up. The work on remaining phases (4 and 3B) will be taken up progressively in due course. After implementation of all the four phases of Modernisation Plan, the capacity of the yard is expected to enhance by nearly three folds.

The Company

Handicrafts and Handlooms Exports Corporations of India Limited (HHEC) was incorporated on 11.4.1958 with the objective of export promotion and developing trade of handicrafts and handlooms products, and products of village industries. Since then the product range has spread from handicraft and handloom fabrics to hand-knitted carpets, fashion garments, gold and silver jewellery/ articles.

HHEC is a Schedule-B CPSE in Trading & Marketing sector under the administrative control of M/o Textiles with 100% shareholding by the Government of India. The company employed 133 regular employees (Executives 24, Non-executives109) as on 31.3.2013. Its Registered office is at New Delhi & Corporate office is at NOIDA, UP.

Vision / Mission

The vision of the company is to keep India alive on the world map for demand of craftsmanship products by continuously adapting supply of Indian craftsmanship products to the changing consumer habits on a continuous basis, to develop and supply new products of high quality at the right price, to provide a sustainable livelihood to Indian craft persons and weavers.

The mission of the company is to develop, promote and aggressively market the products of Indian crafts and skills abroad thereby providing a marketing channel for craftsmen and artisans and to continuously create demand for Indian crafts and skills in order to enhance the income and profitability of Indian craftsmen and weavers.

Industrial / Business Operations

HHEC is engaged in export & domestic sales of handicrafts, handlooms products, ready-to-wear garments (including manufacturing), carpets, sales of gold and silver jewellery / articles and import & domestic sale of bullion. The company has five regional offices at Noida in UP, Chennai in Tamil Nadu, Mumbai in Maharashtra, Ahmedabad in Gujarat and Kolkata in West Bengal.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Trading Segments</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>

<td>31.33</td>
</tr>
<tr>
<td>Traded Goods</td>
<td>in crore</td>
<td>4129.62</td>
<td>12094.95</td>
</tr>
</tbody>
</table>

The Company registered a fall of ₹ 7,965.96 crore in total income during 2012-13 which went down to ₹ 4,169.68 crore in 2012-13 from ₹ 12,135.64 crore during 2011-12 due to decrease in Bullion imports. The net profit of the company increased to ₹ 2.49 crore, an increase of ₹ 0.33 crore over the previous year’s profit of ₹ 2.16 crore due to decrease in Bullion turnover and increase in competition from private parties and neighbouring countries and global recession.

The current ratio of company is at 1.02:1 during 2012-13 as against 1:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The corporation has cluster based new ecofriendly products developed and supplied for market testing.

The Company

Heavy Engineering Corporation Ltd. (HEC) was incorporated on 13.12.1958 with an objective to achieve self-reliance and self-sufficiency in the field of designing and manufacturing of equipment and machinery for Iron and Steel Industry and other core sector industries.

HEC is a Schedule-‘A’ / BIFR / BRPSE referred CPSE in Heavy Engineering sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry with 100% shareholding by the Government of India. The company employed 2389 regular employees (Executives 1014, Non-executives 1375) as on 31.3.2013. Its Registered and Corporate offices are at Ranchi, Jharkhand.

Vision / Mission

The Vision of the Company is to be a major Heavy Engineering Company in India providing quality products and services to Steel, Mining, Railway and other Strategic Sectors.

The Mission of the Company is to acquire and maintain leading position as suppliers of quality equipment, spares, systems & services for the Steel, Mining, Railways and other Strategic Sectors and to make the Revival Plan sustainable and expand business into allied areas and other priority sectors of the economy.

Industrial / Business Operations

HEC is engaged in Manufacturing and supply of Iron & Steel castings, Non-ferrous castings, steel plant equipment, mining equipment and structural like Coke Oven, Rolling Mills, Sintering Plants, Blast Furnaces, Converters, EOT Cranes, Excavators, Draglines, OB Drills and Crushers, Conventional and CNC Machine Tools, Medium / Heavy Castings / Forgings, Railway Crankshafts from its 3 operating units. All the Plants are located at Ranchi, Jharkhand.

The company also undertakes consultancy and Turnkey projects in areas of Low temperature Carbonisation Plants, Coal handling Plants, Coal Washeries, Sintering Plants, Continuous Casting Plants and Raw Material handling system etc. The company has entered into collaboration with M/s Hegenscheidt of Germany for manufacture of new generation railway machine tools.

Performance Highlights

The company has provided provisional figures. The average capacity utilization for all the products / services of the company was 20.15% during 2012-13. The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹23.96 crore during 2012-13, which went up to ₹739.65 crore in 2012-13 from ₹715.69 crore in 2011-12. The profit of the company has also gone up by ₹11.80 crore to ₹20.38 crore in 2012-13, from ₹8.58 crore in previous due to reduction in material cost and employee cost & increase in operating income and other incomes.

The current ratio of company is at 1.37:1 during 2012-13 as against 1.67:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

HEC was referred to BRPSE and revival plan was approved by Government in 2005. HEC is one of the Turnaround CPSE as per the guidelines issued by the Government of India for declaring a sick CPSE as “Turnaround CPSE”. It has made a profit before tax in each of three preceding years after implementation of revival package.

Company has initiated steps for upgrading its foundry, forging, machining and fabrication facilities which will help in improving the quality and reducing delivery time. This will help in having business of heavy castings/forging essentially required for nuclear and power plants and regaining lost business of steel plant equipment. Company is also trying to enter into business of material handling projects in thermal power plants. In addition, company is in the process of adding products of batch/small batch production.

Total Revenue of the company registered an increase of ₹ 933.66 crore during 2012-13, which went up to ₹ 17655.18 crore in 2012-13 from ₹ 16721.52 crore in 2011-12. The profit of the company has also gone up by ₹ 457.48 crore to ₹ 2996.91 crore in 2012-13, from ₹ 2539.43 crore in previous year due increase in total revenue and other income.

The current ratio of company is at 1.21:1 during 2012-13 as against 1.5:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The Defence industry in India is in its expansion cycle driven by the modernisation plans and India’s growing attractiveness as defence sourcing hub. The opening up of the Defence production for the private sector and Foreign Direct Investment has attracted many large industrial houses and global aerospace companies to invest in the Defence sector. This will augment the policy of Government to indigenize the Defence production. The company is geared up to meet the challenges in the emerging business scenario.

Public Enterprises Survey 2012-2013 : Vol-II

269
The Company

Hindustan Antibiotics Ltd. (HAL) was incorporated in 1954 with the objective of manufacturing and marketing of life saving bulk drugs at affordable prices through network of Government Hospitals. The Company has diversified into production of agriculture & veterinary products.

HAL is a Schedule-‘C’ / BIFR / BRPSE referred CPSE in Chemicals & Pharmaceuticals sector under the administrative control of M/o Chemicals and Fertilizers, D/o Pharmaceuticals with 100% shareholding by the Government of India. The company employed 1147 regular employees (Executives 271 & Non-Executives 876) as on 31.3.2012. Its Registered and Corporate offices are at Pune, Maharashtra.

Vision / Mission

The Vision of the Company is to focus on selected range of products after revamping the product mix as per the market requirements and introduce newer products in the market as a part of the short term, medium term and long term planning, taking into consideration the company’s strength.

The Mission of the Company is to make life saving drugs available to the common people of the country at affordable prices.

Industrial / Business Operations

HAL is engaged in manufacturing and marketing of life saving drugs through its single operating unit at Pune, Maharashtra. The total number of products manufactured by the company is 70. These are distributed in three segments namely Bulk, Formulation and others.

The company had two sick subsidiaries i.e. Maharashtra Antibiotics & Pharmaceuticals Ltd (MAPL) and Manipur State Drugs & Pharmaceuticals Ltd., which are currently under liquidation. The company is a partner in one joint venture with Hindustan Max-G.B. Ltd. with 50% equity participation.

NA : Not Available

Total Revenue of the company registered a reduction of ₹13.86 crore during 2012-13, which went down to ₹62.21 crore in 2012-13 from ₹76.07 crore in 2011-12. However, the loss of the company has gone down by ₹2.90 crore to ₹69.37 crore in 2012-13, from ₹72.27 crore in previous mainly due to increase in the operating expenses & Financial Cost and decrease in the sales turnover.

The current ratio of company is at 0.54:1 during 2012-13 as against 0.62:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

Despite three capital restructuring schemes in 1983, 1988 and 1994, the company became sick in 1997. Government of India approved the 4th Rehabilitation Scheme on the basis of the recommendations of BRPSE on 9.3.2006 with a cash assistance of ₹137.59 crore and non-cash assistance of ₹267.57 crore. The company started implementation of the Rehabilitation Scheme sanctioned by BIFR vide its order dated 05.06.2007 in right earnest. The projects included in the Rehabilitation scheme have been forwarded to administrative Ministry. Between 2007-08 and 2010-11 company has received ₹37.17 crore for new projects. HAL as a strategy, focused on increasing Trade sale and adopted Business Associate / Pharma Sales Executive (BAPSE) model to enhance the trade sale.

The Company

Hindustan Cables Ltd. (HCL) was incorporated on 04.08.1952 with the objective of making the country self-reliant in the manufacturing and supply of various types of telecommunication wires and cables.

HCL is a Schedule-'B' / BIFR / BRPSE referred CPSE in Medium and Light Engineering Sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry with 99.60% shareholding by the Government of India. HCL is a listed company but its shares are not traded. The company employed 1832 regular employees (Executives 249, Non-executives 1583) as on 31.3.2013. Its Registered and Corporate Officers are at Kolkata, West Bengal.

Industrial / Business Operations

HCL is engaged in manufacturing and supply of telecommunication jelly filled cables, optic fiber cables and telecom turnkey services through its 5 operational units, at Burdwan and Narendrapur in West Bengal, Allahabad in U.P. and Hyderabad in Andhra Pradesh. It also has one R&D centre in Hyderabad. The product range of the company comprises of two segments namely Telecom Cables and Turnkey Projects.

Performance Highlights

In the absence of orders at remunerative price and advance, the operations in all the units of the Company have been totally stopped. The physical performances of the company for last three years are given below:

<table>

</table>

Total Revenue of the company registered an increase of ₹ 0.80 crore during 2012-13, which went up to ₹ 3.23 crore in 2012-13 from ₹ 2.43 crore in 2011-12 due to increase in other income. However, the loss of the company has also gone up by ₹ 236.77 crore to ₹ (-) 885.04 crore in 2012-13, from ₹ (-) 648.27 crore in previous year due to increase in finance charges.

The current ratio of company is at 0.1:1 during 2012-13 as against 0.09:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

Due to introduction of various wireless services, there has been a drastic reduction in laying of Jelly Filled & Optical Fibre Cables in external plant network of BSNL/MTNL. Thus, the chances of getting purchase orders from BSNL/MTNL at remunerative price along with advance is very remote. Various project like FRLS cables and instrumentation and control cables, high count optical fibre cables, power cables using XLPE technology, HDPE tarpaulin and HDPE pipe may be considered for product diversification if external fund support is provided to the Company.

The last revival plan was sanctioned on 27.01.99 with a total financial involvement of Rs.309.89 crores including infusion of cash infusion of Rs. 143 crores. On the basis of recommendation of BRPSE, the company has invited many CPSEs to form a Joint Venture with HCL. The negotiation in this regards are going on. In search of joint venture partner for revival of HCL, the Ordinance Factory Board (OFB) has shown keen interest to take over all the units of HCL. The OFB has already submitted its proposal to Department of Defence Production, Ministry of Defence. In the BIFR meeting held on 13.02.13, DDP had informed BIFR that had obtained “in principle” approval of takeover of HCL and the letter in this regards had been received by DH. Consequently, all necessary procedural formalities of taking over have been progressing.

The Company

Hindustan Copper Ltd. (HCL) was incorporated on 9.11.1967 with the objective of taking over the assets and liabilities of Copper Projects at Khetri, Dariba, Rakha and Agnifundala from National Mineral Development Corp. Ltd. (NMDC). Indian Copper Complex Ltd. at Ghatasila, Jharkhand was acquired by HCL in March, 1972.

HCL is a schedule-‘A’ listed BRPSE registered Miniratna CPSE in other Minerals & Metals Sector under the administrative control of M/o Mines with 99.59% shareholding by the Government of India. The company employed 4498 regular employees (Executives 630, Non-executives 3868) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision/Mission

The Vision / Mission of the Company is optimal utilisation of natural resources for national benefit and to be an efficient and viable economic entity.

Industrial / Business Operations

The major activities of the company are exploration, mining, beneficiation, smelting, refining and production of cathodes and CCR as saleable products. Apart from this, it also recovers various by-products associated with copper ore. The entire marketing operation of all its products is carried out by the company directly.

HCL has 4 operating units namely Indian Copper Complex (ICC) at Ghatasila district Singhbhum(E) in Jharkhand, Khetri Copper Complex (KCC) at Khetrinagar, district Jhunjhunu in Rajasthan, Maanjkhand Copper Project (MCP) at Malanjkhand district Balaghat in Madhya Pradesh and Taloja Copper Project (TCP) at Taloja district Raigad in Maharashtra. The company has Branch offices at Delhi, Mumbai, Bangalore and Indore.

Performance Highlights

</table>

The Company registered an increase of one crore in total revenue during 2012-13 which went up to ₹ 1573 crore in 2012-13 from ₹ 1572 crore during 2011-12 due to restricted achievement of higher ore production as a result of breakdowns at underground mines of KCC. The net profit of the company however increased to ₹ 356 crore in 2012-13, an increase of ₹ 33.00 crore over the previous year’s profit of ₹ 323 crore due to deferred tax liability amounting to ₹ 57.23 crore written back. The profit before tax shows a reduction of ₹ 69 crore due to lower production.

The current ratio of company is at 3.3:1 during 2012-13 as against 2.88:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The Corporate Plan 2020 of the company vigorously pursue the capacity enhancement of its mines and to develop new copper mines. The company has rolled out the mine expansion plan to increase mine production to 12.4 million tone by FY 2017-18. The company has applied for Prospecting License (PL), Mining License (ML) and Reconnaissance Permit (RP) in the State of Rajasthan, Jharkhand, MP and Haryana.

Hindustan Copper Ltd. (HCL) was referred to BRPSE and revival plan was approved by Government in 2007 and implemented successfully.

The Company

Fertilizers and Chemicals Travancore Limited (FACT) incorporated in the year 1943 was the first large scale Fertilizer Plant in India located at Udyogamandal, Kerala and started its production in 1947. Initially in the Private Sector promoted by M/s. Seshasayee Brothers, FACT became a Public Sector company in 1960 and the Government of India became the major shareholder in 1962.

FACT is a schedule-‘A’ listed / BRPSE referred CPSE in the Fertilizer Sector under the administrative control of M/o Chemicals and Fertilizers, D/o Fertilizers with 97.38% shareholding by the Government of India. The company employed 2992 regular employees (Executives 1399 & Non-Executives 1593) as on 31.3.2013. Its Registered and Corporate offices are at Kochi, Kerala.

Vision / Mission

The Vision / Mission of the Company is to be a leader in fertilizers/petrochemicals and significant player in all its other businesses including engineering/technology services.

Industrial / Business Operations

FACT is a multi-product enterprise, engaged in production and marketing of fertilizers and caprolactum, providing engineering and consultancy services and fabrication and erection of equipments through its 3 production units at Udyogamandal, Kochi and Ambalamedu and 2 Consultancy / Engineering / Fabrication units at Udyogamandal and Kochi in Kerala.

The company has also formed a 50:50 Joint Venture namely FACT-RCF Building Products Ltd. with M/s Rashtriya Chemicals and Fertilizers Limited (RCF), a CPSE.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 578.75 crore during 2012-13, which went down to ₹ 2334 crore in 2012-13 from ₹ 2912.75 crore in 2011-12. The profit of the company has gone down by ₹ 373.76 crore to a loss of ₹ (-) 353.96 crore in 2012-13, from a profit of ₹ 19.80 crore in previous year due to increase in the operating expenses like Other Operating/direct/manufacturing Expenses, Rent, Royalty & Cess, Stores & Spares, depreciation etc. & Financial cost and decrease in the production and sales turnover.

The current ratio of company is at 0.92:1 during 2012-13 as against 1.17:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The key focus area in growth and expansion of the company is implementation of various projects utilizing the existing resources available such as land. FACT has identified certain projects for its diversification and expansion. The total investment required for these projects will be above Rs.5000 crore. FACT intends partnering with Public or private sector companies for executing these projects on the joint venture concept. In this regard FACT has signed a MoU with Container Corporation of India (CONCOR) and Central Warehousing Corporation (CWC) for setting up Container Freight Station as a joint venture on revenue sharing model. The business model and JV agreement have been approved and final clearance from Govt. of Kerala for leasing out of the land for JV purpose is awaited.

FACT has prepared a Financial Restructuring proposal for submission to the Department of Fertilizers, Government of India for sustainable growth of the company in the long run.

The Company

Hindustan Fluorocarbons Ltd. (HFCL) was incorporated on 14.07.1983 (commencement of business in 1987) with the objective to manufacture various grades of Poly Tetra Fluor Ethylene (PTFE) as import substitute and to save foreign exchange. The company is a subsidiary of Hindustan Organic Chemicals Ltd. (HOCL), which holds 56.6% equity of HFCL. The other joint venture partner is the Government of Andhra Pradesh through Andhra Pradesh Industrial Development Corp. (APIDC).

HFCL is a Schedule-’D ’/ listed BIFR / BRPSE referred CPSE in Chemicals & Pharmaceuticals sector under the administrative control of M/o Chemicals and Fertilizers, D/o Chemicals and Petrochemicals. The company employed 157 regular employees (Executives 85 and Non-executives 72) as on 31.3.2013. HFCL’s Registered and Corporate offices are at Hyderabad, Andhra Pradesh.

Industrial / Business Operations

HFCL is engaged in production and marketing of Poly Tetra Fluoro Ethylene (PTFE) and CFM-22 through its single operating unit at Medak, Andhra Pradesh.

Performance Highlights

Company has achieved 100% capacity utilization of CFM-22 plant during last two years. The average capacity utilization for all the products / services of the company was 85% during 2011-12. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>

Total Revenue of the company registered decrease of ₹ 19.60 crore during 2012-13, which went down to ₹ 44.56 crore in 2012-13 from ₹ 64.16 crore in 2011-12 due to fall in the turnover. The profit of the company has gone down by ₹ 1.57 crore to ₹ 0.95 crore in 2012-13, from ₹ 2.52 crore in previous year due to fall in operating income.

The current ratio of company is at 0.36:1 during 2012-13 as against 0.44:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The company is registered with BIFR. BRPSE recommended for revival as a PSE on 13.6.2008 and the fresh funds required for revival of the company were to be arranged by HOCL (holding company) from its own resources and / or through banks / financial institutions. HOCL has submitted a rehabilitation plan for HFL to BIFR. The company’s shares are listed at stock exchanges of Hyderabad (HSE) and Mumbai (BSE).

PTFE industry is dominated by large integrated players consisting of both Indian and multi nationals. Compared to global scenario, the capacity is very small and operating with old technology. Hence, the traditional product mix is not competitive. In view of this it is difficult to make any sustainable business only on PTFE. To overcome this, company is focusing on the niche area of Fluoro Speciality Chemicals. Continuous efforts are being made for development of these chemicals. Accordingly, one such product namely TFE-ETHER is already commercialized. The company is the only manufacturer of this product in India.

Hindustan Insecticides Limited
Scope Complex, Core-6, 2nd Floor, 7 Lodi Road, New Delhi-110003
www.hil.gov.in

The Company
Hindustan Insecticides Limited (HIL) was incorporated in 1954 with the objective to manufacture DDT and its formulations for meeting the demand of National Anti Malaria Programme. The current objective of the Company is to provide quality insecticides and pesticides at reasonable prices for public health and agricultural purposes and earn reasonable return.

HIL is a Schedule-‘C’ / BIFR / BRPSE referred CPSE in chemical & pharmaceuticals sector under the administrative control of M/o Chemicals and Fertilizers, D/o Chemicals and Petrochemicals with 100% shareholding by the Government of India. The company employed 1192 regular employees (Executives 281, Non-executives 911) as on 31.3.2013. Its Registered and Corporate offices are in New Delhi.

Vision / Mission
The Vision of the Company is to be a leading player in the field of public health & crop care.

The Mission of the Company is to provide quality products a reasonable price to the farming community for crop protection and manufacturing public health insecticides primarily for disease vector control.

Industrial / Business Operations
The product / service range comprises of technical products such as Endosulfan, Dicofol, MalathionButachlor, DDVP etc. and 44 agro formulations at its plants at Udyogamandal (near Cochin, Kerela), Rasayani (Maharashtra) and Bhatinda (Punjab). The company also has a well equipped central R&D complex at UdyogVihar, Gurgaon, Haryana along with an experimental farm.

HIL marketing network is spread all over the country with six Regional Sales offices situated in Delhi, Hyderabad, Kolkata Akola, Coimbatore and Ahmedabad. The Company has a well equipped Central R&D Complex at Udyogvihar, Gurgaon along with experimental farm.

Performance Highlights
HIL today is the largest producer of DDT in the world and the only other producer is in China. The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 16.03 crore during 2012-13, which went upto ₹ 279.97 crore in 2012-13 from ₹ 263.94 crore in 2011-12. The profit of the company has gone up by ₹ 1.32 crore to ₹ 2.92 crore in 2012-13, from ₹ 1.60 crore in previous year, which is mainly due to increase in sales.

The current ratio of company is at 1.78:1 during 2012-13 as against 2.99:1 in the previous year (Fig 2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue
The company has setup the manufacturing facility for Buprofezin, which is a new generation insecticide used for the control of major pest brown plant hopper on paddy crop. Apart from this, it is also used in other crops like Potatoes, cotton, and vegetables. The total present demand of Buprofezin technical is approx. 750 MT in the country and is further growing faster.

The company is in final stage of commissioning the Multi-Product facility plant at Rasayani unit and the production is expected to be started from March 2014. The organization is in process for enhancing the capacity to double for the product – Mancozeb which is a fungicide and comes under Greenfield project.

HIL, in line with the Govt. initiative of organic farming is planning to include Eco-friendly pesticides like Neem formulation in its product profile. To nullify the uncertainties of the agro chemicals market, getting into basic chemicals / specialty chemical manufactures is another area the company is exploring.

The Company

Hindustan Newsprint Ltd. (HNL) was incorporated as a wholly owned subsidiary of Hindustan Paper Corporation Ltd. (HPC) on June 7, 1983 with the main objective of taking over the business of Kerala Newsprint Project, a unit of Hindustan Paper Corporation Ltd.

HNL is a Schedule-‘B’ Miniratna’ CPSE in Consumer Goods Sector under the administrative control of Ministry of Heavy Industries & Public Enterprises, Department of Heavy Industry. The company employed 731 Regular employees (Executives 141 & Non-Executives 590) as on 31.3.2013. Its Registered and Corporate offices are at Kottayam, Kerala.

Vision / Mission

The Vision of the company is to be the preferred manufacturer of quality newsprint in India.

The Mission of the company is to install, enhance and operate large capacity newsprint on sound commercial basis, to continuously upgrade and upscale production output to enhance market share.

Industrial / Business Operations

HNL is engaged in production of Newsprint using forest raw materials, waste paper (both imported and indigenous) from its single operating unit at Kottayam, Kerala. HNL meets a major portion of its requirement of fibrous raw materials from State Government forest sources. The Company also maintains Captive Plantations in about 3625 ha. of forest land obtained under lease from Government of Kerala, however the effective area of plantations with HNL at present is 2669.67 ha

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 11.98 crore during 2012-13, which went down to ₹ 327.95 crore in 2012-13 from ₹ 339.93 crore in 2011-12. The losses of the company has also gone up by ₹ 24.98 crore to a loss of ₹ (-) 18.09 crore in 2012-13, from a profit of ₹ 6.89 crore in the previous year due to increase in operating expenses.

The current ratio of company is at 1.48:1 during 2012-13 as against 2.2:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company has been facing severe encroachment problems in the Captive Plantation areas located in Munnar Division. The programme for extraction of material from Captive Plantation areas was disrupted due to encroachment. Earlier proposal for Expansion-cum-Diversification Project (EDP) could not be implemented due to steep increase in project cost. However, it is planned to move ahead with EDP in a phased manner.

Hindustan Newsprint Ltd.

Public Enterprises Survey 2012-2013 : Vol-II
Hindustan Organic Chemicals Ltd.
PO: Rasayani, Maharashtra – 410 207
www.hocl.gov.in

The Company

Hindustan Organic Chemicals Ltd. (HOCL) was incorporated on 12.12.1960 with the objective of attaining self-reliance in basic organic chemicals needs.

HOCL is a Schedule-‘B’ BIFR / BRPSE referred listed CPSE in Chemicals & Pharmaceuticals sector under the administrative control of M/o Chemicals and Fertilizers, D/o Chemicals and Petrochemicals with 80% shareholding by the Government of India. The company employed 1232 regular employees (Executives 448, Non-executives 784) as on 31.3.2013. Its registered office is at Rasayani, Raigad District and Corporate office is at Mumbai, Maharashtra.

Vision / Mission

The Vision of the Company is to produce and market basic chemicals efficiently and economically in an environment friendly manner.

The Mission of the Company is to maintain optimum level of efficiency and productivity in the use of resources and secure optimum return on investment.

Industrial / Business Operations

HOCL is involved in production of chemicals & intermediaries and having a product range of 14 main products and 5 by products. It is operating through its two units at Rasayani, Raigad District in Maharashtra and at Ambalamugul, Kochi in Kerala. The Company also has one subsidiary i.e. M/s Hindustan Fluorocarbons Limited with a shareholding of 60%. The company also has one Joint Venture namely HOC-Chematur Ltd.

Performance Highlights

The average capacity utilization for all the products / services of the company was 42% during 2011-12. The physical performances of the company for last three years are given below:

<table>

Total Revenues of the company registered an increase of ₹ 7.64 crore during 2012-13, which went up to ₹ 564.58 crore in 2012-13 from ₹ 556.94 crore in 2011-12 due to increase in the turnover & other income. However, the Loss of the company has gone up by ₹ 59.92 crore to ₹ (-) 137.99 crore in 2012-13, from ₹ (-) 78.07 crore in previous year due to increase in the cost of material consumed.

The current ratio of company is at 0.4:1 during 2012-13 as against 0.62:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The net worth of the company has completed eroded as on 31.3.2013. Company is taking necessary steps for making a reference to BIFR under SICA Act, 1985. The company is also registered with BRPSE.

The main reason for the loss suffered was due to withdrawal of Anti-dumping duty on the Phenol and Acetone, resulting in large scale import / dumping and forcing the company to reduce the prices to match the imported prices of these products. The company has decided to operate only those plants which are giving contribution.

The Company

Hindustan Paper Corporation Ltd (HPC) was incorporated on 29.05.1970 with the objective of establishing pulp and paper / newsprint mills in the Country to make paper available for mass communication.

HPC is a schedule ‘A’ Miniratna CPSE in ‘Consumer Goods’ sector under the administrative control of M/o Heavy Industry and Public Enterprises, D/o Heavy Industry with 100 % share holding by the Government of India. The company employed 2270 regular employees (Executives 403 & Non-Executives 1867) as on 31.3.2013. Its Registered Office is at Delhi and corporate office is at Kolkata.

Vision / Mission

The Vision of the Company is to continue to be a dominant player in the mass consumption varieties of Writing and Printing Paper and a significant producer of value added variety of paper.

The Mission of the Company is to install, enhance and operate large capacity Newsprint/Paper Mills on sound commercial principles; to continuously upgrade and upscale production output and enhance market share.

Industrial / Business Operations

HPC is engaged in manufacturing of Writing and Printing Paper and marketing the same throughout the country. It has two units in Assam namely (i) Nagaon Paper Mill (NPM) in District: Morigaon and (ii) Cachar Paper Mill (CPM) in District: Hailakandi each having an installed production capacity of 1,00,000 tonnes per annum (tpa).

It has three subsidiary companies namely (i) Hindustan Newsprint Limited (HNL), with Registered Office at Newsprint Nagar in District Kottayam, Kerala, (ii) Nagaland Pulp and Paper Co. Ltd (NPPC) with registered Office at Tuli in District Mokokchung , Nagaland and (iii) Jagdishpur Paper Mills Ltd (JPML), with the Registered Office at Lucknow, Uttar Pradesh, incorporated for implementation of a mega green field paper mill. The product range of the company comprises of Writing and Printing Paper, Caustic and Chlorine.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 86.54 crore during 2012-13, which went down to ₹ 649.23 crore in 2012-13 from ₹ 735.77 crore in 2011-12 due to fall in production. The losses of the company has also gone up by ₹ 56.67 crore to (-) 151.87 crore in 2012-13, from ₹ (-) 95.20 crore in previous year due to fall in operating income and increase in cost of production.

The current ratio of company is at 0.79:1 during 2012-13 as against 1.17:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The landlocked positioning of Cachar Paper Mill (CPM) in the highly infrastructure-deficient region makes it unviable to procure fibre raw material from alternative sources.

Major issues confronting India’s pulp and paper industry are high cost of production caused by inadequate availability and high cost of raw materials, Energy cost, non-availability of good-quality fibre, uneconomical plant size, technological obsolescence and environmental challenges. While issues related to technology, capacity and environment come directly under the purview of companies; raw material shortage is a disadvantage affecting all.

Public Enterprises Survey 2012-2013 : Vol-II
The Company

Hindustan Petroleum Corporation Limited (HPCL) a fortune 500 company was incorporated on 5.7.1952 under the company Act, 1913 as Standard Vacuum Refinery Co. (Stan Vac) of India Ltd. It was renamed as ESSO Standard Refining Co. of India Ltd. (ESRC) in the year 1962 under Companies Act 1956. The amalgamation of the Lube India and ESSO Standard Refining Co of India Ltd. Vide Amalgamation order, 1974, changed its name to Hindustan Petroleum Corporation Limited and after nationalization, ESSO undertaking were also vested in it. In the year 1976, Caltex and in the year 1979, Kosangas Co. Ltd. was also merged with HPCL.

It is a Schedule ‘A’ listed CPSE with Navratna status in Petroleum (Refinery & Marketing) sector under the administrative control of Ministry of Petroleum and Natural Gas. Government of India holds 51.05% of its shareholding. The company employed 11027 (Executives 5175 & regular Non-Executives 5852) employees as on 31.3.2013. The company has its Registered and Corporate offices at Mumbai.

Vision/Mission

The vision of the company is to be a World Class Energy Company known for caring and delighting the customers with high quality products and innovative services across domestic and international markets with aggressive growth and delivering superior financial performance.

The mission of the company is to be fully integrated in the hydrocarbon sector of exploration and production, refining and marketing.

Industrial / Business Operations

HPCL is engaged in crude oil refining and marketing of petroleum products. It has two refineries one each at Mumbai in Maharashtra and Visakhapatnam in Andhra Pradesh with a design capacity of 6.5 MMTPA & 8.3 MMTPA respectively. In addition, the company has a Lube refinery with a capacity of 335000 MTs, 7 Lube Blending Plants, 33 Terminals/TOPs, 68 Inland Relay Depots, 34 ASFs, 45 LPG Bottling Plants and 10,253 Retail outlets. HPCL owns three multi-products cross country pipelines viz., Mumbai-Pune-Solapur pipeline; Visakh-Vijaywada-Secunderabad pipeline and Mundra-Delhi pipeline.

The company has 8 joint ventures and 3 subsidiaries namely CREDA HPCL Biofuel ltd., HPCL Biofuel Ltd. and Prize Petroleum Company Ltd. in the field of Exploration & Production, refining and marketing with a shareholding ranging from 16% to 100%.

