2.1 The Employer will select a consulting firm/organization (the Consultant) in accordance with the method of selection specified in the Part II of Section 2.

2.2 The name of the assignment/Job has been mentioned in Part II of Section 1. Detailed scope of the assignment/ job has been described in the Terms of Reference in Section 2.

2.3 The date, time and address for submission of the proposals have been given in Part II of Section 1.

2.4 The Consultants are invited to submit their Proposal, for consulting Assignment/job named in the Part II of Section 1. The Proposal will be the basis for signed Contract with the selected Consultant.

2.5 The Employer will provide to the Consultants the inputs and facilities specified in the Part II of Section 2 without any cost and make available relevant project data and reports.

2.6 Consultants shall bear all costs associated with the preparation and submission of their proposals and contract negotiation. The Employer is not bound to accept any proposal, and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Consultants.

3. Eligibility of Association of consultants and Sub-Consultants

3.1 If the consultant has formed an association of consultants, each member of the association of consultant shall be evaluated as per the qualification/ eligibility criteria set forth in Part II of Section 2. The combined score of the each member of the association of consultant shall be taken into account for evaluation purpose. If any member of the association of consultants is dropped at the RFP stage, such association of consultant is liable to be rejected by the Employer. However, the Employer, at its sole discretion, may decide to evaluate for short-listing such association of consultant without considering the strength of the dropped member and if found eligible, may allow such association of consultant to submit their proposal.

3.2 A consultant may associate with consultants and /or individual expert at the time of submission of proposal. Under such circumstances each member of the association of consultant shall be evaluated as per the qualification/ eligibility criteria set forth in Part II of Section 2. The combined score of the each member of the association of consultant shall be taken into account for evaluation purpose. However, the lead member of the association of the consultant shall be the consultant who has submitted the proposal and employer shall deal with only the lead member for the purpose of this assignment. Although the contract shall be signed by all the members of the associations of the consultants, the lead member of the association of the consultant shall be responsible and liable to the Employer for every aspects of their proposal, contract etc.

4. Clarification and Amendment of RFP Documents

4.1 Consultants may request a clarification on any clause of the RFP documents up to the number of days indicated in the Part II of Section 1 before the proposal submission date. Any request for clarification must be sent in writing, or by standard electronic means to the Employer's address indicated in the Part II of Section 1. The Employer will respond in writing, or by standard electronic means and will send written copies of the response (including an explanation of the query but without identifying the source of inquiry) to all Consultants. Should the Employer deem it necessary to amend the RFP as a result of a clarification, it shall do so following the procedure under para 4.2 below.

4.2 At any time before the submission of Proposals, the Employer may amend the RFP by issuing an addendum in writing or by standard electronic means. The addendum shall be sent to all Consultants and will be binding on them. Consultants shall acknowledge receipt of all amendments. To give Consultants reasonable time in which to take an amendment into account in their Proposals the Employer may, if the amendment is substantial, extend the deadline for the submission of Proposals.

5. Conflict of Interest

5.1 Employer requires that Consultants provide professional, objective, and impartial advice and at all times hold the Employer's interests paramount, strictly avoid conflicts with other Assignment/jobs or their own corporate interests and act without any consideration for future work.

5.2 Without limitation on the generality of the foregoing, Consultants, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:

Conflicting activities: A firm that has been engaged by the Employer to provide goods, works or Assignment/job other than consulting Assignment/job for a project, and any of its affiliates, shall be disqualified from providing consulting Assignment/job related to those goods, works or Assignment/job. Conversely, a firm hired to provide consulting Assignment/job for the preparation or implementation of a project, and any of its affiliates, shall be disqualified from subsequently providing goods or works or Assignment/job other than consulting Assignment/job resulting from or directly related to the firm's consulting Assignment/job for such preparation or implementation. For the purpose of this paragraph, Assignment/job other than consulting Assignment/job are defined as those leading to a

measurable physical output, for example surveys, exploratory drilling, aerial photography, and satellite imagery.

Conflicting Assignment/job: A Consultant (including its Personnel and Sub-Consultants) or any of its affiliates shall not be hired for any Assignment/job that, by its nature, may be in conflict with another Assignment/job of the Consultant to be executed for the same or for another Employer.

