

Virtual Interactive workshop on Online MoU system through Video Conferencing

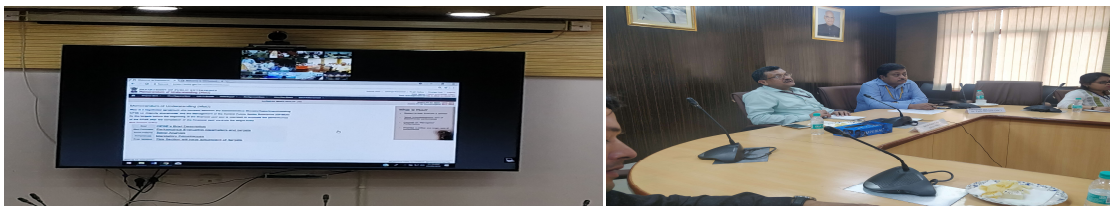

Department of Public Enterprises **for the first time**, conducted a series of Virtual Interactive Workshop through video conferencing services provided by NIC's VideoConferencing Division along with Public Enterprises Informatics Division.

This Virtual Interactive Workshop was held on **14-08-2018, 21-08-2018 and 05-09-2018** wherein **33, 50** and **84** CPSEs as well as Administrative Ministries were connected respectively through video conferencing link, to demonstrate the Online MoU application developed for DPE by **Public Enterprises Informatics Division**.

The series of workshop was inaugurated with a key-note address by Smt. Seema Bahuguna, Secy-DPE to the Nodal Officers of the CPSEs who were participating in the workshop through video conferencing.

A presentation on **Online MoU application** and there after a demonstration of the online MoU application, explaining about each sections and flow of the system was given by DPE's MoU division. An interactive Question & Answer session with each CPSEs was conducted at the end of each day's session, in order to answer the queries and to obtain their feedbacks for further improvement of the online MoU Application.

Shri R.K. Choudhry (Jt.Secy), Shri S.K. Goyal (Advisor) and Shri Agrim Kaushal (Advisor) along with other senior officials of DPE's MoU Division presided over the workshop proceedings on various days.

This first time initiative of NIC has been well appreciated by Secy-DPE ,in the Senior Officers Meeting held on 11-09-2018. Shri S.K. Goyal, Advisor(MoU) has complimented NIC-DPE team for this initiative.