Performance Highlights

The physical performance of Company for the last three years is given below:

<table>

</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of 28472.21 crore during 2012-13, which went up to ₹ 207833.62 crore in 2012-13 from ₹ 179361.41 crore in 2011-12 due to increase in the sales volume. However, the profit of the company has gone down by ₹ 6.72 crore to ₹ 904.71 crore in 2012-13, from ₹ 911.43 crore in previous year due to manpower cost, Depreciation and higher tax provisions.

The current ratio of company is at 0.88:1 during 2012-13 as against 0.86:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

HPCL is executing the project of laying two crores country multi product petroleum pipelines namely, Rewari-Kanpur Pipeline & Awa-Salawas Pipeline and two LPG pipelines namely, Manglore Hassan Solur Mysore LPG Pipeline & Urban Chakan/Shilrapur LPG Pipeline (50% cost sharing with BPCL).

HPCL plans to set up a new grass root refinery-cum- petrochemical complex with an installed capacity of 9 MMTPA at Barmer District, Rajasthan. Beside, Company plans to set up a 5 MMTPA LNG Regasification Terminal on West Coast, in the State of Gujarat, under JV.

The Company

Hindustan Photofilm Mfg Co. Ltd (HPF) was incorporated on 30-11-1960 with an objective to make optimum use of available resources and generate maximum possible contribution and compete in the market and secure a share in the domestic and international market.

HPF is a Schedule - ‘C’ BIFR / BRPSE/ listed CPSE under the administrative control of Ministry of Heavy Industries & Public Enterprises, Department of Heavy Industry (DHI) with 51% shareholding by the Government of India. The company employed 687 Regular employees (Executives 71 & Non-Executives 616) as on 31.3.2013. Its registered office at Indunagar, Udhagamandalam.

Vision / Mission

The Vision of the Company is to have integrated manufacturing facilities of the photosensitized products, expecting greater domestic market share for its products, to develop digital technology and enter that market, improve R & D efforts for production needs and toward conversion of techniques into technology of the latest products i.e., Digital Imaging Film, Medical Imaging Film, Laser Printing Film, Inkjet paper etc., improve productivity thereby reducing cost and adopting import substitution methods for the purchase of raw materials from abroad.

The Mission of the Company is to meet the Country’s Medical X-ray needs at competitive price and at the same time ensuring good quality, to restrict multinationals players from price domination and high profits, to help the Country in its Defence infrastructure needs by supplying Aerial film and Industrial X-ray and avoiding the Country’s Dependence on foreign suppliers and risk in time of sanctions etc., and to provide employment directly and indirectly to the native people of Nilgiris District, the backward hilly District of Tamilnadu.

Industrial / Business Operations

HPF is engaged in manufacturing of X-Ray films, Polyester based X-ray (Medical and Industrial) and Graphic Arts Films, Magnetic Auto Tapes, Cine Colour Positive Films and Chemicals for X-Ray films through its 4 operating units (three units at Udhagamandalam and one at Chennai) in Tamil Nadu.

Total Revenue of the company registered a reduction of ₹6.71 crore during 2012-13, which went down to ₹7.50 crore in 2012-13 from ₹14.21 crore in 2011-12. The loss of the company has gone up by ₹208.27 crore to a los of ₹(-)1560.59 crore in 2012-13, from ₹(-)1352.32 crore in previous year due to decrease in the sale turnover and increase in the financial cost.

The current ratio of company is at 0.01:1 during 2012-13 & 2011-12. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

HPF was registered with BIFR in 1995. It was recommended for winding up by the BIFR in January, 2003. The company has obtained an interim stay from the Madras High Court against winding up order of BIFR/AAIFR. The company was also referred to BRPSE and the Board has approved the revival proposal on 5.3.2010. The revival proposal envisages waiver of Government loans and interest and fund infusion to the tunes of ₹302 crores. Based on the recommendations of BRPSE and COS, a revival proposal was considered by Government on 23.08.2012. The directions of the Government are awaited.

The shares of HPF though listed on the BSE are neither being traded nor being quoted on the stock exchange.

The Company

Hindustan Prefab Limited (HPL) was incorporated on 27.1.1953 and commenced its business on 16.8.1955. It was earlier founded as Hindustan Housing Factory Ltd. (in 1950), which was set up at the behest of Pandit Jawaharlal Nehru, the first Prime Minister of India for solving the housing problem created due to influx of refugees from West Pakistan. As years rolled by, the company came to be known as HPL, the change in name being necessitated by diversification of its operations. Its name was changed as HPL w.e.f. 09.03.1978. HPL thus became a fully integrated company with modern prefabrication facilities and a railway siding of its own in the heart of Delhi to undertake faster and challenging jobs in the country.

HPL is a Schedule-C’BRPSE referred CPSE in Contract & Construction Services sector under the administrative control of M/o Urban Development with 100% shareholding by the Government of India. The company employed 273 regular employees (Executives 14 & Non-executives 259) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the Company is to be a premier organization in the field of Civil construction and infrastructure industry by embracing state of art and cost effective technology in Prefab /Precast as well as conventional methods committed to total customer satisfaction.

The Mission of the Company is to pioneer Prefabrication methods and technology whereby ensuring optimum Quality and effortless Construction Techniques within one’s means; to become the customers most preferred choice by attaining excellence in quality and on time completion of value added ventures; to act as execution arm of Govt. of India, Ministry of Housing & Urban Poverty Alleviation for mass housing /development of infrastructure in urban areas; to act in a socially responsible manner whilst upholding environmental responsibility, ensuring customer & employee satisfaction by enhancing employee competence and ensuring the interest of other stake holders.

Industrial / Business Operations

HPL is now engaged in execution of projects on turnkey basis i.e. from concept to completion on Project Management basis in areas of mass housing & infrastructure works for slum dwellers and urban poor, Institutional buildings and residential complexes, hospital buildings, sewerage treatment plant etc all over the Country.

It has also undertaken projects under JnNURM, for M/o Housing & Urban Poverty Alleviation for execution of its projects in State of Bihar, Meghalaya, Arunachal Pradesh, Chhattisgarh, Mizoram etc. & Kerala Govt. (NRHM) and is executing a large number of projects for paramilitary forces, National Law University, Food Corporation of India, ESIC etc.

Performance Highlights

The company has provided provisional information. The physical performances of the company for last three years are given below:

![Graph 1](image1.png)

**Fig. 1**

![Graph 2](image2.png)

**Fig. 2**

Strategic Issues

Hindustan Prefab Limited (HPL) was referred to BRPSE and Government had approved the financial restructuring of HPL as per there commendations of BRPSE on 16.09.2009.

The core business of HPL i.e. prefabrication operation have become un-economical due to obsolete Plant & Machinery necessitating the company to take up project Management Services for its survival. After financial restructuring, HPL desires to revamp its core business of prefab and to focus more on execution of turnkey contracts which allow use of prefab construction method. Accordingly HPL has undertaken modernization of its Prefab Plant in Delhi and has setup two new plants at Vishakhapatam in Andhra Pradesh and Pinjore in Haryana.

The Company

Hindustan Salts Limited (HSL) was incorporated in the year 1958 under the Companies Act, 1956 with an objective to take over and manage the departmentally managed salt works at Kharaghoda (Gujarat), Sambhar Lake (Rajasthan) and Mandi (Himachal Pradesh). Subsequently to manage Sambhar Salt source, a separate Company, Sambhar Salt Ltd. as a subsidiary of HSL was formed on 30.09.1964.

HSL is a Schedule-‘C’ CPSE in Consumer Goods Sector under the administrative control of M/o Heavy Industries and Public Enterprises, Department of Heavy Industry (DHI) with 100% shareholding by the Government of India. The company employed 102 regular employees (Executives 14 & Non-Executives 88) as on 31.3.2013. Its registered and corporate offices are at Jaipur, Rajasthan.

Vision / Mission

The Vision of the Company is to be an efficient producer of Salt, Bromine, and Bittern based high value products.

The Mission of the company is to produce / supply good quality of value added products and to accelerate the process of modernization / mechanization of manufacture of salt and distribution system. The company further seeks to optimally mobilize the resources in order to increase the Market Share.

Industrial / Business Operations

HSL is involved in production and distribution of good quality industrial and edible salt and liquid Bromine at a reasonable price through its 2 operating units at Kharaghoda in Gujarat, Mandi in Himachal Pradesh. The production of Rock Salt is nil and production of Bromine was increased by 38.82%. Sale of Common Salt was decreased by 58.49%. The Company has one subsidiary namely Sambhar Salts Ltd. to manage Sambhar Salt source.

Performance Highlights

The physical performances of the company for last three years are given below:

</table>

Total Revenue of the company registered a reduction of ₹ 1.80 crore during 2012-13, which went up to ₹ 12.18 crore in 2012-13 from ₹ 13.98 crore in 2011-12 due to reduction in the average selling price of Bromine and non taking of processed salt by Gujarat State Civil Supply Corporation w.e.f 31.05.2012. However, the profit of the company has gone up by ₹ 0.52 crore to ₹ 0.74 crore in 2012-13, from ₹ 0.22 crore in previous year due to adjustments made relating to prior period.

The current ratio of company is at 1.64:1 during 2012-13 as against 1.58:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

Company plans to diversify its activities in Wind Energy, Solar Energy Project with MNRE, also project for production, supply/marketing of packaged drinking water from Sambhar lake Area and production of vacuum Salt at Sambhar and Mandi, Sulphate of Potash (K2SO4) at Kharaghoda Unit.

Some of the projects may initially, be implemented on trial basis and if successful may be undertaken at large scale on PPP mode or on Joint Venture basis. Steps have been taken to restart Rock Salt mining and implementation of Solution Mining Project at Mandi. With condensate for production of 300000 MTPA of Salt Finished Product- Vacuum salt (Mix of Industrial and edible salt).

The Company

Hindustan Shipyard Ltd. was incorporated on 21.01.1952 with the objective to operate strong and efficient shipbuilding, ship repair and retrofitting of submarines to meet the growing requirements of Mercantile, Marine, Oil and Defence sectors with good management and improved efficiency to improve the financial performance and profitability.

The company is a Schedule-‘B’, taken over, BRPSE referred CPSE in Transportation Equipment sector under the administrative control of M/o Defence with 100% share holding by the Government of India. The company employed 2159 regular employees (Executives 376 & Non-Executives 1783) as on 31.3.2013. Its registered office is at Delhi and Corporate office at Gandhigram, Visakhapatnam, Andhra Pradesh.

Vision / Mission

The Vision of the Company is to make Hindustan Shipyard Ltd a ‘World Class Shipyard’ with modernization and upgradation of infrastructural facilities to construct hi-tech defence vessels for Indian Navy & Coast Guard.

The Mission of the Company is to operate a strong and efficient shipbuilding, ship repair and retrofitting of submarines yard to meet the growing requirements of Defence (Indian Navy and Coast Guard), Mercantile Marine, Oil & Port Sectors with good management and improved efficiency.

Industrial / Business Operations

The main activities of HSL include shipbuilding, ship repair, submarine retrofit, offshore platform construction and structural fabrication. The company has its operating yards at Visakhapatnam, Andhra Pradesh.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>

Total Revenue of the company registered a reduction of ₹12.98 crore during 2012-13, which went down to ₹561.70 crore in 2012-13 from ₹574.68 crore in 2011-12. However, the loss of the company has also gone down by ₹30.81 crore to ₹(-)55.17 crore in 2012-13, from ₹(-)85.98 crore in previous year due to negative contribution in some shipbuilding orders, lean order book position, fall in contribution from Ship repair and retrofit activity and provision for LD and 3 nos. Tugs for Indian Navy and 2 Nos. for Kandla Port Trust & provision for future losses on 8 nos. IPVs and 3 Nos. 25T Tugs for Indian Navy.

The current ratio of company is at 0.68:1 during 2012-13 as against 0.75:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

HSL is a major shipyard on the East Coast of India. HSL was a profit making company till 1980. Subsequent to its modernization commencing 1981–85 and expansion, the yard started making losses. The company was referred to BRPSE. The yard has been brought under the administrative control of Ministry of Defence in Feb 2010 as per the revival plan. Accordingly, the yard needs to realign its business strategy towards warship and submarine building for the Indian Navy and Indian Coast Guard. The Ministry of Defence has nominated the yard for construction of Landing Platform Dock (LPDs) and construction of strategic vessels are also planned in near future. Both, Indian Navy and Indian Coast Guard have embarked upon massive acquisition plans and accordingly the future of the yard depends upon orders from Indian Navy.

2012-13 Provisional
The Company

Hindustan Steel Works Corporation (HSCL) was incorporated on 23.06.1964 with the objective of creating an organization capable of undertaking complete construction of modern integrated Steel Plants in the Public Sector.

HSCL is a Schedule-‘B’ BRPSE referred CPSE in Contract & Construction Services sector under the administrative control of M/o Steel with 100% shareholding by the Government of India. The company employed 310 regular employees (Executives 96 & Non-Executives 214) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision of the Company is to establish HSCL as a leader in diverse areas of construction & project management and with competent, motivated & willing workforce & consciousness to social responsibilities.

The Mission of the Company is to promote productivity & professionalism both at individual as well as organizational level and generate urge always to do better tomorrow than we do today so that there is better satisfaction to the customer, better profitability to the organization & better sense of achievement to the employee.

Industrial / Business Operations

HSCL is involved in undertaking construction activities in the areas of steel plants (like setting up of Bokaro Bhilai, Rourkela, Vizag, Durgapur etc. in the past) power, oil and gas, roads / highways, bridges, dams, underground communication and transport system, industrial and township complexes etc. with high degree of planning, co-ordination and modern sophisticated techniques. Presently the company carries out a number of project packages under the capacity expansion programme of SAIL and RINL along with regular operation and maintenance jobs of these plants.

It has one Joint Venture (project specific) namely HSCL-Sircon Infrastructure Private Limited for construction of Nagpur-Hyderabad Section of NH 7.

Performance Highlights

The physical performances of the company for last three years are given below:-

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>Performance during 2011-12</th>
<th>Performance during 2010-11</th>
</tr>
</thead>
<tbody>
<tr>
<td>Project Construction</td>
<td>₹ in Cr.</td>
<td>1278.84</td>
<td>1208.16</td>
<td>996.30</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 56.42 crore during 2012-13, which went up to ₹ 1286.21 crore in 2012-13 from ₹ 1229.79 crore in 2011-12. The losses of the company has gone down by ₹ 8.30 crore to ₹ (-) 19.81 crore in 2012-13, from ₹ (-) 28.11 crore in previous year due to increase in turnover which has somehow been offset by increase in operating cost.

The current ratio of company is at 0.46:1 during 2012-13 as against 0.47:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company has been facing acute financial difficulty since long. The accumulated losses were at Rs.1383 crores in 1999. Despite a capital restructuring undertaken in 1999, it is still in loss. The revival package was essentially an exercise in capital restructuring. The proposal for Organizational, Business and Financial Restructuring of the Company on the basis of the viability study conducted has been recommended by BRPSE in its 58th meting held on 13.05.2008. The proposal is under consideration of the Govt. of India (GoI). During last 19 years there has been no recruitment in the company. During the next 1-2 years, all the senior and Middle Management level executives will retire.

The Company

Hindustan Vegetable Oils Corp. Ltd. (HVOCL) was incorporated in 1984 with the objective of merger of two nationalized companies namely M/s Ganesh Floors Mills and M/s Amritsar Oil Works for promoting edible oil supply to the consumers at competitive price.

It is a Schedule-‘B’ / sick BIFR / BRPSE referred CPSE in consumer goods sector under the administrative control of M/o Consumer Affairs, Food and Public Distribution, D/o Food and Public Distribution with 100% shareholding by the Government of India. The company employed 111 regular employees (Executives 8 & Non-Executives 103) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision/ Mission of the Company was to carry on the business of extraction of oil from oil seed, refining and hydrogenation/ manufacture of edible oil and manufacture of breakfast cereal. Since the company is now under liquidation, the mission/ vision of the company have become irrelevant.

Industrial / Business Operations

HVOC was involved in production of ready to eat extruded food through its single unit at Delhi. The other units of the company producing edible oil are closed since 2001. The breakfast foods unit at Delhi was producing wheat / corn flakes.

The working capital of the unit got eroded. Most of the Plant & Machineries of the Unit are old and outlived. With the entry of new entrants, the market of Breakfast Cereal has become very competitive. The Unit reached a point where it was not possible to recover the incremental cost from the meagre sales. Therefore, the production activities were discontinued w.e.f. June 2011.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

</tr>
<tr>
<td>Breakfast foods</td>
<td>MT</td>
<td>N. A. 12 94</td>
</tr>
</tbody>
</table>

The company has discontinued its production activities. Total Revenue of the company registered an increase of ₹ 8.00 crore during 2012-13, which went up to ₹ 13.86 crore in 2012-13 from ₹ 5.86 crore in 2011-12 due to increase in other income from sale of assets (Kanpur). The losses of the company has gone down by ₹ 12.32 crore to a loss of ₹ (-) 11.46 crore in 2012-13, from ₹ (-) 23.78 crore in previous year.

The current ratio of company is at 0.06:1 during 2012-13 as against 0.07:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

In the year 2001, BIFR recommended for winding up of the company. The company is under liquidation now. The Government has granted an unsecured non-plan loan for a total amount of ₹ 95.62 crore till 31.3.2012 for implementing the Voluntary Separation Scheme and to clear the outstanding salary dues and subsequently to meet the administrative expenses of the closed units and corporate office with a clause that the Government shall have right to convert the loan into equity.

The liquidator appointed by the Government with the permission of the Hon’ble Delhi High Court is presently engaged in disposal of the moveable assets of the closed units and settlement of private liabilities. As regards the land assets owned by the company, the Government has submitted to the Delhi High Court that the same will be transferred to the Government for use by other Departments/ Ministry. During the year 2011-12, the liquidator disposed off the moveable assets of Amritsar and Bangalore units. The disposable of Kanpur unit is presently in progress. As regards, Breakfast unit, the Government is seized of the matter and a decision is expected to be taken shortly.

The Company

HLL Lifecare Ltd. (formerly Hindustan Latex Ltd.), [HLL] was incorporated on 1st March 1966 under the Companies Act, 1956 and set up in the rubber rich state of Kerala in 1969, with the objective of providing quality Male condoms for Government of India’s National Family Welfare Programme.

HLL is a Schedule ‘B’ Miniratna CPSE in the Consumer Goods sector under the administrative control of the M/o Health and Family Welfare, D/o Family Welfare with 100% shareholding by the Government of India. The company employed 1879 regular employees (Executives 522 & Non-Executives 1357) as on 31.3.2013. Its Registered and Corporate office is at Thiruvananthapuram in Kerala.

Vision / Mission

The Vision of the Company is to be a globally respected organization, focusing on inclusiveness by providing affordable and quality healthcare solutions through continuous innovation.

The Mission of the Company is to be a world class health care company with the focus on five key areas i.e. business, Customer, Innovation, Employees and Social Sector Initiatives.

Industrial / Business Operations

HLL has engaged in manufacturing and supply of contraceptives and healthcare products like Condoms, Intra-uterine devices (IUD), Blood Bags, Surgical Sutures, OCP's etc. through its seven production units - two at Thiruvananthapuram & one each at Kochi in Kerala, Belgaum, Indore, Hyderabad and Manesar. The range of services includes Infrastructure Development, Procurement Consultancy and Facility Management. The business of HLL Lifecare Ltd. is organized under three strategic Business units namely Contraceptives & Pharmaceuticals, Hospital Products and Services.

The company has one subsidiary namely HLL Biotech Ltd. with 100% shareholding. The company also has one 50:50 joint venture namely Life Spring Hospitals Private Limited in association with Acumen Fund Inc., USA. The JV is established as a cluster model with 12 hospitals functioning in and around Hyderabad.

Performance Highlights

Total Revenue of the company registered an increase of ₹ 221.07 crore during 2012-13, which went up to ₹ 840 crore in 2012-13 from ₹ 618.93 crore in 2011-12. The profit of the company has also gone up by ₹ 9.54 crore to ₹ 30.08 crore in 2012-13, from ₹ 20.54 crore in previous year due to increase in higher productivity & higher turnover per employee and consequently higher profit.

The current ratio of company is at 1.20:1 during 2012-13 as against 1.15:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

HLL has installed plant & machinery necessary for manufacture of Natural Rubber based Female Condoms at its Peroorkada factory in Thiruvananthapuram in May 2013 and commercial production commenced in July 2013.

HLL has acquired a Condom manufacturing facility situated at Irapuram near Perumbavoor in Ernakulam district of Kerala. The new facility named Irapuram Factory Cochin (IFC) is expected to start commercial production by December 2013. IFC would be developed into a moulding hub with a capacity of 300 M. Pcs. Per annum to support manufacture of Male condom by 2014.

Public Enterprises Survey 2012-2013 : Vol-II
The Company

HMT Bearings Ltd. (HMTB) was incorporated on 24.10.1964 under the Factories Act 1948 as Indo Nippon Precision Bearings Ltd. The project however, could not take off till Andhra Pradesh Industrial Development Corporation (APIDC) intervened and implemented it in the year 1970 in collaboration with M/s Koy Seiko Co Ltd, Japan. The commercial production began in 1971. Production started with three lines one each for Ball Bearing, Taper Roller Bearing and Cylindrical Roller Bearing. The initial installed capacity was 11 Lac nos. per annum. The company was taken over by HMT Ltd. in the year 1981.

It is a Schedule-'C’ sick BIFR / BRPSE referred CPSE in Medium & Light Engineering sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry. The company employed 65 regular employees (Executives 28 & Non-Executives 37) as on 31.3.2013. Its registered office is at Hyderabad and Corporate office at Karnataka. It is a subsidiary of HMT Limited which is holding its 97% equity shares.

Vision / Mission

The Vision of the company is to be a leading Engineering Enterprise of International repute, providing innovative products & best value for its stake holders.

The Mission of the company is to establish itself as one of the preferred domestic source of supply of bearings and other Engineering Products, to achieve sustained growth in capacity utilization and unit value addition on behalf of Stakeholders and to be a good employer and be transparent in dealing with all stakeholders.

Industrial / Business Operations

HBL is engaged in manufacturing and selling of Ball and Taper Roller bearings & Cylindrical Roller Bearings through its single operating unit and Marketing Head Quarter at Hyderabad and Regional Sales Offices at Chennai, Kolkata, Delhi and Pune. Bearing is an essential intermediate engineering product.

Performance Highlights

The company has provided provisional figures. The physical performances of the company for last three years are given below:

<table>

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 4.04 crore during 2012-13, which went down to ₹ 14.73 crore in 2012-13 from ₹ 18.77 crore in 2011-12. The losses of the company has also gone down by ₹ 8.05 crore to ₹ (-) 2.07 crore in 2012-13, from ₹ (-) 10.12 crore in previous year due to decrease in the operational expenses.

The current ratio of company is at 0.6:1 during 2012-13 as against 0.3:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The Company is registered with BIFR since 2007-08. Company had sought time from BIFR for disinvestment through JV route on approval by the Government of India and BIFR kept in abeyance its order based on the submission by DHI / Company to revive the Company through IMG route. During July 2010, based on the statement of DHI that a resolution is being brought in the parliament for privatisation of the Company, BIFR decided to wait for decision of parliament before taking any view on the matter. During February 2011, DHI sought fresh formulation of Business plans by an experienced consultant with focus on growth. M/s PWC were appointed as consultants during March 2011. PWC submitted the Business Plans during August 2011. Revised proposal was submitted to DHI on 1.12.2011 for consideration of BRPSE.

The company is continuing its efforts for scouting a Strategic/Technology Partner from among the major players in the Industry and a proposal in this regard is with the Government. The Company is hopeful that upon cementing a long term relationship with a potential and renowned partner, the market position of the Company is bound to improve leaps and bounds.

The company has also initiated parallel action for Bulk order procurement along with supply of material, which will turnaround the company and benefit to pay the salaries on its own, including revision and has also initiated parallel action for getting work security and order preference from Defence Units, State RTUs, Steel Plants, Coal Fields, Railways and BHEL. These efforts are likely to fructify during the current year and would contribute to the turnaround of the Company in this Year.

HMT Chinar Watches Ltd.
Zainakot Srinagar Jammu & Kashmir 190012
www.hmtindia.com

The Company

HMT Chinar Watches Ltd. (HCWL) was incorporated in the year 1999 with the objective to de-merge the units engaged in the watch business from the HMT Ltd. (as per the restructuring plan of HMT Ltd.) and to boost industrial activity in the state of J&K.

HCWL is a Schedule-‘C’ sick BRPSE referred CPSE in Medium & Light Engineering sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/O Heavy Industry (DHI). It is a 100% subsidiary of HMT Ltd. The company employed 54 regular employees (Executives 3 & Non-Executives 51) as on 31.3.2013. Its registered office is at Bari Brahmani, Jammu (J&K) and Corporate office at Bangalore, Karnataka.

Industrial / Business Operations

HCWL is engaged in manufacturing of hand wound mechanical and quartz watches at their two watch factories located at Zainakot (Srinagar) and watch assembly unit at Bari Brahmani (Jammu).

Performance Highlights

The company has provided provisional figures. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

<td>Nil</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 3.56 crore during 2012-13 which went up to ₹ 3.93 crore in 2012-13 from ₹ 0.37 crore during 2011-12 due to increase in other income. However the losses of the company has also gone up by ₹ 7.12 crore to ₹ (-) 51.16 crore in 2012-13, from ₹ (-) 44.04 crore in previous year due to reduction in operating income & financial cost and increase in domestic competition.

The current ratio of company is at 0.05:1 during 2012-13 as against 0.06:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The BRPSE in its recommendations submitted to DHI have proposed handing over of the subsidiary to the Govt. of Jammu & Kashmir as one of its first option. The DHI has accordingly submitted the proposal to the State Government for take over of the company. The proposal is under their consideration.

2012-13 PROVISIONAL
The Company

HMT Limited (HMT) was incorporated on 07.02.1953 with the objective to manufacture and sell Tractors and Food Processing Machines.

The Company is a Schedule-‘A’ BRPSE referred listed CPSE under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry with 98.88% shareholding by the Government of India. The company employed 1442 Regular employees (Executives 209 & Non-Executives 1235) as on 31.3.2013. Its Registered and Corporate offices are at Bangalore.

Vision / Mission

The Vision of the Company is to be a leading Engineering Enterprises of international repute, providing innovative products & best value for its stake holders.

The Mission of the Company is to be a significant contributor to the country’s agriculture and farming sectors by providing appropriate products, admired Indian Tractor Manufacturing company, to achieve sustained growth and profitability and to be an organization that people enjoy working for & doing business with.

Industrial / Business Operations

HMT is engaged in manufacturing and selling of Tractors and Food Processing Machines (FPM) from its 4 units (two manufacturing units and two service divisions) at Pinjore, Mohali, Hyderabad and Aurangabad and 15 Area Offices of Tractor Division.

Performance Highlights

The physical performances of the company for last three years are given below:

2012-13 PROVISIONAL
The Company

HMT Machine Tools Ltd. (HMTL) was incorporated on 09.08.1999 with the objective of providing manufacturing solutions and manufacturing/marketing of machine tools, as 100% subsidiary of HMT Ltd. under the Companies Act, 1956 as a part of restructuring plan of HMT.

It is a Schedule-‘C’ / sick BIFR / BRPSE referred CPSE in Medium & Light Engineering sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry. The company employed 3983 regular employees (Executives 280, Non-executives 3703) as on 31.3.2013. Its Registered and Corporate offices are at Bangalore, Karnataka.

Vision/Mission

The Vision of the company is to be an engineering company of international repute, providing best of products & services with contemporary technologies to its customer needs.

The Mission of the company is to be established as world’s premier company in the engineering field having strong international competitiveness, achieve market leadership and to achieve sustained growth in the earnings of the group.

Industrial / Business Operations

HMTL (including praga Tools Division) is engaged in manufacturing of wide range of products catering to the requirement of advanced manufacturing like machine tools, Industrial machinery, peripherals etc. as well as providing services in reconditioning and refurbishing of machines, project consultancy etc. through its 7 operating units at Bangalore in Karnataka, Pinjore in Haryana, Kalamassery in Kerala, Hyderabad in Andhra Pradesh and Ajmer in Rajasthan and Marketing Division in Bangalore.

Performance Highlights

The average capacity utilization for all the products / services of the company was 55.23% during 2011-12. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>2012-13</td>
</tr>
<tr>
<td>Machine Tools</td>
<td>No.</td>
<td>N. A.</td>
</tr>
</tbody>
</table>

The Company registered a reduction of ₹ 7.09 crore in total revenue during 2012-13 which went down to ₹ 232.13 crore in 2012-13 from ₹ 239.22 crore during 2011-12. The net loss of the company however reduced to ₹ 43.65 crore, a reduction of ₹ 2.49 crore from the previous year loss of 46.14 due to reduction in operating expenses.

Strategic Issues

The company is registered with BIFR and has approached the institutions / companies and banks for the reliefs and concession, as sanctioned by BIFR.

About 1/3rd of country’s Machine Tools consumption is addressed by domestic Machine Tools manufactures’ and the rest is from imports. It is estimated that during 12th Five year Plan, the Machine Tools industry will show a compound annual growth rate (CAGR) of 15%. Major sector like defence, power and railways have projected substantial investment in the year 2013-14.

Hooghly Dock & Port Engineers Ltd.
Martin Burn House, 2nd Floor, 1, R.N.Mukherjee Road Kolkata, West Bengal – 700 001
http://hooghlydock.gov.in

The Company

Hooghly Dock & Port Engineers Ltd. (HDPEL) was incorporated in the year 1984 with the objective of acquiring the business of the Hooghly Docking and Engineering Co. Ltd., one of the oldest shipyards established in private sector in India, under the Hooghly Docking and Engineering Co. Ltd. (Acquisition and Transfer of Undertakings) Act, 1984.

HDPEL is a Schedule-‘C’ sick BRPSE referred CPSE in Transportation Equipment sector under the administrative control of M/o Shipping, Road Transport & Highways, D/o Shipping with 100% shareholding by the Government of India. The company employed 420 regular employees (Executives 40, Non-Executives 380) as on 31.3.2013. Its registered and Corporate offices are at Kolkata, West Bengal.

Industrial / Business Operations

HDPEL is engaged in shipbuilding and ship repairing through its 2 operating units at Salkia and Nazirgunge in Howrah, West Bengal. Both the units have the potential for construction of various types of ships, tugs, crafts, dredgers, floating dry docks, fire flot, mooring launches, fishing trawlers, pontoons and sophisticated vessels like offshore platform, supply-cum-support vessels, multipurpose harbour vessels, grab hopper dredger, lighthouse tender vessels, oil pollution control vessels etc.

The yard has the capacity to build vessels of about 400-500 passenger cum cargo carrying capacity and also 300 ton capacity Cargo Vessels. The Company also undertakes repair of vessels at KOPT Dry Docks from an outfit adjacent to Kidderpore Dock complex of Kolkata Port Trust.

Performance Highlights

The company has not provided any information on its physical parameters during last three years. Total Revenue of the company registered a reduction of ₹ 582.35 crore during 2012-13, which went down to ₹ 28.26 crore in 2012-13 from ₹ 633.68 crore in 2011-12 due to fall in other income. The company has shown a loss of ₹ (-) 39.84 crore in 2012-13 as against a profit of ₹ 421.14 crore in previous year due to increase in operating expenses.