Conflicting relationships: A Consultant (including its Personnel and Sub-Consultants) that has a business or family relationship with a member of the Employer's staff who is directly or indirectly involved in any part of (i) the preparation of the Terms of Reference of the Assignment/job, (ii) the selection process for such Assignment/job, or (iii) supervision of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Employer throughout the selection process and the execution of the Contract.

5.3 Consultants have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of their Employer, or that may reasonably be perceived as having this effect. Any such disclosure shall be made as per the Standard forms of technical proposal provided herewith. If the consultant fails to disclose said situations and if the Employer comes to know about any such situation at any time, it may lead to the disqualification of the Consultant during bidding process or the termination of its Contract during execution of assignment.

5.4 No agency or current employees of the Employer shall work as Consultants under their own ministries, departments or agencies.

6. Unfair Advantage

6.1 If a Consultant could derive a competitive advantage from having provided consulting Assignment/job related to the Assignment/job in question and which is not defined as conflict of interest as per para 5 above, the Employer shall make available to all Consultants together with this RFP all information that would in that respect give such Consultant any competitive advantage over competing Consultants.

7. Proposal

7.1 Consultants shall only submit one proposal. If a Consultant submits or participates in more than one proposal, such proposals shall be disqualified. However, this does not limit

the participation of the same Sub-Consultant, including individual experts, to more than one proposal.

8. Proposal Validity

8.1 The para 3 of Part II of Section 1 indicates how long Consultants' Proposals must remain valid after the submission date. During this period, Consultants shall maintain the availability of Professional staff nominated in the Proposal and also the financial proposal unchanged. The Employer will make its best effort to complete the selection process within this period. Should the need arise, however, the Employer may request Consultants to extend the validity period of their proposals. Consultants who agree to such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal and their financial proposal remain unchanged, or in their confirmation of extension of validity of the Proposal, Consultants could submit new staff in replacement, who would be considered in the final evaluation for contract award. Consultants who do not agree have the right to refuse to extend the validity of their Proposals, under such circumstance the Employer shall not consider such proposal for further evaluation.

9. Preparation of Proposals

9.1 The Proposal as well as all related correspondence exchanged by the Consultants and the Employer, shall be written in English language, unless specified otherwise.

9.2 In preparing their Proposal, Consultants are expected to examine in detail the documents comprising the RFP. Material deficiencies in providing the information requested may result in rejection of a Proposal.

9.3 While preparing the Technical Proposal, if a Consultant considers that it may enhance its expertise for the Assignment/job by associating with other Consultants in sub-consultancy, it may associate with a Consultant who has not been technically qualified as a part of the application process of this RFP.

9.4 Depending on the nature of the Assignment/job, Consultants are required to submit a Technical Proposal (TP) in forms provided in Section-3. The section 3 indicates the formats of the Technical Proposal to be submitted. **Submission of the wrong type of Technical Proposal will result in the Proposal being deemed non-responsive.** The Technical Proposal shall provide the information indicated in the following paras from (a) to (d) using the attached Standard Forms (Section 3). Form Tech – I in Section-3 is a sample letter of technical proposal which is to be submitted along with the technical proposal.

(a) A brief description of the consultant's organization and in the case of a consortium/ joint venture, of each partner, will be provided in Form Tech-2. In the same Form, the consultant and in the case of a consortium/ joint venture, each partner will provide details of experience of assignments which are similar to the proposed assignment/ job as per the terms of reference. For each Assignment/job, the outline should indicate the names of Sub-Consultants/Professional staff who participated, duration of the Assignment/job, contract amount, and Consultant's involvement. Information should be provided only for those Assignment/jobs for which the Consultant was legally contracted by the Employer as a corporation or as one of the major firms within a joint venture. Assignment/jobs completed by individual Professional staff working privately or through other consulting firms cannot be claimed as the experience of the Consultant, or that of the Consultant's associates, but can be claimed by the Professional staff themselves in their CVs. Consultants should be prepared to substantiate the claimed experience along with the proposal and must submit letter of award / copy of contract for all the assignments mentioned in the proposal.

(b) Comments and suggestions on the Terms of Reference including workable suggestions that could improve the quality/ effectiveness of the Assignment/job; and on requirements for facilities including: administrative support, office space, data, etc. to be provided by the Employer (Form TECH-3 of Section 3).

