D.O. No. 11011/2/2017-Genl.(DPE)  
21<sup>st</sup> March, 2018

Dear

The Central Public Sector Enterprises have been playing an important role in the development of the core and strategic sectors of the economy. Government has drawn up a broad vision of 'New India - 2022' for rapid social and economic transformation of the country. There is an urgent need to align the working and priorities of CPSEs with this vision in order to maximize their contributions towards nation building.

2. The Department of Public Enterprises coordinated an exercise for re-defining the role and functioning of CPSEs in a collaborative, consultative and holistic manner. This involved extensive discussions on prescribed agenda points amongst relevant stakeholders, viz. Chief Executives, Directors, Government nominee Directors, employees of CPSEs and other senior officers of administrative Ministries. This consultative process will culminate in a day long CPSE Conclave which is being organized on 9<sup>th</sup> April, 2018 (Monday) at Vigyan Bhavan, New Delhi. Hon'ble Prime Minister has kindly consented to preside over the Session where presentations will be made on the recommendations which have emerged from this exercise. These deliberations will lead to an actionable road map to achieve the targets of New India - Vision 2022.

3. I would like to invite you to participate in the CPSE Conclave and also ensure that Government Directors of Ministry/Department and all Directors (functional, government, non-official) of CPSEs under the administrative control of Ministry/Department attend the Conclave. The formal invitation cards are being sent shortly.

With regards,

Yours sincerely,

(Seema Bahuguna)

To Secretaries of all administrative Ministries/Departments