The current ratio of company is at 0.34:1 during 2012-13 as against 0.38:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

BRPSE recommended for revival of the company as a Public Sector Enterprises on 22.6.2007. Government approved the revival plan on October 13, 2011. Cash assistance includes non plan support, non cash assistance include waiver of loans, waiver of interest, waiver of penal interest and budgetary support for VRS etc.

**Note:** All figures are in Lakhs.
The Company

Hooghly Printing was incorporated on 03.01.1922 with the objective to cater to the printing and stationery requirements of Andrew Yule Group of Companies.

Hooghly Printing is a schedule ‘B’ CPSE in the Consumer Goods sector under the administrative control of Ministry of Heavy Industry & Public Enterprises, Department of Heavy Industry. The Company employed 53 regular employees (Executives 7, Non-executives 46) as on 31.03.2013. Its Registered and Corporate Offices are at Kolkata, West Bengal. Hooghly Printing is a 100% Subsidiary of Andrew Yule & Co. Ltd.

Vision / Mission

The Vision/ Mission of the company is to make the company a category ‘A’ printer in the eastern region.

Industrial / Business Operations

Hooghly Printing is a taken over subsidiary enterprise engaged in multi color offset printing on paper / paper board in its Press at Kolkata. The Company also prints material for its customers, customized as per their requirement. The company has been registered under the Micro, Small and Medium Enterprises Act. 2006. The company has ISO 9001:2008 certification.

Performance Highlights

The physical performance of Company for last three years is given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>
<tbody>
<tr>
<td>Printed articles</td>
<td>No. of Jobs completed</td>
<td>345</td>
<td>256</td>
<td>271</td>
</tr>
</tbody>
</table>

Total Revenue from of the company registered a reduction of ₹ 6.29 crore during 2012-13, which went down to ₹ 9.53 crore in 2012-13 from ₹ 15.82 crore in 2011-12. The profit of the company has also gone down by ₹ 0.39 crore to ₹ 0.08 crore in 2012-13, from ₹ 0.47 crore in previous year due to the fact that major portion of the orders executed consisted of jobs where paper was supplied by the customers.

The current ratio of company is at 1:1 during 2012-13 as against 0.99:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The Company was incorporated mainly for the purpose of catering to the printing and stationery requirements of the Companies under the “Andrew Yule Group”. Such captive requirements were drastically reduced with the nationalization of the company. Thereafter the Company had to look for the outside jobs for its survival.

**HOOGHLY PRINTING COMPANY LTD.**
The Company

Hotel Corporation of India Ltd. (HCI) was incorporated on 08.07.1971 with the objective to carry on the business of Hotels and Flight Catering Services. The company was incorporated as a wholly owned subsidiary of Air India Ltd.

HCI is a Schedule-‘C’ CPSE in Tourist Services sector under the administrative control of M/o Civil Aviation. The company employed 1405 regular employees (Executives 81 & Non-Executives 1324) as on 31.3.2013. Its registered office is at Mumbai, Maharashtra and corporate office is at IGI Airport, New Delhi.

Industrial / Business Operations

HCI is engaged in providing services in the field of hotel and On Board air catering through its 2 Hotels at Delhi (Centaur) and Srinagar (Centaur Lake view). The company is also running two flight catering units at Delhi and Mumbai by the name of Chef-air.

Performance Highlights

The company has provided provisional figures. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Product / Services</th>
<th>Unit</th>
<th>Performance during</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>2012-13</td>
</tr>
<tr>
<td>Room Sales</td>
<td>in Crore</td>
<td>45.28</td>
</tr>
<tr>
<td>Capacity Utilization</td>
<td>In %</td>
<td>47%</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 11.37 crore during 2012-13, which went down to ₹ 46.37 crore in 2012-13 from ₹ 57.74 crore in 2011-12. The loss of the company has gone up by ₹ 14.33 crore to ₹ (-) 35.62 crore in 2012-13, from ₹ (-) 21.29 crore in previous year due to decrease in the turnover and increase in operational expenses.

The current ratio of company is at 0.42:1 during 2012-13 as against 0.67:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

As per the “in principle” sanction received from the M/o Civil Aviation, the company is in the process of handing over the running of its two Units i.e. Centaur Lake View Hotel, Srinagar and Chefair Flight Catering, Mumbai to professionals on Management Contract.

The Company

Housing & Urban Development Corporation Ltd. (HUDCO) was incorporated on 25.4.1970 with the objective of providing long-term finance for the construction of houses for residential purposes or financing or undertaking housing and urban development programs in the country, setting up of new or satellite towns and industrial enterprises of building material, to subscribe to debentures and bonds to be issued by the State Housing (and/or Urban Development) Boards, Improvement Trusts, Development Authorities etc. specially for the purpose of housing and urban development programs and to promote, establish, assist, collaborate and provide consultancy services for the projects of designing and planning of works relating to housing and development programmes in India and abroad.

It is a Schedule-‘A’ Mini-Ratna CPSE in financial services sector under the administrative control of Ministry of Housing and Urban Poverty Alleviation with 100% shareholding by the Government of India. The company employed 948 regular employees (Executives – 684 & Non-Executives – 264) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the Company is to promote sustainable habitat development to enhance quality of life.

The Mission of the Company is To be among the world’s leading knowledge hubs and financial facilitating organisations for habitat development.

Industrial / Business Operations

The main activity of the company is to provide Housing finance and Urban infrastructure finance. HUDCO also provide consultancy services in the field of urban and regional planning, design and development, environmental engineering, social development, government programmes and others. HUDCO’s business is supported by capacity building activities through HSMI, and alternative building materials and cost-effective technology promotion.

HUDCO has a pan-India presence through its wide network of zonal, regional and development offices. Company has 20 operational units at all over India. The company has 4 joint ventures (JV) in infrastructure development sector with share holding ranging from 26% to 40%.

Performance Highlights

The performance of Company for last three years is given below:

Total Revenue of the company registered an increase of ₹ 144.61 crore during 2012-13, which went up to ₹ 2923.24 crore in 2012-13 from ₹ 2778.63 crore in 2011-12 due to increase in the portfolio. The profit of the company has gone up by ₹ 70.23 crore to ₹ 700.56 crore in 2012-13, from ₹ 630.33 crore in previous year due to increase in the operating income.

The current ratio of company is at 0.81:1 during 2012-13 as against 1.04:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

HUDCO in its efforts to create a sustainable Habitat Development supported new and innovative initiatives. Few of them are as follows.

Micro Finance for Housing – HUDCO to take an equity investment of Rs. 1 crore in the new Housing Finance Company - SEWA Grih Rin (SGR), would ensure financial inclusion of the women members of SEWA, who are unable to avail home loans through the formal lending mechanism.

Partnering Delhi-Mumbai Industrial Corridor – HUDCO has subscribed Rs.19.9 crore (19.90%) of the equity capital of DMIC Development Corporation Ltd. (DMICDC), towards availing business opportunities from the State Governments along the DMIC in financing of land acquisition, new township development and related infrastructure projects.

Venture Capital - HUDCO, with a subscription of Rs. 25 Crore in Class A units of India Inclusive Innovation Fund, will invest in the enterprises involved in the housing and urban development sector.

Infrastructure Debt Fund - HUDCO has approved Subscription of up to Rs 50 crore to the Units of Infrastructure Debt Fund (IDF) launched by IIFCL. HUDCO through IDF would further support the country’s infrastructure needs through long term innovative financing.

The Company
HPCL Biofuels Ltd. (HBL) was incorporated on 16-10-2009 as a wholly owned subsidiary of Hindustan Petroleum Corporation Limited (HPCL) to set up integrated sugar, ethanol & co-gen power plants at Sugauli in East Champaran district and Lauriya in West Champaran district.

HBL is an un-categorized CPSE in Agro-Based Industries Sector under the administrative control of Ministry of Petroleum & Natural Gas. The company employed 183 regular employees (Executives 53 & Non-Executives 130) as on 31.3.2013. Its Registered and Corporate offices are at Patna, Bihar.

Vision / Mission
The Vision of the Company is to follow the best practices to manufacture ethanol by setting up of Integrated Sugar, Ethanol and Co-gen Plant with zero effluent discharge and under clean development mechanism through renewable energy thereby contributing to protection of environment and for economic growth of the community at large.

The Mission of the Company is to become a leader and pioneers in the sugar industry by producing Ethanol directly from Sugarcane juice. The ethanol produced will be sold to Oil Marketing Companies for blending in petrol thereby, helping the nation in substantial savings in foreign exchange.

Industrial / Business Operations
HBL engaged in production of Sugar, Ethanol and Power Generation. The Co-gen power plants at Sugauli in East Champaran district and Lauriya in West Champaran have crushing capacity of 3500 TCPD, Distillery capacity 60 KLPD and Co-gen capacity of 20 MW. 50% juice will be converted to Sugar and 50% juice will be converted to Ethanol.

Performance Highlights
Commercial production has commenced during 2011-12. The physical performance of the company for the year is given below:

<table>

Total Revenue of the company registered an increase of ₹ 85.51 crore during 2012-13, which went up to ₹ 92.05 crore in 2012-13 from ₹ 6.54 crore in 2011-12 due to higher crushing was achieved during the year. However, the loss of the company has gone up by ₹ 103.62 crore to ₹ (-) 147.22 crore in 2012-13, from ₹ (-) 43.60 crore in previous year due to higher incidence of interest and depreciation.

The current ratio of company is at 0.61:1 during 2012-13 as against 0.37:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
Currently, Oil Industry is blending 5% Ethanol with MS (Motor Spirit) and marketing in 20 notified States and 4 Union Territories. Government of India is planning to introduce 10% blended MS in the country in near future and Pilot Project is being implemented at two locations namely Aonla (Bareilly in UP) and Desur (in Karnataka).

The Co-gen power plan will operate on biomass fuels, the exportable power qualifies for emission trade under Clean Development Mechanism (CDM) of the Kyoto Protocol. The carbon credits thus generated will be sold in the international market and the revenue generated will enhance the commercial viability of the proposed integrated project to a sizeable extent.

Total Revenue of the company registered a reduction of ₹ 72.31 crore during 2012-13, which went down to ₹ 876.68 crore in 2012-13 from ₹ 948.99 crore in 2011-12 due to reduction in market share of telecom PSUs and major orders could not be finalized. However, the loss of the company has also gone down by ₹ 187.74 crore to ₹ (-) 182.06 crore in 2012-13, from ₹ (-) 369.80 crore in previous year due to reduction in operating expenses.

The current ratio of company is at 0.39:1 during 2012-13 as against 0.79:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

All along ITI has been predominantly dependent on BSNL and MTNL and concentrated in telecom business only. Due to fast change of technologies and very week in-house R&D of ITI there is hardly any product of its own in the global market. Accordingly, ITI is putting thrust on diversified businesses including defence products. The company is focusing on the National Population Register (NPR) project and is also expecting a good business in the Unique Identification (UID) project. ITI is pursuing potential in the areas trends like Nest Generation Network (NGN), Long term Evaluation (LTE), Carrier Ethernet, Software Defined Radio (SDR), National ID Card Manufacturing, G-PoN (Gigabit Passive Optical Network) with C-DoT Technology for National Optical Fiber Network (NOFN), Network for Spectrum (NFS) and others, ASCON phase IV for Indian Army, LED lighting products.

The company was declared sick by BIFR with effect from 31.3.2004 and Draft Rehabilitation Scheme (DRS) was prepared by ITI Ltd., which is under active consideration of the Government.

- Avg. Monthly Emoluments per Employee: 38431
The Company

IDPL (Tamilnadu) Ltd. (IDPL-TN) was incorporated in 1994 with the objective of manufacturing surgical Instruments, Drugs, hospital Equipments and aids and appliances for handicapped persons. It was established as a wholly owned subsidiary of the Indian Drugs & Pharmaceuticals Ltd. (IDPL).

IDPL (Tamilnadu) Ltd. is an uncategorised CPSE in Medium & Light Engineering sector under the administrative control of M/o Chemicals and Fertilizers, Department of Pharmaceuticals. The company employed 111 regular employees (Executives 9 and Non-executives 102) as on 31.3.2013. Its Registered and Corporate offices are at Chennai, Tamilnadu.

Vision / Mission

The objectives of the company is to produce Medicines for Millions – at affordable prices.

Industrial / Business Operations

The company is involved in production of Tablets and Capsules. Originally it was an Engineering unit for producing Surgical Instruments. Later on it diversified into other activities like manufacturing of Hospital Equipment Tricycles, Wheel Chair and Aids & Appliances for the differently abled persons. However due to various reasons the Surgical Instruments Division was shut down in 2001. Now only Human Formulations are produced.

Performance Highlights

The company has provided provisional information. At present the entire production is against the purchase orders procured from its parent company i.e. IDPL and sold through its distribution channels. The orders received are only from Government Institutions / Agencies. The physical performance of Company for the last three years is given below:

</tbody>
</table>

The Company registered an increase of ₹ 6.00 crore in total revenue during 2012-13 which went up to ₹ 13.44 crore in 2012-13 from ₹ 7.44 crore during 2011-12. The net loss of the company however increased to ₹ (-) 3.41 crore, an increase of ₹ 3.05 crore from previous year’s loss of ₹ (-) 0.36 crore due to increase in operating expenses but supplies being made at rates fixed in 2006 and stiff competition.

Strategic issue

The restructuring proposal for merger of IDPL-TN with holding company IDPL is before the Group of Ministers, GoI for approval.

Due to shortage of technical staff no new molecules have been introduced over the years which would have offered better margins to the company.

**Public Enterprises Survey 2012-2013 : Vol-II**
The Company

India Infrastructure Finance Company Limited (IIFCL) was incorporated on 5.1.2006 as a Special Purpose Vehicle (SPV) with the objective of providing financial assistance and acting as a financial intermediary for the purpose of development and establishment of infrastructure projects in India.

The company is an un-categorised CPSE in Financial Services sector under the administrative control of M/o Finance, D/o Financial Services with 100% shareholding by the Government of India. The company employed 52 regular employees (Executives 51 & Non-Executives 1) as on 31.3.2012. Its Registered and Corporate offices are at New Delhi and two regional offices at Mumbai and Hyderabad.

Vision / Mission

The Vision of the Company is to provide innovative financing solutions to promote and develop world class infrastructure in India. The Mission of the Company is to adopt best practices in financing infrastructure and develop core competencies in facilitating infrastructure development; develop a team of highly engaged employees to deliver services in a professional manner and to the satisfaction of all stakeholders.

Industrial / Business Operations

IIFCL is providing long term financial assistance to various viable infrastructure projects in the country in terms of the Scheme for Infrastructure Financing. Apart from equity, IIFCL raises long term debt from the domestic market, debt from bilateral and multilateral institutions and in foreign currency through external commercial borrowings. The borrowings of the company are backed by sovereign guarantee.

The infrastructure projects include road and bridges, railway, seaport, airports & other transport projects, power, urban transport, water supply, sewerage, solid waste management, gas pipeline, projects in special economic zones etc. Only an infrastructure project implemented by a Public Sector Company or Private sector company under Public Private Partnership (PPP) through a Project Company set up on a ‘non resource’ basis shall be eligible for financing by IIFCL.

The company has two wholly owned subsidiaries namely IFCL Projects Ltd. and IFCL Asset Management Company Ltd. The company also has one off-shore wholly owned subsidiary, namely IIFC (UK) Ltd. in London.

Performance Highlights

The physical performances of the company for last three years are given below:

</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 742.84 crore during 2012-13, which went up to ₹ 3287.44 crore in 2012-13 from ₹ 2544.60 crore in 2011-12. The profit of the company has also gone up by ₹ 461.16 crore to ₹ 1046.99 crore in 2012-13, from ₹ 585.83 crore in previous year. Profit has been increased mainly due to increase in the Turnover and Other income & curtail in Salary & Wages and Other Operating/direct/manufacturing Expenses.

The current ratio of company is at 1.29:1 during 2012-13 as against 2.89:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company initiated the task of developing schemes such as Takeout Finance, Credit Enhancement, Infrastructure Debt Fund and Direct lending Consortium aimed at providing an alternative source of funding to the infrastructure sector which simultaneously will help banks to manage their constraints related to Asset liability Mismatch and Exposure Norms.

In order to give thrust to conceptualization and setting up of innovative, optimum and commercially viable projects for bridging the gap in need of infrastructure, IIFCL has set-up 3 wholly-owned subsidiaries in India and abroad.

The Company

India Trade Promotion Organisation (ITPO) was incorporated on 30.12.1976 with the objective to merge Trade Development Authority (TDA), a Registered Society, under the administrative control of the Ministry of Commerce & Industry with The Trade Fair Authority of India (TFAI) with effect from 1st January, 1992. TFAI was earlier incorporated, under Section 25 of the Indian Companies Act, 1956, on 30th December, 1976 by amalgamating three organizations of the Government of India viz. India International Trade Fair Organization, Directorate of Exhibitions and Commercial Publicity and Indian Council of Trade Fairs and Exhibitions and commenced operations with effect from 1st March, 1977.

ITPO is a Schedule-’B’ Miniratna CPSE in Trading & marketing sector under the administrative control of M/o Commerce and Industry, D/o Commerce with 100% shareholding by the Government of India. The company employed 1005 regular employees (Executives 173, Non-executives 832) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi. The four Regional Offices of ITPO are located in Mumbai, Kolkata, Chennai and Bangalore.

Vision/Mission

The Vision of the company is to be a leader amongst world class trade promotion organizations leveraging India’s strengths internationally. Rapid growth in India’s share of global trade and investments, quality of services and customer satisfaction is be the touchstone of success.

The Mission of the company is to promote, facilitate, encourage and coordinate various activities and programmes to enhance India’s share of export through trade in goods.

Industrial / Business Operations

ITPO is engaged in providing services in promotion / facilitation of trade through organizing / participating in trade fairs in India and abroad thereby increasing India’s exports. It has four regional offices. The company has two subsidiaries namely Karnataka Trade Promotion Organisation and Tamil Nadu Trade Promotion Organisation with share holding of 51% in each of them. ITPO also has a 50:50 Joint Venture namely ‘National Centre for Trade Information’ (NCTI) along with the National Informatics Centre (NIC). The service range of the company comprises of letting out the exhibition halls and convention centre to organize exhibitions, trade fairs and trade development and promotion through specialized programmes such as Buyers-Seller Meets and coordination of business delegations etc.

Indian Drugs and Pharmaceuticals Ltd.
IDPL Complex, Delhi-Gurgaon Road, Dundahera, Gurgaon, Haryana - 122 016
www.idpl.gov.in

The Company

Indian Drugs and Pharmaceuticals Ltd. (IDPL) was incorporated on 5.4.1961 with the objective to create self-sufficiency in respect of essential lifesaving medicines in order to free the country from dependence on imports and to provide medicines at affordable prices.

IDPL is a Schedule-‘B’ / BIFR / BRPSE referred CPSE in Chemicals & Pharmaceuticals sector under the administrative control of M/o Chemicals and Fertilizers, D/o Pharmaceuticals with 100% shareholding by the Government of India. The company employed 212 regular employees (Executives 90 and Non-executives 122) as on 31.3.2013. Its Registered and Corporate offices are at Gurgaon, Haryana.

Mission/Vision/Objectives

The objective of the company is to produce medicines for millions at affordable prices. It has been in the forefront meeting the requirements of the health needs of the country. It has also risen to the emergency requirements during Natural Disasters like flood/cyclones/outbreak of epidemics etc.

Industrial / Business Operations

IDPL is involved in the production and marketing of drugs / formulations through its 3 units at Rishikesh in Uttarakhand, Hyderabad in Andhra Pradesh and Gurgaon in Haryana.

The company has currently two operating subsidiaries in the states of Tamil Nadu and Orissa in collaboration with the respective State Government Industrial Development Corporations namely IDPL (TN) Ltd. and Orissa Drugs & Chemicals Ltd.

Rajasthan Drugs & Pharmaceuticals Ltd. was a subsidiary of IDPL. However as per revival plan of RDPL, 51% equity shares held by IDPL in the share capital of the RDPL was transferred to President of India on 17.08.10. Further allotments of equity shares worth 200 lakhs and 192 lakhs were made to the President of India and Rajasthan Industrial Development and Investment Corporations (RIICO Ltd.). 51% of equity is now held by GOI and 49% by RIICO Ltd, respectively and RDPL is no longer a subsidiary of IDPL. The Bihar Drugs & Organic Chemicals Ltd. (BDOCL), also a subsidiary of IDPL, is under liquidation.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>

</tbody>
</table>

The company has provided provisional figures. Total Revenue of the company registered an increase of ₹ 11.64 crore during 2012-13, which went up to ₹ 76.09 crore in 2012-13 from ₹ 64.45 crore in 2011-12 due to increase in sales turnover. The loss of the company has gone down by ₹ 250.30 crore to ₹ (-) 239.58 crore in 2012-13, from ₹ (-) 489.88 crore in previous year due reduction in finance cost.

The losses are mainly due to increase in the operating expenses, stiff competition from various manufacturers, ever increasing input cost but supplies being made at rates fixed in August 2006, consequently shortage of technical staff no new molecules have been introduces over the years which would have offered better margins.

Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The company is referred to BIFR and BRPSE. The first revival package had failed and the 2nd revival package is yet to be approved. BRPSE recommended for revival as a CPSE on 9.3.2007, inter alia, with revival package of ₹ 3222.76 crores (cash assistance of 361 crores and non-cash assistance of ₹ 2861.76 crores) from Government of India and also merger of its subsidiaries viz. IDPL (Tamil Nadu) Ltd., Chennai & Bihar Drugs & Organic Chemicals Ltd., Muzaffarpur, Bihar into IDPL. Based on recommendations of BRPSE, revival proposal was submitted to Cabinet. It was decided to refer the proposal to GoM. Based on the suggestion of GoM, a Consultant was appointed for preparation of revival plan. Based on the report of the Consultant, a revival plan sent by the Company is under consideration of the Ministry.

2012-13 PROVISIONAL
Indian Medicines Pharmaceutical Corp. Ltd.
Mohan, (Via) Ramnagar Div. Almora Uttarakhand - 244 715
www.impclmohan.nic.in

The Company
Indian Medicines Pharmaceutical Corp. Ltd. (IMPCL) was incorporated on 12.7.1978 with the objective to manufacture Ayurvedic, Unani and Siddha Medicines on the basis of classical principles and approved formulae both in domestic and international Market.

IMPCL is a Schedule-‘D’ Miniratna CPSE in Chemicals & Pharmaceuticals sector under the administrative control of the M/o Health and Family Welfare, D/o AYUSH with 97.61% shareholding by the Government of India. The remaining equity holding is with state Government of Uttarakhand. The company employed 144 regular employees (Executives 08 & Non-Executives 136) as on 31.3.2013. Its Registered and Corporate offices are at Mohan (Almora) in Uttarakhand.

Vision / Mission
The Vision of the company is to become the best Ayurvedic and Unani Medicines manufacturing company in India and contribute to health care through excellence in performance, total customer satisfaction and improved technologies.

The Mission of the company is to make available authentic, classical Ayurvedic and Unani medicines and enhance capacity portfolio covering nutraceuticals, health supplements and cosmetics based on herbs.

Industrial / Business Operations
IMPCL is involved in production of Ayurvedic and Unani Medicines through its single operating unit at Mohan (Almora), Uttarakhand. The installed capacity of the plant is 179 nos. of Ayurvedic and 79 nos of Unani Medicines. Total products (around) Ayurvedic - 185 and Unani – 100.

The company has one sale counter at Janakpuri, New Delhi. The Company also has one financial Joint Venture with K.M.V.N. Ltd. (a Uttarakhand State Public Sector Undertaking).

Performance Highlights
The company has provided provisional figures. The average capacity utilization for all the products / services of the company was 80.15% during 2012-13. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>

<tr>
<td>Ayurvedic &amp; Unani Medicines</td>
<td>Kg./Ltr.</td>
<td>653629</td>
<td>642387</td>
<td>661392</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 5.95 crore during 2012-13, which went up to ₹ 32.25 crore in 2012-13 from ₹ 26.30 crore in 2011-12. The profit of the company has gone up by 2.94 crore to ₹ 4.46 crore in 2012-13, from ₹ 1.52 crore in previous due to increase in operating income and other incomes.

The current ratio of company is at 2.87:1 during 2012-13 as against 2.74:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
The drug licence of the company from licensing authority (G.M.P. Certificate renewed upto 09.06.2015) (Drug licence renewed upto 31.12.2015) is up to 2015.

In view of difficulties faced in procuring standard Ayurvedic and Unani medicines by C.G.H.S. etc., and related Govt. Deptt., the Government of India earlier felt need of having a manufacturing unit under its own control, and Company was set up with the objectives to supply medicines to the Central Government Hospitals and Central Government Research Units all over India (C.C.R.A.S., C.C.R.U.M. etc.) besides sales in the open Market. The Company had appointed certain Stockists /agents in different States in India.

Indian Oil Corporation Ltd.
G-9, Ali Yavar Jung Marg, Bandra (East) Mumbai, Maharashtra – 400 051
www.iocl.com

The Company
Indian oil Corporation Ltd. (IOC) was incorporated on 01.09.1964 by
the merger of Indian Refineries Ltd. (established in 1958) and Indian Oil
Company (established in 1959). In 1981 Assam Oil Company Ltd. was
also merged with IOC. The objective was to serve the national interest
in Oil and related sectors in accordance with Government Policies, to
ensure continuous and smooth supplies of petroleum products and to
enhance country’s self-sufficiency in oil refining.
IOC is a schedule ‘A’ Maharatna listed CPSE in petroleum (Refining
and marketing) sector under the administrative control of M/o Petroleum
and Natural Gas with 78.92% shareholding of Central Government.
Its registered office is at Mumbai, corporate office and Refineries
Head Office are in New Delhi. The company employed 34084 regular
employees (executives 14981, Non Executives 19103) as on 31.03.2013.

Vision/ Mission
The Vision / Mission of the Company has been designed with two
dimensions, in view, namely, Indian Oil to be the Energy of India and
to be a Globally Admired Company. The aspiration of the company to
dominate the refining sector in the world is currently being achieved by
becoming a globally admired company.

Industrial / Business Operations
IOC is a major player in the field of petroleum refining, pipeline
transportation of crude and petroleum products, marketing of petroleum
products, research & development, blending and production of
Lubricants. In pursuit of creating a diversified business profile, IOC
is steadily integrating its business downward into petrochemicals and
upward into E&P. Besides this, it has entered into other energy fields such
as biofuels, gas, wind power, solar and nuclear.

IOC has eight refineries at Guwahati, Bongaigaon & Digboi (Assam),
Barauni (Bihar), Gujarat (Koyali, Vadodara), Haldia (West Bengal),
Mathura (UP) and Panipat (Haryana) with a combined capacity of 54.2
MMTPA (31.03.2013). Its marketing network is spread across the length
and breadth of the country. IOC has a pipeline network of over 11200
KM. The company has 7 subsidiary companies of which 5 are outside
the country and has 19 JVs in the field of Petroleum and Petrochemicals.
The two Indian subsidiaries are Chennai Petroleum Corporation Ltd. and
Indian oil Creda Biofuels Ltd. with a shareholding of 51.89% and 74%
respectively.

Performance Highlights
Indian oil refineries achieved overall capacity utilization of more than
100% during FY 2012-13. The physical performance of the Company for
last three years is given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>Performance during 2011-12</th>
<th>Performance during 2010-11</th>
</tr>
</thead>
<tbody>

</tr>
<tr>
<td>Sale of Products</td>
<td>MMT</td>
<td>76.24</td>
<td>75.66</td>
<td>72.92</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 48935.52 crore
during 2012-13, which went up to ₹ 450661.20 crore in 2012-13 from ₹ 401675.68 crore in 2011-12. The profit of the company has also gone up
by ₹ 1050.55 crore to ₹ 5005.17 crore in 2012-13, from ₹ 3954.62 crore
in previous year due to increase in the turnover and other incomes.

The Government sanctioned budgetary support of ₹ 53278.07 crore
to meet out the losses due to under-recoveries of HSD, SKO(PDS)
& LPG(DOM) and Rs.1782.24 crore towards subsidy schemes on
LPG(Dom) and SKO(PDS) and freight subsidy for far flung areas. In
addition to budgetary support, the corporation received Discount from
upstream companies of Rs.31966.84 crore against the under-recoveries
on sale of HSD, SKO (PDS) & LPG (DOM).

The current ratio of company is at 1.03:1 during 2012-13 as against
0.94:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss
Account of the company and selected financial ratios during the period
2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
Indian Oil is augmenting its refining capacity by setting up a 15 MMTPA
refinery at Paradip Odisha. The unit will be highly complex and
configured to process 100% HS including 40% Heavy Crude for better
Profitability.

In recent years, the rapid growth in Indian Economy has increased
its appetite for petrochemicals, but per capita consumption still
continues to be way below the world average. IOC has been making
investments to garner growth opportunities in this space and move up the
petrochemicals value chain. The Corporation is currently implementing
its first 5 MMTPA LNG import and re-gasification terminal at Ennore
near Chennai, which will be the gateway for entry of natural gas into the
Southern Indian market.

Indian Oil Corporation Ltd.
G-9, Ali Yavar Jung Marg, Bandra (East) Mumbai, Maharashtra – 400 051
www.iocl.com

The Company
Indian oil Corporation Ltd. (IOC) was incorporated on 01.09.1964 by the merger of Indian Refineries Ltd. (established in 1958) and Indian Oil Company (established in 1959). In 1981 Assam Oil Company Ltd. was also merged with IOC. The objective was to serve the national interest in Oil and related sectors in accordance with Government Policies, to enhance country’s self-sufficiency in oil refining.

IOC is a schedule ‘A’ Maharata listed CPSE in petroleum (Refining and marketing) sector under the administrative control of M/o Petroleum and Natural Gas with 78.92% shareholding of Central Government. Its registered office is at Mumbai, corporate office and Refineries Head Office are in New Delhi. The company employed 34084 regular employees (executives 14981, Non Executives 19103) as on 31.03.2013.

Vision / Mission
The Vision / Mission of the Company has been designed with two dimensions, in view, namely, Indian Oil to be the Energy of India and to be a Globally Admired Company. The aspiration of the company to become a globally admired Company is facilitated by initiating action on the six vision elements of Ethics, People, Innovation, Environment, Technology and Customers.

Industrial / Business Operations
IOC is a major player in the field of petroleum refining, pipeline transportation of crude and petroleum products, marketing of petroleum products, research & development, blending and production of Lubricants. In pursuit of creating a diversified business profile, IOC is steadily integrating its business downward into petrochemicals and upward into E&P. Besides this, it has entered in other energy fields such as biofuels, gas, wind power, solar and nuclear.

IOC has eight refineries at Guwahati, Bongaigaon & Digboi (Assam), Barauni (Bihar), Gujarat (Koyali, Vadodara), Haldia (West Bengal), Mathura (UP) and Panipat (Haryana) with a combined capacity of 54.2 MMTPA (31.03.2013). Its marketing network is spread across the length and breadth of the country. IOC has a pipeline network of over 11200 KM. The company has 7 subsidiary companies of which 5 are outside the country and has 19 JVs in the field of Petroleum and Petrochemicals. The two Indian subsidiaries are Chennai Petroleum Corporation Ltd. and Indian oil Creda Biofuels Ltd. with a shareholding of 51.89% and 74% respectively.

Performance Highlights
Indian oil refineries achieved overall capacity utilization of more than 100% during FY 2012-13. The physical performance of the Company for last three years is given below:

<table>
<thead>
<tr>

Total Revenue of the company registered an increase of ₹ 48935.52 crore during 2012-13, which went up to ₹ 450661.20 crore in 2012-13 from ₹ 401675.68 crore in 2011-12. The profit of the company has also gone up by ₹ 1050.55 crore to ₹ 5005.17 crore in 2012-13, from ₹ 3954.62 crore in previous year due to increase in the turnover and other incomes.