(c) A description of the approach, methodology and work plan for performing the Assignment/job covering the following subjects: technical approach and methodology, work plan, and organization and staffing schedule. Guidance on the content of this section of the Technical Proposals is provided under Form TECH-4 of Section 3. The work plan should be consistent with the Work Schedule which will show in the form of a bar chart the timing proposed for each activity.

(d) CVs of the Professional staff as mentioned above signed by the staff themselves or by the authorized representative of the Professional Staff (Form TECH-5 of Section 3).

9.5 The Technical Proposal shall not include any financial information. A Technical Proposal containing financial information may be declared non responsive.

9.6 **Financial Proposals:** The Financial Proposal shall be prepared using the attached Standard Forms (Section 3). The financial proposal shall not include any conditions attached to it and any such conditional financial proposal shall be rejected summarily.

10. Taxes

10.1 The Consultant shall fully familiarize themselves about the applicable to Domestic taxes (such as: value added or sales tax, service tax or income taxes, duties, fees, levies) on amounts payable by the Employer under the Contract. All such taxes must be included by the consultant in the financial proposal.

11. Currency

II. Proposals not accompanied by EMD shall be rejected as non-responsive.

III. No interest shall be payable by the Employer for the sum deposited as earnest money deposit.

IV. No bank guarantee will be accepted in lieu of the earnest money deposit.

V. The EMD of the unsuccessful bidders would be returned back within 45 days of award of job.

12.2 The EMD shall be forfeited by the Employer in the following events:

I. If Proposal is withdrawn during the validity period or any extension agreed by the consultant thereof.

II. If the Proposal is varied or modified in a manner not acceptable to the Employer after opening of Proposal during the validity period or any extension thereof.

III. If the consultant tries to influence the evaluation process.

IV. If the First ranked consultant withdraws his proposal during financial negotiations (failure to arrive at consensus by both the parties shall not be construed as withdrawal of proposal by the consultant).

12.3 Performance Bank Guarantee

The successful bidder will have to submit Performance Bank Guarantee equivalent to 10 % of value of project awarded with validity up to 30th January 2015

13. Submission, Receipt, and Opening of Proposal

13.1 The original proposals, both technical and Financial Proposals shall contain no interlineations or overwriting, except as necessary to correct errors made by the Consultants themselves. The person who signed the proposal must initial such corrections. Submission of letters for both Technical and Financial Proposals should respectively be in the format of TECH-1 of Section 3 & FIN-1 of Section 3.

13.2 An authorized representative of the Consultants shall initial all pages of the original Technical and Financial Proposals. The authorization shall be in the form of a written power of attorney accompanying the Proposal or in any other form demonstrating that the representative has been dully authorized to sign. The signed Technical and Financial Proposals shall be marked "ORIGINAL".

13.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked "TECHNICAL PROPOSAL" Similarly, the original Financial Proposal shall be placed in a sealed envelope clearly marked "FINANCIAL PROPOSAL" followed by the name of the Assignment/job. The envelopes containing the Technical Proposals, Financial Proposals, EMD shall be placed into an outer envelope and sealed. This outer envelope shall bear the submission address, reference number be clearly marked **"DO NOT OPEN, BEFORE-08.09.2014, 3:00 P.M."**. The Employer shall not be responsible for misplacement, losing or premature opening if the outer envelope is not sealed and/or marked as stipulated. This circumstance may be case for Proposal rejection. **If the Financial Proposal is not submitted in a separate sealed envelope duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.**

13.4 The Proposals must be sent to the address/addresses indicated in the Part II of Section 1 and received by the Employer no later than the time and the date indicated in the Part II of Section 1, or any extension to this date in accordance with para 4.2 above. Any proposal received by the Employer after the deadline for submission shall be returned unopened.

14. Proposal Evaluation

14.1 From the time the Proposals are opened to the time the Contract is awarded, the Consultants should not contact the Employer on any matter related to its Technical and/or Financial Proposal. Any effort by Consultants to influence the Employer in the examination, evaluation, ranking of Proposals, and recommendation for award of Contract may result in the rejection of the Consultants' Proposal.

14.2 The employer has constituted a Consultant Selection Committee (CSC) which will carry out the entire evaluation process.