The Government sanctioned budgetary support of Rs.53278.07 crore to meet out the losses due to under-recoveries of HSD, SKO(PDS) & LPG(DOM) and Rs.1782.24 crore towards subsidy schemes on LPG(Dom) and SKO(PDS) and freight subsidy for far flung areas. In addition to budgetary support, the corporation received Discount from upstream companies of Rs.31966.84 crore against the under-recoveries on sale of HSD, SKO (PDS) & LPG (DOM).

The current ratio of company is at 1.03:1 during 2012-13 as against 0.94:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
Indian Oil is augmenting its refining capacity by setting up a 15 MMTPA refinery at Paradip Odisha. The unit will be highly complex and configured to process 100% HS including 40% Heavy Crude for better Profitability.

In recent years, the rapid growth in Indian Economy has increased its appetite for petrochemicals, but per capita consumption still continues to be way below the world average. IOC has been making investments to garner growth opportunities in this space and move up the petrochemicals value chain. The Corporation is currently implementing its first 5 MMTPA LNG import and re-gasification terminal at Ennore near Chennai, which will be the gateway for entry of natural gas into the Southern Indian market.

Indian Railway Catering & Tourism Corporation Ltd.

9th Floor, banl of Baroda Building, Parliament Street, New Delhi 110001
www.irctc.com

The Company
IRCTC was incorporated on 27.09.1999 under the Companies Act, 1956 with an objective to strengthen railways marketing and service capabilities in the areas of rail catering, tourism and passengers amenities.

IRCTC is a schedule –“B” CPSE in the tourism service sector under the administrative control of Ministry of Railways with 100% shareholding of Government of India. The company employed 1718 regular employees (Executives - 967 & Non-Executives - 751) as on 31.3.2013. It’s registered and Corporate Office is at New Delhi.

Vision / Mission
The Vision of the Company is to be the leading provider of high quality travel, tourism and hospitality related services, for a range of customer segments, with consistently high level of customer satisfaction.

Industrial / Business Operations
IRCTC is mainly involved in enhancement of customer services and facilitation in catering, passenger ticketing through latest technology, hospitality, travel and tourism with best industry practices and production of packaged drinking water. The Company operates through its three Rail Neer bottling plants at Nangloi (Delhi), Danapur (Patna) and Palur (Chennai), one central Kitchen at Noida, five Zonal Offices, ten Regional Offices and one Internet Ticketing Office (New Delhi).

Performance Highlights
The average capacity utilization for all the products of the company was 89.45% during 2012-13 as against 89.33% during previous year. As on 31.3.2013 there was only one running project. The physical performances of the company for last three years are given below:

The Company

Indian Railway Finance Corporation Ltd. (IRFC) was incorporated on 12th December, 1986 as a Public Financial Institution notified under Section 4A of the Companies Act, 1956. It is NDFC-ND-Infrastructure Finance Company notified under section 45-1A of the Reserve Bank of India Act, 1934.

IRFC is a Schedule ‘B’ CPSE in the financial service sector under the administrative control of Ministry of Railways with 100% shareholding of Government of India. The company employed 19 regular employees (executives 8, non-executives 11) as on 31.3.2013. It’s registered and Corporate Office is at New Delhi.

Vision / Mission

The Vision of the Company is to establish IRFC as a premier Financial Services Company, create synergies with the Ministry of Railways, select CPSEs & other entities for sustained growth in creation of Rail infrastructure and enhance shareholders value through optimization of profitability, retaining a risk profile consistent with its symbiotic relationship with the Ministry.

The Mission of the Company is to make IRFC as one of the leading Financial Service Company in the country, for raising funds from the capital market at competitive cost, for augmenting railway plan finances, duly ensuring that the Corporation makes optimum profits from its operations.

Industrial / Business Operations

Indian Railway Finance Corporation is the market borrowing arm of Ministry of Railways (MoR). The Annual Plan Outlay of MOR, as indicated in the Railway Budget, is met through three sources namely Internal Generation, Budgetary Support from the Ministry of Finance and Extra Budgetary Resources (EBR) Requirements. IRFC is a Special Purpose Vehicle set up to meet the EBR of the Indian Railways.

Each year, MoR notifies IRFC regarding the Annual Borrowing target. After receiving the annual borrowing target from MoR, IRFC taps both the domestic and overseas financial market and transfer the funds to MOR. The funds transferred by IRFC to MOR are used for procurement of Rolling Stock Assets including wagons, coaches and locomotives which are leased out to Railways through a 30 years financial lease agreement executed with them. Till date, IRFC has created Rolling Stock assets worth 97,482 Crore for Indian Railways.

Performance Highlights

Total Revenue of the company registered an increase of `908.43 crore during 2012-13, which went up to `5551.54 crore in 2012-13 from `4643.11 crore in 2011-12. The profit of the company has also gone up by `40.79 crore to `521.57 crore in 2012-13, from `480.78 crore in previous year due to increase in the Turnover and other income. The growth in profit is attributed to effective fund management.

The current ratio of company is at 0.62:1 during 2012-13 as against 1.15:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

For the year 2012-13, IRFC was given a borrowing target of `14900 crore. The company was able to meet the target at the rate of 8.12% p.a. Authorization for issue of tax frr bonds worth `60,000 crore was given to Government agencies including IRFC whose share was `10,000 crore. IRFC was able to mobilise the highest amount of `6916.04 crore which constitutes 39% of the total amount mobilized by all the issuers. IRFC make constant endeavour to reduce its cost of borrowing through financial restructuring / re-engineering.

The Company

Indian Renewable Energy Development Agency Limited (IREDA) was incorporated on 11.03.1987 with an objective to finance and promote investment in renewable energy sources.

IREDA is a Schedule-‘B’ CPSE in Financial Services sector under the administrative control of Ministry of New and Renewable Energy with 100% shareholding by the Government of India. The company employed 129 regular employees (Executives 94, Non executives 35) as on 31.3.2013. Its Registered and Corporate offices are in New Delhi.

Vision/Mission

The vision of IREDA is to maintain its position as a leading organization to provide efficient and effective financing in Renewable Energy, Energy Efficiency/Conservation sector in the country.

The Mission of the company is to be a pioneering, participant friendly and competitive institution for financing and promoting self-sustaining investment in energy generation from Renewable Sources, energy efficiency and environment technologies for sustainable development.

Industrial / Business Operations

IREDA is engaged in providing financial services and promoting self-sustaining investment in energy generation from renewable sources. The Company has one joint venture (JV) namely MP Wind Farms Ltd. with an investment of Rs. 12 lakhs in equity.

Performance Highlights

As on 31.3.2012, the cumulative loan sanctioned stood at Rs.18711.87 crore for 2019 projects and disbursed an amount of Rs.9723.29 crore.

The physical performance of company for the last two years are given below:

Total Revenue of the company registered an increase of ₹ 194.74 crore during 2012-13, which went up to ₹ 729.56 crore in 2012-13 from ₹ 534.82 crore in 2011-12. The profit of the company has also gone up by ₹ 29.52 crore to ₹ 202.65 crore in 2012-13, from ₹ 173.13 crore in previous year due to increase in revenue from operations.

The current ratio of company is at 2.33:1 during 2012-13 as against 2.09:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The company’s operations are confined to a single sector, viz. Renewable Energy only, increasing its sectoral concentration risk. The viability of the RE sector is substantially policy dependent. Sustainability of the sector requires continuation of favorable policies. Prompt and effective response to any changed circumstances is also essential for the sector’s growth. The weak financial position of the state utilities poses a major risk for the overall power sector, including the RE sector. IREDA’s profitability and growth in the face of increased competition on account of entry of a number of other lenders into the sector will depend on its ability to compete effectively by being able to lend on competitive terms. The relatively limited net worth of IREDA constrains its ability to take up individual and group exposures commensurate with the demands of the sector. Saturation of exposure limits also leads to exposure to customers with lower ratings.

The Company

The Indian Vaccines Corporation Limited (IVCOL) was incorporated as a joint venture company promoted by PasteurMerieuxSerrium & Vaccines (PMSV), France, Indian Petrochemicals Corporation Ltd (IPCL) and Department of Biotechnology (Govt of India) in March 1989.

The main objective of the company was to manufacture Injectable Polio Vaccines (IPV) to be incorporated in the mass immunizations programme of Govt. of India. However, IPV was not approved by W.H.O. As a result, the project was put on “HOLD” in February 1992. The Govt. of Haryana acquired 108.18 acres of land in Manesar for D.B.T., which was later transferred to IVCOL (after its incorporation). The construction activities started at the site thereafter. M/s PMSV subsequently got disinterested in the project and expressed its desire to exit the joint venture. Efforts were made to rope in ‘Strategic partner’ as part of the restructuring exercise. The disinvestment of IVCOL, moreover, could not be materialized. Hence, the promoters decided to lease the balance 69.4 acres of land to Reliance Life Sciences Pvt Ltd (a group co. of M/s RIL) for setting up a Super Specialty Hospital and Life Science and Research and Development Centre (and other related facilities) at this site. The lease agreement in this regard was signed on 31.10.2008.

IVOCL is an Uncategorized CPSE in Financial Services sector under the administrative control of Ministry of Science & Technology with 67% shareholding by Central Government. The Company employed 3 regular executive employees as on 31.3.2013. The registered office of the company is at Gurgaon, Haryana and corporate office is in New Delhi.

Industrial / Business Operations

The company was to undertake research and development and manufacture of viral vaccines. Due to problems arising out of change in product mix and technology transfer to the company is on hold since February, 1992. Now the entire infrastructure of the company is given on a 30 years lease to M/s Reliance Life Sciences Pvt Ltd (a group co. of M/s RIL) for setting up a Super Specialty Hospital and Life Science and Research and Development Centre (and other related facilities) at the project site.

Performance Highlights

The company has no operational income. The Total Revenue of the company registered an increase of ₹ 0.18 crore during 2012-13, which went up to ₹ 2.41 crore in 2012-13 from ₹ 2.23 crore in 2011-12 due to increase in other income. The profit of the company has gone up by ₹ 0.22 crore to ₹ 0.65 crore in 2012-13, from ₹ 0.43 crore in previous year due to reduction in operating expenses.

The current ratio of company is at 4.11:1 during 2012-13 as against 3.6:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

The Company

Instrumentation Limited (IL) was incorporated on 21.3.1964 with the objective to attain self-reliance in control & instrumentation for core sector process industries of economy such as thermal power, steel, fertilizer, refineries & other process industries, nuclear application and Defence. Subsequently, the Company diversified in a major way into the manufacturing of Telecom Exchanges (based on C-DOT technology), Railway Signaling systems, special products for Defence, Power Electronics (UPS etc.,), service sectors of specialized offshore projects of Oil & Natural Gas and Photo Identity jobs of Election Commissions.

IL is a Schedule-'B' / BIFR / BRPSE referred CPSE in Medium & Light Engineering sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry with 100% shareholding by the Government of India. The company employed 1257 regular employees (Executives 232, Non-executives 1025) as on 31.3.2013. Its Registered and Corporate offices are at Kota, Rajasthan.

Vision / Mission

The Vision / Mission of the Company is to make the nation self-sufficient in the field of Process Control Industry.

Industrial / Business Operations

The company has two ISO 9002 accredited units at Kota in Rajasthan and Palakkad in Kerala. The Kota unit encompasses modern manufacturing infrastructure of Telecom equipment, Instruments and Automation products, Panels / Cabinets, Gas analyzers, Defence products, Railway signaling relays and systems, Power electronics etc. in addition to a few special application products. The Kota Complex also has the complete infrastructure of System Design, Detailed engineering, System integration, Software development and Project management, as needed for large turnkey projects. The infrastructure requirement related to Customer training, after sales service and repair are also handled from Kota Complex.

The Palakkad unit in Kerala, manufactures Control elements like Control valves, Butterfly valves, Safety Relief Valves, Bellow Sealed Valves, Pneumatic / Electric Actuators etc., and related products, Customer-built special products like Valve stand etc.

The company also has one subsidiary namely Rajasthan Electronics and Instruments Ltd. (REIL), Jaipur (Rajasthan) established as 51:49 joint venture with RIICO.

Total Revenue of the company registered a reduction of ₹ 22.04 crore during 2012-13, which went down to ₹ 168.24 crore in 2012-13 from ₹ 190.28 crore in 2011-12. However, the losses of the company has gone down by ₹ 13.60 crore to ₹ (-) 54.09 crore in 2012-13, from ₹ (-) 67.69 crore in previous year due to fall in operating expenditure.

The current ratio of company is at 0.86:1 during 2012-13 as against 0.95:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

Govt. of India had approved revival package of the Company on 11.02.2009 as per the recommendations of BRPSE (Board for Reconstruction of Public Sector Enterprises). BIFR in its meeting held on 25.02.2010 has approved the Modified Revival Scheme (MRS) of the Company. The implementation of MRS is under way which is crucial for achieving continued sustained profitable operations apart from consolidation of business strengths to make the Company attractive enough for any kind of growth oriented alternatives like expansion, market alliances, consortium, new ventures etc.

The MRS envisaged interest free mobilization advance of Rs. 30 crores from BHEL to IL to be liquidated by IL in 5 years in equal installments through supplies to be made to BHEL against their orders. The advance would be utilized by IL for its technological up-gradation and diversification programmes.

The Company
IRCON Infrastructure & Services Limited (IRCONISL) incorporated on 30.09.2009 is a wholly-owned subsidiary of IRCON International Limited with an objective to undertake infrastructure projects including planning, designing, development, construction, improvement, commissioning, operation, maintenance and financing of projects. The objectives clause (III A) of the company was modified on 12.03.2012. The new objectives of the company are to carry on the business of hire purchase, leasing of all kinds of movable and immovable properties, to provide consultancy for all kind of engineering projects.
IRCONISL is an Uncategorized CPSE in Contract and Construction Services sector under the administrative control of M/o Railway with 100% shareholding by its holding company IRCON international Limited. The company employed 119 regular employees (Executives 6 & Non-executives 113) as on 31.3.2013. Its Registered and Corporate office is at New Delhi.

Vision / Mission
The Vision / Mission of the company is to be recognized as a specialized infrastructure developer and establish itself as a renowned service provider for all areas of infrastructure projects with special emphasis on environment, quality and safety.

Industrial / Business Operations
IRCONISL is currently engaged in planning, designing, development, improvement, commissioning, operation, maintenance, etc. in the field of construction of infrastructure of Multifunctional Complexes (MFCs), etc. to provide facilities and amenities to users of Indian Railway System spread all over India. This project is taken up in association with Rail Land Development Authority. The physical work of construction was taken up on 23 stations and has been completed as on 21 stations and is in advance stages of completion on 2 other stations. These 21 MFCs are ready for leasing to 3rd parties for operation and maintenance. The construction work on balance 2 MFCs is expected to be completed in the year 2013-14.

Performance Highlights

Public Enterprises Survey 2012-2013 : Vol-II
IRCON International Limited
C-4, District Centre, Saket, New Delhi 110017
www.ircon.org

The Company

Ircon International Limited (Ircon) was incorporated in April 1976 under the name ‘Indian Railway Construction Company Limited’ mainly for the purpose of construction of Railway Projects in India and abroad on commercially prudent lines with the help of expertise from Railways. The name of the Company was changed to “Ircon International Limited” w.e.f 17th October 1995 in tune with the international image and scope of operations of the Company.

Ircon is a Schedule-A and a Miniratna Government Company in the construction sector under the administrative control of Ministry of Railways with 99.729% shareholding by the Government of India. It is also an ISO certified Company for Quality Management System (since 1996), Environment Management System (since 2011), and Occupational Health and Safety Management System (certified during 2012-13). The Company has 1470 regular employees (754 Executives and 716 Non-Executives) as on 31st March 2013. Its Registered Office / Corporate Office is at New Delhi.

Vision / Mission

The Vision of the company is to be recognized nationally and internationally as a specialized construction organization comparable with the best in the field covering the entire spectrum of construction activities and services in the infrastructure sector.

The Mission of the company is to effectively position the Company so as to meet the construction needs of infrastructure development of the changing economic scene in India and abroad and to earn global recognition by providing high quality products and services in time and in conformity with the best engineering practices.

Industrial / Business Operations

The Company started its operations in 1977-78 exclusively in the railway sector and in 1985 diversified its activities to other areas of construction. The core competence of Ircon is in Railways, Highways, Bridges & Flyovers, electrical, signalling & telecommunication and mechanical. The Company has executed projects operated in the areas of Railway construction including ballastless track, electrification, tunnelling, signal & telecommunication as well as leasing of locos, construction of roads, highways, commercial, industrial & residential buildings and complexes, airport runway and hangars, metro and mass rapid transit system, etc.

Ircon has so far completed about 296 major infrastructure projects of National importance in India and 100 projects across the globe in more than 20 countries. Presently, Ircon is executing 10 projects abroad in Afghanistan, Malaysia, Sri Lanka and Algeria. In India the Company is executing 42 projects as on 31.3.2013 in the State of Delhi, Goa, Karnataka, Kerala, Rajasthan, Bihar, U.P, J&K and West Bengal.

The company has two subsidiaries; one wholly owned subsidiary company ‘Ircon Infrastructure & Services Limited’ and other is Indian Railway Stations Development Corporation Limited with a 51% shareholding. The Company also has four joint venture companies with shareholding ranging from 50% to 25%.

Performance Highlights

The physical performances of the company for last three years are given below:

2012-13 PROVISIONAL
The Company

J&K Mineral Development Corporation Limited (J&KMDC Limited) was set up in 1989 with the objective to undertake exploration, prospecting, mining and processing of Magnesite, Sapphire, Marble, Limestone, Iron ore, Coal, Phosphate, Manganese ore & other mineral deposits and for trading & dealing in minerals of all nature.

J&KMDC Ltd is an uncategorized CPSE under the administrative control of Ministry Of Steel. It is a subsidiary of NMDC which hold 74% equity shares. The company employed 5 regular Non-Executives employees as on 31.3.2013. Its Registered and Corporate office at Jammu in J&K.

Vision / Mission

The Vision / Mission of the company is to be undertaking exploration, prospecting, mining & processing of Magnesite, sapphire, marble, limestone, iron ore, coal, phosphate, manganese ore & other mineral deposits and otherwise trading & dealing in minerals of all nature.

Industrial / Business Operations

J&KMDC was involved in the mining of Raw Magnesite Ore at Panthal, J&K. The Company has not produced any raw magnesite ore during last three years. The Company was under closure & in process of winding up. However, Board has now approved for revival of the Company.

Performance Highlights

The company has no income during last two years. The loss of the company has gone up by ₹ 0.32 crore to ₹ 0.96 crore in 2012-13, from ₹ 0.64 crore in previous year due to increase in the other expenses etc.

Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The Company Board has decided to revive the project considering the development of Dead Burnt Magnesite (DBM) market and change in Chinese export policies. China has restricted its export of DBM due to increase in its domestic demand and price of DBM in export market has also gone up to USD 400/- for 90% DBM which is expected to increase further.

A 30000 TPA DBM Plant is being developed at Panthal Magnesite Project, Jammu. The mining lease (ML) in the name of NMDC has been renewed by State Govt. for 10 years, which is valid up to 10.01.2019. The ML has been transferred to Joint Venture Company. MOEF has issued Environment Clearance with a specific condition of obtaining NOC from National Board for Wild Life (NBWL). State Board for Wild Life (SBWL), Govt of J&K, has issued NOC (Wild Life angle) to JKMDC on 13.03.2012. Soil investigation work has been completed.

Latter for Award of Contract (LAC) was issued for construction of building on 21.11.11. The consent for establishment of the DBM Plant has been issued by J&K State Pollution Control Board. Work at the site is in progress.

2012-13 provisional.
The Company

Jute Corporation of India Ltd. (JCI) was incorporated in 1971 with the objective to work as an official agency by the Govt. of India with the aim to provide minimum support price (MSP) to the jute cultivators and also work as a helping hand in the raw jute sector.

JCI is a Schedule-'C' CPSE in Trading & Marketing sector under the administrative control of M/o Textiles with 100% shareholding by the Government of India. The company employed 769 regular employees (Executives 55 & Non-Executives 714) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision of the Company is to promote genuine interest of jute growers in particular and jute economy at large through price stabilization effort and as a quality leader in the jute trade.

The Mission of the Company is to implement the policy of GOI for providing MSP to the jute growers of the country and undertake various extensive measures for implementation of different jute related projects.

Industrial / Business Operations

The Jute Corporation of India with a wide network of 171 Departmental Purchase Centre, 16 Regional Offices in 7 jute growing states namely West Bengal, Bihar, Assam, Tripura, Orissa and Andhra Pradesh undertook Raw Jute procurement activities for the benefit of the jute farmers.

JCI is engaged in procurement of raw jute directly from the growers either through its own purchase centers or through co-operatives at the minimum support prices fixed by Govt. of India from time to time, ensuring correct weight, condition and grading to the growers for their produce when they tender raw jute, display of reference samples of various grades/varieties of raw jute for the benefit of the jute growers, building infrastructure for orderly marketing of raw jute and establishing market linkages, providing market information as a decision support system to the jute growers, ensuring timely supply of raw jute of specified BIS standard backed by stringent quality control system sales service to the buyer mills against sale contract, constantly try to capture the voice of the customer in improvement of the service rendered and conducting Commercial Operation in raw jute/mesta in a judicious manner.

Since the corporation has been involved in price support mechanism for jute growers, no operational data is available.

Performance Highlights

Total Revenue of the company registered an increase of ₹ 42.69 crore during 2012-13, which went up to ₹ 174.61 crore in 2012-13 from ₹ 131.92 crore in 2011-12. The profit of the company has also gone up by ₹ 3.15 crore to ₹ 13.37 crore in 2012-13, from ₹ 10.22 crore in previous year. Profit has been increased manly due to increase in the Turnover.

The current ratio of company is at 3.16:1 during 2012-13 as against 2.77:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The corporation receives subsidy in reimbursement of losses on price support account. While approving the financial restructuring of JCI, the Government (Ministry of Textiles) on 2.6.2005 decided to provide subsidy to JCI on a continuous basis from the year 2003-04 to set-off losses on account of Minimum Support Price (MSP) operation by the company. The quantum of subsidy is the difference between the purchase and sale prices of raw jute by JCI. While calculating the MSP losses, the reimbursement of overhead costs to JCI does not exceed 10% of the value of purchases under MSP in a particular financial year.

The volume of procurement of raw jute / turnover of the company solely depends on the market behaviour as procurement is conducted when ruling price touches the MSP as declared by GOI.

The Jute Corporation of India Limited was authorized to act as the Implementing Agency for execution of Mini Mission-III and also provide necessary support on activities of Mini Mission IV and other Mini Missions of the Jute Technology Mission.

Kanti Bijlee Utpadan Nigam Ltd.
Scope Complex, 7 Institutional Area Lodhi Road, New Delhi-110003

The Company

KantiBijleeUtpadan Nigam Ltd. (KBUNL) was incorporated as a wholly owned subsidiary of NTPC Ltd. on 28.09.2006. The company was initially incorporated to take over Muzaffarpur Thermal Power Station (2*110MW) by creating a subsidiary company named ‘Vaishali Power Generating Company Limited (VPGCL)’ with NTPC contributing 51% of equity and balance equity was contributed by Bihar State Electricity Board (BSEB). The company was rechristened as ‘KantiBijleeUtpadan Nigam Limited’ on April 10, 2008. Present equity holding is NTPC 64.57% & BSEB 35.43% making it a subsidiary of NTPC Ltd. under M/o Power. The company is UncategorizedCPSE in Power Generation sector under the administrative control of Ministry of Power. The company employed 168 regular employees (Executives 131 & Non-Executives 37) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The vision of the company is to become a world class & ecofriendly power generating company, contributing for the development of the State & Nation.

The Mission of the company is to play a significant role in growth of Indian Power Sector, maintaining a high standard of social responsibility, ensuring best monitoring & maintenance practices, to develop & operate power plants in cost effective manner, nurturing an exciting & challenging work environment. It further seeks to uphold the principles of trust, corporate governance and transparency in all aspects of business.

Industrial / Business Operations

Company is in the business of electricity generation. The company is doing renovation and modernization (R&M) of existing units of Muzaffarpur Thermal Power Plant (MTPP). The R&M of unit#1 of stage 1 has been completed and Unit#2 of stage 1 is expected to be completed by March 2014. Other activities regarding unit#3 and unit#4 are in progress.

Performance Highlights

**Public Enterprises Survey 2012-2013 : Vol-II**
The Company

Karnataka Trade Promotion Organisation (KTPO) was incorporated on 6.12.2000 under section 25 of the Companies Act, 1956 with the objective to set up an exhibition complex at Bangalore, Karnataka. It was incorporated as a joint venture between India Trade Promotion Organization (ITPO) and Karnataka Industrial Area Development Board (KIADB), a Government of Karnataka undertaking. The company came into operation on 23.9.2004.

KTPO is an uncategorized CPSE in Trading & Marketing sector under the administrative control of M/o Commerce and Industry, D/o Commerce. The company employed 2 regular employees as on 31.3.2013. Its Registered and Corporate offices are at Bangalore. KTPO is a subsidiary of ITPO which holds 51% of its equity.

Vision / Mission

The Vision of the company is to be a leading service provider with wide spectrum of services to trade and industry and acts as a catalyst for growth of business industry trade & commerce community.

The Mission of the company is to promote, organize and participate in industrial trade, other fairs and exhibitions in India and abroad and to take all measures incidental thereto for promoting Indian Industry, trade and enhance its global competitiveness.

Industrial / Business Operations

KTPO is engaged in providing services in the field of trade promotion through organizing trade fairs and exhibitions as also to provide covered air-conditioned exhibition space on rental basis to exhibitors for organizing trade and industry related exhibitions / events.

The service range of the company comprises of letting out the exhibition halls and convention centre to organize Industrial Exhibitions, Trade fairs etc.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Services</th>
<th>Unit</th>
<th>Performance during 2012-13</th>

</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 1.62 crore during 2012-13, which went up to ₹ 8.69 crore in 2012-13 from ₹ 7.07 crore in 2011-12. However, the profit of the company has also gone up by ₹ 2.90 crore to ₹ 5.74 crore in 2012-13, from ₹ 2.84 crore in previous year due to increase in the sales turnover and other income & also decrease in the operational expenditure.

The current ratio of company is at 9.67:1 during 2012-13 as against 8.37:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page

Strategic issue

The company has been exempted from payment of income tax under Section 12 (a) and under 10(23C) (iv) upto accounting year 2008-09. The company has made an application for extension of exemption for further periods and hence has not provided for any income tax liability. The land title deed is also yet to be executed in favour of KTPO.

2012-13 PROVISIONAL

---

**KARNATAKA TRADE PROMOTION ORGANISATION**

Public Enterprises Survey 2012-2013 : Vol-II
The Company

KIOCL Limited was incorporated in the year 1976 under the Companies Act, 1956 with an objective to meet the long term requirement of Iron Ore for the steel mills of Iran. However due to political developments in Iran, Company diversified into production and sale of Pellets.

KIOCL Limited is a schedule – ‘A’ MiniRatna CPSE in Mineral and Metal sector under the administrative control of Ministry of Steel with its Registered and Corporate office at Bangalore, Karnataka. Government of India holds 98.99% of its equity. The company employed 1251 regular employees (Executives 386 & Non-Executives 865) as on 31.3.2013. It’s Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision of the company is to be a leader in the Pellestisation industry in India and establish a global credence. The Mission of the company is to

• Lasting relations with customers and Vendors to ensure smooth supply chain based on trust and mutual benefits.
• Business with Ethics and Integrity.
• Be a contributory enterprise to societalbuilding and environment sustainence.
• Continuous learning.
• Adaptability to Technology and changing global scenario.

Industrial / Business Operations

Performance Highlights

During the financial year 2012-13 the Pellet Plant has produced 1.265 Million tonnes representing 36% of capacity utilization of installed capacity. The shortfall is on account of unprecedented decline in demand and price for pellets coupled with non-availability of adequate quantity of iron ore fines after blanket ban on mining in the State of Karnataka imposed by Hon’ble Supreme Court. The market share in domestic market stood at 2.44% of National Pellet production. The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

<td>Million Tonnes</td>
<td>-</td>
<td>-</td>
<td>-</td>
</tr>
</tbody>
</table>

*Due to uneconomical reasons the operation of Blast Furnace Unit producing pig iron is stopped with effect from 05.08.2009.

Total Revenue from of the company registered a reduction of ₹ 379.15 crore during 2012-13, which went down from ₹ 1560.62 crore in 2011-12 to ₹ 1181.47 crore in 2012-13 on account of decline in sales volume in comparison to last year. Accordingly the profit of the company has also gone down by ₹ 63.25 crore in 2012-13 to ₹ 31.05 crore, from ₹ 94.30 crore in previous year due to decline in demand and lower price for Pellets coupled with non-availability of adequate quantity of iron ore due to ban on mining.

The current ratio of company is at 13.03:1 during 2012-13 as against 11.19:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

KIOCL is pioneer in mining, beneficiation of low grade Magnetite iron ore & pellitisation and has developed several technical expertisesthe over the years. KIOCL has been look-out for market opportunities which should be in tune with its competencies. In this direction KIOCL has taken several strategic/new initiatives in the core area as well as diversified field for the growth and long term sustainability of the Company.

Konkan Railway Corp. Ltd.
Room No.101, Rail Bhavan, Rail Road, New Delhi-110001
www.konkanrailway.com

The Company
Konkan Railway Corp. Ltd. (KRCL) was incorporated on 19.07.1990 with the objective to construct a new broad gauge rail line between Roha and Mangalore by raising the finance from Non-Government sources. The current objectives are to provide excellent services to the shareholders, customers, investors, ensuring safety to passengers and improving productivity through efficiency in all spheres of activities.

KRCL is a Schedule-‘A’ BRPSE referred CPSE in Contract & Construction Services sector under the administrative control of M/o Railways (MoR) with 52.12% shareholding by the Government of India (GOI) (the remaining holding is with the Governments of Maharashtra, Karnataka and Goa). The company employed 4785 regular employees (Executives 183& Non-Executives 4602) as on 31.3.2013. Its registered office is at Delhi and Corporate office at Navi Mumbai, Maharashtra.

Vision / Mission
The Vision Mission of the Company is to evolve into economic, eco-friendly and cost effective catalyst for growth and prosperity in the Konkan Region.

The Mission of the Company is to develop economical, safe, eco-friendly and cost effective railway transport infrastructure for growth and prosperity of the Nation in general and Konkan Region in particular; to promote and encourage best practices in the construction and maintenance thereof to achieve “total customer satisfaction” while delivering innovative, cost effective and value added services keeping in view the safety aspects; to ensure growth and professional excellence by building intellectual capital and distinctive core competencies; nurture innovative technologies like Sky Bus, ACD etc. and other railway related technologies to improve revenues and to enhance safety for Railways.

Industrial / Business Operations
KRCL is the Central / State Government Joint Venture providing services in the field of construction of railway line and running of railway services from Roha in Maharashtra to Mangalore in Karnataka.

In addition to the railway transportation, the corporation has undertaken construction of Katra–Dharam section of railway project in J&K and construction of road over bridges in Jharkhand, implementation of ACD network in North East Frontier Railway and construction of Katra–Dharam section of railway project in J&K and construction of road over bridges in Jharkhand.