14.3 Evaluation of Technical Proposals:

CSC while evaluating the Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded and the competent authority accepts the recommendation.

14.4 The CSC shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and by applying the evaluation criteria specified in Part II of Section 2. In the first stage of evaluation, a Proposal shall be rejected if it is found deficient as per the requirement indicated in the Part II of Section 2. Only responsive proposals shall be further taken up for evaluation. Evaluation of the technical proposal will start first and at this stage the financial bid (proposal) will remain **unopened**. The qualification of the consultant and the evaluation criteria for the technical proposal shall be as defined in Part II of Section 2.

14.5 Public opening & evaluation of the Financial Proposals:

Financial proposals of only those firms who are technically qualified shall be opened publicly on the date & time specified the Part II of Section 1, in the presence of the Consultants' representatives who choose to attend. The name of the Consultants, their technical score (if required) and their financial proposal shall be read aloud.

14.6 The CSC will correct any computational errors. When correcting computational errors, in case of discrepancy between a partial amount and the total amount, or between word and figures, the former will prevail. In addition to the above corrections the items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items. In case an activity or line item is quantified in the Financial Proposal differently from the Technical Proposal, no corrections will be applied to the Financial Proposal in this respect.

14.7 After opening of financial proposals, appropriate selection method shall be applied to determine the consultant who will be declared winner and be eligible for award of the contract. The method of selection is described in the Part II of Section 2. This selected consultant will then be invited for technical negotiations, if considered necessary.

15. Technical Negotiations

15.1 Technical Negotiations will be held at the date, time and address intimated to the qualified and selected bidder. The invited Consultant will, as a pre-requisite for attendance at the negotiations, confirm availability of all Professional staff. Representatives conducting negotiations on behalf of the Consultant must have written authority to negotiate and conclude a Contract.

15.2 Technical negotiations: Negotiations will include a discussion of the Technical Proposal, the proposed technical approach and methodology, work plan, and organization and staffing, and any suggestions made by the Consultant to improve the Terms of Reference. The Employer and the Consultants will finalize the Terms of Reference, staffing schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the Contract as "Description of Assignment/job". Special attention will be paid to clearly defining the inputs and facilities required from the Employer to ensure satisfactory implementation of the Assignment/job. The Employer shall prepare minutes of negotiations which will be signed by the Employer and the Consultant.

15.3 Financial negotiations: After the technical negotiations are over, financial negotiations may be carried out in order to reflect any change in financials due to change in scope of work or due to clarification on any aspect of the technical proposal during the technical negotiations. Under no circumstance, the financial negotiation shall result in an increase in the price originally quoted by the consultant.

15.4 Availability of Professional staff/experts: Having selected the Consultant on the basis of, among other things, an evaluation of proposed Professional staff, the Employer expects to negotiate a Contract on the basis of the Professional staff named in the Proposal. Before contract negotiations, the Employer will require assurances that the Professional staff will be actually available. The Employer will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity or if the professional staff has left the organisation. If this is not the case and if it is established that Professional staff were offered in the proposal without confirming their availability, the Consultant may be disqualified.

15.5 Conclusion of the negotiations: Negotiations will conclude with a review of the draft Contract. To complete negotiations the Employer and the Consultant will initial the agreed

Contract. If negotiations fail, the employer will reject all the proposals received and invite fresh proposals.

16. Award of Contract

16.1 After completing negotiations the Employer shall issue a Letter of Intent to the selected Consultant and promptly notify all other Consultants who have submitted proposals about the decision taken.

16.2 The consultants will sign the contract after fulfilling all the formalities/pre-conditions mentioned in the standard form of contract, within 7 days of issuance of the letter of intent.

16.3 The Consultant is expected to commence the Assignment/job on the date and at the location specified in the Part II of Section 1.

17. Confidentiality

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the Consultants who submitted the Proposals or to other persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any Consultant of confidential information related to the process may result in the rejection of its Proposal and may be subject to the provisions of the Employer's antifraud and corruption policy.