Performance Highlights
The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>

</tr>
<tr>
<td>Project Revenue</td>
<td>crores</td>
<td>356.71</td>
<td>274.19</td>
<td>288.09</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 135.31 crore during 2012-13, which went up to ₹ 1136.23 crore in 2012-13 from ₹ 1000.92 crore in 2011-12. However, the profit of the company has gone down by ₹ 254.15 crore to a loss of ₹ (-) 235.41 crore in 2012-13, from a profit of ₹ 18.74 crore in previous year which is mainly on account of increase in the total expenses and the adjustment of exceptional items accounted for comprising of revision of pension liability and impairment of fixed assets.

The current ratio of company is at 0.72:1 during 2012-13 as against 1.22:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
Originating traffic is low. Passenger traffic on this line is very buoyant but the goods traffic is mainly cross traffic loaded from Indian Railways. In order to improve the originated traffic the Corporation proposes to increase the ROLL-ON-ROLL-OFF (RO-RO) services and undertake port connectivity projects.

The Corporation has paid Rs. 73.30 Crore towards redemption of Bonds and Rs. 133.3 Crore towards interest on Bonds during the year 2012-13 from its Operating Surplus. Thus the Corporation was able to meet its debt obligations from its internal resources during the year. The Corporation is having debt liabilities of ₹ 1666 Crore as on 31st March, 2013. In the current financial year the Corporation may not be able to meet the redemption and interest liabilities over Rs. 500/- crore on Bonds from the internal resources. Hence it has been proposed to issue or reissue the bonds to the extent of Rs. 400 crores during the year 2013-14.

The Ministry of Railways handed over 30 km stretch of USBRL Project to IRCON which was earlier entrusted to Konkan Railway Corporation.

Kumarakruppa Frontier Hotel Pvt. Ltd.

The Company

Kumarakruppa Frontier Hotel Pvt. Ltd. (KFH) was incorporated on 23.08.2001 with the objective of receiving the land, building and other assets and liabilities of the hotel properties given on lease-cum-management contract, administering the lease-cum-management contract and receiving the lease payments from time to time in pursuance to the Government decision for disinvestment of ITDC Hotels.

KFH is an un-categorized CPSE in Financial Services sector under the administrative control of M/o Tourism with 91% GoI shareholding. The company employed 3 regular employees (Executives 2 & Non-Executives 1) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision / Mission of the Company is to administer the lease-cum-management contracts and receive lease payments from time to time.

Industrial / Business Operations

The company has no business other than receiving lease payments. The only activity of the company is to receive lease rent from Bharat Hotels for the leased property namely Hotel Ashok, Bangalore.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 0.80 crore during 2012-13, which went down to ₹ 8.84 crore in 2012-13 from ₹ 9.64 crore in 2011-12. The profit of the company has also down by ₹ 0.1 crore to ₹ 5.33 crore in 2012-13, from ₹ 5.43 crore in previous year due to increase in the expenses like Financial Cost and Exceptional Items etc.

The current ratio of company is at 2.69:1 during 2012-13 as against 1.87:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The consideration fixed for leasing of Hotel Ashok Bangalore was ₹ 4.11 crore per annum as Minimum Guaranteed Annual Payment (MGAP) upto 31.3.2007 which was to be increased by 25% w.e.f. 1.4.2007 and in every five years thereafter or 16.5% of the gross turnover of the Hotel Ashok Bangalore as Turnover Based Annual Payment (TBAP), whichever is higher.

As per the terms of agreement, the lessee has to pay 50% of the MGAP for 30 years, which is discounted as upfront amount. The remaining 50% of MGAP/TBAP, after adjusting the amount paid, is payable by the lessee in each financial year.

After expiration of lease agreement the land and building and other assets and liabilities of the hotel properties is to be given on lease-cum-management contract.
**KUMARAKRUPPA FRONTIER HOTELS LTD.**

Total Revenue of the company registered a reduction of ₹ 38135.63 crore during 2012-13, which went down to ₹ 28916.27 crore in 2012-13 from ₹ 67051.90 crore in 2011-12 due to sluggish demand in domestic and international market, reduction in iron ore export due to ban on iron ore mining and export, non-availability of Chrome ore for exports, higher export duty in chrome etc. For precious metals, decrease in turnover was due to sharp hike in customs duty by Government of India on gold by 4 times and silver by 2 times. Also, jewelers strike on all India basis due to rise in customs duty had resulted in decrease in bullion turnover.

The profit of the company has also gone down by ₹ 141.34 crore to a loss of ₹ (-) 70.62 crore in 2012-13, from a profit of ₹ 70.72 crore in previous year due to lower margin in Precious Metals & provisions made in respect of extraordinary items relating to bullion transactions at Regional Offices Hyderabad and Chennai.

The current ratio of company is at 1.14:1 during 2012-13 as against 1.07:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

The Company

M.S.T.C. Ltd. (MSTC) was incorporated on 9.9.1964 as Metal Scrap Trade Corp. Ltd. with the objective of working as diversified trading house with particular emphasis on bulk raw materials for steel industry and to gradually build up tie-ups with international trading houses, develop warehousing system and logistics and to undertake disposal of scrap and secondary arising etc. of organizations, both in public and private sector. MSTC today facilities in recycling of scrap for industrial use of raw materials and thereby reduce input cost, conserve natural resources and ultimately protect the environment.

MSTC is a Schedule-‘B’ Mini-ratna CPSE in Trading & Marketing sector under the administrative control of M/o Steel with 90% shareholding by the Government of India and balance 10% by the members of Steel Furnace Association of India and Ispat Industries Limited. The company employed 319 regular employees (Executives 168 & Non-Executives 151) as on 31.3.2013. Its Registered and Corporate offices are at Kolkata, West Bengal.

Vision / Mission

The Vision of the Company is to emerge as a dominant B2B player in the area of trading with particular emphasis on Steel Industry.

The Mission of the Company is to organize and expand a market for the various commodities handled by it by making transactions as transparent as possible through extensive use of e-commerce.

Industrial / Business Operations

MSTC undertakes disposal of ferrous / non-ferrous scrap and other secondary arising from integrated steel plants under SAIL, RINL etc. and for disposal of scrap and obsolete / surplus stores from other PSUs and Government Department including M/o Defence. It is also involved in import of steel melting scrap for the use of secondary steel industry and finished iron and steel items like HR Coils, Billets, Pig Iron, DR Pellets, Coke, Coal and other inputs and Petroleum products like Naphtha, Super Kerosene Oil, Furnace Oil etc. The company functions through its 4 Regional Offices at Delhi, Mumbai, Kolkata and Chennai and 3 Branch Offices at Bangalore, Vishakhapatnam and Vadodara. It has one subsidiary namely Ferro Scrap Nigam Ltd. (FSNL). The main segment of the company services are classified as Selling Agency, E-auction tender, marketing and E-Procurement.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>

<td>14100.77</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ` 3759.33 crore during 2012-13, which went up to ` 6455.25 crore in 2012-13 from ` 2695.92 crore in 2011-12. The profit of the company has also gone up by ` 12.34 crore to ` 130.73 crore in 2012-13, from ` 118.39 crore in previous year due to increase in the sales turnover and other income.

The current ratio of company is at 1.12:1 during 2012-13 as against 1.15:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

MSTC is one of the largest e-commerce service providers in the country and aims to remain so. Ferrous/ non ferrous scrap is being imported from Europe & USA. MSTC is setting up a shredding plant for shredding of Auto & miscellaneous steel scrap. Shredded Ferrous scrap is utilized as raw material for induction and arc furnaces to produce steel by recycling. The project will save huge amount of precious foreign exchange for the country. The company has started stockyard in Haldia and plans to convert it into Container freight station.

**The Company**

M.P. Ashok Hotel Corporation Ltd. (MAHCL) was created in the year 1981 by India Tourism Development Corporation Ltd. in collaboration with the Madhya Pradesh State Tourism Development Corporation and the work for the Hotel Lake View Ashok commenced on August 12, 1981. The objective behind the creation of the corporation was in line with the objectives of both the ITDC as well as MPSTDC to develop and expand tourism infrastructure and to play a promotional role in tourism by opening new destinations & providing class services to the guests/tourists along with earning revenue for the share-holders.

MAHCL is an uncategorised CPSE in Tourist Services sector under the administrative control of the M/o Tourism. MAHCL is a subsidiary of ITDC Ltd. which holds 51% of its equity. The company employed 58 regular employees (Executive 01 & Non executive 57) as on 31.03.2013. Its Registered and Corporate office are at Bhopal, Madhya Pradesh.

**Vision/Mission**

The Vision of the Company is to play a prominent role in the promotion and development of tourism in Bhopal, to function up to the brand image of Ashok for the best customer satisfaction to maintain the niche market & to upgrade the hotel facilities with a contemporary outlook.

The Mission of the Company is to achieve the excellence as a business enterprise through the utmost professional approach towards guest satisfaction by providing customer oriented services in a contemporary ambience.

**Industrial / Business Operations**

The company owned single entity – Hotel Lake View Ashok, is operating with 43 Guest rooms including 39 standard deluxe rooms and 4 Deluxe suites along with three company owned restaurant & one bar as well as another specialty theme restaurant – Shan-e-Bhopal operating within the hotel. The hotel has also been utilizing its sprawling lawns for organizing various events as well as large banquets.

**Performance Highlights**

The capacity utilization for the Rooms of the company was 53% during 2012-13 as against 59% during previous year (2011-12). The physical performances of the company for last three years are given below:

<table>

<td>Sale of product</td>
<td>₹ in lakh</td>
<td>270.00</td>
</tr>
<tr>
<td>Sale of services</td>
<td>₹ in lakh</td>
<td>372.00</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 0.28 crore during 2012-13, which went up to ₹ 6.66 crore in 2012-13 from ₹ 6.38 crore in 2011-12 due to increase in the sales volume. The profit of the company has also gone up by ₹ 0.06 crore to ₹ 0.64 crore in 2012-13, from ₹ 0.58 crore in previous year.

The current ratio of company is at 0.7:1 during 2012-13 as against 0.68:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

**Strategic Issues**

The company plans to consolidate and strengthen its core activities and to play diversified role in providing various tourism-related services, opening newer avenues for the corporation to earn money and accretion. The corporate plan shall serve as a guiding document for developing strategic and operational plan.

The hotel construction started way back in the year 1981 and the operations commenced in the year 1989. Since the inception of the hotel no renovation was carried out till 2003-2004. Since 2004-05 the hotel has renovated its restaurants, revamped the guest rooms and face-lifted the public areas for providing better services to the guests. The renovation plans are still going on.

The highlights of the strategy for coming year will be Introduction of customer-specific services (tailor-made) – flexible special package deals for marriage parties, event firms, film units, special student groups, flexible pricing etc.

The Company

Hindustan Fertilizer Corporation Ltd. (HFC) was incorporated on 14.03.1978 after the re-organization of Fertilizer Corporation of India Ltd. (FCI) / NFL group of companies with an objective to manufacture and market quality chemical fertilizers and by products.

HFC is a schedule-‘B’ / sick BIFR / BRPSE referred CPSE in Fertilizer Sector under the administrative control of M/o Chemicals and Fertilizers, D/o Fertilizers with 100% shareholding by the Government of India. The company employed 11 regular employees (Executives 09 & Non-Executives 02) as on 31.3.2013. Its registered office is at New Delhi and Corporate office at NOIDA, U.P.

Vision / Mission

The Vision of the Company is to ensure steady growth in the business of the company to meet the future challenges.

The Mission of the Company is to manufacture and market quality chemicals fertilizers and by-products by optimum utilization of available resources of the company.

Industrial / Business Operations

HFC has three units at Durgapur and Haldia (East Midnapore) in West Bengal and Barauni (Begusarai) in Bihar. The company also has one Fertilizer Promotion & Agriculture Research Division. The Namrup units de-merged into a new company under the name of “Brahmaputra Valley Fertilizer Corporation Ltd. (BVFCCL)” w.e.f. 1.2.2002,

As the operations of all these three units became technoeconomically nonviable, the Government decided to close the company in 2002. However, the Government reconsidered the matter and decided on 24.4.2007, in principle, to revive HFCL and directed the concerned Ministry to examine the feasibility of revival, subject to confirmed availability of gas; and the need for a hard look at the prospects of revival in view of the factors that had led to the closure of the entities.

In view of the decision for closure of the Corporation, there was no production and marketing activity during the last nine years.

Performance Highlights

The company has no operational income due to shut-down of the plants. Total Revenue of the company registered an increase of ₹ 0.19 crore during 2012-13, which went up to ₹ 8.52 crore in 2012-13 from ₹ 8.33 crore in 2011-12. The loss of the company has gone down by ₹ 0.36 crore to ₹ (-) 380.53 crore in 2012-13, from ₹ (-) 380.89 crore in previous year.

The current ratio of company is at23.8:1 during 2012-13 as against 18.5:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company was referred to BIFR in the year 1992 and since then it is under BIFR. Further, the company submitted a detailed plan for revival to BRPSE also, which after examining, recommended the same. Based on the recommendations of the BRPSE, the Government approved ‘in principle’ the revival of the company. Government of India further constituted an Empowered Committee of Secretaries (ECOS) in October 2008 to examine various revival options. ECOS had given its final recommendations in 2011 and the same was approved by CCEA subsequently. The matter is currently under consideration of BIFR and Government of India.

The Company

Mahanadi Coalfields Ltd. (MCL) was incorporated on 03.04.1992 with the objective to acquire and take over any of the business activities carried on by the Coal India Ltd. (CIL) and/or by its subsidiaries with all the associated assets, liabilities, obligations and current contracts especially in the Orissa region from South Eastern Coalfields Ltd. and to carry on in India or elsewhere the trade or business of coal mining including the management of coal mines either independently or for and on behalf of or under the direction of CIL, the Central Government or any State Government as custodian, receiver or in any similar capacity.

MCL is a wholly owned subsidiary of Coal India Limited (CIL). It is a schedule-‘B’ Mirmatna CPSE under the administrative control of M/o Coal. The Company employed 22065 regular employees (Executives 1851 & Non-Executives 20214) as on 31.3.2013. Its Registered and Corporate offices are at Sambhalpur, Orissa.

Vision / Mission

The Vision of the Company is to be the leading energy supplier in the Country, through best practices from mine to market.

The Mission of the Company is to produce and market the planned quantity of coal and coal products efficiently and economically with regard to safety, conservation and quality.

Industrial / Business Operations

The company is engaged in production of coal. Company has sixteen open cast and seven underground operational units at Angul, Jharsuguda and Sundargarh districts of Odisha.

The Company has three subsidiaries companies namely “Mahanadi Basin Power Limited“ with 100% shareholding and two Joint Venture Companies with majority shareholding namely MNH Shakti Limited where MCL has 70% share and MJSJ Coal Limited where MCL has 60% share. All subsidiaries and joint venture are in development stage.

Performance Highlights

The System Capacity Utilisation of the company was 72.60% during 2012-13 as against 69.90% during previous year. MCL contribute about 19.35% of the national coal production. As on 31.03.2013 there were 23 running projects. The physical performance of the company for last three years is given below:

Mahanagar Telephone Nigam Ltd.
JeevanBharti Building, Tower 1, 12th Floor, 124 Connaught Circus, New Delhi-110 001
www.mtnl.net.in

The Company

Mahanagar Telephone Nigam Ltd. (MTNL) was incorporated on 28.2.1986 with the objective of taking over the management, control and operation of Telecom Network at Mumbai and Delhi with a view to raise necessary financial resources for development needs for areas of operations and to up-grade the same.

MTNL is a Schedule ‘A’ / Navratna listed CPSE in Telecommunication Services sector under the administrative control of M/o Communication and Information Technology, D/o Telecommunications with 56.25% shareholding by the Government of India. The company employed 39264 regular employees (Executives 5491, Non-executives 33773) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the Company is to become a total solution provider company and to provide world class telecom services at affordable prices; become a global telecom company and to find a place in the Fortune 500 companies; become the largest provider of private networks and leased lines; venture into other areas in India and abroad on the strength of our core competency.

The Mission of the Company is to remain market leader in providing world class Telecom and IT related services at affordable prices and to become a global player.

Industrial / Business Operations

MTNL is engaged in providing all types of Telecommunication services including Basic Telephone services, Cellular (GSM and CDMA), Mobile services, internet and value added services in Delhi and Mumbai through its 558 exchanges and other network with Equipped capacity of 10.72 Million.

It has two wholly owned subsidiaries namely Millennium Telecom Ltd. (MTL) and Mahanagar Telephone Mauritius Ltd. The company also has two financial Joint Ventures namely United Telecom Ltd. with a share of 26.68% with VSNL, TCIL and NVPL (Local Partner in Nepal) to provide CDMA based basic service in Nepal; and MTNL STPI IT Services Ltd. with STPI, a Society under D/o Information Technology with 50:50 partnership.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>

Total Revenue of the company registered an increase of ₹ 89.67 crore during 2012-13, which went upto ₹ 3714.08 crore in 2012-13 from ₹ 3624.41 crore in 2011-12. However, the losses of the company has gone up by ₹ 1211.34 crore to ₹ (-) 5321.12 crore in 2012-13, from ₹ (-) 4109.78 crore in previous year due to increase in the operating expenditure of the company.

The current ratio of company is at 0.02:1 during 2012-13 as against 0.31:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The major risks faced by MTNL are market competition, policy and regulatory issues, technology and quality services issues and staff cost due to overstaffing. The telecommunication sector in India is one of the most competitive sectors. The high level of license fee is a big strain on the finances of the company. Earlier, only a limited number of operators could provide telecom services in a particular circle. Now, this restriction has been removed and unlimited operators have been allowed in the market. This has leads to more competition in the market leading to still lower tariffs. MTNL is confined to Delhi and Mumbai and is not able to operate in Tier-II and Tier-III cities where maximum growth is taking place. This restriction on service area also impacts MTNL in another way. MTNL has asked the DoT to refund the entire amount of 3G and BWA spectrum charges. MTNL’s licenses to provide Basic Service and as an ISP are to come up for renewal in 2013-14 and GSM licenses in 2017-18. The costs associated with renewal and reframing of spectrum from 900 MHz band to 1800 MHz band will further add to the liabilities.

The Company

Mangalore Refinery and Petrochemical Limited (MRPL) was incorporated on 07.03.1988 with the objective of forming a joint venture between HPCL and Indian Rayon and Industries Limited (IRIL) for setting up a Refinery & Petrochemical project at Mangalore. The company was on the verge of becoming a sick unit due to accumulated losses. At this juncture, ONGC acquired 37.39% of share holding of IRIL and infused funds against allotment of equity at par for Rs 600 Crore in March 2003 bringing its equity holding to 51.25% and thereby MRPL became a subsidiary of ONGC effective 30.03.2003. The equity holding of ONGC was further increased to 71.62% in July 2003 when it acquired equity holding of Financial Institutions / Banks allotted to them under the scheme of debt reconstruction.

MRPL is currently a Schedule ‘B’ Miniratna listed CPSE in Petroleum sector under the administrative control of Ministry of Petroleum and Natural Gas. The Company employed 1627 regular employees (Executives 631 & Non-Executives 996) as on 31.03.2013. Its registered and corporate office is at Mangalore, Karnataka.

Vision / Mission

The Vision of the Company is to be a world-class refining and petrochemical Company, with a strong emphasis on productivity, customer satisfaction, safety, health & environment management, Corporate Social Responsibility (CSR) and care for employees. The Mission of the Company is to sustain leadership in energy conservation, efficiency productivity and innovation, capitalise emerging opportunities in the domestic and international markets, strong commitment towards community welfare and sustain enhancement in shareholders value.

Industrial / Business Operations

MRPL is engaged in the business of refining of crude oil. The refining of crude oil results in various products like High Speed Diesel oil, Naphtha, Bitumin, CRN & VGO Liquid Petroleum Gas, Aviation Turbine Fuel, Fuel Oil, MS, SKO, LSHS & Mixed Xylene. The company markets these products to Domestic Oil Marketing Companies, direct bulk consumers and export. There are two set of primary process units (Phase I and Phase II) at Mangalore, Karnataka, with an installed capacity of 9.69 MMTPA. The installed capacity has been re-fixed at 11.82 MMTPA effective from November 2009.

The company also has two joint ventures with a share holding of 45% in Mangalam Retail Services Ltd. and 50% share holding in Shell MRPL Aviation Fuel Services Private Ltd.

Performance Highlights

The product range of the company comprises of 12 products like Motor spirit, High Speed Diesel, Naphtha, LPG, Aviation Turbine fuel, Mixed Xylene, etc. The refinery is designed to maximize middle distillate Motor spirit and Gas Oil. It has capacity to meet the stringent Fuel quality norms of Euro III / Euro IV. The physical performances of the company for last three years are given below:

</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 11689.89 crore during 2012-13, which went up to ₹ 65807.55 crore in 2012-13 from ₹ 54117.66 crore in 2011-12 due to increase in dispatches and prices. However, as against a profit of ₹ 908.58 crore in previous year, the profit of the company has gone down by ₹ 1665.49 crore to a loss of ₹ (-) 756.91 crore in 2012-13 due to increase in the expenditure like cost of material consumed, Power & Fuel, Stores & Spares and Salaries & Wages. The current ratio of company is at 0.93:1 during 2012-13 as against 0.98:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

MRPL is undertaking Implementation of Phase –III Refinery Project to increase complexity and profitability by increasing the refining capacity to 15 MMTPA. Up-gradation of low value products to high value products, to process cheaper Crudes (Sour/ Heavy & High TAN Crudes), Production of petrochemical feed stocks Viz. Propylene, maximize distillate yield, upgrading entire HSD into BS III/IV grade / Additional Pet Coke(1 MMTPA)

Units in the Phase III Project - Crude Distillation Unit/Vacuum Distillation Unit (CDU/VDU) , Petro Fluidized Catalytic Cracking , Propylene Recovery and Naphtha Splitter (PFCC), Delayed Coker Unit (DCU), Diesel Hydro treating Unit (DHD), Coker Heavy Gas Oil Hydro treating Unit (CHT), Hydrogen Generation Unit (HGU), Sulphur Recovery Unit (SRU) & Captive Power Plant (CPP) to cater to the Power requirement of these units & their corresponding Offsite and Utility systems.

The Company

MOIL Ltd. formally known as Manganese Ore (India) Ltd. was originally set up in the year 1896 as Central Provinces Syndicate which was later taken over by the Central Provinces Manganese Ore Company Limited (CPMO) a British Company incorporated in the UK. In 1962, as a result of an agreement between the Government of India and the CPMO, the assets of CPMO were taken over by the Government and MOIL was formed with 51% capital held between the Govt. of India (GOI) and the State Governments of Maharashtra and Madhya Pradesh and the balance 49% shares still held by CPMO. It was in 1977, that the balance 49% shares too were acquired from CPMO and MOIL became a 100% Government Company.

MOIL is a schedule-‘B’ Miniratna listed CPSE in Mineral and Mining Sector under the administrative control of M/o Steel with 71.57% shareholding by the GOI and the remaining by the State Governments of Maharashtra and Madhya Pradesh and others. The company employed 6485 regular employees (Executives 344 & Non-Executives 6141) as on 31.3.2013. Its Registered and Corporate offices are at Nagpur, Maharashtra.

Vision / Mission

The Vision of the company is to become third best manganese mining company in the world, through utilization & up gradation of skills / talents available, to globally expand activities of company in all possible areas keeping in view the value addition, through joint ventures / technology transfer.

The Mission of the company is to enrich the lives of employees by developing skills through commitment and innovation and providing the best of services; identifying and adopting the state of the art mining technology through innovative solutions; to diversify onto status of market leader in manganese; to make our mining area clean, green and eco-friendly.

Industrial / Business Operations

MOIL is the largest indigenous producer of high grade Manganese Ore which is the raw material for manufacturing ferro alloys, an essential input for steel making and dioxide ore for manufacturing dry batteries. Presently the Company is engaged in the mining of manganese ore from 10 mines, 6 of them in Maharashtra and 4 in Madhya Pradesh.

The Company holds about 30% of proven reserves with around 73.5 MT of reserves and resources of manganese ore. The company is having two 50:50 Joint Ventures with RINL and SAIL.

Performance Highlights

MOIL is the largest manganese ore producer in India with market share of about 42%. The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 99.49 crore during 2012-13, which went up to ₹ 1202.39 crore in 2012-13 from 1102.90 crore in 2011-12. The profit of the company has also gone up by ₹ 20.95 crore to ₹ 431.72 crore in 2012-13, from ₹ 410.77 crore in previous year due to increase in the operating income.

The current ratio of company is at 10.35:1 during 2012-13 as against 12.63:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

With MOIL’s mines having been worked for so many years, mining operations are presently being undertaken at deeper horizons. Manganese ore is one of the most crucial materials for the production of steel, and therefore the performance of manganese ore industry is inter-linked with the performance of steel industry. As per forecast of World Steel Association (WSA), India’s steel consumption is expected to grow by 6.9% to reach 72.5 MT, which will in turn increase the demand of manganese ore as well. The company has planned a production target of 2.2 million tonnes by 2020.

The Company

Mazagon Dock Ltd. (MDL) was incorporated on 26.2.1934 as a ship-repair yard and subsequently it was taken over by the Government of India in 1960 with the objective to cater to the needs of nation’s strategic defence requirements.

MDL is a Schedule-‘A’ Miniratna CPSE in Transportation Equipment sector under the administrative control of M/o Defence, D/o Defence Production and Supplies with 100% shareholding by the Government of India. The company employed 12311 regular employees (Executives 1051, Non executives 11260) as on 31.3.2013. Its Registered and Corporate offices are at Mumbai, Maharashtra.

Vision / Mission

The Vision / Mission of the company is to deliver quality ships on time with the vision to be recognized worldwide.

Industrial / Business Operations

MDL is engaged in ship construction, ship-repair, offshore fabrication work, construction and refitting of submarines through its 2 operating units at Mumbai and Nhava (Raigarh) in Maharashtra. The main divisions of the company are Shipbuilding, Submarine and Commercial Vessels. The company has built and delivered to the Indian Navy 6 Leander Class Frigates, 3 Godavari Class Grighters, 3 Destroyers and 2 submarines. In addition, 7 offshore Patrol Vessels has been constructed and delivered to Coast Guard. Besides, MDL had also fabricated Cargo Ships, Passenger Ships, Supply vessels, Multipurpose Support Vessel, water tankers, Tugs, Dredgers, fishing trawlers, Barges and border out ports for various customers in India as well as abroad.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>

<td></td>
</tr>
<tr>
<td>Refit</td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

The decrease in value of production is mainly due to the accounting of Multi Support Vessels project as an inventory instead of turnover and non-receipt of equipment from Suppliers for on-going projects.

Total Revenue of the company registered a reduction of ₹ 218.62 crore during 2012-13, which went down to ₹ 2860.30 crore in 2012-13 from ₹ 3078.92 crore in 2011-12. The profit of the company has gone down by ₹ 81.59 crore to ₹ 412.72 crore in 2012-13, from ₹ 494.31 crore in previous year which is mainly due to increase in changes in inventories of finished goods, work-in-progress and stock in trade and other operating expenses.

The current ratio of company is at 1.06:1 during 2012-13 as against 1.06:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

MDL is presently constructing 7 Missile Destroyers under different projects, 6 Submarines for the Indian Navy. MDL is already short listed by Govt. of India for building Four P-17 Class of Frigates of follow on of P17 Stealth Class of Ships and assume “Lead Yard” role to GRSE (a CPSE) to build three of the same class of ships there. MDL also has embarked on a massive modernization project to upgrade and enhance its facilities leading to increased production capacity to take on new projects.

2012-13 PROVISIONAL
The Company
MECON LIMITED (Formerly known as Metallurgical & Engineering Consultants (India) Limited) was incorporated on 31.03.1973 with an objective to operate pre-dominantly in the iron & steel sector, which was its core competence area at that time.
It is a Schedule “A” Miniratna / BRPSE referred CPSE in the Industrial Development and Technical Consultancy service sector under the administrative control of Ministry of Steel with 100% shareholding of Government of India. The company is a partner in a Joint Venture Company, M/s Metallurgical & Engineering Consultants (Nigeria) Limited with 50% shareholding. The company employed 1,704 regular employees (Executives 1,508 & Non-Executives 196) as on 31.3.2013. It’s registered and Corporate Office is at Ranchi, Jharkhand

Vision / Mission
The Vision / Mission of the company is to develop into an internationally recognized center of excellence for providing quality services in technical consultancy, design & engineering, design & supply of plant, equipment & systems, project implementation from concept to commissioning for industrial development & upgradation ventures, development of infrastructure and other service sectors.

Industrial / Business Operations
The company is premier multi disciplinary organization engaged in design, engineering, consultancy and contracting in the field of iron & steel, chemicals, refineries & petrochemicals, power, roads & highways, railways, water management, ports & harbors, gas & oil, pipelines, non ferrous, mining, environmental engineering and other related/ diversified areas with extensive overseas experience.
MECON, an ISO 9001:2008 certified company, has numerous project specific alliances with leading technologists across the globe in various fields. MECON’s scope of services includes the entire gamut of works relating to setting up of green-field as well as brown-field projects from concept to commissioning such as pre-investment investigations, market survey & product mix, Basic and Detailed Engineering, Procurement & Contract Engineering, Construction & Project Management, Inspection & Expediting, Computerization & Industrial Automation, Health Studies, Asset Evaluation, Restructuring, Engineering for Plant Relocation, Design, Development and Supply of Equipment & System, Engineering Procurement, Construction & Commissioning (EPC) Services etc. With head office at Ranchi, Jharkhand; regional engineering offices at Bangalore and New Delhi and around 25 project site offices and liaison offices spread all over the country, MECON can take up very effectively, execution of projects in India and abroad.

Performance Highlights
The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>Performance during 2011-12</th>
<th>Performance during 2010-11</th>
</tr>
</thead>
<tbody>
<tr>
<td>Consultancy Service</td>
<td>₹ in crore</td>
<td>367.07</td>
<td>457.92</td>
<td>423.23</td>
</tr>
<tr>
<td>Construction Contracts</td>
<td>₹ in crore</td>
<td>144.58</td>
<td>185.91</td>
<td>218.14</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 142.44 crore during 2012-13, which went down to ₹ 648.01 crore in 2012-13 from ₹ 790.45 crore in 2011-12. The profit of the company has also gone down by ₹ 35.34 crore to ₹ 101.02 crore in 2012-13, from ₹ 136.36 crore in previous year due to lack of substantial order during last year. Hence, turnover is decreased as compared to last year and as a result margin is also decreased. The current ratio of company is at 2.25:1 during 2012-13 as against 2.07:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
The company has taken steps for expansion and diversification of its business. In pursuit of the same, MECON has entered into MoU with esteemed National and International organisations like WAPCOS; NBC; AUSENCO PSI, USA; Paul Wurth S.A., Italy; Vukhin, Russia; and others in the field of Power, Metals, slurry pipelines and Infrastructure, MECON also intends to provide its services in the field of ship-breaking which has considerable growth potential. Thrust has also been on the opportunities available in the Trans-national markets. MECON has been entrusted with assignments in countries like Indonesia and Nigeria in the area of Metals, Power and Infrastructure. The company intends to explore the opportunities in regions like ECOWAS which is one of the significant markets in West Africa.

</table>
The Company
Millennium Telecom Limited (MTL) was incorporated on 22.11.2000 with an objective to provide Internet / Intranet and Information Technology enabled services in India and abroad.

It is an un-categorized CPSE in Telecommunication Services sector under the administrative control of M/o Communication and Information Technology, D/o Tele-communications. Its Registered and Corporate offices are at Mumbai, Maharashtra. MTL is currently wholly owned subsidiary of Mahanagar Telephone Nigam Ltd (MTNL).

Vision / Mission
The Vision / Mission of the Company is to be the key enabler and leading services provider in the internet/intranet and IT.

Industrial / Business Operations
MTL was formed by MTNL as its wholly owned subsidiary company basically for providing internet and other value added services in the year 2000. During the year 2007-08 MTL had decided to undertake undersea cable laying project to have own undersea cable from India to Middle East with ultimate aim to extend up to USA. As per the directions of the DOT, BSNL was taken as 50% Joint Venture partner in the said project. However, during 2010-11, the Board had observed that, the cost of laying cable was very high while the bandwidth prices had gone down. Accordingly, the Board decided not to undertake the said project. Later in the year 2011, the Board decided to undertake new activities along with BSNL but in 2012, BSNL has withdrawn itself from the Joint Venture stating that since the Sub-marine cable project has been discontinued, there is no need to continue with the Joint Venture. Thus, as of now, MTL is a wholly owned subsidiary of MTNL.

Performance Highlights
The company has provided provisional information. Total Revenue of the company registered an increase of ` 0.02 crore during 2012-13, which went up to ` 0.20 crore in 2012-13 from ` 0.18 crore in 2011-12. The company has shown a loss of ` (-) 0.20 crore each of last two years. The company has no operating income during last two years. The income earned is via interest on Fixed Deposits. The current ratio of company is at 6.72:1 during 2012-13 as against 3.05:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues
The Board of MTL has now decided to enter into new lines of business which could be telecom related as well as other areas. Some of the new lines of business could be Infrastructure sharing, Data Centre Outsourcing application including Web Hosting, Cloud Computing, and providing Turn Key Solution in response to various tenders in Central Government / State Governments / PSUs Banks / Private Corporates, etc. or directly on GFR basis, Marketing and Selling of digital signatures of MTNL taking franchisee / distributorship of MTNL Mobile Products and SIM Cards of other operators. The Management is working on the above line of business and is hopeful to generate revenue in the years to come.

2012-13 PROVISIONAL.
The Company

Mineral Exploration Corp. Ltd. (MECL) was carved out of GSI in 1972 and incorporated on 21.10.1972 with the objective of carrying out detailed exploration of mineral potential deposits on a commercial basis, in order to reduce the time lag between the initial discovery of a mineral prospect and its eventual exploitation.

MECL is a Schedule-‘B’ BRPSE referred CPSE in Contract & Construction services sector under the administrative control of M/o Mines, with 100% shareholding by the Government of India. The company employed 1639 regular employees (309 Executives and 1330 Non-Executives) as on 31.03.2013. Its Registered and Corporate offices are at Nagpur, Maharashtra.

Vision / Mission

The Vision of the Company is to be the leader in Exploration of mineral resources by 2020.

The Mission of the Company is to provide high quality, cost effective and time bound geo scientific services for exploration and exploitation of minerals.

Industrial / Business Operations

MECL is a service organization. It offers its services in the field of geo-services and mineral exploration. It carries out mineral exploration activities under two major heads viz. Promotional Work for coal, Lignite & other mineral on behalf of & funded by Government of India & Contractual work for exploration of minerals, CBM, geothermal and geo-technical projects on behalf of Central/ State Government and other agencies including Public / Private Sector Companies.

For operating its services across the nation, it has three Zonal Offices located at Ranchi, Nagpur and Hyderabad as well as two Regional Maintenance Centres at Nagpur and Ranchi. The field activities are being carried out through temporary units i.e. projects located in different parts of the country. The Business Developments Centres of the company are located at New Delhi and Kolkata. Besides this, it has a well-equipped information technology centre, workshop and laboratories at Nagpur.

Performance Highlights

The current ratio of company is at 5.6:1 during 2012-13 as against 9.39:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

MECL has taken up technical up-gradation of Plants & Equipments together with modernisation of its laboratories to provide cost effective mineral exploration service to the industry and to increase sale / turnover as well as profitability. Further it plans to extend exploration services for production well drilling, geothermal and geotechnical investigation and commercial mining of bauxite. MECL has entered into MOUs with a number of leading mining companies in the country namely CMPDIL, SAIL, NTPC and RINL. In addition M/s. KIOCL has shown interest for entering into MOU with MECL for exploration work in their leasehold area.

Total Revenue of the company registered an increase of ₹11.86 crore during 2012-13, which went up to ₹171.68 crore in 2012-13 from ₹159.82 crore in 2011-12. The profit of the company has also gone up by 3.34 crore to ₹20.66 crore in 2012-13, from ₹17.32 crore in previous year due to increase in the Turnover by updating mineral inventory of various minerals, manifold and setting up of a number of new mines and mineral based industries in India.

The Company

Mishra Dhatu Nigam Ltd (MIDHANI) was established in November 1973 to achieve self-reliance in areas of special grade super alloys, steel, titanium and magnetic alloys. These alloys find applications in the strategic sectors such as Defence, Space, Aeronautics, Nuclear and various other commercial industries.

MIDHANI is a schedule- ‘B’ Mini Ratna CPSE in Steel sector under the administrative control of Ministry of Defence, Department of Defence Production with 100 % shareholding by the Government of India. The company employed 976 regular employees (Executives 267& Non-Executives 709) as on 31.3.2013. Its Registered and Corporate offices are located at Hyderabad, Andhra Pradesh

Vision / Mission

The Vision / Mission of the Company are to achieve self-reliance in the research, development, manufacture and supply of critical alloys and products of National Security and Strategic Importance.

Industrial / Business Operations

MIDHANI is engaged in the manufacture of some of the very complex alloys, like super alloys, merging steels, titanium & titanium alloys, special purpose steels, soft magnetic alloys, molybdenum products and welding electrodes, which only a few advanced countries in the world produce through its single operating unit at Hyderabad.

Total Revenue of the company registered an increase of ₹ 55.21 crore during 2012-13, which went up to ₹ 573.75 crore in 2012-13 from ₹ 518.54 crore in 2011-12. The profit of the company has gone up by ₹ 14.07 crore to ₹ 82.52 crore in 2012-13, from ₹ 68.45 crore in previous mainly due to increase in the sales turnover.

The current ratio of company is at 1.9:1 during 2012-13 as against 1.77:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

The company is adopting new technologies for improvement in production/design and production process. The Modernization & Up-gradation program is scheduled in different Phases, Phase –I have been completed and the same are yielding better results. The Phase –II – of expansion plan focused mainly on the conversion facilities for saleable products commenced in 2009. The expansion is being supported by the internal resources and rs. 100 Crore equity and loan by the GOI. This phase imitates procurement of facilities such as Ring Rolling Mill, 6000T Forge Press and EAF/LRF/VD/VOD largely aligning to the Corporate Plan 2020. The Phase –III related to planning of major expansion by setting up of a Wide Plate Mill and an Electron Beam Melting furnace.

The Company

Mumbai Railway Vikas Corporation Ltd. (MRVCL) was incorporated on 12.07.1999 with the objective of augmenting transport capacity to match the continual growth in the number of commuters in Mumbai by developing coordinated plans and implementing rail infrastructure projects, integrating urban development plan of Mumbai with rail capacity and investments, undertaking commercial development of Railway land and air space etc.

MRVC is a Schedule-'A' CPSE in Contract and Construction Services sector under the administrative control of M/o Railways with 51% shareholding by the Government of India and 49% by the Govt. of Maharashtra (GoM). The company employed 180 regular employees (Executives 62 & Non-Executives 118) as on 31.3.2013. Its Registered and Corporate offices are at Mumbai, Maharashtra.

Vision / Mission

The Vision / Mission of the Company is to develop world class infrastructure for an efficient, safe and sustainable Railway system for Mumbai suburban section and to provide comfortable and friendly train service to the commuters

Industrial / Business Operations

MRVC is one of the Central-State Governments Joint Venture involved in implementing & coordinating rail infrastructures project viz. Mumbai Urban Transport Project (MUTP) in Mumbai. MRVC is also to undertake commercial development of Railway’s land and air space and to coordinate and facilitate improvements in track drainage, remove encroachments and trespassers and to coordinate with organizations operating train services and responsible for protection of Railway’s right of way for Urban development.

MRVC is a Project executing agency and is at present executing MUTP Phase-I at a total anticipated cost of ₹ 3480 Crores for Mumbai Suburban Section, the cost of which will be shared between M/o Railways and Govt. of Maharashtra in a 50:50 ratio. Approximately 50% of the project cost is raised through World Bank loan. The repayment of loan to World Bank is done by M/o Railways and Government of Maharashtra in equal ratio by levying surcharge on the existing fares.

To execute these projects, MRVC receives funds from Ministry of Railway and Government of Maharashtra for further transmission to various project executing agencies. All the assets created under MUTP project are owned by Indian Railways and not by Mumbai Railway Vikas Corporation Ltd. Hence all the funds received for MUTP project are neither Long Term Loan nor Government Grants, but the funds received for execution of the project.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>
<tbody>
<tr>
<td>Direction &amp; General</td>
<td>₹ in crore</td>
<td>11.66</td>
<td>11.79</td>
<td>9.47</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 8.03 crore during 2012-13, which went down to ₹ 34.90 crore in 2012-13 from ₹ 42.93 crore in 2011-12. The profit of the company has also gone down by ₹ 10.47 crore to ₹ 12.24 crore in 2012-13, from ₹ 22.71 crore in previous year due to decrease in project expenditure as compare to last year and also due to decrease in other operating revenue like interest on short term fixed deposits from banks.

The current ratio of company is at 6.66:1 during 2012-13 as against 6.48:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company aims to integrate suburban rail capacity enhancement plans with urban development of Mumbai for which MRVC has prepared strategic plan for augmenting and strengthening Mumbai suburban rail network with a horizon of 2031.

The Company

Nagaland Pulp and Paper Co. Ltd. (NPPC) was incorporated in 1971 with the objective to construct and manage a modern integrated pulp and paper mill at Tuli in Nagaland. The commercial production commenced in 1982. It was incorporated as a Joint Venture between Government of Nagaland and Hindustan Paper Corporation (HPC). NPPC is a joint venture subsidiary of HPC Ltd. where-in, HPC holds 94.78% equity and Govt. of Nagaland holds 5.22% equity.

NPPC is a Schedule-'C' / BIFR / BRPSE referred CPSE in Consumer Goods Sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry. The company employed 216 regular employees (Executives 4 & Non-Executives 212) as on 31.3.2013. It's registered office at Nagaland and Corporate office at Kolkata, West Bengal.

Vision / Mission

The Vision of the Company is to take a leading role in the industrial development of Nagaland.

The Mission of the Company is to operate large capacity Pulp & Paper mill in the remote industrially backward state of Nagaland.

Industrial / Business Operations

NPPC manufactures, sells pulp, paper, newspaper and plantations of various cellulosic raw material. The production in its mill has been suspended for the last 18 (eighteen) years due to escalation of project cost, non-performance of defectively designed coal-fired boilers, inadequate and erratic grid power, non-availability of feed, deficient infrastructure in transport / telecommunication, shortage of skilled man power etc.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 0.08 crore during 2012-13, which went down to ₹ 1.54 crore in 2012-13 from ₹ 1.62 crore in 2011-12. The losses of the company has gone up by ₹ 2.68 crore to a loss of ₹ (-) 14.58 crore in 2012-13, from ₹ (-) 11.90 crore in previous year due to increase in the financial cost.

The current ratio of company is at 0.02:1 during 2012-13 as against 1.08:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The company is registered with BIFR since 1992 which earlier recommended ‘winding up’ of the company. However, based on the initiatives taken by the Government, the revival plan is under consideration.

The first revival scheme was sanctioned in 1994. However, the production could not be carried out due to lack of captive power generation at NPPC and as such the company was again referred to BIFR in 1998. BIFR had recommended winding up of the company in 2002 but (against the winding up orders of BIFR) the Government of Nagaland and NPPC filed an appeal before AAIFR which set aside the impugned order and remanded back to BIFR on 20.4.2006. The company was also referred to BRPSE. However, BRPSE remitted the case to administrative ministry with a remark that PIB is to consider the case in the first instance. PIB recommended the case on 28.4.2006 and DHI has placed the matter before CCEA. CCEA in its meeting held on 23.11.2006 approved the revival package. A 30 year Tripartite agreement between Government of Nagaland (GON), HPC and NPPC was executed on May 25, 2006 to ensure availability of raw material (bamboo) within the State of Nagaland, handing over the bamboo growing 12676 hectares of GON, purchased land to NPPC for undertaking captive bamboo plantation and exemption on payment of royalty on raw material. The BIFR sanctioned a revival scheme in 2007. The implementation of the Rehabilitation Scheme as sanctioned by BIFR, embarked upon by the company has been hamstrung by the wide variation in the price quotes by various bidders against the cost estimates as per the scheme, necessitating de novo updating of the Scheme itself with revised cost estimates.

Since the rehabilitation plan of the BIFR could not take off within the stipulated time period, the management has approached the GoI with a revised rehabilitation proposal at the cost of ₹ 879 crore in 2 phases. This approval is currently pending.

The Company

Narmada Hydroelectric Development Corporation Ltd. (NHDC) was incorporated on 01.08.2000 under the Companies Act, 1956 with the objective to plan, promote, organize and integrate an efficient development of Power through all conventional, non-conventional / renewable energy sources in India. It is a joint venture of NHPC Ltd. and Government of M.P. and is a subsidiary of NHPC Ltd. The name of the company has changed to NHDC Ltd. w.e.f. 24.06.2009. NHDC is an uncategorized CPSE in Power sector under the administrative control of Ministry of Power. 51% equity is held by its holding company namely NHPC Ltd. The balance 49% shareholding of the company is with State Govt. of Madhya Pradesh. The company employed 547 regular employees (Executives 239 & Non-Executives 308) as on 31.3.2013. Its Registered and Corporate Offices is at Bhopal, Madhya Pradesh.

Vision / Mission

The Vision of the Company is to become a premier organization for sustainable development of conventional & non-conventional power with strong environment conscience.

The Mission of the Company is to achieve excellence in all aspects of Power, to execute and operate projects in a cost effective, environment friendly and socio economically responsive manner and to maximize creation of wealth through generation of internal funds and effective management or resources.

Industrial / Business Operations

NHDC as a subsidiary of NHPC Ltd is engaged in development of power through all conventional, non-conventional / renewable energy sources. Currently company is having two hydroelectric power stations namely Indira Sagar Hydroelectric Project (8X125 MW) and Omkareshwar Hydroelectric Project (8X65 MW) in operation and located at Madhya Pradesh. The company’s total installed capacity of two completed hydro projects is 1,520 MW.

Performance Highlights

The physical performances of the company for last three years are given below:

</tr>
</thead>
<tbody>
<tr>
<td>Power (electricity)</td>
<td>MUs</td>
<td>4161 4664 3197</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 112.32 crore during 2012-13, which went down to ₹ 1338.19 crore in 2012-13 from ₹ 1450.51 crore in 2011-12. The profit of the company has also gone down by ₹ 71.26 crore to ₹ 575.64 crore in 2012-13, from ₹ 646.90 crore in previous year due to fall in the turnover and increase in the operational expenses.

The current ratio of company is at 2.69:1 during 2012-13 as against 2.03:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

Owing to limited scope of Hydro power potential in the State of M.P., the company has recently ventured into development of power projects from all conventional / non-conventional sources of energy viz., thermal, wind etc. Presently the preparation of DPR for 2*660 MW capacity super critical technology based Reva Thermal Power Project (RTPP) in the periphery of Indira Sagar reservoir is under process, however the coal linkage from GoI for the proposed project is awaited. The Power Purchase Agreement (PPA) of RTPP has also been signed with MP Tradeco on 03.01.2011. NHDC will deploy its internal resources to meet the equity requirement of the project.

## NHDC LTD.

![Image of Balance Sheet and Profit & Loss Account]

[Public Enterprises Survey 2012-2013 : Vol-II](#)

339
The Company

National Aluminium Co. Ltd. (NALCO) was incorporated on 07.01.1981 to exploit a part of the large bauxite deposits discovered in the East Coast, in technological collaboration with Aluminium Pechiney of France (now Rio Tinto - Alcan). Incorporation of NALCO is considered to be a turning point in the history of Indian Aluminium Industry. In a major leap forward, NALCO has not only addressed the need for self-sufficiency in aluminium but also given the country a technological edge in producing this strategic metal as per world standards.

NALCO is a Schedule - ‘A’ Navratna listed CPSE under the administrative control of Ministry of Mines with 87.15% shareholding by the Government of India. The company employed 7555 regular employees (Executives 1799 & Non-Executives 5756) as on 31.3.2013. Its Registered and Corporate offices are at Bhubaneswar, Odisha.

Vision / Mission

The Vision of the Company is to be a reputed global company in the metals and energy sectors.

The Mission of the Company is to achieve sustainable growth in business through diversification, innovation and global competitive edge; to continuously develop human resources, create safe working conditions, improve productivity and quality and reduce cost and waste; to satisfy the customers and shareholders, employees and all other stakeholders; to be a good corporate citizen, protecting and enhancing the environment as well as discharging social responsibility in order to ensure sustainable growth and to intensify R&D for technology development.

Industrial / Business Operations

The company is an integrated and diversified mining, metal and power producer. The primary operations are located in Odisha and the company enjoys major market presence in Alumina and Aluminium. It has bulk shipment facilities at Visakhapatnam port in Andhra Pradesh, besides utilizing the facility at Paradeep port in Odisha. Besides ISO 9002, ISO 14001 & OHSAS 18000 certification, the company has adopted SA 8000 (Gudem and K R Konda in AP and Pottangi in Odisha) and setting up bauxite mines exploring for solar plants. The company is also developing bauxite mines (Gudem and K R Konda in AP and Pottangi in Odisha) and setting up forward and backward integration projects.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>

</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 274.29 crore during 2012-13, which went up to ₹ 7427.53 crore in 2012-13 from ₹ 7153.24 crore in 2011-12 due to increase in the sales volume. However, the profit of the company has gone down by ₹ 256.67 crore to ₹ 592.83 crore in 2012-13, from ₹ 849.50 crore in previous year due to higher input cost.

Fig. 1

Strategic issues

NALCO has extensive brown field and green field expansion projects worth Rs. 40,000 crores in India and abroad. Steps have been taken up for commissioning of allotted coal block (Utkal-E) at a cost of ₹ 338 crores.

To offset the vagaries of international market, NALCO is venturing into other metals and energy sectors. NALCO has set up a JV with NPCIL and is commissioning 2X 700 MW nuclear power plant in Kakrapara, Gujarat. The company is setting up a wind power project of 50.4 MW capacity at Gandikota in AP.

NALCO has set up project office in Ahmadabad for setting up a 1 mln tons capacity Alumina refinery at a cost of ₹ 4400 crore in Kutch, Gujarat. Negotiation with GMDC is in progress for finalization of project agreement, Baxite supply agreement, lignite supply agreement, lime supply agreement and power purchase and power purchase agreement.

NALCO has plans to set up Thermal power plants as IPP and UMPP and exploring for solar plants. The company is also developing bauxite mines (Gudem and K R Konda in AP and Pottangi in Odisha) and setting up forward and backward integration projects.

Public Enterprises Survey 2012-2013 : Vol-II

83
The Company

National Backward Classes Finance and Development Corp. (NBCFDC) was incorporated on 13.01.1992 as a company not for profit under Section 25 of the Companies Act, 1956 with the objective to promote economic and developmental activities for the benefit of the members of backward classes living below double the poverty line income limit.

NBCFDC is a Schedule-’C’ CPSE in Financial Services sector under the administrative control of M/o Social Justice and Empowerment with 100% shareholding by the Government of India. The Company employed 47 regular employees (Executives 10 & Non-Executives 37) as on 31.03.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the company is to play a leading role in upliftment of economic status of the Backward Classes.

The Mission of the company is to provide concessional financial assistance to the eligible members of Backward Classes for self-employment ventures and skill development

Industrial / Business Operations

NBCFDC is engaged in providing services in the field of disbursement of concessional loan to members of backward classes living below double the poverty line income limit under self-employment generation schemes through State Channelizing Agencies (SCAs) and through State Backward Classes Finance & Development Corporations. The Corporation is implementing term loan, margin money loan and micro finance schemes. It is operating through four regional offices at Kolkata, Mumbai, Chennai and Kanpur.

The service range of the company comprises of income generating activities under 4 broad sectors namely Agriculture and Allied activities, Small Business / Artisan and Traditional Occupation, Service sector and Transport.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Service</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>

The Company

National Buildings Construction Corporation Limited (NBCC) was incorporated in 1960 with the objective to become a leading company, in the construction engineering and project management consultancy services in India.

NBCC is a Schedule “A” miniratna listed CPSE in Contract & Construction Services sector under the administrative control of Ministry of Urban Development with 90% shareholding by the Government of India. The company employed 2211 regular employees (executives 846 and non-executives 1365) as on 31.3.2013. Its Registered and Corporate Offices are at New Delhi.

Vision/Mission

The Vision of the Company is to be a widely admired Company and preferred construction Services Company.

The Mission is to supply customers with practical, secure, innovative and cost-efficient construction products and services that meet their needs as well as provide the necessary infrastructure in a socially responsible way.

Industrial / Business Operations

NBCC is engaged in execution of civil engineering projects, rendering project management consultancy and Real Estate. NBCC has entered in a big way in construction of solid waste management projects.

A number of Central Government Ministries and various State Governments are utilizing the services of NBCC as their executing agency. Like construction of rural roads in Bihar, Jharkhand and Tripura under PMGSY (Jawaharlal Nehru Gramin Sadak Yojana) and establishing world class infrastructure in Haryana, Tripura, and Jammu & Kashmir under JNNURM (Jawaharlal Nehru Urban Renewal Mission)

The company has five Joint Ventures namely “Jamal – NBCC International (Proprietary) Ltd.” Botswana, NBCC-MHG, NBCC-AMC, NBCC-R.K. Millen & Co., and NBCC-AB with a share holding of 49%, 50%, 76.98%, 50% & 50% each respectively.

Performance Highlights

The segment-wise revenue earned by the Company during the last three years is given below:

<table>
<thead>
<tr>
<th>Main Segments</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>
<tbody>

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 234.86 crore during 2012-13, which went down to ₹ 3347.45 crore in 2012-13 from ₹ 3582.31 crore in 2011-12. However, the profit of the company has gone up by ₹ 17.33 crore to ₹ 207.50 crore in 2012-13, from ₹ 190.17 crore in previous year due to reduction in the operating expenses.

The current ratio of company is at 1.35:1 during 2012-13 as against 1.23:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

NBCC has put in place a system of registering Consultants/Architects for ‘Architectural & Engineering planning and designing of residential and non-residential complexes from conceptualization to completion stage’ in various categories depending on nature and amount of work on an annual basis. Enterprise Resource Planning (ERP) for preparation of accounts, online release of payments etc. The Integrity pact has been successfully been implemented in the Corporation. The threshold value of projects to come in the ambit of Integrity Pact has been reduced from Rs. 50 crore fixed initially to Rs. 5 crore to cover 90-95% of the projects in monetary terms as per CVC guidelines.

### Financial Ratios
The Company

NFL was incorporated on 23rd August, 1974 for implementation of two fertilizer plants, based on gasification technology of Feed Stock / LSHS at Bathinda in Punjab and Panipat in Haryana having an installed capacity of 5.11 lakh tones of Urea each. In April’ 1978 the Nangal Group of Plants of Fertilizer Corporation of India (FCI) were transferred to NFL upon reorganization of NFL-FCI. Subsequently in 1984 the company executed the country’s first inland gas based fertilizer project of 7.26 lakh tones Urea capacity in District Guna in Madhya Pradesh. The Vijaipur plant commenced commercial production w.e.f. 1.7.1988.

NFL is a Schedule ‘A’ listed MiniRatna CPSE under the administrative control of Ministry of Chemicals & Fertilizers, Department of Fertilizers with a Govt. of India share of 97.64% and the remaining share i.e. 2.36% held by financial institutions and others. The company employed 4291 regular employees (Executives 1802 & Non-Executives 2489) as on 31.3.2013. Its Registered Office is at New Delhi & Corporate office at NOIDA (U.P).

Vision / Mission

NFL’s Mission is to be a market leader in Fertilizers and a significant player in all its other business, reputed for customer satisfaction, reasonable reward to shareholders, ethics, professionalism and concern for ecology and the community

Industrial / Business Operations

NFL is engaged in manufacturing and marketing of Urea, Neem Coated Urea, Bio-Fertilizers (solid & liquid) and other allied industrial products like Ammonia, Nitric Acid, Ammonium Nitrate, Sodium Nitrite, Sodium Nitrate etc.

It has five gas based Urea plants viz Nangal & Bathinda in Punjab, Panipat in Haryana and two at Vijaipur (Madhya Pradesh). The Company’s Marketing Network comprises of Central Marketing Office at NOIDA, three Zonal Offices at Bhopal, Lucknow & Chandigarh, 13 State Offices and 39 Area Offices spread across the country.

Company also has a Joint Venture (33.33% share) “Urvarak Videsh Limited” with M/s. KRIBHCO and RCF as promoters.

Performance Highlights

Total annual Urea installed capacity of the Company is 35.68 LMT. The average capacity utilization for all the products / services of the company was 91.05% during 2012-13 against 90.31% during previous year 2011-12. The percentage share of NFL in Urea production in the country was 14.2% during 2012-13.

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 585.81 crore during 2012-13, which went down to ₹ 6756.85 crore in 2012-13 from ₹ 7342.66 crore in 2011-12 due to Lower production / sale because of shut-downs taken for commissioning of Urea Capacity Enhancement Projects at Vijaipur and changeover of feedstock from Fuel-oil to Natural Gas at Nangal, Bathinda and Panipat Units.

The profit of the company has also gone down by ₹ 297.46 crore to a loss of ₹ (-) 170.73 crore in 2012-13 as against a profit of ₹ 126.73 crore in previous year due to decrease in sale and contribution of industrial products due to non-availability of cheaper ammonia, non-availability of gases, Sulphur and Argon gas at three Fuel-oil based Units post commissioning. The other reasons for losses are Provision for Purchase Tax liability pertaining to previous years has been provided and higher interest expenditure mainly due to delay in receipt of subsidy.

The current ratio of company is at 1.13:1 during 2012-13 as against 1.11:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The NFL has expansion Plans regarding revival of FCI Plants of Ramagundam in Joint venture with M/s EIL with an estimated cost of ₹ 4700 crores. Expected to be completed by 2017-2018, Purge Gas Recovery plant & Process Air Compressor at Vijaipur for enhancing Urea production by 239 MTPD with an estimated cost of ₹ 80 crore, Single Super Phosphate (SSP) plant at Panipat with an annual capacity of 3.5 Lakh MT and estimated cost of ₹ 80 crore which is expected to be completed by 2015-16.

The company is also diversifying through Import & Trading of MoP (Murate of Potash), DAP and Complex Fertilizers (NPK and SSP) through imports, Trading of certified Seeds, Organic Manure, Agro, chemicals like Pesticides, Fungicides and Herbicides, BSNL Products, Bentonite Sulphur etc., Bio-Fertilizers (Solid & Liquid), Mycorrhiza etc., Action initiated for setting up of Heavy Water plant & solar power plant, Action for setting up of plant for manufacturing of water soluble fertilizers is under way.

**National Fertilizers Ltd.**

Public Enterprises Survey 2012-2013 : Vol-II
The Company
National Film Development Corp. Ltd. (NFDC) was incorporated on 11.05.1975 with the objective to plan, promote and organize an integrated and efficient development of the film industry in accordance with the national economic policy and objectives laid down by the Central Government from time to time. The company was restructured in 1980 by the merger of erstwhile Indian Motion Picture Export Corporation and Film Finance Corporation, thereby, the company emerged as a Central Agency to promote good cinema in the Country.

NFDC is a Schedule-‘C’ Mini-ratna / BRPSE referred CPSE in Financial Services sector under the administrative control of M/o Information and Broadcasting with 100% shareholding by the Government of India. Its Registered and Corporate offices are at Mumbai, Maharashtra. The Company employed 102 regular employees (Executives 27, Non-Executives 75) as on 31.03.2013.

Vision / Mission
The Vision of the Company is to create domestic and global appreciation and celebration of the independent Indian cinema.

The Mission of the Company is to fostering excellence in cinema and promoting the diversity of its culture by supporting and encouraging films made in various Indian languages.

Industrial / Business Operations
NFDC is engaged in providing services in the field of film production, distribution and provide related project services. The activities of the company can be bifurcated into development and commercial activities.

The company operates through three Regional offices in Chennai, Delhi and Kolkata and one Branch office at Trivandrum.

Performance Highlights
The physical performances of the company for last three years are given below:

<table>

Total Revenue of the company registered a reduction of ₹ 4.47 crore during 2012-13, which went down to ₹ 251.24 crore in 2012-13 from ₹ 255.71 crore in 2011-12. However, the profit of the company has gone up by ₹ 2.27 crore to ₹ 6.35 crore in 2012-13, from ₹ 4.08 crore in previous year due to fall in operating expenditure.

The current ratio of company is at 1.09:1 during 2012-13 as against 1.14:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue
The company was referred to BRPSE and a revival plan for the company was approved by the Government in September, 2010. As per revival plan of the company, an additional equity was infused during 2010-11 and outstanding Government loan along with accumulated interest was converted into equity. The revival plan is under implementation. The conversion of loan into equity and interest outstanding thereon has rid the corporation of their heavy interest burden and liability to repay the loan. It has helped the corporation to clean up its balance sheet and start afresh. NFDC turned into a profit making company since 2009-10. A Media campaign agency for Government Department is critical for its future growth.

The Company
National Handicapped Finance & Dev. Corp. (NHFDC) was incorporated on 24.01.1997 as a company not for profit under Section 25 of the Companies Act, 1956 with the objective of serving as a catalyst in the economic & social development of persons with disability by helping them in setting up self-employment projects. NHFDC is a Schedule-‘C’ CPSE in Financial Services sector under the administrative control of M/o Social Justice & Empowerment with 100% shareholding by the Government of India. The company employed 32 regular employees (Executives 13, Non-executives 19) as on 31.3.2013. Its Registered and Corporate offices are at Faridabad, Haryana.

Vision / Mission
The Vision and mission of the Company is to empower the disabled persons to break away from the dependence on others and depressed economic and social conditions by engaging themselves in productive work and move up the social and economic ladder with dignity and pride.

Industrial / Business Operations
NHFDC is engaged in providing services in the field of financial assistance for self-employment of the disabled persons through State Channelising Agencies (SCAs). The NHFDC functions as an apex institution for channelizing funds to persons with disabilities through the SCAs nominated by the concerned State Government(s) and Union Territories or Regional Rural Banks (RRBs).

The assistance in the form of loan is provided for setting up small business in service / trading sector; purchase of vehicles for commercial hiring; setting up small industrial unit; agriculture activities; self-employment amongst persons with mental retardation, cerebral palsy and autism; professional / educational / training courses; financial assistance for skills and entrepreneurial development; Micro Credit Finance; and Parents’ Association of mentally retarded persons.

The company strives to promote economic developmental activities &self-employment ventures for the persons with disabilities. It is assisting in up-gradation of entrepreneurial skill, vocational rehabilitation, self-employment and in marketing of their products.

Performance Highlights
The physical performances of the company for last three years are given below:

<table>

Total Revenue of the company registered an increase of ₹ 1.28 crore during 2012-13, which went upto ₹ 9.61 crore in 2012-13 from 8.33 crore in 2011-12. The profit of the company has also gone up by ₹ 0.92 crore to ₹ 4.64 crore in 2012-13, from ₹ 3.72 crore in previous year. Profit has been increased mainly due to increase in the Turnover and other income.