Section 2

TERMS OF REFERENCE

PART I: OBJECTIVE & SCOPE OF SERVICES

1. GENERAL BACKGROUND

The Central Public Sector Enterprises (CPSEs) are Government companies in which the shareholding of the Central Government is more than 50% and includes their subsidiary companies as well as statutory corporations set up under specific Acts of Parliament

The Department of Public Enterprises (DPE) is the nodal department in the Government of India for Central Public Sector Enterprises (CPSEs). It is involved in policy formulation on non-financial matters and also lays down policy guidelines for performance improvement (and evaluation), increased autonomy/financial power delegation, personnel and management and other related areas.

DPE is also the interface between the administrative Ministries/Departments and the CPSEs. The Memorandum of Understanding (MoU) as applicable to public sector enterprises is a negotiated document between the Government and the management of the enterprise specifying clearly the objectives of the agreement and the obligations of both the parties. Under this agreement, the CPSE undertakes to achieve the targets (both financial and non financial) set in the agreement at the beginning of the year and submits itself to evaluation on the basis of its achievements at the end of the year. DPE in carrying out the activities associated with MoU process is assisted by an independent body of financial, domain and sectoral experts viz. Task Force.

The process of finalizing the MoU starts with the issue of detailed Guidelines by the Department of Public Enterprises (DPE) on the basis of which the CPSEs submit their draft MoU after getting them approved by the respective Boards and the Administrative Ministries. These draft MoUs are then discussed, improved and finalized during the MoU negotiation meetings of the Task Force Syndicates.

2. OBJECTIVE OF ASSIGNMENT

The objective of the RFP is to solicit proposals from interested agencies/ companies/ institutes for conducting a benchmarking study in the steel sector and recommend appropriate benchmarks for inclusion in MoU 2015-16 in order to improve the productivity,

profitability, operational efficiency, and future growth prospects of SAIL & RINL, hereinafter referred to as select steel sector CPSEs.

3. SCOPE OF WORK

The Scope of work would include but not be restricted to the following.

- (i) Identification of Key Performance Indicators/benchmarks prevalent in national and international steel industry including parameters related to value added products, environmental sustainability, such as green house gas emissions, energy intensity and efficient utilization of materials. The benchmarks/techno-economic parameters of Ministry of steel/Autonomous bodies/World Steel Association may also be used for reference.
- (ii) Analysis of performance of select steel sector CPSEs keeping in mind the raw material quality, technology, market conditions, policy environment, monopoly or privilege position and specific operational conditions of CPSE concerned.
- (iii) Study of performance of select steel sector CPSEs on the identified benchmarks with reference to national and international entities/companies of the comparable size with specific emphasis on individual process step benchmarks/total process benchmarks for an identical flow sheet.
- (iv) To suggest the benchmarks along with the realistic value/level of the benchmark which can be achieved by each of the select steel sector CPSEs based on existing configuration but optimized performance of individual process steps.

4. DELIVERABLES & TIME FRAME

The output required from the consultant is the identification of relevant national & international benchmarks applicable for the selected steel sector CPSEs and the realistic level/value of the benchmarks achievable by them. The time frame of the deliverables is mentioned below:

Sl. No.	Milestone	Time frame
1.	Submission of Inception Report	15 th October, 2014
2.	Submission of Preliminary Report on Identification of relevant benchmarks	30 th October, 2014
3.	Submission of draft reports on benchmarks for the CPSEs	1 st Decemeber, 2014
4.	Submission of final report after incorporation of suggestion/comments of Consultancy Review Committee	7 th January, 2015

4.1 The consultant is required to submit the final report in the form of soft copies as well as hard copies inclusive of the workings, assumptions, source of obtaining information, different methodology used for reaching logical conclusion and these documents will remain the property of DPE and will not be used for any other purpose other than those intended under RFP without obtaining permission of DPE. DPE will issue completion certificate to this effect.

4.2 Each deliverable of the consultant will be reviewed by the Consultancy Review Committee constituted by DPE for this purpose. The consultant would also be required to make a presentation on the draft reports before DPE and/or TF and incorporate their suggestions in the final report.

4.3 The consultant shall ensure timely completion of the milestones mentioned above. There will be a penalty @ 0.5% of total value of work awarded for every week of delay in non-achieving the milestones of work order unless such delay is duly approved by DPE. In case of non-submission of final report by the prescribed date the Consultant has to refund the entire amount released by this department together with a penal rate of interest @ 15%.