Strategic issue
During the year NHFDC has taken new initiatives for extending the outreach to its target group e.g. training of persons with disabilities; MoU with 17 regional rural banks/ scheduled commercial banks; proposal for grant of subsidy, EDP training, interest free education loan, grant for reimbursement of one time guarantee; scheme for young professionals with disabilities, advance funding etc.

The Company
National Informatics Centre Services Inc. (NICSI) was incorporated on 28.08.1995 as a section 25 company with the objective to provide support to National Informatics Centre (NIC) in various promotional and commercial activities being undertaken by NIC. It provides operational support for NIC’s mega-projects and provides total IT solutions to the Government organizations.

NICSI is an un-categorized CPSE in Industrial Development & Tech. Consultancy Services Sector under the administrative control of M/o Communication and Information Technology, D/o Information Technology with 100% shareholding by the Government of India.

The company employed 46 regular employees (Executives 44 & Non-Executives 2) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission
The Vision / Mission of NICSI is to be a dominant player in implementation of Information & Communication Technology (ICT) projects in the Government sector and to help in achieving accelerated socio-economic development of the country.

Industrial / Business Operations
NICSI is engaged in promoting economic, scientific, technological, social and cultural development of India by promoting, assisting and streamlining the creation, adaptation, absorption, application, dissemination, growth and utilization of Information Technology including computer Technology, computer communication networks, informatics, digital automation and computer aided modernization in various facets of Government and Society including local self governments, educational institutions, financial institutions, societies, libraries, research institutions, etc. in public, private and cooperative sectors through non-commercial and commercial applications of the know how methodologies, software, hardware, database, information base, knowledge base, expertise, infrastructure, Value Added Telecom services and other services developed by the NIC of the GOI, including its computer communication network (NICNET) and associated infrastructure and services as well as the network and associated infrastructure and services of collaborators and associates of NIC with whom NIC has legally binding relationships.

Performance Highlights

**The Company**

National Jute Manufactures Corporation Ltd. (NJMC) was incorporated on 3.6.1980 with the objective to take over six jute mills, the management of which was earlier taken over by the Government of India under the Industries (Development and Regulation) Act, 1951.

NJMC is a Schedule ‘B’ / sick BIFR / BRPSE referred CPSE in Textile sector under the administrative control of M/o Textiles with 100% shareholding by the Government of India. The company employed 3000 Regular Executive employee as on 31.3.2013. As per decision of the Union Cabinet, VRS was offered to all the officers under Composite Package and all officers / Executives have been released w.e.f. 30.10.2011. The day to day affairs of NJMC are being looked after by a Board comprising 3 Directors (including Government Directors). Its Registered and Corporate offices are at Kolkata, West Bengal.

**Vision / Mission**

The Vision of the Company is to make the Company viable and sustainable by 2015-16.

The Mission of the Company is to modernize the 3 Revival Jute Mills of the Company as specified in the Revival Scheme and to implement the Revival Plan as approved from Union Cabinet / BIFR.

**Industrial / Business Operations**

NJMC is engaged in manufacturing of jute goods through its 3 operating units at North 24 Paraganas, Howrah and Kolkata in West Bengal and Katihar in Bihar. The company also has one subsidiary namely Bird Jute Export Ltd. with 59.87% share holding.

NJMC has been suffering cash loss since inception due to unfavorable market conditions, unfavorable product mix and absence of strategy, inadequate investment, obsolescence in machinery and technology, poor capacity utilization, very low machinery and labour productivity, very high idle manpower, high wastage generation and high manufacturing cost. Due to disconnection of power supply in all six units of NJMC, there was no production activity for more than eight years since 2003-04. Regular production of the company has started in 3 units during 2011-12 after approval of revival plan. The mills which are revived are; Khardah, Kinnison in West Bengal and RBHM in Bihar. The production is started by engagement of more than 2000 contract workers. As per revival plan the engagement of workforce under contract basis initially for two years to avoid fixed cost till modernization is complete.

**Performance Highlights**

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>

</table>

Total Revenue of the company registered a reduction of ₹ 1.48 crore during 2012-13, which went down to ₹ 30.70 crore in 2012-13 from ₹ 32.18 crore in 2011-12. However, the loss of the company has gone down by ₹ 22.21 crore to a loss of ₹ (-) 16 crore in 2012-13, from ₹ (-) 38.21 crore in previous year due to increase in the expenditure like Other Operating/direct/manufacturing Expenses and other expenses. The current ratio of company is at 2.35:1 during 2012-13 as against 2.43:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

**Strategic issues**

The company was referred to BIFR on 11-08-1992. The High Court of Calcutta passed the order for winding up of the company on 6.1.2005 and directed the official liquidator to take possession of the assets of the company. Subsequently, as per the advice of the Ministry of Textiles, Government of India, NJMC Management preferred to appeal before the Division Bench of the High Court, Calcutta against the above order. Further on the appeal of NJMC officer’s Guilds, the Appellate Authority for Industrial & Financial Reconstruction (AAIFR) in 2008 has remanded the matter to BIFR with a direction to take further step for the revival of the company based on the proposal submitted by M/o Textile. Board for Industrial and Financial Reconstruction (BIFR) on March 31, 2011 sanctioned the Revival Scheme of the company after prolonged hearing. The salient features of the Scheme are: (i) NJMC shall run 3 mills (Kinnison & Khardah in W.B. and RBHM in Bihar) by itself and close 3 mills (National, Alexandra & Union in W.B.) at a total cost of ₹ 1562.98 crores comprising repayment of liabilities of Rs. 1205.83 crores, startup & modernization ₹ 215.70 crores and cash loss for implementation period ₹ 141.45 crores. (ii) The NJMC will get fresh interest free loan of ₹ 483.60 crores from GOI, to be refunded through sale of assets of 3 (three) mills of NJMC (National, Union & Alexandra) and surplus assets of Kinnison & Khardah and RBHM the three revival mills. (iii) The installed capacity will be 305 MT/day after complete modernization at a cost of ₹ 215.70 crores. (iv) Net worth is expected to be positive in the 6th year i.e. 2015-16. (v) Settlement of Officers’ VRS under composite package. (vi) Engagement of workforce under contract basis initially for two years to avoid additional fixed cost till modernisation is complete.

2012-13 PROVISIONAL
The Company

National Minorities Development Finance Corporation (NMDFC) was incorporated on 09.09.1994 as a company not for profit under Section 25 of the Companies Act, 1956 with an objective to promote economic and developmental activities for the benefit of backward sections amongst minorities as defined under National Commission for Minorities Act 1992.

NMDFC is a Schedule – ‘C’ CPSE in Financial Services sector under the administrative control of Ministry of Minority Affairs with 65% shareholding by the Govt. of India, 26% by the State Govt. and 9% by the Groups & individuals having interest in Development of Minorities. The company employed 32 regular employees (Executives 15 and Non-executives 17) as on 31.3.2013. The registered and corporate office of NMDFC is situated at New Delhi.

Vision / Mission

The Vision of the Company is to reach and assist all individuals/groups among minorities who are living below double the poverty line in a phased manner.

The Mission of the Company is to promote economic and developmental activities for the benefit of backward sections amongst minorities.

Industrial / Business Operations

NMDFC is a national level apex financing body providing Financial Assistance / lending to eligible Minorities living below double the poverty line at concessional rates of interest for self employment ventures as well as technical and professional education, with preference to women and occupational groups through 37 operational State Channellising Agencies (SCAs) operational in 25 States and two Union Territories across the country.

The major schemes implemented by NMDFC are Term Loan, Margin Money, Micro Credit, Interest Fee Loan for promotion of Self Help Groups, Revolving fund scheme under Micro Financing, Educational Loan, Vocational Training, Grant for skill/design development/Marketing assistance scheme.

Performance Highlights

The physical performances of the company for last three years are given below:

The Company

National Projects Construction Corp. Ltd. (NPCC) was incorporated on 09.01.1957 with the objective of competing with the domestic and international construction organizations in the field of planning, design, consultancy / construction of large civil / allied projects in various sectors of economy and serve as a price deterrent to the private contractors.

It is a Schedule-‘B’ BRPSE referred CPSE in Contract & Construction Services Sector under the administrative control of M/o Water Resources with 99.00% shareholding by the Government of India. The company employed 1481 regular employees (Executives 336 & Non-Executives 1145) as on 31.3.2013. Its registered office is at New Delhi and corporate office at Faridabad.

Vision / Mission

The Vision of the Company is to become world-class engineering project implementing organization.

The Mission of the Company is to achieve a turnover exceeding 2000 crore by 2015-16 by focusing value addition at all points of interaction with their clients and continuously enhance the capabilities of organization and employees through innovations.

Industrial / Business Operations

NPCC is engaged in providing services in the field of construction of large civil and allied projects in sectors relating to irrigation, river valley projects, barrages, canals, hydel and thermal power, steel, coal, rural and urban transportation, railways etc. through its 98 working units all over India as on 31.03.2013.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 3.43 crore during 2012-13, which went down to ₹ 1220.57 crore in 2012-13 from ₹ 1224 crore in 2011-12. However, the profit of the company has gone up by ₹ 8.79 crore to ₹ 50.97 crore in 2012-13, from ₹ 42.18 crore in previous year. Profit has been increased mainly due to increase in the other income and curtail in other expenses.

The current ratio of company is at 1.04:1 during 2012-13 as against 1.02:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

National Safai Karamcharis Finance & Development Corp.
B-2, First Floor, G. K. Enclave – II, New Delhi - 110048
www.nskfdc.nic.in

The Company
National Safai Karamcharis Finance & Development Corp. (NSKFDC) was incorporated on 24.1.1997 as a company not for profit under Section 25 of the Companies Act, 1956 with the objective of socio-economic upliftment of Safai Karamcharis / Scavengers and their dependents by way of providing financial assistance at concessional rates of interest for any income generating activity throughout the country through the State Channelizing Agencies (SCAs) and to provide technical and professional training, quality control, technology up-gradation, and common facility centers for carrying out sanitation works.

NSKFDC is a Schedule-‘C’ CPSE in Financial Services sector under the administrative control of M/o Social Justice and Empowerment with 100% shareholding by the Government of India. Its Registered and Corporate offices are at New Delhi. The company employed 22 regular employees (6 executives, 16 non executives) as on 31.3.2013.

Vision / Mission
The Mission of the Company is to empower the Safai Karamcharis, Scavengers and their dependents to break away from traditional occupation, depressed social condition, poverty and leverage them to work their own way up the social and economic ladder with dignity and pride.

Industrial / Business Operations
NSKFDC provides concessional financial assistance to income generating and viable projects to the Safai Karamcharis / Scavengers and their dependents whose income is below double the poverty line through 26 State Channelising Agencies (SCAs) nominated by State Governments / UTs. The financing schemes include Term Loan, Micro Credit Finance (MCF), Mahila Samridhi Yojana (MSY), Educational Loan etc.

Performance Highlights
The physical performances of the company for last three years are given below:

Total Revenue of the company registered an increase of ₹ 1.00 crore during 2012-13, which went up to ₹ 11.51 crore in 2012-13 from ₹ 10.51 crore in 2011-12. The profit of the company has also gone up by ₹ 1.17 crore to ₹ 5.76 crore in 2012-13, from ₹ 4.59 crore in previous year.

Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
NSKFDC has taken initiatives like rating & awards, increasing the payback period, proposals for abolishing charging non utilization charges, networking to achieve the mission of providing financial assistance for setting up self employment units and for education loan & skill development training programme etc, to strengthen the SCAs.

For maximum coverage of the beneficiaries under NSKFDC Schemes & Programmes, initiatives like reduction of interest rate, broadening the scope of education loan, providing second time loan, schemes to promote sanitary machines / equipments have been taken.

National Safai Karamcharis Finance & Devpt. Corpn

Public Enterprises Survey 2012-2013 : Vol-II

579
The Company

National Scheduled Castes Finance & Development Corporation (NSFDC) was incorporated on 8.2.1989 with the objective to exclusively work for the economic development activities of the people belonging to Scheduled Caste categories living below Double the Poverty Line. NSFDC was incorporated as a company not for profit under Section 25 of the Companies Act, 1956 as National Scheduled Castes and Scheduled Tribes Finance and Development Corporation, which was later bifurcated into two Corporations, one for Scheduled Castes and another for Scheduled Tribes w.e.f. 10.4.2001.

NSFDC is a Schedule - ‘C’ CPSE in Financial Services sector under the administrative control of Ministry of Social Justice and Empowerment with 100% shareholding by the Government of India. Its Registered and Corporate offices are at New Delhi. The company employed 78 regular employees (Executives 35 & Non-Executives 43) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the Company is to Fight Poverty through Entrepreneurship.

The Mission of the company is to finance, facilitate and promote the economic development activities of persons belonging to Schedule Caste living below Double the Poverty Line limits.

Industrial / Business Operations

NSFDC is engaged in ‘Community Services’ by providing financial assistance at concessional interest rates under various credit schemes and extending supports under various non-credit schemes to help the Scheduled Caste (SC) beneficiaries through 37 State / UT Channelising Agencies (SCAs) and other recognized institutions nominated by the respective State/UT Government.

The Company has five Zonal Offices at Bengaluru, Mumbai, Kolkata, Lucknow and Guwahati. The company assists the target group (Double the Poverty Line (DPL) i.e. Rs. 40,000 in Rural Areas & Rs.55,000 in Urban Areas) by way of loans and advances, skill training, entrepreneurship development programmes and other know-how.

At the beginning of each financial year, the company notionally allocates funds to the SCAs in proportion to the Scheduled Caste population of the country represented by the respective State/UT Government.

Performance Highlights

Total Revenue of the company registered an increase of ₹ 9.10 crore during 2012-13, which went up to ₹ 43.26 crore in 2012-13 from ₹ 34.16 crore in 2011-12. The profit of the company has also gone up by ₹ 3.59 crore to ₹ 25.18 crore in 2012-13, from ₹ 21.59 crore in previous year due to increase in the operating income.

The current ratio of company is at 25.45:1 during 2012-13 as against 19.64:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page. National Scheduled Tribes Finance and Development Corporation

Registered Office : NBCC Tower, 5th Floor, 15 BhikajiCama Place, New Delhi-110066
www.nstfdc.nic.in

The Company

National Scheduled Tribes and Finance Development Corporation (NSTFDC) was incorporated on 10.04.2001, by bifurcating erstwhile National Scheduled Castes and Scheduled Tribes Finance and Development Corporation (NSFDC). It is an exclusive corporation setup for economic development of Scheduled Tribes. This corporation has been granted license under Section 25 of the Companies Act, 1956.

NSTFDC is a Schedule-'C' CPSE in Financial Services sector under the administrative control of Ministry of Tribal Affairs (MoTA) and fully owned by the Government of India. The company employed 55 regular employees (Executives 24, Non-executives31) as on 31.3.2013. Its Registered and Corporate office is at New Delhi.

Vision / Mission

The Vision / Mission of the company are economic development of Scheduled Tribes on sustainable basis.

Industrial / Business Operations

NSTFDC provides financial assistance for viable income generating activities for economic development of Schedule Tribes. The financial assistance is extended at concessional interest rate of 4% to 8% chargeable from beneficiaries based on financial assistance given. The major schemes are Term Loan Scheme, Adivasi Mahila Sashaktikaran Yojana (AMSY), Micro Credit Scheme. During the year the corporation has introduced two new schemes namely Adivasi Shiksha Rrinn Yojana (ASRY) and Scheme for Financial Assistance to Tribal Artisans empanelled with TRIFED.

Company is extending concessional finance through the Central/State Channelising Agencies (SCAs) and other agencies. It also provides financial assistance to organizations/Institutions engaged in procurement and Marketing of Minor Forest produces/tribal products and other products etc. It provides financial assistance by way of grants through the SCAs for undertaking training programmes for the skill and entrepreneurial development of eligible scheduled tribes. The company is also involved in capacity building of SCAs and STs through Skill Development and entrepreneurship orientation.

Performance Highlights

The physical performances of the company for last three years are given below:

The company

National Seeds Corporation Ltd. (NSC) was incorporated on 19.03.1963 with the objective to undertake production of foundation and certified Seeds.

NSC is a Schedule ‘B”, Mini Ratna CPSE in Agro-Based Industries Sector under the administrative control of Ministry of Agriculture, Department of Agriculture & Co-operation with 100% shareholding by the Government of India. The company employed 767 regular employees (Executives 210, Non-executives 557) as on 31.3.2013. Its registered and corporate office(s) is at New Delhi.

Vision / Mission

The Vision of the company is to contribute to the prosperity of farmers through supply of quality seeds and other agro inputs/services and to make available the research benefits of ICAR by introducing newer varieties and hybrids developed by ICAR to enhance productivity and economy of the farmers.

The Mission of the company is to lead the Indian Seed Industry, producing and marketing quality seeds of wide range of crop varieties and hybrids, and adding value through other agro related inputs services to the satisfaction of farmers.

Industrial / Business Operations

NSC undertakes production of certified seeds of nearly 600 varieties of 60 crops through its registered seed growers. The company operates from its 10 Regional Offices and 77 Area Offices spread all over India. There are about 8000 registered seed growers all over the country.

In the seed production, emphasis is given for production of oil seeds, pulses and hybrids including vegetables and Tissue Culture Plants like Banana.

Performance Highlights

The physical performance of company for the last three years is shown below:

Total Revenue of the company registered an increase of ₹ 234.25 crore during 2012-13, which went up from ₹ 1346.89 crore in 2011-12 to ₹ 1581.14 crore in 2011-12. The Net profit increased by Rs.21.14 and reached to ₹ 62.35 crores in 2012-13 from ₹ 41.21 crores in 2011-12. The growth can be attributed to increase in volume of operations due to increase in company’s outreach by operating offices in various new areas and overall improvement in income from most of its schemes.

The current ratio of company is at 1.27:1 during 2012-13 as against 1.24:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
NSIC facilitates sustainable international partnerships. The emphasis is on sustainable business relations. Since its inception, NSIC has contributed to strengthening enterprise-to-enterprise cooperation and sharing best practices and experiences with other developing countries, especially those in African, Asian and Pacific regions.

In order to enhance the cooperation for institutional support with various countries, NSIC had signed Agreements / MoUs with three countries viz. Bulgarian Small & Medium Enterprises Promotion Agency (BSMEPA), Social Fund for Development, Egypt and Industrial & Infrastructure Development Finance Company Ltd. (IDFC), Bangladesh.

NSIC has signed MOU with over 69 Industry Associations to provide service at doorsteps of the MSEs. The company has already made arrangements with bulk manufacturers like Steel Authority of India Limited, Rashtriya Ispat Nigam Limited, Nalco, Balco, VAL, HZL, Chennai Petroleum Corporation Limited, Coal India Limited, Indian Oil Corporation Limited and Sterlite Copper, HCL for procuring raw material like steel, aluminum, copper, POLYMER, Coal, zinc, lead etc. for SMEs.

The Company

NTC is a Schedule-‘A’ BIFR / BRPSE referred CPSE in Textile sector under the administrative control of Ministry of Textiles (MOT) with 100% shareholding by the Government of India. The company employed 8348 regular employees (Executives 975, Non-executives 7373) as on 31.3.2013. Its Registered and Corporate offices are at Surya Kiran Building 19, K.G. Marg New Delhi 110001. The Textile Undertakings (Nationalization) Act, 1974, The Swadeshi Cotton Mills Company Limited (Acquisition and Transfer of Undertakings) Act, 1986 and The Textile Undertakings (Nationalization) Act, 1995, approved the Revival Schemes for all the 9 subsidiaries – 8 of them in the year 2002-03 and 9th in the year 2005. The Company has been implementing the Revival Scheme since then. The entire funds required for the implementation of the Revival Scheme is generated through sale of assets of the closed mills and surplus assets of the viable mills. NTC has so far closed 97 mills and generated Rs. 6546.43 crores by sale of assets by an Asset Sale Committee, constituted by BIFR/MOT. The company has completed 18 mills modernization and implementing expansion in 5 modernized mills at an estimated cost of Rs. 385 Crores.

The current ratio of company is at 1.46:1 during 2012-13 as against 1.67:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Vision / Mission

The Vision of the Company is to be a world class eco-friendly integrated textile company, catering primarily to the clothing needs of the nation. The Mission of the company is to be a leading textile enterprise steadily improving capacity utilization, economy of operations, productivity, quality, brand image, market share & export.

Industrial / Business Operations

The main activities of the company are spinning, weaving and retail marketing yarn & cloth. Now, NTC has 23 working mills (as per BIFR / GOI approved strategy) in the State of Andhra Pradesh (1), Gujarat (1), Karnataka (1), Kerala (4), Madhya Pradesh (2), Maharashtra (5), Puducherry (1), Tamilnadu (7) and West Bengal (1) with good infrastructure for the production of a variety of yarns and woven fabrics. The Company has mills in cotton growing areas and cotton centers to market its products. ISO 9001-2008 certifications have been awarded to 21 textile mills and one Regional Office of NTC.

Performance Highlights

The physical performance of Company for last three years is given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>
</tr>
</thead>
<tbody>

<td>89.91</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 339.32 crore during 2012-13, which went up to ₹ 1232.69 crore in 2012-13 from ₹ 892.37 crore in 2011-12. The profit of the company has gone down by ₹ 45.02 crore to ₹ 85.12 crore in 2012-13, from ₹ 130.14 crore in previous year.

The total income increased due to increase in Sale rate of Yarn and Cloth coupled with increase in production quantity. The company is making operating losses since last two years. However these losses reduced during the year 2012-13 due to increase in productivity as a result of modernization. The net profit is due to Extra-Ordinary Items of ₹ 101.63 crore during 2012-13 as against ₹ 326 crore during previous year due to sale of assets for implementation of revival scheme.

Profitability & Liquidity Ratio

On account of obsolete technology; excess manpower; poor productivity, etc. 8 of its 9 subsidiaries were referred to BIFR in the year 1992-93. The BIFR approved Revival Schemes for all the 9 subsidiaries – 8 of them in the year 2002-03 and 9th in the year 2005. The Company has been implementing the Revival Scheme since then. The entire funds required for the implementation of the Revival Scheme is generated through sale of assets of the closed mills and surplus assets of the viable mills. NTC has so far closed 97 mills and generated Rs. 6546.43 crores by sale of assets by an Asset Sale Committee, constituted by BIFR/MOT. The company has completed 18 mills modernization and implementing expansion in 5 modernized mills at an estimated cost of Rs. 385 Crores.

The company has taken steps for diversification in entering into marketing agreements with 3 partners of international repute in the area of marketing of technical textiles – geo textiles and protective textiles. For facilitating the above, Board of Directors has approved the proposals to make agreements with M/s Skaps for Geo-textiles and M/s Tejin & M/s Vertaz for Protective textiles. NTC is in the process of seeking approval from the Ministry of Textiles and thereafter will move a miscellaneous application to BIFR for final approval.

The Company

NEPA Limited (NEPA) was incorporated in the year 1947 as “National Newsprint and Paper Mills” in the private sector and subsequently taken over by the Central Province and Berar (now Madhya Pradesh) in October, 1949. The Central Government acquired controlling interest in 1959. The name of the company was changed to NEPA Limited in 1989.

It is a Schedule-‘C’ / BIFR / BRPSE referred CPSE in Consumer Goods sector under the administrative control of M/o Heavy Industries and Public Enterprises, D/o Heavy Industry with 97.78% shareholding by the Government of India. The company employed 1178 regularemployees (Executives 156, Non-executives 1022) as on 31.3.2013. Its Registered and Corporate offices are at Nepanagar, district Burhanpur, Madhya Pradesh.

Vision / Mission

The Vision of the Company is to make NEPA a viable and sustainable producer of newsprint & writing printing paper to enhance captive power generation capacity and make the company profitable unit.

The Mission of the Company is to stimulate, continue and accelerate efforts to maximize contribution for sustainable future development, growth and prosperity with innovation and technological excellence for its customers, employees and shareholders by producing cost, effective competitive and quality products. To spare head applied research for technological breakthrough in operational efficiency.

Industrial / Business Operations

NEPA Limited is engaging in production/manufacturing/services of newsprint. The company has produced for the first time in India, 42 GSM newsprint meeting particularly all international parameters of strength, opacity, surface smoothness, brightness etc. Thus NEPA ia now able to meet the demand across all categories of Newsprint customers. NEPA has also recently imitated the manufacture of Economy newsprint by using old newspaper (ONP) and over issue newspaper (OINP), to cater to the requirement of the lowest segment of the market at minimal of cost, yet maintaining all other parameters of quality through in lower brightnesses.

The company has its operating unit at Nepanagar, Madhya Pradesh and 3 marketing offices at Delhi, Mumbai and Bhopal and a Plantation Unit at Hempur (Uttaranchal) and has no subsidiary unit.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 14.58 crore during 2012-13, which went down to ₹ 150.62 crore in 2012-13 from ₹ 165.20 crore in 2011-12. The losses of the company has also gone up by ₹ 11.18 crore to a loss of ₹ (-) 84.08 crore in 2012-13, from ₹ (-) 72.90 crore in previous year due to increase in power & fuel cost along with hike in raw material cost.

The current ratio of company is at 1.21:1 during 2012-13 as against 0.68:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue

There are bottlenecks in operations because of old technology. BRPSE gave its recommendation on 28.09.2011. The revival plan was approved by the Government on 06.09.2012. The Revival & Mill Development Plan (RMDP) is proposed to be implemented in 24 months. The RMDP consists of installation of De-linking Plant (DIP) with capacity of 300 TDP, upgradation of two paper machines, installation of new captive power plant and renovation of existing captive power plant. After completion of project, NEPA will enter into product diversification.

The Company receives a budgetary support of Rs.60 crore during 2012-13 towards exgratia payment for implementation of VRS.
The Company

Neyveli Lignite Corporation Limited (NLC) was incorporated on 14.11.1956 with the objective to carry out detailed exploration of lignite deposits in and around Neyveli region and also to assist / carry out similar exploration work in other parts of the country, with due attention to quality, economy and efficiency.

NLC is a Schedule –‘A’ Navratna listed CPSE in Power Generation sector under the administrative control of M/o Coal with 93.56% shareholding by the Government of India. The company employed 17364 regular employees (Executives 4405 & Non-Executives 12959) as on 31.3.2013. Its Registered and Corporate offices are at Chennai and Neyveli. Its Registered Office is at Chennai and the Corporate Office is at Neyveli, Tamil Nadu.

Vision / Mission

The Vision of the Company is to be The Vision is to emerge as an environment friendly and socially responsible Company and a leading Mining and Power Company striving for operational excellence in Mining and Exploration of Lignite and Power generation.

The Mission of the Company is to The mission of the Company strive towards greater cost competitiveness and work towards continued financial strength and to continually imbibe best practice from the best Indian and international organizations engaged in Power Generation and Mining.

Industrial / Business Operations

The company is engaged in production / manufacturing / services of exploration and mining of lignite and generation / sale of power through its three mines and three thermal power stations at Neyveli in Cuddalore district of Tamilnadu and a Mine & Thermal power station at Rajasthan.

Company has 6 operational units at Neyveli in Cuddalore district of Tamilnadu and 2 operational units at Barsingsar of Rajasthan.

The company has one joint venture subsidiary namely NLC Tamilnadu Power Limited (NTPL) with a shareholding of 89% with Tamilnadu Electricity Company Limited. The company is also a partner in a joint venture with Mahanadi Coal Fields Ltd. namely 1MNH Shakti Limited with an equity holding of 15%.

Performance Highlights

The average capacity utilization for all the products / services of the company was 84.31% during 2012-13 as against 79.21% during previous year. The Neyveli Lignite Corporation Limited contributes about 53% of the national Lignite and about 2% of Power generation. As on 31.3.2013 there were 8 running projects. The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 422.46 crore during 2012-13, which went down to ₹ 6299.42 crore in 2012-13 from ₹ 6721.88 crore in 2011-12. The profit of the company has also gone down by ₹ 423.55 crore to ₹ 2348.22 crore in 2012-13, from ₹ 2771.77 crore in previous year due to decrease in revenue as above, partially offset by increase in interest on Fixed Deposits and reversal of provision created in earlier years against recoverable from Delhi Transco Limited (erstwhile DESU) & recognizing of interest on the same.

The current ratio of company is at 1.91:1 during 2012-13 as against 1.76:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
In Chutak Project, non-availability of full load / Transmission system resulted in running of one unit at part load despite commissioning of all units by Jan, 13. In Nimoo Bazgo also, non-availability of full load / Transmission system resulted in running of its two units at part load despite synchronization by Jan,13. In Uri-II, Work at all fronts forcibly stopped w.e.f. 19.03.12 to 30.06.12 and again from 04.03.13 to 25.03.13 by local residents demanding employment in NHPC. Adverse weather conditions has also affected and delayed the Project. In Parbati-III, works of project were stopped w. e. f. 1st April, 13 to 13.05.2013 due to strike by locals / Project Affected persons for want of permanent employment with NHPC, resulting in demobilization of HV test Kit for units by BHEL, same has delayed the project severely. In Parbati-II, termination of contract of M/s HJV demobilization of HV test Kit for units by BHEL, same has delayed the project severely. In Parbati-II, termination of contract of M/s HJV (Lot PB 2) in Mar’12 delayed the completion of project. In TLDP-IV project, HCC’s financial crunch condition at site has resulted in delay in completion of project. In Kishanganga project, Work in river bed on dam site affected in view of interim order by International Court of Justice. Further Local interference to work and bandh / curfew has hampered the progress. In Subansiri Lower, the works of the project are standstill since 16/12/2011 due to agitation/ protests by various organization of Assam under apprehension of downstream impact of Dam.

**NHPC LTD.**

Public Enterprises Survey 2012-2013 : Vol-II
The Company

NMDC Ltd. was incorporated on 15.11.1958 with the objective to achieve international standards in the area of mining and mineral processing. NMDC is a Schedule-‘A’, listed Navratna CPSE under the administrative control of Ministry of Steel with 90% share holding by the Government of India. The company employed 5777 regular employees (1151 Executives & 4626 Non-Executives) as on 31.3.2013. Its Registered and Corporate office are at Hyderabad.

Vision / Mission

The Vision of the Company is to achieve production of 40 MT iron ore by 2014–15. The Mission of NMDC is to emerge as a global mining organization with international standards of excellence, rendering optimum satisfaction to all its stakeholders.

Industrial / Business Operations

NMDC is currently engaged in the mining of iron ore, diamond and sponge Iron production. It is operating 3 iron ore production units, two in Chhattisgarh and one in Karnataka. It has one diamond mining project in Madhya Pradesh, one Wind Mill Project in Karnataka and one Sponge Iron Unit in Andhra Pradesh.

NMDC has three Indian subsidiaries namely J&K Mineral Development Corporation Limited, NMDC_CMDC Ltd, NMDC Power Ltd with 74%, 51% and 100% shareholding respectively. NMDC has two wholly owned subsidiaries abroad namely NMDC-SARL in the republic of Madagascar and NAM-India Mineral Development Corporation (pty) Ltd. in the Republic of Namibia. NMDC has acquired 50% equity in Legacy Iron Ore Ltd., Australia.

North Eastern Electric Power Corporation
Brookland Compound, Lower New Colony, Shillong, Meghalaya-793003
www.neepco.gov.in

The company

North Eastern Electric Power Corporation (NEEPCO) was set up on 02.04.1976 with the objective to plan, promote, investigate, survey, design, construct, generate, operate and maintain hydro and thermal / gas power stations and to explore and utilize the power potential of North Eastern Region.

NEEPCO is a Schedule-'A' CPSE under the administrative control of Ministry of Power with 100% shareholding by the Government of India. The Company employed 2697 regular employees (Executive 904 & Non-executive 1793) as on 31.03.2013. Its Registered and Corporate offices are at Shillong, Meghalaya.

Vision / Mission

The Vision and Mission of the Company are to harness the vast hydro and thermal power potential to produce pollution free and inexhaustible power through planned and sustainable development of power generation projects. NEEPCO plays a significant role in the integrated and efficient development of hydroelectric and thermal power in the central sector covering all aspects such as investigation, planning, design, construction, operation and maintenance of hydroelectric and thermal projects.

Industrial / Business Operations

NEEPCO is engaged in construction of Hydro & Thermal power projects and consequent generation and sale of electricity from its 5 operating units at Umrangso (District Dima Hasao, Assam), and Bokuloni (District Dibrugarh) in Assam, Ramchandranagar (District West Tripura) in Tripura, Doyang (District Wokha) in Nagaland and Yazali (District Lowersubsansiri) in Arunachal Pradesh.

Performance Highlights

The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>

<td>4825</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered an increase of ₹ 122.68 crore during 2012-13, which went up to ₹ 1392.40 crore in 2012-13 from ₹ 1269.72 crore in 2011-12. However, the profit of the company has also gone up by ₹ 23.18 crore to ₹ 242.30 crore in 2012-13, from 219.12 crore in previous year due to increase in operating income.

The current ratio of the company is at 2.11:1 during 2012-13 as against 2.50:1 in the previous year.

Strategic issue

NEEPCO signed MOA with the Govt. of Mizoram on 26.03.2010 for carrying out survey, investigation and subsequent implementation of three projects in the state, subject to techno commercial viability, namely Lungreng HEP (815 MW), Chhimtuipui HEP(635 MW) and Mat HEP (76 MW) As per the Project Report prepared, Lungreng and Chhimtuipui Projects are proposed across River Tiau and Chhimtuipui, respectively forming the international boundary between India (Mizoram) and Myanmar. As these projects involve trans-border issues, applications seeking clearances of the Ministries of External Affairs, Defence and Home, GOI, have been initiated and are under process.

NEEPCO has taken up several R&D initiatives to address the challenges and opportunity in the increasingly competitive global market for strengthening technological compatibilities and growth. Some of the major R&D initiatives are study on corrosion and erosion of metal in the water path and underwater turbine parts and its remedial measures of Kopili HE Plant, investigation of deformation modulus of so tertiary rock at Pare HE Project, study of the Catchment of the Ranganadi HEP through remote sensing to assess the status of soil erosion and silt genera on etc. During the year 2012-13, the corpora on spent a total of ₹ 1.33 Crs under Research & development as against the minimum stipulated amount of Rs. 1.10 Cr.

NEEPCO has developed Specific Sustainable Development Plan in line with the Guidelines issued by Department of Public Enterprises. 14 numbers of projects were considered for Sustainable Development Plan for the year 2012-13 with a budget of ₹ 70.00 lakhs. The corpora on spent a total of ₹ 64.91 lakhs under sustainable development as against the minimum stipulated amount of ₹ 61.91 lakhs.

The Company

North-Eastern Regional Agricultural Marketing Corporation Limited (NERAMAC) was incorporated on 31.03.1982 with the objective to purchase the marketable surplus of fruit and vegetable in the North Eastern Region to the maximum possible extent through a network of centers and to make necessary arrangement for its processing and marketing.

NERAMAC is a Schedule ‘C’BIFR referred CPSE in Trading & Marketing sector under the administrative control of Ministry of Development of North Eastern Region with 100% shareholding by the Government of India. BIFR declared the company ‘no longer sick’ after its net worth become positive. The company employed 69 regular employees (Executives 8 & Non-Executives 61) as on 31.3.2013. Its Registered and Corporate Offices are at Guwahati, Assam.

Vision / Mission

The Mission / Vision of the company is to contribute significantly for the agro-horticultural development of the region by procuring, processing and marketing of at least 50% of the surplus production of agro-horticultural products that farmers find difficult to market like Ginger, Pineapple, Orange, Apple, Kiwi etc.

Industrial / Business Operations

NERAMAC is mainly involved in trading and marketing of fresh agro-horticulture produce along with processing of pineapple and cashew and retail vending of processed food items through its 3 operating units at Nalkata, Agartala (Tripura) and Byrnihat (Meghalaya). Besides Registered / Head Office, it has 8 procurement & marketing Offices in Assam, Tripura, Meghalaya, Nagaland, Mizoram, Manipur, Arunachal Pradesh and Sikkim.

Performance Highlights

The physical performances of the company for last three years are given below:

Total Revenue of the company registered a reduction of ₹ 56.95 crore during 2012-13, which went down from ₹ 100.95 crore in 2011-12 to ₹ 44.00 crore in 2012-13. The profit of the company has also gone down by ₹ 3.82 crore to a loss of ₹ 2.82 crore in 2012-13, as against a profit of ₹ 1.00 crore in previous year due to increase in operating expenses.

The current ratio of company is at 2.39:1 during 2012-13 as against 1.68:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

The new imitative taken by company includes setting up of Cashew Processing unit at Mankachar, Assam, Restructuring & Modernization of the Pineapple Juice Concentration Plant, Nalkata, Tripura and Establishment of Quality Assurance & Central Packaging Centre at Chaygaon, Assam.

The company is putting its efforts to generate employment by way of appointing franchisees for marketing and sale of different products produced by tiny / small producers of North Eastern Region. NERAMAC aims to set up minimum 100 outlets in the next five years. To begin with, NERAMAC will put up minimum 10 retail outlets in important locations gradually increasing it to help farmers market their produce and make these items available to customers.

Northern Coalfields Limited
Singrauli, Post Box-Singrauli, Madhya Pradesh Pin 486889
www.ncfl.com

The Company
Northern Coalfields Limited (NCL) was incorporated on 28.11.1985 under the Companies Act, 1956 with the objective to acquire and takeover specific coal mining activities carried out in Madhya Pradesh and Uttar Pradesh.

NCL is a Schedule-’B’, Mini-ratna CPSE in Coal and Lignite sector under the administrative control of M/o Coal. NCL is a 100% subsidiary of Coal India Ltd. The company employed 16073 regular employees (1832 executives and 14241 non executives) as on 31.3.2013. Its Registered and Corporate offices are at Singrauli, Madhya Pradesh.

Vision / Mission
Vision of the Company is to be the leading energy supplier in the country, through best practices from mine to market. The Mission of the Company is to produce and market the planned quantity of coal and coal products efficiently and economically with due regard to safety, conservation and quality.

Industrial / Business Operations
NCL is engaged in Coal extraction from its 10 operating mining projects at Jhingurda, Block-B, Jayant, Amlohri, Nigahi in Madhya Pradesh and Bina, Krishnashila, Kakri, Dudhichua, Khadia in Uttar Pradesh.

Performance Highlights
The physical performances of the company for last three years are given below:

<table>
<thead>
<tr>
<th>Main Products</th>
<th>Unit</th>
<th>Performance during 2012-13</th>
<th>2011-12</th>
<th>2010-11</th>

Total Revenue of the company registered an increase of ₹ 853.97 crore during 2012-13, which went up to ₹ 9986.40 crore in 2012-13 from ₹ 9132.43 crore in 2011-12 due to increase in sales price and other income of the company. However, the profit of the company has gone down by ₹ 87.96 crore to ₹ 2682.13 crore in 2012-13, from ₹ 2770.09 crore in previous year mainly due to increase in operating expenses.

The current ratio of company is at 4.99:1 during 2012-13 as against 4.58:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issue
The estimated coal production of the company during the terminal year of XII Plan i.e. 2016-17 is expected to be 82 million tonnes. To achieve the above production level, three new open-cast projects (OCP) have been identified in NCL command area namely Khadia-Expansion OCP (4 to 10 mtpa), Dudhichua-Expansion OCP (10 to 15 mtpa), and Jayant-Expansion OCP (10 to 15 mtpa). At present five mining projects are under implementation.

The Company

NTPC Electric Supply Company Ltd. (NESCL) was incorporated on 21.08.2002 with the objective to make a foray in the business of distribution and supply of electrical energy as a sequel to reforms initiated in the power sector. Presently, it is engaged in consultancy and retail distribution of power. It is a subsidiary company of NTPC Ltd.

NESCL, a wholly owned subsidiary of NTPC Limited, is an uncategorized CPSE in Transmission sector under the administrative control of the Ministry of Power. The company employed 122 regular employees (Executives 120 and Non-Executives 2) as on 31.3.2013. Its Registered and Corporate offices are at New Delhi.

Vision / Mission

The Vision of the Company is to deliver quality power to the Nation by creating models of excellence and benchmarks in electricity distribution thereby achieving customer delight.”

The Mission of the Company is to create a role model in the electricity distribution business by setting new benchmarks, to provide transparent, ethical and prompt services for enhancing customer delight, to adopt creative and innovative techniques for demand-side management and financial viability of the distribution businesses, to speedily plan and implement distribution networks using state-of-the-art technologies, to provide reliable, uninterrupted and quality power at appropriate tariffs, to achieve effective energy accounting by ensuring accurate metering, timely billing and collection of revenues and to create competent and committed human resource by nurturing technological & commercial competence for organizational growth and excellence.

Industrial / Business Operations

NESCL is providing Consultancy in area like Implementation of turnkey projects under Rajiv Gandhi GrameenVidyutikaranYojana (RGGVY), provision of supply of electricity in 5 Km areas around NTPC power stations, turnkey execution of sub-stations for utilities, project management consultancy.

Under RGGVY, NESCL is carrying out the implementation in 29 districts in 5 states (Madhya Pradesh, Chhattisgarh, Orissa, Jharkhand and West Bengal). 22 Un-electrified / De-electrified (UE/DE) villages and 2820 partially electrified (PE) Villages were made ready and electricity connection were provided to 25204 nos. of Belpowert Line (BPL) during the FY 2012-13. Cumulative progress till 31.03.2013 is 14719 UE/DE villages, 17679 PE villages and 26,08,646 BPL connections.

The company is also involved in providing supply of electricity in 5 KM area around NTPC power plants under a Government of India scheme. 8 nos. of projects have been awarded and work is in progress. The company has made a foray into the distribution sector by formation of a 50:50 JV company KINESCO Power & Utility Pvt. Ltd. with Kerala Industrial Infrastructure Development Corporation (KINFRA) to take up retail distribution of power in various Industrial Parks developed by KINFRA in Kerala and other SEZs and industrial areas. The new JV Company has taken over the operations from 1st Feb 2010.

Performance Highlights

Total Revenue of the company registered a reduction of ₹ 26.75 crore during 2012-13, which went down to ₹ 28.92 crore in 2012-13 from ₹ 55.67 crore in 2011-12 due to fall in the sales volume. The profit of the company has gone down by ₹ 32.25 crore to a loss of ₹ (-) 24.59 crore in 2012-13, from a profit of ₹ 7.66 crore in previous year due to reduction in expected cost of project completion & increase in expenses related to salary & wages.

The current ratio of company is at 1:1 during 2012-13 as against 1.06:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

NESCL is making continuous efforts to take up the new business activities in different areas including retail distribution of electricity to bulk industrial consumers in up-coming mega industrial areas / SEZs.

Efforts are going-on for turnkey execution of 2X20 MVA, KV substation and augmentation of 66/11 KV substation with new 1X30 MVA power transformer for Union Territory of Chandigarh. Turnkey execution of work of power supply arrangement for all the coal mining projects of NTPC.

NESCL is also exploring the possibility to take up the retail distribution to bulk industrial consumers in upcoming mega industrial areas being developed by Punjab State Industrial Development Corporation (PSIDC), Punjab by arranging the supply of input power from NTPC plants.

The Company registered an increase of ₹ 3005.34 crore in total income during 2011-12 which went up to ₹ 69.98 crore in 2011-12 from ₹ 54.48 crore during 2010-11 due to overall increase in volume of energy traded. The net profit of the company however increased to ₹ 111.93 crore 2011-12, an increase of ₹ 81.87 crore over the previous year’s profit of ₹ 30.06 crore mainly due to Exceptional Items on account of liquidated damages and encashment of bank guarantees aggregating to ₹ 107.18 crore.

The current ratio of company is at 1.55:1 during 2011-12 as against 1.87:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2011-12 can be seen on the adjoining page.

Strategic Issues

The Government has approved the Jawaharlal Nehru National Solar Mission (JNNSM) in November, 2009, with an aim to have capacity of 20000 MW of solar power by 2022, with immediate target for 1000 MW by 2013 for phase-I. Government has designated NVVN as a Nodal Agency for first phase of the National Solar Mission for 2009-13. Under the migration projects scheme of JNNSM solar PV projects of 48 MW capacity out of 54 MW contracted has been commissioned and solar thermal projects 30 MW capacity are to be commissioned in 2013. A solar capacity (migration + batch1) of 178 MW has been commissioned & corresponding allocation of NTPC coal power has been made by M/o Power.

The Company

Nuclear Power Corporation of India Limited (NPCIL) was incorporated on 3.9.1987 under the Companies Act, 1956 and under the provision of Atomic Energy Act, 1962 with an objective to develop nuclear power technology and to produce nuclear power as a safe, environmentally benign and an economically viable source of electrical energy to meet the growing electricity needs of the country. NPCIL commenced business on 17.9.1987.

NPCIL is a Schedule-‘A’ CPSE in Power sector under the administrative control of Department of Atomic Energy (DAE). The company employed 11596 employees (Executives 4113 & Non Executives 7483) as on March 31, 2013. Its Registered and Corporate offices are at Mumbai, Maharashtra.

Vision / Mission

The Vision / Mission of the Company is to develop nuclear power technology and to produce Nuclear Power as a safe, environmentally begin and economically viable source of electrical energy to meet the increasing electricity needs of the country.

Industrial / Business Operations

NPCIL is engaged in design, construction, commissioning and operation of nuclear power plants in the country. NPCIL generates electricity using nuclear fuel through nineteen operating nuclear power reactors with installed capacity of 4680 MW. Out of these nineteen reactors, nine are under IAEA safeguards and use the imported fuel, which is available in required quantity. The other ten reactors are out of IAEA safeguards and use domestic fuels which are being operated at power levels matching fuel supply. The nuclear power reactors are located at 6 sites namely Tarapur-Thane (Maharashtra), Rawthath-Kota (Rajasthan), Kalpakkam-Chennai (Tamilnadu), Narora-Bulandshahar (U.P.), Kakrapar-Surat (Gujarat) and Kaiga-Karwar (Karnataka). In addition to nuclear power, NPCIL is also generating electricity from wind mill of installed capacity 10 MW at Kudankulam site. Presently there are three nuclear power projects of NPCIL under construction and commissioning.

Performance Highlights

The overall availability factor continued to be high at 90%. The capacity utilisation during the year 2012-13 was 80% as against 79% during 2011-12. The company contributed about 3.6% of the total electricity production in the country during the fiscal. The operational performance of the company during the last three year (2010-11 to 2012-13) is given below.

<table>

<td>26473</td>
</tr>
</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 70.94 crore during 2012-13, which went down to ₹ 8637.97 crore in 2012-13 from ₹ 8708.91 crore in 2011-12 due to fall in other income. However, the profit of the company has gone up by ₹ 194.84 crore to ₹ 2100.99 crore in 2012-13, from ₹ 1906.15 crore in previous year due to higher capacity utilization resulting in increased generation of electricity and decrease in finance cost.

The current ratio of company is at 2.42:1 during 2012-13 as against 2.86:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

NPCIL has taken various new business initiatives for Public-public as well as public-private partnership to strengthen the Indian nuclear power capability and expanding power generation capacity. Towards this it has formed Joint Ventures (JVs) with NTPC Ltd., IOCL Ltd, NALCO Ltd. These are under the consideration of the Government for approval. In addition a joint venture of NPCIL (with 26% equity) and L&T (74% equity) to manufacturing large size heavy forgings and special steel is already operationlized.

The company is pursuing the mandate of expanding the nuclear power base in the country in accordance with the plans and schemes of the Government of India. XII Five Year Plan of the country has emphasized need to set-up low carbon emission technologies essentially to control carbon emissions. In this regard Planning Commission has projected increased share of nuclear power capacity. Current issues requiring focus include land acquisition, resettlement & rehabilitation, public acceptance of nuclear power post Fukushima, fuel supply constraints, statutory clearances in respect of green field sites and international agreements contingent to addressal of issues related to Civil Liability for Nuclear Damages Act 2010, to set up LWRs based on international cooperation, funding of expanding nuclear power program me in the country, etc.

The Company
Numaligarh Refinery Limited (NRL) was incorporated on 22nd April, 1993 with an objective of setting up a 3.0 MMTPA capacity petroleum refinery at Numaligarh in Golaghat district of Assam. NRL is a Schedule – ‘B’ Category-I Miniratna CPSE in Petroleum and Natural Gas sector under the administrative control of Ministry of Petroleum and Natural Gas. NRL is a subsidiary of Bharat Petroleum Corporation Ltd. (BPCL), which holds 61.65% equity in the Company. The other shareholders are Oil India Ltd. (26.00%) and Government of Assam (12.35%). The company employed 852 regular employees (Executives 420 & Non-Executives 432) as on 31.3.2013. Its Registered and Corporate offices are at Guwahati.

Vision / Mission
The Vision of the Company is to be a vibrant, growth oriented energy company of national standing and global reputation having core competencies in refining and marketing of petroleum products committed to attain sustained excellence in performance, safety standards, customer care and environment management and to provide a fillip to the development of the region.

The Mission of the Company is to develop core competencies in refining and marketing of petroleum products with a focus on achieving international standards on safety, quality and cost. Maximize wealth creation for meeting expectations of stakeholders. Create a pool of knowledgeable and inspired employees and ensure their professional and personal growth. Contribute towards the development of the region.

Industrial / Business Operations
The Company is primarily engaged in production of petroleum products. The Company has a single location petroleum refinery at Numaligarh and two oil marketing terminals, one at Numaligarh and the other at Siliguri.

The Company is having equity participation in two joint ventures, namely Brahmaputra Cracker & Polymer Ltd. (10% shareholding) and Duliajan Numaligarh Pipeline Ltd. (26% shareholding).

Performance Highlights
The average capacity utilization for the company was 82.60% during 2012-13 as against 94.17% during previous year. As on 31.03.2013 there were two projects under execution. The physical performances of the company for last three years are given below:

<table>

</tbody>
</table>

Total Revenue of the company registered a reduction of ₹ 5180.46 crores during 2012-13, which went down from ₹ 13449.73 crores in 2011-12 to ₹ 8269.27 crores in 2012-13 primarily due to routing of upstream crude oil discounts due to Bharat Petroleum Corporation Ltd (BPCL) through NRL from the crude suppliers, which in turn is passed on by NRL to BPCL through its sale of products to BPCL. The profit of the company has gone down by ₹ 40 crore to ₹ 144 crores from ₹ 184 crore in previous year mainly on account of lower margins due to valuation impact of upstream crude discount on closing stock held by the company as on 31.03.2013. The current ratio of company is at 1.8:1 during 2012-13 as against 1.36:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
In order to achieve economic scale of operation and for long term sustenance and growth, NRL has planned for augmenting its refining capacity from 3.0 to 8.0 / 9.0 MMTPA. NRL’s refinery expansion is envisaged to be facilitated through processing of imported crude oil. A pipeline is envisaged to be constructed for transportation of imported crude oil from Dhamra Port in Odisha to Numaligarh. Currently, feasibility studies for the refinery expansion project and route survey for the pipeline is under progress.

The Company
Oil and Natural Gas Corporation Ltd. (ONGC) was incorporated on 23.06.1993 with the objective to transforming the statutory commission namely Oil and Natural Gas Commission into a Public Sector Company, through an Act of Parliament, and to take over the business of the Commission w.e.f. 01.02.1994.
ONGC is a Schedule-‘A’, listed Maharatta CPSE in Crude Oil sector under the administrative control of M/o Petroleum and Natural Gas, which holds 69.23% of its shareholding. The company employed 32988 regular employees (Executive 24680, Non-executive 8308) as on 31.3.2013. The company is registered at Delhi and has its corporate office at Dehradun (Uttarakhand).

Vision / Mission
The Vision and Mission of the Company is “To be global leader in integrated energy business through sustainable growth, knowledge excellence and exemplary governance practices.”

Industrial / Business Operations
ONGC is engaged in hydrocarbon exploration and development of petroleum resources and production of crude oil and natural gas in India and overseas. ONGC also produces value added products viz. C2, C3, LPG, Naphtha, SKO, HSD, ATF etc. from its plants at Hazira, Uran and Ankleshwar and Mini Refinery at Tatipaka.
ONGC carries out oil & gas production activities through business units called Assets; exploration activities are carried out through the business units called Basins. Presently ONGC have 12 assets and 7 basins. Offshore Assets include Mumbai High, Neelam-Heera and Bassein & Satellite. All these Assets are based at Mumbai Offshore in Maharashtra. Onshore Assets are located at Ankleshwar, Mehsana, Ahmedabad in Gujarat; Karaikal in Pondicherry; Rajahmundry in Andhra Pradesh; Agartala in Tripura; Nazira, in Assam. Basins are located at Mumbai, Vadodara (Gujarat), Chennai, Kolkata, Jorhat (Assam) and at Dehradun.
It has two principal Indian subsidiaries namely ONGC Videsh Ltd. (OVL) and Mangalore Refinery and Petrochemicals Ltd. (MRPL) with share holding of 100% & 71.62% respectively. It also has five foreign subsidiaries wholly owned through OVL. The company is a partner in nine incorporated joint ventures (JV). Further, there are unincorporated JVs operating on production sharing contracts.

Performance Highlights
ONGC contributes about 69% of the national production of crude oil and 62% of natural gas. As on 31.3.2013 there were 41 running projects costing ₹ 100 Crore and above. The physical performance of the company for last three years; in respect of two major products, are given below:

Total Revenue of the company registered an increase of ₹ 7474 crore during 2012-13, which went up to ₹ 88442.07 crore in 2012-13 from ₹ 80968.07 crore in 2011-12 due to increase in quantity of sales in crude oil and better realization of price of natural gas and VAP due to increase in exchange rate. Revenue from non-operation has also increased during the years. However, the profit of the company has gone down by ₹ 4197.22 crore to ₹ 20925.70 crore in 2012-13, from ₹ 25122.92 crore in previous year due to Increase in share of under-recoveries, cess expenditure, revision of OIDB cess rate’ Exceptional income of Rs. 3,141 crore on account of payment received from Cairn India towards cost recovery of royalty for Rajasthan block during 2011-12.; OPEX has also increased mainly due to increase in staff expenditure on account of provision for PRBS, Mining allowance etc.
The current ratio of company is at 1.75:1 during 2012-13 as against 1.42:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Oil India Ltd.
Oil India Limited, Duliajan, Assam - 786 602.
www.oil-india.com

The Company
Oil India Limited (OIL) was incorporated on 18.02.1959 with the objective to manage the oilfields of Naharkatiya in Assam. It was incorporated as a partnership venture between Government of India and Burmah Oil. The Company became a Central Public Sector Enterprise (CPSE) in 1981.

OIL is a Schedule ‘A’ listed Navratna CPSE in Crude Oil sector under the administrative control of Ministry of Petroleum & Natural Gas with 68.43% shareholding by the Government of India. The company has 8123 regular employees (Executives 1493 & Non-Executives 6630) as on 31.3.2013. Its Registered Office is at Duliajan, Assam and the Corporate Office is at NOIDA, U.P. The Company has its Pipeline Headquarter at Guwahati (Assam).

Vision/Mission
The Vision & Mission of the Company is to be a vibrant, responsive, knowledge based, competitive E&P company with a global presence, and a selective presence across the oil and gas value chain in India, maximizing shareholder value, respecting shareholders’ value, respecting shareholders’ aspirations and caring for the environment.

Industrial / Business Operations
OIL is engaged in exploration and production of Hydrocarbons; transportation of Crude Oil and Natural Gas; and extraction of LPG through its three operating units at Dibrugarh & Kamrup districts of Assam and Jaisalmer District of Rajasthan.

OIL has two foreign based subsidiaries namely Oil India Sweden AB and Oil India Cyprus Limited. The Company has 32 unincorporated joint ventures / Production Sharing Contracts (PSCs) with a participating interest ranging from 10% to 90% as on 31.3.2013.

The Company
ONGC Videsh Limited, a wholly owned subsidiary of Oil and Natural Gas Corporation Limited (ONGC), was incorporated on 5th March 1965 to perform international business of exploration and production of oil and gas of its parent Company.

It is a schedule “A” CPSE, in the crude oil sector under the administrative control of Ministry of Petroleum and Natural Gas (MoP&NG). The Company has been operating mainly with security oil provided by the Parent Company ONGC. The company employed 2193 regular employees (Executives 279 and Non-executives 1914) as on 31.3.2013. It’s Registered and Corporate office are at Delhi.

Vision/Mission
The Vision of the Company is to be a world-class exploration and production company providing security oil to the country. The Mission of the Company is to contribute 60 MMTPA of equity oil and gas by 2030.

Industrial / Business Operations
ONGC Videsh is engaged in prospecting for and acquisition of oil and gas acreages outside India for exploration, development and production of oil and gas. As on 31st March, 2013, ONGC Videsh has participation either directly or through wholly owned subsidiaries/ joint venture companies in 32 E&P projects in 16 countries namely Vietnam (2 projects), Russia (2 projects), Sudan (2 projects), South Sudan (2 projects), Iran (1 project), Iraq (1 project), Libya (1 project), Myanmar (2 projects), Syria (2 projects), Cuba (1 project), Brazil (2 projects), Nigeria (1 project), Colombia (8 projects), Venezuela (2 projects), Kazakhstan (1 project) and Azerbaijan (2 projects) and has been actively pursuing more opportunities across the globe. Out of 32 projects, ONGC Videsh is Operator in 11 projects, Joint Operator in 8 projects and remaining 13 are non-operated projects. The Company adopts a balanced portfolio and maintains a combination of 11 producing, 5 discovered, 14 exploration and gas acreages outside India for exploration, development and production company providing security oil to the country. The Mission of the Company is to contribute 60 MMTPA of equity oil and gas by 2030.

Performance Highlights
The physical performance of the company for last three years is given below:

<td>2.539</td>
<td>2.692</td>
</tr>
</tbody>
</table>

The Company registered a reduction of ₹ 4608.11 crore in total revenue during 2012-13 which went down to ₹ 18029.31 crore in 2011-12 from ₹ 22637.42 crore during 2012-13 due to decrease in production from blocks in South Sudan, AFPC, Syria and BC-10 Brazil and lower crude oil price during the year which was partially offset due to positive Exchange Variance on account of rupee depreciation against US Dollar.

The net profit of the company however increased to ₹ 3929.14 crore in 2012-13, an increase of ₹ 1207.98 crore from previous year’s profit of ₹ 2721.16 crore due to reduction in other expenses. The other expenses for the year have been reduced due to impairment provision in respect of investment in subsidiary Company – Imperial Energy Limited, Russia during the previous year.

The current ratio of company is at 1.17:1 during 2012-13 as against 1.63:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues
ONGC Videsh has completed the acquisition of Hess Corporation’s 2.7213% participating interest in the Azeri, Chirag and the Deep Water Portion of Guneshli Fields in the Azerbaijan sector of the Caspian Sea (ACG) and 2.36% interest in the Baku-Tbilisi-Ceyhan (BTC) Pipeline on 28th March 2013. The acquisition added about 9% additional proved reserves to OVL portfolio.

ONGC Videsh has solely acquired the exploration block GUAMOF-2, located in offshore Colombia, through bidding in the Colombia Bid Round-2012. E&P contract for the Block was signed on December 3, 2012. The block is contiguous to the OVL operated block RC-10 in Caribbean offshore.

ONGC Videsh and SINOPEC won the exploration block Llanos-69 (LLA-69) in the Colombia Bid Round 2012. The Production Sharing Contract (PSC) for the Block was signed on 29th November, 2012. Block LLA-69 is an onshore Block, in the prolific Llanos basin of Colombia. It has an area of 226 sq. Km.
ONGC VIDESHLTD.

The company has provided provisional figures. Total Revenue of the company registered an increase of ₹ 2.06 crore during 2012-13, which went up to ₹ 13.72 crore in 2012-13 from ₹ 11.66 crore in 2011-12 due to increase in sales turnover. The profit of the company has gone up by ₹ 0.05 crore to ₹ 0.90 crore in 2012-13, from ₹ 0.85 crore in previous year. As per P&L Account, Profit of the company has increased less as compare to the sales turnover increased due to increase in the operating expenses.

The current ratio of company is at 0.61:1 during 2012-13 as against 0.46:1 in the previous year. Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic issues

BIFR recommended winding up of the company and Orissa High court also ordered for liquidation of the company. However, the holding company IDPL has taken initiative for the revival of the unit and submitted a fresh Revival Project report for ODCL before the Hon’ble High Court of Orissa on 5.8.2010.

**2012-13 Provisional**
The Company

Orissa Minerals Development Co. Ltd. (OMDC) was a part of Bird Groups of companies (Government managed company) under Ministry of Steel and became a Central Public Sector Enterprises (CPSE) as per the restructuring scheme approved by Government of India on 19.3.2010.

The change of status from Government managed company to CPSE came as per reorganization of share holding pattern of the company without any alteration of its capital structure, wherein major share holder of the company i.e. Eastern Investment Ltd. (EIL) had acquired shares of President of India and OMDC became a subsidiary of EIL, which in turn also become a CPSE by allocating equivalent number of shares in the name of President of India as per the same restructuring proposal. However, during the year 2011-12 the BIRD Group of Companies (BGC) have formally been made subsidiary of Rashtriya Ispat Nigam Ltd. (RINL), with acquisition of 51% stake in EIL, the holding company of BGC.

OMDC is Schedule ‘B’ CPSE in Other Minerals & Metals sector under the administrative control of Ministry of Steel. The company employed 714 regular employees (Executives 110, Non-executives 604) as on 31.3.2013. It’s registered Office is at Kolkata and Mines office at district Keonjhar, Orissa.

Industrial / Business Operations

The Company is involved in mining and sale of iron and manganese ore in the state of Orissa.

Performance Highlights

The mines remained inoperative during the year due to non-renewal of mining lease of the company. The physical performance of Company for last three years is given below:

<table>

</tbody>
</table>

There is no revenue from the operations. Total Revenue of the company registered an increase of ₹ 18.80 crore during 2012-13, which went up to ₹ 79.98 crore in 2012-13 from ₹ 61.18 crore in 2011-12 due to increase in other income. The profit of the company has also gone up by ₹ 9.42 crore to ₹ 12.86 crore in 2012-13, from ₹ 3.44 crore in previous year due to increase in the other income.

The current ratio of company is at 9.98:1 during 2012-13 as against 10.62:1 in the previous year (Fig.2). Balance Sheet and Profit & Loss Account of the company and selected financial ratios during the period 2010-11 to 2012-13 can be seen on the adjoining page.

Strategic Issues

The company’s future plans could not take desired shape mainly because of uncertainties with the renewal of three resourceful mining lease of the company.

</table>

The Company registered a growth of ₹ 526.45 crore in total income during 2012-13 which went up to ₹ 12208.67 crore in 2012-13 from ₹ 11682.22 crore during 2011-12. The net profit of the company increased to ₹ 96.96 crore during 2012-13, an increase of ₹ 17.41 crore over the previous year profit of ₹ 79.55 crore due to increase in export and import turnover and write off of bad debt.

Strategic issue

PEC continues to evolve its business with the changing times. It has also strengthened its core business in agro commodities, industrial raw material, bullion, engineering & manufactured goods. The major concerns remain falling industrial production and depreciation in rupee against US dollar. These two factors adversely affect imports which almost 60% of business turnover of PEC. Rupee depreciation makes import expensive but does not help export. The rising inflation further puts interest rates in vicious cycles.
